**AMENDMENTS**

Section 17 (Land register):

(a) Omit “Secretary of the Premier’s Department” wherever occurring, insert instead “Director-General of the Department of Conservation and Land Management”.

(b) From section 17 (1), omit “given by the Secretary, furnish to the Secretary”; insert instead “given by the Director-General, furnish to the Director-General”.

(d) From section 17 (3), omit “to the Secretary”, insert instead “to the Director-General”.

**Commencement**

The amendments to the Annual Reports (Departments) Act 1985 commence on the date of assent to this Act.
EXPLANATORY NOTE

Section 17 of the Act concerns the keeping of a register of land vested in, owned or occupied by, or subject to the control of, each Department (or Minister) and provides for the furnishing of information to allow the register to be kept. At present, the Managing Director of the Property Services Group is responsible for keeping the register. (Although the Act provides that the Secretary of the Premier’s Department is to keep the register, an Administrative Changes Order gazetted on 31 May 1991 provides that references in section 17 (and in section 14 of the Annual Reports (Statutory Bodies) Act 1984) to the Secretary are to be construed as references to the Managing Director of the Property Services Group.)

The proposed amendments transfer the responsibility for keeping the register to the Director-General of the Department of Conservation and Land Management. Similar amendments to section 14 of the Annual Reports (Statutory Bodies) Act 1984 are proposed to be made by the amendments immediately following.

ANNUAL REPORTS (STATUTORY BODIES) ACT 1984 No. 87

(d) From section 14 (4), omit “to the Secretary”, insert instead “to the Director-General”.

(e) From section 14 (5), omit “report to the Secretary”, insert instead “report to the Director-General”.

COMMENCEMENT

The amendments to the Annual Reports (Statutory Bodies) Act 1984 commence on the date of assent to this Act.

EXPLANATORY NOTE

The proposed amendments are similar to amendments to the Annual Reports (Departments) Act 1985 proposed to be made by the amendments immediately preceding these amendments. The Explanatory Note to those amendments is also applicable to these amendments.
ASSOCIATIONS INCORPORATION ACT 1984 No. 143

AMENDMENTS

(1) The whole Act:
   Omit “the prescribed form” wherever occurring, insert instead “an approved form”.

(2) Section 3 (Definitions):
   In section 3, insert in alphabetical order:
   “approved”, in relation to a form, means approved by the Commissioner;

(3) Section 27 (Lodgment of accounts etc.):
   (a) After section 27 (1), insert:
      (1A) The Commissioner may, at any time, insert in a form approved for the purposes of the statement referred to in subsection (1), such details relating to an incorporated association as are known to the Commissioner, and may provide the partially-completed form (or part of the form) to the association concerned.
      (1B) The public officer of an incorporated association provided with such a form does not meet the requirements of subsection (1) if the public officer does not cause the form to be completed in full (with details that were inserted by the Commissioner corrected if necessary and further matter added if part only of the form was provided) and duly lodged in accordance with this section.
   (b) From section 27 (2), omit “if it thinks fit”, insert instead “if the Commissioner thinks fit”.

COMMENCEMENT

The amendments to the Associations Incorporation Act 1984 commence on the date of assent to this Act.

EXPLANATORY NOTE

Prescribed forms (items (1) and (2))

At present, an application made, a notice or statement required to be given or lodged and a certificate issued, under the Act, and a supplementary document referred to in section 65 (2) (c) of the Act, must be in the form prescribed by the regulations. The proposed amendments repeal that requirement, providing instead that the applications, notices, statements, certificates and supplementary documents are to be in a form approved by the Commissioner for Consumer Affairs.

Item (1) replaces all references to “prescribed form” with “approved form”, and item (2) inserts a definition of “approved” (in relation to a form).

Annual statements (item (3) (a))

Section 27 requires the public officer of an incorporated association to lodge an annual statement of accounts and other matters with the Commissioner for Consumer Affairs.
Statute Law (Miscellaneous Provisions) Act (No. 2) 1994 No. 95—Sch. 1

Item (3) (a) of the proposed amendments allows the Commissioner to provide an incorporated association with a partially-completed version of the statement (or part of the statement), and requires the public officer of the association concerned to arrange the completion and lodgment of the statement.

COMMENCEMENT

The amendments to the Bush Fires Act 1949 commence on the date of assent to this Act.

A permit under section 10 of the Bush Fires Act 1949 is required for certain classes of fires, such as those for the purpose of clearing land during a bush fire danger period (October to March, inclusive, for the entire State). At present, section 11 (4) provides that such a permit remains in force for 21 days after the day on which it was granted (unless, during that period, it is revoked or ceases to have effect because of a direction given under section 16 of the Act).

Item (1) of the proposed amendments allows the permit to be granted for a period of less than 21 days.

Statute law amendments (item (2))

Item (2) of the proposed amendments corrects duplicated numbering.
BUSINESS NAMES ACT 1962 No. 11

(3) Section 7 (Registration of business names):
   (a) In section 7 (1) (a), after “business name”, insert “(and, if the applicant or applicants wish, up to 2 alternative business names in order of preference)”.
   (b) After section 7 (3), insert:
      (3A) If the business name set out in the statement lodged under subsection (1) is not able to be registered under this Act because of the operation of section 5B or 9, the Commissioner is to consider (in the applicant’s preferred order) any alternative business names set out in that statement and is to register the first of those alternatives that is, subject to this Act, able to be registered.

From section 15 (1) (b), omit “manager or the”, insert instead “the chief executive officer or”.

(7) Section 32 (Regulations):

Omit section 32 (2) (d).

COMMENCEMENT

The amendments to the Business Names Act 1962 commence on the date of assent to this Act.

EXPLANATORY NOTE

References to “Managing Director” (items (1) (a) and (b) and (2) (a) (in part) and (b))

Item (1) (a) and (b) of the proposed amendments makes explicit in the Act the effect of an Administrative Changes Order to the extent that the Order affects the Act. The Order provides (among other things) that references to the Managing Director of Business and Consumer Affairs in the Act are to be construed as references to the Commissioner for Consumer Affairs.

Item (2) (b) and part of item (2) (a) make consequential amendments by omitting the definition of “Managing Director” and inserting a definition of “Commissioner”.

Prescribed forms (items (1) (c), (2) (a) (in part) and (7))

At present, a statement or notification required to be lodged, and a certificate issued, under the Act must be in the form prescribed by the regulations. The proposed amendments repeal that requirement, providing instead that the statements, notifications and certificates are to be in a form approved by the Commissioner for Consumer Affairs.

Item (1) (c) replaces all references to “prescribed form” with “approved form”, and part of item (2) (a) inserts a definition of “approved” (in relation to a form).

Item (7) makes a consequential amendment by repealing the power to make regulations prescribing the forms to be used under the Act.

Registration of business names (item (3))

Item (3) (a) of the proposed amendments allows an applicant for the registration of a business name to nominate up to 2 alternative names (in order of preference) on the application form.

Sections 5B (Business names must use English alphabet etc.) and 9 (Restriction on registration of business names that are undesirable etc.) of the Act can operate to prevent the registration of a particular name as a business name. If the operation of one of those sections is the reason that the applicant’s first choice of name cannot be registered, item (3) (b) requires the Commissioner for Consumer Affairs to register the first of the nominated alternative names (if any) that can be registered.
Resident agent (item (4))

At present, an applicant for the registration of a business name must provide the name and address of a resident agent on the application form if the applicant resides outside NSW or has no fixed address within NSW. The effect of item (4) of the proposed amendments is to require the agent’s name and address to be on a separate form, rather than on the application form. The proposed amendments alter the subsection as follows (matter to be omitted is in italic type, matter to be inserted is in bold type):

8. (1) Where a business name is required to be registered under this Act and the person or all the persons carrying on or proposing to carry on business in the State under that name resides or reside outside the State, or has or have no fixed address within the State, the statement referred to in subsection (1) of section 7 shall be accompanied by a further statement:

(a) include that sets out the name and address of some person resident in the State ..........; and

(b) in addition be that is signed by the person who has consented to be the resident agent.

Notification of direction not to register particular name (item (5))

Section 9 (1) empowers the Minister to direct the Commissioner for Consumer Affairs not to accept a name, or a name of a kind, for registration as a business name. Section 9 (2) requires (among other things) a copy of any such direction to be forwarded to the Attorney-General of the Commonwealth and “the Attorney-General of each State of the Commonwealth”.

Item (5) of the proposed amendments provides that, instead of being sent to the State Attorneys-General, the copy is to be sent to the Minister in each State and Territory who administers the Act that is concerned with the registration of business names.

“Manager” of corporation (item (6))

Item (6) of the proposed amendments updates a reference to a “manager” of a corporation by replacing it with a reference to the “chief executive officer” in line with current usage.

CHILDREN (CRIMINAL PROCEEDINGS) ACT 1987 No. 55

AMENDMENTS

Section 39 (Definitions):

Omit the definitions of “Director-General” and “officer”, insert instead:

“Director-General” means the person for the time being holding office or acting as the Director-General of the Department of Juvenile Justice;

“officer” means an officer or temporary employee, within the meaning of the Public Sector Management Act 1988, employed in the Department of Juvenile Justice or in the Department of Corrective Services.
COMMENCEMENT
The amendments to the Children (Criminal Proceedings) Act 1987 commence on the date of assent to this Act.

EXPLANATORY NOTE
The proposed amendments replace references to the Department of Family and Community Services with references to the Department of Juvenile Justice. These amendments are consequential on administrative changes.
The proposed amendments also update a reference to a repealed Act.

COMPENSATION COURT ACT 1984 No. 89

AMENDMENT
Section 42 (Rule Committee):
After section 42 (7), insert:

(7A) The Rule Committee may, if it thinks fit, transact any of its business by the circulation of papers among all members of the Rule Committee for the time being, and a resolution in writing approved in writing by a majority of those members is taken to be a decision of the Rule Committee.

COMMENCEMENT
The amendment to the Compensation Court Act 1984 commences on the date of assent to this Act.

EXPLANATORY NOTE
The proposed amendment allows the Rule Committee of the Compensation Court to transact its business by means of the circulation of papers and resolutions, rather than by calling a physical meeting of its members. The Rule Committees of various other courts are already empowered to transact business in this way.

DISABILITY SERVICES ACT 1993 No. 3

AMENDMENTS
Section 6 (Minister to ensure that designated services are provided and funded in conformity with the Act):
(a) From section 6 (2) (b) and (3) (b), omit “2 years” wherever occurring, insert instead “3 years”.
(b) From section 6 (4), omit “2-year period”, insert instead “3-year period”.
COMMENCEMENT

The amendments to the Disability Services Act 1993 commence on the date of assent to this Act.

EXPLANATORY NOTE

Postponement of application of section 6 to certain services (item (a))

Section 6 (1) of the Act requires the Minister to ensure that “designated services” under the Act are provided and funded in conformity with the objects of the Act and the principles, and applications of principles, set out in Schedule 1 to the Act. Section 6 (2)–(4) provides for the postponement (in certain circumstances) for 2 years of the application of section 6 to services that were provided or funded by the Minister or by the Commonwealth before the commencement of the section, and for the preparation of transition plans in relation to them.

The application of section 6 to those services is currently postponed to 9 April 1995. Item (a) of the proposed amendments extends that postponement for a further year from that date.

Minister’s obligation during postponement (item (b))

During the period that section 6 does not apply to the services concerned, the Minister must ensure that those services are provided or funded as closely as possible in conformity with the objects, principles and application of principles concerned. That period is specified in section 6 (4). Item (b) amends that subsection as a consequence of the extension of the postponement.

DISTRICT COURT ACT 1973 No. 9

AMENDMENT

Section 161 (Civil procedure rules):

From section 161 (1), omit:

(1) The Rule Committee may make rules, not inconsistent with this Act, for or with respect to any matter that by this Act is required or permitted to be prescribed for the purposes of, or in connection with, the exercise by the Court of its civil jurisdiction or that is necessary or convenient to be prescribed for carrying out or giving effect to this Part and ‘Division 3 of Part 2 or any Act under or by virtue of which rules made under this Part apply, and in particular for or with respect to:

insert instead:

(1) The Rule Committee may make rules, not inconsistent with this Act, for or with respect to any matter:

• that by this Act, or by any other Act or law, is required or permitted to be prescribed by rules; or
• that is necessary or convenient to be prescribed by rules,
for the purposes of, or in connection with, the exercise by the Court of its civil jurisdiction under provisions of this Act, or of any other Act or law, or for carrying any such provisions into effect, and in particular for or with respect to:

**COMMENCEMENT**

The amendment to the District Court Act 1973 commences on the date of assent to this Act.

**VALIDATION**

Any rule of court made (or purporting to be made) under section 161 of the District Court Act 1973 that could have been made under that section as amended by this Act is taken to be made under that section as so amended.

**EXPLANATORY NOTE**

Section 161 empowers the Rule Committee of the District Court to make rules concerning the Court’s exercise of its civil jurisdiction.

The proposed amendment makes the following points clear:

(a) the section applies even if the jurisdiction is conferred on the Court by an Act other than the District Court Act 1973;

(b) the rules are not to be concerned with any matter other than the Court’s exercise of its jurisdiction.

---

**ELECTION FUNDING ACT 1981 No. 78**

**AMENDMENT**

Section 94 (Claims for, and approvals of, payments):

From section 74 (1), omit “90 days” wherever occurring, insert instead “120 days”.

**COMMENCEMENT**

The amendment to the Election Funding Act 1981 commences on the date of assent to this Act.

**EXPLANATORY NOTE**

The proposed amendment extends the time allowed for the lodgment of claims for payments under section 74 of the Act (relating to expenditure for election campaign purposes) from 90 days to 120 days after the return of the writs for the election or by-election concerned. That time is consistent with the time allowed (under sections 83–85A) for the lodgment of declarations of political contributions received and electoral expenditure incurred.

AMENDMENT

Section 70A:

After section 70, insert:

(2) The report:

(a) on presentation and for all purposes is taken to have been laid before the House; and

COMMENCEMENT

The amendment to the Health Care Complaints Act 1993 commences on the date of assent to this Act.

EXPLANATORY NOTE

The proposed amendment provides a mechanism by which the Committee on the Health Care Complaints Commission may report to a House of Parliament when the House is not sitting. Similar provisions are contained in the other Acts that establish Parliamentary Committees (such as the Regulation Review Act 1987), with the exception of the Ombudsman Act 1974. An equivalent provision is to be inserted in that Act by an amendment proposed to be made elsewhere in this Schedule.

For example, section 6 (2) (c) contemplates the making of rules for the application or investment of the body corporate’s funds, and section 7 specifies the way in which contracts may be made on behalf of the body corporate.

The amendment also permits the body corporate to exercise such other functions as are necessary or convenient for it to achieve its objects.

Limitation of liability (item (3))
Item (3) of the proposed amendments provides protection from personal liability for officers and members of the governing body of the body Corporate, and persons acting under their direction, in relation to activities done (or omitted to be done) in good faith for the purpose of executing the Infants’ Home, Ashfield, Act 1924.

Item (3) also ensures that the liability of members of the body corporate is limited to the amount of the annual fee (if any) payable for membership.

Objects of body corporate (item (4))
At present, the objects of the body corporate are set out in section 5 (1) in very specific terms (such as “to assist foundlings”). Item (4) of the proposed amendments replaces that subsection with a series of more general objects that are in keeping with the current activities of the body corporate.

Section 4 (1) of the Local Courts Act 1982 defines “prescribed office” as the office of Clerk of a Local Court and any other office prescribed for the purposes of the definition. Section 13 (2) of the Act empowers the Governor to appoint the holder of a prescribed office to be a Magistrate.

However, the Act also empowers the Governor to appoint any qualified person to be a Magistrate (section 12 (1)) or a Magistrate for a specified term (section 13 (1)), and to grant approval to the person’s holding and exercising the functions of another office or appointment at the same time as the office of Magistrate (section 23 (2)). The specific power relating to the holder of a prescribed office is, therefore, unnecessary. Accordingly, the proposed amendments remove the references to “prescribed office” from the Act. They also make a consequential amendment to the Local Courts Regulation 1994.

MINING ACT 1992 No. 29

AMENDMENTS

The whole Act (including headings to sections of the Act):

(a) Omit “warden’s court” wherever occurring, insert instead “Warden’s Court”.

(b) Omit “wardens’ courts” wherever occurring, insert instead “Wardens’ Courts”.

COMMENCEMENT

EXPLANATORY NOTE

In section 4 (1), in the definition of “place of work”, after “premises”, insert “, or any other place.”.

COMMENCEMENT

EXPLANATORY NOTE

The proposed amendment makes it clear that the term “place of work”, when used in the Occupational Health and Safety Act 1983, includes any place where a person works. In particular, the amendment makes it clear that places in or under water are covered by the Act, so that, for example, occupational divers come within its ambit.

AMENDMENTS

(1) Section 10A (Delegation to other Ombudsman):

In section 10A (1), before “18”, insert “13A,”.

After section 13, insert:

Dealing with complaint by conciliation

13A. (1) The Ombudsman may, at any time, decide to attempt to deal with a complaint by conciliation under this section.

(2) The conciliator in any conciliation under this section is to be the Ombudsman or an officer of the Ombudsman. However, the conciliator may, with the agreement of the complainant, arrange for a mediator to assist in the conciliation.
(3) Participation in the conciliation by the parties to a complaint is voluntary, and either party may withdraw at any time. The conciliator may also terminate the attempt at conciliation at any time.

(4) Evidence of anything said or admitted during the conciliation (or attempted conciliation) and any document prepared for the purposes of any such conciliation are not admissible:

(a) in any subsequent investigation, under this Part, of the complaint concerned (unless the person who said or admitted the thing, or to whom the document relates, consents to its admission); or

(b) in any proceedings in a court or before a person or body authorised to hear and receive evidence.

(5) If an attempt to deal with a complaint by conciliation under this section is unsuccessful, the complaint is to be treated under this Part as if the attempted conciliation had not taken place. However, the conciliator is excluded from participating as an investigating officer in any investigation of the complaint.

(6) Nothing in this section prevents a complaint from being dealt with otherwise than in accordance with this section.

(4) Section 14 (Amendment of Schedule):

In section 14 (2) and (6) (a), after “investigation” wherever occurring, insert “or conciliation”.

(d) is to be recorded in the Minutes, or Votes and Proceedings, of the House on the first sitting day of the House after receipt of the report by the Clerk.

(8) Section 35 (Ombudsman, officer or expert as witness):

After section 35 (2), insert:

(3) Subsection (1) applies to a person whose services are engaged under section 23 in the same way as it applies to the Ombudsman and officers of the Ombudsman.

COMMENCEMENT

The amendments to the Ombudsman Act 1974 commence on the date of assent to this Act.

EXPLANATORY NOTE

Conciliation of complaints (items (1)–(6))

Item (3) of the proposed amendments enables the Ombudsman to attempt to deal with complaints by way of conciliation. Item (1) allows the Ombudsman to delegate this power to a person exercising functions similar to those of the Ombudsman under a law of another State, the Commonwealth or a Territory of the Commonwealth. Items (2) and (4)–(6) make consequential amendments.

Reporting to Parliament when Parliament not sitting (item (7))

Item (7) of the proposed amendments provides a mechanism by which the Committee on the Office of the Ombudsman may report to a House of Parliament when the House is not sitting. Similar provisions are contained in the other Acts that establish Parliamentary Committees (such as the Regulation Review Act 1987), with the exception of the Health Care Complaints Act 1993. An equivalent provision is to be inserted in that Act by an amendment proposed to be made elsewhere in this Schedule.

Giving evidence in other proceedings (item (8))

Section 23 empowers the Ombudsman, in conducting an investigation (or a conciliation) under the Act, to engage the services of any person for the purpose of getting expert assistance. Section 35 prevents the Ombudsman, and any officer of the Ombudsman other than a member of the Police Force, from giving evidence or producing any document in any legal proceedings or proceedings before the Police Tribunal in respect of any information obtained by the Ombudsman or officer in the course of his or her office.

Item (8) of the proposed amendments extends the ambit of section 35 so as to cover persons whose services are engaged under section 23.

The amendments to the Petroleum (Onshore) Act 1991 commence on the date of assent to this Act.

COMMENCEMENT
The amendments to the Poisons Act 1966 commence on the date of assent to this Act.

TRANSITIONAL

(1) The person who, on the commencement of the amendment made to section 6 (3) (f) of the Poisons Act 1966 by this Act, is a member of the Poisons Advisory Committee pursuant to an appointment under that paragraph is taken to have been appointed under that paragraph as so amended.

(2) The person (if any) who, on the commencement of the amendment made to section 6 (3) (i) of the Poisons Act 1966 by this Act, purported to be a member of the Poisons Advisory Committee pursuant to an appointment under that paragraph is taken to have been appointed under that paragraph as so amended.
EXPLANATORY NOTE

The definition of “wholesale dealing” in section 4 (1) of the Act includes (among other things) supply, in certain circumstances, to persons for use in connection with any prescribed “profession, business, trade or industry”.
Item (1) of the proposed amendments substitutes the generic term “activity” for “profession, business, trade or industry”.

Amendments consequential on administrative changes (item (2))

POLICE SERVICE ACT 1990 No. 47

AMENDMENTS

Section 195 (Orders prohibiting publication):
(a) From section 195, omit “the name and address”, insert instead “any information, photograph, drawing or other material that identifies, or is likely to lead to the identification”.
(b) At the end of section 195, insert:
(2) In this section, “publication” includes broadcasting by radio or television.

COMMENCEMENT
The amendments to the Police Service Act 1990 commence on the date of assent to this Act.

TRANSITIONAL
Section 195 of the Police Service Act 1990, as amended by this Act, extends to apply to any proceedings that are before the Police Tribunal on the commencement of the amendment (except in so far as any material that identifies, or is likely to lead to the identification of, any witness or complainant in the proceedings has already been published).

EXPLANATORY NOTE
At present, section 195 empowers the Police Tribunal to make orders prohibiting or restricting the publication of the name and address of any witness or complainant concerned in any proceedings before it or, if the proceedings are by way of appeal, concerned in the appeal or in any previous proceedings.
The proposed amendments make it clear that such orders may extend to prohibiting or restricting the publication in any way of any matter that is likely to lead to the identification of a witness or complainant.
The proposed amendments alter the section as follows (matter to be omitted is in italic type and matter to be inserted is in bold type):

195. (1) In any proceedings before the Police Tribunal, the Police Tribunal may by order prohibit or restrict the publication of the name and address any information, photograph, drawing or other material that identifies, or is likely to lead to the identification:

(a) of any witness or complainant concerned in the proceedings; or
(b) if the proceedings are by way of appeal—of any witness or complainant concerned in the appeal or any previous proceedings.

(2) In this section, “publication” includes broadcasting by radio or television.

   (c) Omit section 4 (3) (d), insert instead:
   (d) 2 are to be independent persons who, in the opinion of the Minister, are skilled in negotiation or have expertise in commerce.

(d) After section 4 (6), insert:
   (7) In subsection (3) (a) and (d), “independent” means the following:
   (a) not an officer of the Department of Agriculture;
   (b) not a representative of processors or growers.

COMMENCEMENT

The amendments to the Poultry Meat Industry Act 1986 commence on a day or days to be appointed by proclamation.

TRANSITIONAL

(1) The person who held office as a member of the Poultry Meat Industry Committee under section 4 (3) (a) of the Poultry Meat Industry Act 1986 immediately before the replacement of that paragraph by this Act ceases to hold that office on that replacement.

(2) The person who held office as a member of the Committee under section 4 (3) (d) of that Act immediately before the replacement of that paragraph by this Act ceases to hold that office on that replacement.
(3) The persons appointed as members of the Committee under section 4 (3) (a) or (d) of that Act as replaced by this Act are taken to be appointed for a term that expires on the same date as the term of the member last appointed under the paragraph concerned before its replacement by this Act.

EXPLANATORY NOTE

Poultry Meat Industry Committee
The proposed amendments:
(a) increase the number of members of the Poultry Meat Industry Committee from 14 to 15 (item (a)); and

(c) replace the member who represented consumers of poultry meat with 2 independent persons with negotiating skills or commercial expertise (item (C)); and
(d) define the meaning of “independent” for the purposes of section 4 (3) (a) and (d) (item (d)).

PREVENTION OF CRUELTY TO ANIMALS ACT 1979 No. 200

AMENDMENTS

(1) Section 25 (Powers of officers in respect of certain places):
From section 25 (2), omit “within the meaning of the Animal Research Act 1985 unless the officer is an inspector within the meaning of that Act.”, insert instead “in relation to any animal research authorised to be carried out on that land by an animal research authority or an animal research licence (being an authority or licence that is in force), unless the officer is an inspector. In this subsection, “designated land”, “animal research”, “animal research authority”, “animal research licence” and “inspector” have the same meanings as they have in the Animal Research Act 1985.”

(2) Section 26 (Powers of officers, generally):
From section 26 (7A), omit “within the meaning of the Animal Research Act 1985 unless the officer is an inspector within the meaning of that Act.”, insert instead “in relation to any animal research authorised to be carried out on that land by an animal research authority or an animal research licence (being an authority or licence that is in force), unless the officer is an inspector. In this subsection, “designated land”, “animal research”, “animal research authority”, “animal research licence” and “inspector” have the same meanings as they have in the Animal Research Act 1985.”
COMMENCEMENT

The amendments to the Prevention of Cruelty to Animals Act 1979 commence on the date of assent to this Act.

EXPLANATORY NOTE

Animal research is carried out on “designated land” under the Animal Research Act 1985. It is supervised by animal care and ethics committees established under that Act. For that reason, an officer under the Prevention of Cruelty to Animals Act 1979 is not authorised to exercise his or her powers on designated land unless the officer is an inspector under the Animal Research Act 1985. The effect of this is that officers who are not inspectors cannot exercise their powers on designated land even in relation to matters that do not involve animal research.

The proposed amendments will allow all officers to exercise their powers on designated land in relation to matters other than matters involving authorised animal research or the supply of animals for that research.

PUBLIC FINANCE AND AUDIT ACT 1983 No. 152

AMENDMENT

Section 6 (Preparation of the Public Accounts):

From section 6 (2), omit “or one hundred thousand dollars”, insert instead “, one hundred thousand or one million dollars”.

COMMENCEMENT

The amendment to the Public Finance and Audit Act 1983 is taken to have commenced on 30 June 1994.

EXPLANATORY NOTE

At present, section 6 (2) permits rounding of amounts in the Public Accounts to the nearest $1,000 or $100,000. However, the Public Finance and Audit Act 1983 has been amended to require the Public Accounts to be composed of accrual-based consolidated financial statements for the budget sector rather than (as in the past) in the form of statements of receipts and payments (which is on a cash accounting basis).

The proposed amendment will permit rounding of the amounts in those Accounts to the nearest $1,000, $100,000 or $1,000,000. The lower figures are retained because the Accounts in the new format will provide some supplementary information covering certain matters (such as trust funds) that were previously reported on in the old format and in respect of which either of those lower figures might be appropriate.

The proposed amendment is taken to have commenced at the same time as the amendment requiring the Public Accounts to be in the new format.
REPRINTS ACT 1972 No. 48

AMENDMENT

Section 13 (Application of certain provisions of this Act to certain instruments):

Omit section 13 (a) and (b), insert instead:

(a) a statutory rule within the meaning of the Interpretation Act 1987; and

COMMENCEMENT

The amendment to the Reprints Act 1972 commences on the date of assent to this Act.

EXPLANATORY NOTE

At present, section 13 of the Reprints Act 1972 applies certain other sections of that Act to the following instruments (as well as to environmental planning instruments within the meaning of the Environmental Planning and Assessment Act 1979):

(a) ordinances made under the Local Government Act 1919 (some of those ordinances are still in force);

(b) regulations, rules and by-laws that are either made by the Governor or are required to be approved or confirmed by the Governor.

The provisions applied include, for example, section 6 (which gives the Attorney General the discretion to authorise an Act to be reprinted with the omission of all or any of the amending provisions contained in the Act), section 9D (which provides that roman numerals may be regarded as being interchangeable with the corresponding arabic numerals) and section 9F (which provides that colons may be regarded as being interchangeable with dashes).

The proposed amendment extends the application of the provisions concerned to rules of court. (A "statutory rule" is defined, for the purposes of the Interpretation Act 1987, to mean a regulation, by-law, rule or ordinance that is either made by the Governor or is required to be approved or confirmed by the Governor, or a rule of court. Ordinances under Acts other than the Local Government Act 1919—such as the Anglican Church of Australia (Bodies Corporate) Act 1938—are not made, approved or confirmed by the Governor.)

SOUTH-WEST TABLELANDS WATER SUPPLY ADMINISTRATION ACT 1941 No. 36

AMENDMENT

Section 2 (Definitions):

In the definition of “Council”, after “Local Government Act”, insert “and includes an electricity distributor exercising water supply functions because of clause 7 of Schedule 11 to the Electricity Act 1945".
Commencement

The amendment to the South-west Tablelands Water Supply Administration Act 1941 commences on the date of assent to this Act.

Explanatory Note

A proclamation made under the Electricity Act 1945 dissolved a number of county councils with effect from 1 July 1993. Clause 7 of Schedule 11 (Savings, transitional and other provisions) to that Act transferred the water supply functions of those defunct county councils to electricity distributors established under the Act.

The proposed amendment ensures that electricity distributors to whom water supply functions were so transferred are treated under the South-west Tablelands Water Supply Administration Act 1941 in the same way as councils exercising those functions. It incorporates in that Act the effect of the relevant subclause of a transitional regulation currently in force under the Electricity Act 1945.

Sporting Injuries Insurance Act 1978 No. 141

Amendments

Section 31 (Rules):

(a) In section 31 (1) (f), after “Act”, insert “and the reimbursement (or non-reimbursement) by the Committee of any specific costs incurred in connection with the due making of those applications”.

(b) After section 31 (1), insert:

(1A) A rule may be made under section 31 (1) (f) for or with respect to the reimbursement by the Committee of any costs incurred in connection with an application duly made before the commencement of this subsection and not finally determined on that commencement.

Commencement

The amendments to the Sporting Injuries Insurance Act 1978 commence on a day to be appointed by proclamation.

Explanatory Note

At present, section 31 (1) (f) empowers the Sporting Injuries Committee to make rules for or with respect to the making of applications for benefits under the Act. Item (a) of the proposed amendments makes it clear that the rules may provide for the reimbursement (or non-reimbursement) of any costs incurred in making those applications in accordance with the rules. Item (b) allows the making of such rules in relation to applications made before the commencement of the subsection inserted by that item if the applications have not been finally determined on that commencement.
STRATA TITLES (LEASEHOLD) ACT 1986 No. 219

AMENDMENT

Schedule 2A (Strata Management Statements):

Omit clause 2 (2), insert instead:

(2) The following persons must be members of the building management committee:

(a) each body corporate for a leasehold strata scheme for part of the building;

(b) every other person:

(i) in whom is vested an estate in fee simple in any part of the building or its site that does not form part of a stratum parcel; or

(ii) who holds a leasehold estate, directly from the person in whom the fee simple is vested, in such a part of the building or its site.

COMMENCEMENT

The amendment to the Strata Titles (Leasehold) Act 1986 commences on a day to be appointed by proclamation.

EXPLANATORY NOTE

Clause 2 (2) of Schedule 2A specifies certain persons who must be members of the building management committee of a building that is subject to one or more leasehold strata schemes. At present, those persons include the body corporate for each leasehold strata scheme for part of the building, and any other person in whom is vested an estate in fee simple in any part of the building or its site that is not subject to a leasehold strata scheme. They do not include any lessees of a part of the building or site that is not subject to a leasehold strata scheme.

The proposed amendment removes this anomaly by including on the committee the head lessees (but not sublessees) of those parts of the building or site that are not subject to a leasehold strata scheme.

TEACHER HOUSING AUTHORITY ACT 1975 No. 27

AMENDMENTS

(1) Section 7 (Appointment etc. of members):

(b) one is to be nominated by the Managing Director of the TAFE Commission and is to be a senior financial manager of that Commission;

(d) Omit section 7 (5) and (6).
(2) Section 11 (Vacation of office):

From section 11 (1) (k) and (1) and (2), omit “, (b)” wherever occurring.

COMMENCEMENT

The amendments to the Teacher Housing Authority Act 1975 commence on a day to be appointed by proclamation.

EXPLANATORY NOTE

**Constitution of Authority** (item (1) (b) and (c))

At present, section 7 (1) (b) provides that the person holding, or acting in, the office of Secretary of the Treasury is to be an ex-officio member of the Teacher Housing Authority. Item (1) (b) of the proposed amendments removes that member from the Authority.

However, the membership of the Authority is to remain at its current level of 6. Item (1) (c) of the proposed amendments provides for an additional appointed member, who is to be a senior financial manager of the Technical and Further Education Commission nominated by the Managing Director of that Commission.

**Consequential amendments** (items (1) (a) and (d) and (2))

Item (1) (a) is consequential on item (1) (c), and items (1) (d) and (2) are consequential on item (1) (b).

---

**TRADE MEASUREMENT ACT 1989 No. 233**

AMENDMENT

Section 81 (Special provisions—application of Act in the State):

Omit section 81 (2).

COMMENCEMENT

The amendment to the Trade Measurement Act 1989 commences on the date of assent to this Act.

EXPLANATORY NOTE

The proposed amendment repeals a provision requiring a weighbridge with a capacity of 9 tonnes or more to be the subject, in certain circumstances, of a building certificate under section 317AE of the Local Government Act 1919 (now section 172 of the Local Government Act 1993). It is considered that the certificate serves no useful purpose in relation to such a weighbridge.

New South Wales, Queensland, South Australia, the Northern Territory and the Australian Capital Territory have adopted uniform trade measurement. None of those States or Territories other than New South Wales has a provision equivalent to section 81 (2) in their trade measurement legislation.

COMMENCEMENT

The amendments to the University of Technology, Sydney, Act 1989 commence on a day or days to be appointed by proclamation.

TRANSITIONAL

(1) If, on the commencement of paragraph (c) or (e) of the amendments made to the University of Technology, Sydney, Act 1989 by this Act, the membership of the Council of the University fails to comply with section 9 (5) of that Act as so amended, then, for the purposes of clause 3 (1) of Schedule 1 to that Act, there is taken to be a casual vacancy in the office of the member in respect of which the failure exists.

(2) If, on the commencement of paragraph (f) of the amendments made to the University of Technology, Sydney, Act 1989 by this Act, the membership of the Council of the University fails to comply with section 9 (5) of that Act as so amended, the membership is taken so to comply until such time as the office of one or more of the members referred to in section 9 (5) (d) becomes vacant.
EXPLANATORY NOTE

The proposed amendments alter the composition of the Council of the University of Technology, Sydney, in the following way:

(a) by increasing the number of appointed members from 4 to 6 (item (a));

(b) by providing an additional category of persons from which the appointments are to be made (item (b));

(c) by increasing the number of student members from 1 to 2 and by providing that, of the 2 student members, one is to be an undergraduate elected by the undergraduate students and the other a postgraduate elected by the postgraduate students (items (c)–(e));

(d) by providing that at least 1 of the 4 members elected from members of Convocation is to be a graduate of the University (item (f)).

COMMENCEMENT

The amendments to the Very Fast Train (Route Investigation) Act 1989 commence on the date of assent to this Act.

SAVING

A mining warden’s court referred to in section 19 of the Very Fast Train (Route Investigation) Act 1989 before the amendment made to that section by this Act is taken to be, and always to have been, a Warden’s Court established under the Mining Act 1992.

EXPLANATORY NOTE

The proposed amendments are similar to the amendments to the Mining Act 1992 proposed to be made elsewhere in this Schedule. The Explanatory Note to those amendments is also applicable to these amendments.

EXPLANATORY NOTE
At present, section 5 (2) provides that the holder of the office of Vice-Principal of the Women’s College is to be an ex-officio member of the Council of the Women’s College.

The proposed amendment adds the President of the Women’s College Union as a further ex-officio member of that Council.

SCHEDULE 2—AMENDMENTS BY WAY OF STATUTE LAW
REVISION

ADMINISTRATION OF JUSTICE ACT 1924 No. 42

AMENDMENT

Section 2 (Arrangement):

Note:

* indicates repeal of amending Act the provisions of which have been included in a reprint and which contains no provision of substantive effect that needs to be retained or which amends a repealed Act

** indicates repeal of Act that is no longer of practical utility

EXPLANATORY NOTE

The repeals are explained in detail in the explanatory note relating to this Act. In relation to the repeal of amending Acts, it should be noted that the Acts are repealed simply to rationalise the legislation in force and that the repeals have no substantive effect on the amendments made by the Acts or any associated provisions.

Section 30 (2) of the Interpretation Act 1987 ensures that, when an amending Act is repealed, no amendment made by the Act is affected. Section 30 (2) also ensures that the following matters are not affected:

(a) the proof of any past act or thing;
(b) any right, privilege, obligation or liability saved by the operation of the Act;
(c) any validation made by the Act.
SCHEDULE 5—GENERAL SAVINGS, TRANSITIONAL AND OTHER PROVISIONS

(Sec. 5)

Effect of amendment of amending provisions

1. (1) An amendment made by Schedule 1 or 2 to an amending provision contained in an Act is, if the amending provision has commenced before the date of assent to this Act, taken to have effect as from the commencement of the amending provision.

(2) In this clause:

“amending provision” means a provision of an Act, or of any other instrument, being a provision that has commenced and that makes a direct amendment to an Act by:

(a) the repeal or omission of matter contained in the amended Act without the insertion of any matter instead of the repealed or omitted matter; or

(b) the omission of matter contained in the amended Act and the insertion of matter instead of the omitted matter; or

(c) the insertion into the amended Act of matter, not being matter inserted instead of matter omitted from the Act, whether the provision was enacted before or after the commencement of the Reprints Act 1972.

EXPLANATORY NOTE

This clause ensures that amendments correcting errors in technical provisions (for example, headings indicating the section to be amended or directions as to where a new section is to be inserted) and rectifying minor drafting defects (for example, corrections in numbering of provisions, correction or insertion of cross-references, omission of unnecessary matter or insertion of omitted matter) will commence on the date the amendments to which they relate commenced.

Effect of amendment or repeal on acts done or decisions made

2. Except where it is expressly provided to the contrary, if this Act:

(a) amends a provision of an Act; or

(b) repeals and re-enacts (with or without modification) a provision of an Act,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

EXPLANATORY NOTE

This clause ensures that the amendment or repeal of a provision will not, unless expressly otherwise provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.
Approved forms

3. If, by an amendment made by this Act, a reference to a prescribed form is replaced by a reference to an approved form, a form prescribed under the relevant provision of the Act amended and in force immediately before the commencement of the amendment is taken to be an approved form under the relevant provision of the Act, as amended by this Act, until a form is approved under that provision.

Explanatory note

This clause ensures that, until a form is approved for use under a provision of an Act in accordance with an amendment made by this Act, the form previously prescribed for use under the provision may continue to be used.

Amendments removing gender-specific language

4. The amendments made to an Act by Schedule 3 are made for the purposes of replacing gender-specific language with gender-neutral language. The amendments contained in that Schedule do not affect the construction or meaning of any Act.

Explanatory note

This clause ensures that amendments that are made solely for the purposes of removing gender-specific language from an Act do not have any unintended consequences. A similar provision is included in the Reprints Act 1972 (section 11).

Regulations

5. (1) The Governor may make regulations containing provisions of a savings or transitional nature consequent on the enactment of this Act.

(2) Any such provision may, if the regulations so provide, take effect from the date of assent to this Act or a later date.

(3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as:

(a) to affect, in a manner prejudicial to any person (other than the State or any authority of the State), the rights of that person existing before the date of its publication; or

(b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Explanatory note

This clause enables the making of regulations of a savings or transitional nature having a short term effect and relating to incidental matters arising out of the proposed Act with regard to which no specific, or sufficient, provision has been made in the Act.
