Standard Instrument (Local Environmental Plans) Amendment Order 2011

under the

Environmental Planning and Assessment Act 1979

JAMES ALLSOP, Administrator

I, the Honourable Justice James Allsop, Administrator of the State of New South Wales, with the advice of the Executive Council, and in pursuance of section 33A of the Environmental Planning and Assessment Act 1979, make the following Order.

Dated, this 23rd day of February 2011.

By the Administrator’s Command,

TONY KELLY, MLC
Minister for Planning
2011 No 102

Clause 1  Standard Instrument (Local Environmental Plans) Amendment Order 2011

Standard Instrument (Local Environmental Plans) Amendment Order 2011

under the

Environmental Planning and Assessment Act 1979

1 Name of Order

This Order is the Standard Instrument (Local Environmental Plans) Amendment Order 2011.

2 Commencement

This Order commences on the day on which it is published on the NSW legislation website.
Clause 9

Insert after clause 8:

9 Transitional provisions consequent on making of Standard Instrument (Local Environmental Plans) Amendment Order 2011

(1) The amendments made by the Standard Instrument (Local Environmental Plans) Amendment Order 2011 (the amending Order) to the standard instrument prescribed by this Order do not have effect in relation to any local environmental plan that was in force immediately before the commencement of the amending Order until 4 months after that commencement.

(2) In any instrument or in any map adopted by an instrument, a reference to Zone RU4 Rural Small Holdings is taken to include a reference to Zone RU4 Primary Production Small Lots.

(3) For the purposes of subclause (2), instrument means a local environmental plan made under section 33A of the Act or any other environmental planning instrument that adopts or refers to the land use zones under the standard instrument prescribed by this Order.

(4) This clause does not limit the operation of clause 8.
Schedule 2 Amendment of Standard Instrument prescribed by Standard Instrument (Local Environmental Plans) Order 2006

[1] Clause 1.8, heading
Omit “other local”.

[2] Clause 2.1 Land use zones
Omit “RU4 Rural Small Holdings”.
Insert instead “RU4 Primary Production Small Lots”.

[3] Clauses 2.3 (1) (b) and (c), 2.4 (1), 2.5 (1), 2.6AA, 3.2 (3) (a), 4.2 (3), 4.6 (8), 5.6 (2), 5.8 (2), 5.11 and 5.12 (1)
Insert “development” before “consent” wherever occurring.

[4] Clause 2.4 Unzoned land
Insert “development” before “consent” where firstly occurring in clause 2.4 (2).

[5] Clause 2.6
Omit the clause. Insert instead:

2.6 Subdivision—consent requirements [compulsory]

(1) Land to which this Plan applies may be subdivided, but only with development consent.
Note. If a subdivision is identified as exempt development in an applicable environmental planning instrument, such as this Plan or State Environmental Planning Policy (Exempt and Complying Development Codes) 2008, the Act enables it to be carried out without development consent.

(2) Development consent must not be granted for the subdivision of land on which a secondary dwelling is situated if the subdivision would result in the principal dwelling and the secondary dwelling being situated on separate lots, unless the resulting lots are not less than the minimum size shown on the Lot Size Map in relation to that land.
Note. The definition of secondary dwelling in the Dictionary requires the dwelling to be on the same lot of land as the principal dwelling.

[6] Clauses 2.6AA and 2.6BB
Renumber as clauses 2.7 and 2.8, respectively.

[50] Clause 5.9 (9)
Insert after clause 5.9 (8):

(9) Subclause (8) (a) (ii) does not apply in relation to land in Zone R5 Large Lot Residential, E2 Environmental Conservation, E3 Environmental Management or E4 Environmental Living.

Direction. This subclause is an optional provision.

[51] Clause 5.9AA
Insert after clause 5.9:

5.9AA Trees or vegetation not prescribed by development control plan [compulsory]

(1) This clause applies to any tree or other vegetation that is not of a species or kind prescribed for the purposes of clause 5.9 by a development control plan made by the Council.

(2) The ringbarking, cutting down, topping, lopping, removal, injuring or destruction of any tree or other vegetation to which this clause applies is permitted without development consent.

[52] Clause 5.10 Heritage conservation
Omit the clause. Insert instead:

5.10 Heritage conservation [compulsory]

Note. Heritage items (if any) are listed and described in Schedule 5. The Heritage Map may also show the location of a heritage item. Heritage conservation areas (if any) must be shown on the Heritage Map as well as being described in Schedule 5.

The location and nature of Aboriginal objects and Aboriginal places of heritage significance may be described in Schedule 5 and shown on the sheet of the Heritage Map marked “Aboriginal Heritage Map”.

(1) Objectives
The objectives of this clause are as follows:

(a) to conserve the environmental heritage of [Name of local government area or other relevant name],

(b) to conserve the heritage significance of heritage items and heritage conservation areas, including associated fabric, settings and views,

(c) to conserve archaeological sites,

(d) to conserve Aboriginal objects and Aboriginal places of heritage significance.
(2) **Requirement for consent**

Development consent is required for any of the following:

(a) demolishing or moving any of the following or altering the exterior of any of the following (including, in the case of a building, making changes to its detail, fabric, finish or appearance):
   (i) a heritage item,
   (ii) an Aboriginal object,
   (iii) a building, work, relic or tree within a heritage conservation area,

(b) altering a heritage item that is a building by making structural changes to its interior or by making changes to anything inside the item that is specified in Schedule 5 in relation to the item,

(c) disturbing or excavating an archaeological site while knowing, or having reasonable cause to suspect, that the disturbance or excavation will or is likely to result in a relic being discovered, exposed, moved, damaged or destroyed,

(d) disturbing or excavating an Aboriginal place of heritage significance,

(e) erecting a building on land:
   (i) on which a heritage item is located or that is within a heritage conservation area, or
   (ii) on which an Aboriginal object is located or that is within an Aboriginal place of heritage significance,

(f) subdividing land:
   (i) on which a heritage item is located or that is within a heritage conservation area, or
   (ii) on which an Aboriginal object is located or that is within an Aboriginal place of heritage significance.

(3) **When consent not required**

However, development consent under this clause is not required if:

(a) the applicant has notified the consent authority of the proposed development and the consent authority has advised the applicant in writing before any work is carried out that it is satisfied that the proposed development:
   (i) is of a minor nature or is for the maintenance of the heritage item, Aboriginal object, Aboriginal place of heritage significance or archaeological site or a
(ii) would not adversely affect the heritage significance of the heritage item, Aboriginal object, Aboriginal place, archaeological site or heritage conservation area, or

(b) the development is in a cemetery or burial ground and the proposed development:

(i) is the creation of a new grave or monument, or excavation or disturbance of land for the purpose of conserving or repairing monuments or grave markers, and

(ii) would not cause disturbance to human remains, relics, Aboriginal objects in the form of grave goods, or to an Aboriginal place of heritage significance, or

(c) the development is limited to the removal of a tree or other vegetation that the Council is satisfied is a risk to human life or property, or

(d) the development is exempt development.

(4) **Effect of proposed development on heritage significance**

The consent authority must, before granting consent under this clause in respect of a heritage item or heritage conservation area, consider the effect of the proposed development on the heritage significance of the item or area concerned. This subclause applies regardless of whether a heritage management document is prepared under subclause (5) or a heritage conservation management plan is submitted under subclause (6).

(5) **Heritage assessment**

The consent authority may, before granting consent to any development:

(a) on land on which a heritage item is located, or

(b) on land that is within a heritage conservation area, or

(c) on land that is within the vicinity of land referred to in paragraph (a) or (b),

require a heritage management document to be prepared that assesses the extent to which the carrying out of the proposed development would affect the heritage significance of the heritage item or heritage conservation area concerned.
(6) **Heritage conservation management plans**

The consent authority may require, after considering the heritage significance of a heritage item and the extent of change proposed to it, the submission of a heritage conservation management plan before granting consent under this clause.

(7) **Archaeological sites**

The consent authority must, before granting consent under this clause to the carrying out of development on an archaeological site (other than land listed on the State Heritage Register or to which an interim heritage order under the *Heritage Act 1977* applies):

(a) notify the Heritage Council of its intention to grant consent, and

(b) take into consideration any response received from the Heritage Council within 28 days after the notice is sent.

(8) **Aboriginal places of heritage significance**

The consent authority must, before granting consent under this clause to the carrying out of development in an Aboriginal place of heritage significance:

(a) consider the effect of the proposed development on the heritage significance of the place and any Aboriginal object known or reasonably likely to be located at the place by means of an adequate investigation and assessment (which may involve consideration of a heritage impact statement), and

(b) notify the local Aboriginal communities, in writing or in such other manner as may be appropriate, about the application and take into consideration any response received within 28 days after the notice is sent.

(9) **Demolition of nominated State heritage items**

The consent authority must, before granting consent under this clause for the demolition of a nominated State heritage item:

(a) notify the Heritage Council about the application, and

(b) take into consideration any response received from the Heritage Council within 28 days after the notice is sent.

(10) **Conservation incentives**

The consent authority may grant consent to development for any purpose of a building that is a heritage item or of the land on which such a building is erected, or for any purpose on an
Aboriginal place of heritage significance, even though development for that purpose would otherwise not be allowed by this Plan, if the consent authority is satisfied that:

(a) the conservation of the heritage item or Aboriginal place of heritage significance is facilitated by the granting of consent, and

(b) the proposed development is in accordance with a heritage management document that has been approved by the consent authority, and

(c) the consent to the proposed development would require that all necessary conservation work identified in the heritage management document is carried out, and

(d) the proposed development would not adversely affect the heritage significance of the heritage item, including its setting, or the heritage significance of the Aboriginal place of heritage significance, and

(e) the proposed development would not have any significant adverse effect on the amenity of the surrounding area.

[53] Clause 5.12 Infrastructure development and use of existing buildings of the Crown
Omit “under the” from clause 5.12 (1). Insert instead “under”.

[54] Clause 5.13
Insert after clause 5.12:

5.13 Eco-tourist facilities [compulsory if eco-tourist facilities permitted with consent]

(1) The objectives of this clause are as follows:

(a) to maintain the environmental and cultural values of land on which development for the purposes of eco-tourist facilities is carried out,

(b) to provide for sensitively designed and managed eco-tourist facilities that have minimal impact on the environment both on and off-site.

(2) This clause applies if development for the purposes of an eco-tourist facility is permitted with development consent under this Plan.
(3) The consent authority must not grant consent under this Plan to carry out development for the purposes of an eco-tourist facility unless the consent authority is satisfied that:

(a) there is a demonstrated connection between the development and the ecological, environmental and cultural values of the site or area, and

(b) the development will be located, constructed, managed and maintained so as to minimise any impact on, and to conserve, the natural environment, and

(c) the development will enhance an appreciation of the environmental and cultural values of the site or area, and

(d) the development will promote positive environmental outcomes and any impact on watercourses, soil quality, heritage and indigenous flora and fauna will be minimal, and

(e) the site will be maintained (or regenerated where necessary) to ensure the continued protection of natural resources and enhancement of the natural environment, and

(f) waste generation during construction and operation will be avoided and that any waste will be appropriately removed, and

(g) the development will be located to avoid visibility above ridgelines and against escarpments and from watercourses and that any visual intrusion will be minimised through the choice of design, colours materials and landscaping with local indigenous flora, and

(h) any infrastructure services to the site will be provided without significant modification to the environment, and

(i) any power and water to the site will, where possible, be provided through the use of passive heating and cooling, renewable energy sources and water efficient design, and

(j) the development will not adversely affect the agricultural productivity of adjoining land, and

(k) the following matters are addressed or provided for in a management strategy for minimising any impact on the natural environment:

(i) measures to remove any threat of serious or irreversible environmental damage,

(ii) the maintenance (or regeneration where necessary) of habitats,
2011 No 102

Omit Part 2. Insert instead:

Part 2 Complying development certificate conditions

Note. Complying development must comply with the requirements of the Act, the regulations under the Act and this Plan.

General conditions
Any development specified in Part 1 is subject to the same conditions set out in Division 3 of Part 3 of State Environmental Planning Policy (Exempt and Complying Development Codes) 2008.

Direction. Other conditions may be included in this Part.

[58] Schedule 5 Environmental heritage
Insert at the beginning of the Schedule:

Direction. This Schedule should generally be divided into 3 parts (one for heritage items, one for heritage conservation areas and one for archaeological sites). If agreement is reached with the Aboriginal community to list Aboriginal objects or Aboriginal places of heritage significance, the Schedule should also include separate parts listing any such object or place. In all cases, the relevant matter should be listed in
alphabetical order in each respective Part according to suburb or locality name (and by street name within each such suburb or locality).

The description of a heritage item should be included in a column headed “Item” and should include a brief description of those things that are part of the heritage significance of the item—for example, “House, front garden and front fence”, or “Lindsey (including homestead, outbuildings, stables, Bunya Pine tree and driveway)” or “Dunmore Park (including bandstand, fountain and avenue of fig trees)”. If any interior features are part of the heritage significance of a heritage item, these should also be described—for example “Lindsey (including original bathroom, dining room fireplace with mantelpiece and original detailing throughout)” or “Lindsey (including all interior features)”. Any thing that is part of the heritage significance of a heritage item should also be included in the inventory of heritage items.

Heritage items cannot be identified in the Schedule as having “State significance” unless they are listed on the State Heritage Register. However, a heritage item may be listed in the Schedule as a “nominated item of State significance” (or as “State nominated”) if the item has been identified as an item of potential State significance in a publicly exhibited heritage study and the Council has nominated the item in writing to the Heritage Council.
