

## HUNTER DISTRICT WATER SUPPLY (CHICHESTER DAM) ACT.

Act No. 20, 1916.

**George V,** An Act to sanction the construction of a dam on  
**No. 20.** the Chichester River and other works in  
connection with the Hunter district water  
supply; to authorise the construction and  
use of certain works under, over, and along  
public roads; and for purposes consequent  
thereon and incidental thereto. [Assented to,  
19th April, 1916.]

**Preamble.** **W**HEREAS in accordance with the provisions of  
the Public Works Act, 1912, the Legislative  
Assembly did, by resolution, declare that it was  
expedient to carry out a certain work, namely, the  
carrying out of a scheme to augment the Hunter district  
water supply by the construction of a dam on the  
Chichester River: And whereas, on the passing of the  
said resolution, a statutory duty was by the said Act  
imposed on the Minister for Public Works to introduce  
a Bill into the said Assembly to sanction the carrying  
out the said work: Be it therefore enacted by the King's  
Most Excellent Majesty, by and with the advice and con-  
sent of the Legislative Council and Legislative Assembly  
of New South Wales in Parliament assembled, and by  
the authority of the same, as follows:—

**Short title.** **1.** This Act may be cited as the "Hunter District  
Water Supply (Chichester Dam) Act, 1916."

**Works  
sanctioned.** **2.** The carrying out of the work (more particularly  
described in the Schedule to this Act) is hereby  
sanctioned; and the Minister for Public Works,  
or the member of the Executive Council for the time  
being performing the duties of the said Minister, is  
hereby

hereby authorised to undertake and carry out the said work, subject to the provisions of this Act, and for that purpose shall be, and shall have the powers of a Constructing Authority within the meaning of the Public Works Act, 1912. George V,  
No. 20.

**3.** The plan of the said work is the plan marked "Schedule Plan, Hunter District Water Supply (Chichester Dam)," signed by the Minister for Public Works and countersigned by the Chief Engineer for Water Supply and Sewerage, and deposited in the public office of the said Minister. The plan.

**4.** The cost of carrying out the said work, estimated at one million and forty-nine thousand pounds (exclusive of land resumptions), may be defrayed from such Loan Votes as are now or may hereafter be applicable to the purpose, or from appropriations of the Public Works Fund, or partly from such votes and partly from such appropriations, and shall not, under any circumstances, exceed the estimated cost by more than ten per centum. Cost, and  
how to be  
defrayed.

**5.** For the purpose of the said work the Constructing Authority may construct and use railways and tramways and lines for the transmission of electric power under, over, and along public roads. Use of public  
roads.

---

SCHEDULE.

CONSTRUCTION of a concrete dam across the Chichester River below the junction of that river with the Wangat River, impounding storage of 4,546,068,000 gallons or thereabouts; gravitation main leading therefrom to existing distributory system of mains adjacent to Buttai Reservoir; gravitation main, Buttai to Waratah; additional service reservoir, Waratah; additions to Newcastle service reservoir; and works connected therewith.
