(2) Environment and health protection matters

The council must consider whether the proposed sewage management facility (or the proposed sewage management facility as altered) and any related effluent application area will make appropriate provision for the following:

(a) preventing the spread of disease by micro-organisms,
(b) preventing the spread of foul odours,
(c) preventing contamination of water,

(g) the re-use of resources (including nutrients, organic matter and water),
(h) the minimisation of any adverse impacts on the amenity of the land on which it is installed or constructed and other land in the vicinity of that land.

(3) Guidelines and directions

The council must consider any matter specified in guidelines or directions issued by the Director-General in relation to the matters referred to in subclause (2).

30 Standards to be met for approval

The council must not grant an application for an approval to install, construct or alter a waste treatment device or sewage management facility unless it is satisfied that the activity as proposed to be carried out will comply with any applicable standards established by this Regulation or by or under the Act.
Subdivision 3  Conditions of approvals

(1) It is a condition of an approval referred to in item 4 of Part C of the Table to section 68 of the Act (Dispose of waste into a sewer of the council) that:
   (a) the activity approved, and
   (b) any building or work associated or carried out in connection with the activity,
   complies with any applicable standards established by any regulation in force under the Act or the Environmental Planning and Assessment Act 1979.

(2) It is a condition of an approval referred to in item 5 of Part C of the Table to section 68 of the Act (Install, construct or alter a waste treatment device or a human waste storage facility or a drain connected to any such device or facility) that:

The council may, as a condition of an approval to install, construct or alter a human waste storage facility, require the alteration of its design and proposed position, having regard to its effect on the amenity of the locality.

Subdivision 4 Performance standards

36 Sewage management facilities generally

A sewage management facility:

(a) must be made of durable and non-corrosive components, each having an expected service life of at least:
   (i) 5 years, in the case of a mechanical or electrical component, and
   (ii) 15 years, in any other case, and

(b) must be installed or constructed:
   (i) in accordance with the appropriate specifications and in accordance with good trade practice, and
   (ii) so as to allow ease of access for maintenance, and
   (iii) with regard to the health and safety of users, operators and persons maintaining the facility, and

(c) must be installed or constructed so as to make appropriate provision for access to and removal of contents in a safe and sanitary manner, and

(d) must, if it is intended to be a permanent fixture, be anchored to prevent movement.

37 Closets for certain toilet systems

38 Cesspits

(1) A cesspit:
   (a) must be deep, dark and fly-proof, and
   (b) must be constructed and maintained so as to prevent both the access of surface waters to it and the escape of matter from it, and
   (c) must not be located where it can possibly pollute any water used or likely to be used for human consumption or for any domestic or dairy purposes, and
   (d) must not be located where the normal level of the ground water is less than one metre below the bottom of the cesspit.

(i) any other kind of sewage management facility specified in a notice published in the Gazette by the Director-General for the purposes of this clause.

(2) However, this Subdivision does not apply:

(a) to a sewage management facility intended to treat:
   (i) sewage of a non-domestic nature, or
   (ii) sewage from premises normally occupied by more than 10 persons, or
   (iii) an average daily flow of sewage exceeding 2,000 litres, or

(b) to the part of a sewage management facility that consists of a drain connected to the facility, or

Subdivision 6 Approval required to operate system of sewage management

Note. This Regulation does not prescribe the matters that are to accompany an application for approval to operate a system of sewage management. Section 81 of the Act provides that an application for an approval under Part 1 of Chapter 7 of that Act (in which category such an application falls) must be accompanied by “such matters as may be prescribed by the regulations and such matters specified by the council as may be necessary to provide sufficient information to enable the council to determine the application”.

42 Meaning of “operate a system of sewage management”

(1) In this Subdivision, operate a system of sewage management means hold or process, or re-use or otherwise dispose of, sewage or by-products of sewage (whether or not the sewage is generated on the premises on which the system of sewage management is operated).

(2) Without limiting subclause (1), operate a system of sewage management includes the following:
   (a) use artificial wetlands, transpiration mounds, trenches, vegetation and the like in related effluent application areas,
   (b) hold or process sewage that is to be subsequently discharged into a public sewer.

(3) However, operate a system of sewage management does not include any of the following:
   (a) any action relating to the discharge of sewage directly into a public sewer,
   (b) any action relating to sewage or by-products of sewage after their discharge into a public sewer.

43 Matters to be taken into consideration in determining applications for approval to operate system of sewage management

In determining an application for approval to operate a system of sewage management, the council must consider any matter specified in guidelines or directions issued by the Director-General in relation to the environment and health protection matters referred to in clause 29 (2).
Subdivision 7 Operation of system of sewage management

44 Performance standards for operation of system of sewage management

(1) A system of sewage management must be operated in a manner that achieves the following performance standards:

- (a) the prevention of the spread of disease by micro-organisms,

- (d) the prevention of degradation of soil and vegetation,
- (e) the discouragement of insects and vermin,
- (f) ensuring that persons do not come into contact with untreated sewage or effluent (whether treated or not) in their ordinary activities on the premises concerned,
- (g) the minimisation of any adverse impacts on the amenity of the premises and surrounding lands,
- (h) if appropriate, provision for the re-use of resources (including nutrients, organic matter and water).

(2) Failure to comply with subclause (1) is not a breach of that performance standard if the failure was due to circumstances beyond the control of the person operating the system of sewage management (such as a fire, flood, storm, earthquake, explosion, accident, epidemic or warlike action).

(3) A system of sewage management must be operated:

- (a) in accordance with the relevant operating specifications and procedures (if any) for the sewage management facilities used for the purpose, and
- (b) so as to allow the removal of any treated sewage (and any by-product of any sewage) in a safe and sanitary manner.

45 Further condition of approval in relation to operation of system of sewage management

(1) It is a condition of an approval to operate a system of sewage management that this clause is complied with.

(2) The sewage management facilities used in the operation of the system must be maintained in a sanitary condition and must be operated in accordance with the relevant requirements of this Regulation.

(3) A sewage management facility used in the operation of the system must not discharge into any watercourse or onto any land other than its related effluent application area.
(4) The conditions (if any) of any certificate of accreditation issued by the Director-General of the Department of Health under this Subdivision in respect of the plans or designs for any components of the sewage management facilities must be complied with.

(5) The person operating the system of sewage management must provide details of the way in which it is operated, and evidence of compliance with the relevant requirements of this Regulation and of the conditions of the approval, whenever the council reasonably requires the person to do so.

46 Approval to operate system of sewage management extends to concurrent owners and occupiers

If an owner or occupier of land is the holder of an approval to operate a system of sewage management on the land (being an approval that is in force), any other owner or occupier of that land may operate the system of sewage management (without obtaining a further approval) in accordance with the conditions of the approval.

47 Temporary exemption for purchaser of land

(1) Despite the other provisions of this Regulation, a person who purchases (or otherwise acquires) land on which any sewage management facilities are installed or constructed may operate a system of sewage management without the approval required under section 68 of the Act for the period of 3 months after the date on which the land is transferred or otherwise conveyed to the person (whether or not an approval is in force, as at that date, in relation to the operation of a system of sewage management on that land).

(2) Further, if the person duly applies, within the period of 2 months after the date on which the land is transferred or otherwise conveyed to the person, for approval to operate the system of sewage management concerned, the person may continue to operate that system of sewage management without approval until the application is finally determined.

(2) Failure to provide the EPA with a copy does not invalidate an Order, modification or revocation.

(3) In this clause:

statutory contaminated land management means that one or more of the following matters under the Contaminated Land Management Act 1997 apply in relation to the land:

(a) the land is significantly contaminated land within the meaning of that Act and the council has been notified under section 59 of that Act that the land is significantly contaminated land,

Section 109 of the Contaminated Land Management Act 1997 provides that the exercise of functions under other Acts must not be inconsistent with the functions of the EPA or other public authority under that Act.

98 Standards for water supply, sewerage or stormwater drainage work

An Order under section 124 of the Act requiring water supply, sewerage or stormwater drainage work to be carried out is not complied with unless the work is carried out in accordance with any applicable standards or requirements set out or referred to in Part 2 of this Regulation or the Order.

Part 4  Community land

Division 1  Guidelines for the categorisation of community land

101  Application of this Division

(1)  This Division sets out guidelines for the categorisation of community land.

(2)  A council that is preparing a draft plan of management under section 36 of the Act must have regard to the guidelines set out in this Division.

102  Guidelines for categorisation of land as a natural area

Land should be categorised as a natural area under section 36 (4) of the Act if the land, whether or not in an undisturbed state, possesses a significant geological feature, geomorphological feature, landform, representative system or other natural feature or attribute that would be sufficient to further categorise the land as bushland, wetland, escarpment, watercourse or foreshore under section 36 (5) of the Act.

Note. Section 36A of the Act provides that community land that has been declared a critical habitat under the Threatened Species Conservation Act 1995 or the Fisheries Management Act 1994 must be categorised as a natural area.

Section 36B of the Act provides that community land all or part of which is directly affected by a recovery plan or threat abatement plan under the Threatened Species Conservation Act 1995 or the Fisheries Management Act 1994 must be categorised as a natural area.

Section 36C of the Act provides that community land that is the site of a known natural, geological, geomorphological, scenic or other feature that is considered by the council to warrant protection or special management considerations, or that is the site of a wildlife corridor, must be categorised as a natural area.

103  Guidelines for categorisation of land as a sportsground

Land should be categorised as a sportsground under section 36 (4) of the Act if the land is used or proposed to be used primarily for active recreation involving organised sports or the playing of outdoor games.

104  Guidelines for categorisation of land as a park

Land should be categorised as a park under section 36 (4) of the Act if the land is, or is proposed to be, improved by landscaping, gardens or the provision of non-sporting equipment and facilities, for use mainly for passive or active recreational, social, educational and cultural pursuits that do not unduly intrude on the peaceful enjoyment of the land by others.
105 Guidelines for categorisation of land as an area of cultural significance

Land should be categorised as an area of cultural significance under section 36 (4) of the Act if the land is:

(a) an area of Aboriginal significance, because the land:
   (i) has been declared an Aboriginal place under section 84 of the National Parks and Wildlife Act 1974, or
   (ii) whether or not in an undisturbed state, is significant to Aboriginal people in terms of their traditional or contemporary cultures, or
   (iii) is of significance or interest because of Aboriginal associations, or
   (iv) displays physical evidence of Aboriginal occupation (for example, items or artifacts such as stone tools, weapons, engraving sites, sacred trees, sharpening grooves or other deposits, and objects or materials that relate to the settlement of the land or place), or
   (v) is associated with Aboriginal stories, or
   (vi) contains heritage items dating after European settlement that help to explain the relationship between Aboriginal people and later settlers, or

(b) an area of aesthetic significance, by virtue of:
   (i) having strong visual or sensory appeal or cohesion, or
   (ii) including a significant landmark, or
   (iii) having creative or technical qualities, such as architectural excellence, or

(c) an area of archaeological significance, because the area contains:
   (i) evidence of past human activity (for example, below-ground features such as building foundations, occupation deposits, features or artifacts or above-ground features such as buildings, works, industrial structures, and relics, whether intact or ruined), or
   (ii) any other deposit, object or material that relates to the settlement of the land, or

(d) an area of historical significance, because of the importance of an association or position of the land in the evolving pattern of Australian cultural history, or

(e) an area of technical or research significance, because of the area’s contribution to an understanding of Australia’s cultural history or environment, or
(f) an area of social significance, because of the area’s association with Aboriginal life after 1788 or the area’s association with a contemporary community for social, spiritual or other reasons.

106 **Guidelines for categorisation of land as general community use**

Land should be categorised as general community use under section 36 (4) of the Act if the land:

(a) may be made available for use for any purpose for which community land may be used, whether by the public at large or by specific sections of the public, and

(b) is not required to be categorised as a natural area under section 36A, 36B or 36C of the Act and does not satisfy the guidelines under clauses 102–105 for categorisation as a natural area, a sportsground, a park or an area of cultural significance.

107 **Guidelines for categorisation of land as bushland**

(1) Land that is categorised as a natural area should be further categorised as bushland under section 36 (5) of the Act if the land contains primarily native vegetation and that vegetation:

(a) is the natural vegetation or a remainder of the natural vegetation of the land, or

(b) although not the natural vegetation of the land, is still representative of the structure or floristics, or structure and floristics, of the natural vegetation in the locality.

(2) Such land includes:

(a) bushland that is mostly undisturbed with a good mix of tree ages, and natural regeneration, where the understorey is comprised of native grasses and herbs or native shrubs, and that contains a range of habitats for native fauna (such as logs, shrubs, tree hollows and leaf litter), or

(b) moderately disturbed bushland with some regeneration of trees and shrubs, where there may be a regrowth area with trees of even age, where native shrubs and grasses are present in the understorey even though there may be some weed invasion, or

(c) highly disturbed bushland where the native understorey has been removed, where there may be significant weed invasion and where dead and dying trees are present, where there is no natural regeneration of trees or shrubs, but where the land is still capable of being rehabilitated.
108 **Guidelines for categorisation of land as wetland**

Land that is categorised as a natural area should be further categorised as wetland under section 36 (5) of the Act if the land includes marshes, mangroves, backwaters, billabongs, swamps, sedgelands, wet meadows or wet heathlands that form a waterbody that is inundated cyclically, intermittently or permanently with fresh, brackish or salt water, whether slow moving or stationary.

109 **Guidelines for categorisation of land as an escarpment**

Land that is categorised as a natural area should be further categorised as an escarpment under section 36 (5) of the Act if:

(a) the land includes such features as a long cliff-like ridge or rock, and

(b) the land includes significant or unusual geological, geomorphological or scenic qualities.

110 **Guidelines for categorisation of land as a watercourse**

Land that is categorised as a natural area should be further categorised as a watercourse under section 36 (5) of the Act if the land includes:

(a) any stream of water, whether perennial or intermittent, flowing in a natural channel, or in a natural channel that has been artificially improved, or in an artificial channel that has changed the course of the stream of water, and any other stream of water into or from which the stream of water flows, and

(b) associated riparian land or vegetation, including land that is protected land for the purposes of the Rivers and Foreshores Improvement Act 1948 or State protected land identified in an order under section 7 of the Native Vegetation Conservation Act 1997.

111 **Guidelines for categorisation of land as foreshore**

Land that is categorised as a natural area should be further categorised as foreshore under section 36 (5) of the Act if the land is situated on the water’s edge and forms a transition zone between the aquatic and terrestrial environment.
Division 2  Preparation and adoption of draft plans of management for community land

112 Consultation concerning categorisation of land as an area of cultural significance

(1) A council that is considering whether or not land is an area of Aboriginal significance (within the meaning of clause 105 (a)) must give notice of that consideration to Aboriginal people traditionally associated with the area in which the land is situated.

(2) That notice must be given by:

(a) giving written notice to the following:
   (i) the Local Aboriginal Land Council for the area concerned,
   (ii) New South Wales Native Title Services Limited (ACN 098 971 209),
   (iii) the Registrar appointed under the Aboriginal Land Rights Act 1983,
   (iv) the Director-General of the Department of Aboriginal Affairs,
   (v) the Director-General of the Department of Environment and Conservation, and

(c) placing a written notice on the land in a position where the notice is visible to any person on adjacent public land.

(3) The notice:

(a) must state that submissions may be made to the council, in relation to the council’s consideration, by any Aboriginal person traditionally associated with the area in which the community land is situated, and

(b) must specify a period of not less than 28 days after the date on which the notice is given during which submissions may be made to the council.

(4) A council that is considering whether or not land is an area of Aboriginal significance (within the meaning of clause 105 (a)) must not make a final determination on that matter unless the council has considered any submissions made under this clause by Aboriginal people traditionally associated with the area in which the community land is situated.
(5) A council must not prepare a draft plan of management that categorises community land as an area of cultural significance on the ground that the land is an area of Aboriginal significance (within the meaning of clause 105 (a)) unless the council has called for and considered any submissions made under this clause by Aboriginal people traditionally associated with the area in which the community land is situated.

113 Preparation of draft plan of management where land is categorised in more than one category

A draft plan of management that categorises an area of community land, or parts of an area of community land, in more than one category must clearly identify the land or parts of the land and the separate categories (by a map or otherwise).

114 Adoption of draft plan of management in relation to which certain submissions have been made

(1) This clause applies if:
   (a) a council prepares a draft plan of management, and
   (b) the council receives any submission, made in accordance with the Act, concerning that draft plan that makes any objection to a categorisation of land under the draft plan, and
   (c) the council adopts the plan of management without amending the categorisation that gave rise to the objection.

(2) If this clause applies, the resolution by which the council adopts the plan of management must state the council’s reasons for categorising the relevant land in the manner that gave rise to the objection.

115 Application of amendments made by Local Government Amendment Act 2000 to draft plans of management

The amendments made to sections 40 and 40A of the Act by Schedule 3 [4]–[6] to the Local Government Amendment Act 2000 do not apply to proposed plans of management amended or adopted after the commencement of those amendments that had been placed on exhibition before the commencement of the amendments.

   (c) in the case of any use or occupation that occurs more than once, each occurrence is for no more than 3 consecutive days, not including Saturday and Sunday, and the period from the first occurrence until the last occurrence is not more than 12 months.

118 Additional notifications in relation to certain filming projects

(1) This clause prescribes, for the purposes of section 47AA of the Act, the additional manner of notification or advertisement of a council’s proposal under section 47A of the Act to grant a lease, licence or other estate in respect of community land in order to allow a filming project to be carried out on that community land.

The provisions of this Part that relate to the making and levying of ordinary rates do not apply to county councils.

Division 2  Levying of rates and charges

120A  Rating of irrigable land the subject of certain post-1.7.05 supplementary valuations

(1) This clause applies to such part of any area as comprises land:

(a) that is categorised as farmland for the purposes of Part 3 of Chapter 15 of the Act, and
(b) that is the subject of a water right within the meaning of the Valuation of Land Act 1916, and
(c) that, since 1 July 2005, has been the subject of a supplementary valuation under that Act,

unless the council has, by resolution, determined that this clause is not to apply to its area.

(2) Land to which this clause applies is exempt from the provisions of section 498 of the Act to the extent to which that section requires the ad valorem amount of an ordinary rate to apply to the current land value of the land.

(3) Instead, section 498 of the Act applies to any such land as if that section required the ad valorem amount of an ordinary rate to apply to the land value of the land as it was immediately before the land became the subject of the supplementary valuation referred to in subclause (1) (b).

(4) If the supplementary valuation has arisen from a subdivision of land, the land value of each parcel of land arising from the subdivision is taken to be an amount that bears the same proportion to the land value of the unsubdivided land, as it was immediately before the subdivision, as the area of that parcel bears to the area of the unsubdivided land.

120B  Matters to which council may have regard in sub-categorising irrigable land

For the purpose of determining sub-categories of farmland, as referred to in section 529 of the Act, a council may have regard to any differences in the reduction of land values of irrigable land that have
arisen as a consequence of the commencement of section 6A (4) of the
Valuation of Land Act 1916.

120C Transitional nature of clauses 120A and 120B

(1) Clauses 120A and 120B are transitional provisions consequent on the
enactment of the Local Government and Valuation of Land Amendment

(2) Clause 120A does not apply to a council in respect of any year following
the first occasion after 1 July 2007 that the Valuer-General gives a
valuation list to the council following a general valuation carried out in
respect of the council’s area.

(3) Clause 120B does not apply to a council in respect of any year following
the second occasion after 1 July 2007 that the Valuer-General gives a
valuation list to the council following a general valuation carried out in
respect of the council’s area.

121 Land used for caravan park or manufactured home not to be categorised

(1) For the purposes of section 496A of the Act, a council may make or levy an annual charge for stormwater management services only in respect of urban land that is categorised for rating purposes as residential or business.

Note. Part 3 of Chapter 15 of the Act allows a council to categorise each parcel of land within its area.

(2) A council may not make or levy an annual charge for the provision of stormwater management services in respect of a parcel of land if:

(a) the parcel of land is vacant land, or

(b) the parcel of land is subject to a special rate or charge that has been made for or towards meeting the cost of any works, services, facilities or activities the primary purpose of which is the provision of stormwater management services.

(3) A council may not make or levy an annual charge for the provision of stormwater management services if the council has received an instrument from the Minister under section 508 or 508A of the Act which specifies the percentage by which the council may vary its income and the instrument imposes a condition with respect to that variation to the effect that the primary purpose of the variation is to fund stormwater management services.

(4) A council may not make or levy an annual charge for the provision of stormwater management services for a parcel of land that exceeds:

126  Minimum amounts of rate

For the purposes of section 548 (3) (a) of the Act, the amount prescribed is $458.

127  Rates and charges notices

A request to the council for the acceptance of a transfer of land under section 570 of the Act in payment of rates, charges or accrued interest must be in writing, be signed by each owner or person having an interest in the land concerned and contain the following information:

(a) title particulars and the rate assessment number of the land,
(b) particulars of any mortgage, charge, lien or other encumbrance affecting the land.

130  Additional circumstances in which rates or charges may be written off (section 607)

The council may write off rates and charges and interest accrued on unpaid rates and charges if an amount of an increase to a rate is subsequently reduced as a consequence of clause 84 of Schedule 8 to the Act.

Note. Clause 84 of Schedule 8 is concerned with ordinary rates levied for the year commencing 1 July 2005 and each of the subsequent four years. It provides that, in general, the amount that may be levied as an ordinary rate for any parcel of land in the category "farmland" (or any sub-category of that category) must not be more than 20% above the amount levied as an ordinary rate for that parcel for the previous year.

131  Procedures for writing off rates and charges

(1) The council must, from time to time, by resolution, fix the amount of rates and charges above which any individual rate or charge may be written off only by resolution of the council.

(2) An amount of rates or charges of or below that amount can be written off either by resolution of the council or by order in writing of the council’s general manager. In the absence of a resolution under subclause (1), rates and charges can be written off only by resolution of the council.

(3) A resolution or order writing off an amount of rates or charges must:

(a) specify the name of the person whose debt is being written off, and
(b) identify the account concerned, and
(c) specify the amount written off,

or must refer to a record kept by the council in which those particulars are recorded.

(4) An amount of rates or charges can be written off under this clause only:
(a) if there is an error in the assessment, or
(b) if the amount is not lawfully recoverable, or
(c) as a result of a decision of a court, or
(d) if the council or the general manager believes on reasonable grounds that an attempt to recover the amount would not be cost effective.

(5) The fact that an amount of rates or charges is written off under this clause does not prevent the council concerned from taking legal proceedings to recover the amount.

(6) The general manager must advise the council of rates and charges written off by written order of the general manager.

132 Details of written off rates and charges to be included in annual report

The council’s annual report must include the amount of rates and charges written off during the year.

133 Sale of land to recover overdue rates or charges

An advertisement under section 715 (1) of the Act notifying a proposed sale of land for unpaid rates or charges is to contain the following information:

(a) that the council proposes to sell the land for unpaid rates or charges at public auction,
(b) the name of the auctioneer and the proposed place, date and time of the auction,
(c) the persons known to the council to have an interest in the land,
(d) the amount of rates and charges unpaid for more than 5 years from the date on which they became payable and the amount of any interest accrued,
(e) the amount of any other rates and charges payable and unpaid and the amount of any interest accrued,
(f) the total amount due,
(g) that, if all rates and charges payable (including overdue rates and charges) are not paid to the council or an arrangement satisfactory to the council is not entered into by the rateable person before the time fixed for the sale, the council will proceed with the sale.
Division 4 Pensioners

134 Eligible pensioners for the purposes of determining pensioner concessions—prescribed classes

For the purposes of paragraph (a) of the definition of eligible pensioner in the Dictionary to the Act, the following classes of persons are prescribed:

(a) persons who receive a pension, benefit or allowance under Chapter 2 of the Social Security Act 1991 of the Commonwealth, or a service pension under Part III of the Veterans’ Entitlements Act 1986 of the Commonwealth, and who are entitled to a pensioner concession card issued by or on behalf of the Commonwealth Government,

(b) persons who receive a pension from the Commonwealth Department of Veterans’ Affairs as:
   (i) a war widow or war widower within the meaning of the Veterans’ Entitlements Act 1986 of the Commonwealth, or
   (ii) the unmarried mother of a deceased unmarried member of the Australian Defence or Peacekeeping Forces, or
   (iii) the widowed mother of a deceased unmarried member of the Australian Defence or Peacekeeping Forces,
   and do not have income and assets that would prevent them from being granted a pensioner concession card (assuming they were eligible for such a card),

(b1) persons who have received a lump sum mentioned in section 234 (1) (b) of the Military Rehabilitation and Compensation Act 2004 of the Commonwealth or are receiving a weekly amount mentioned in that paragraph, and do not have income and assets that would prevent them from being granted a pensioner concession card (assuming they were eligible for such a card),

(c) persons who receive a general rate of pension adjusted for extreme disablement under section 22 (4) of the Veterans’ Entitlements Act 1986 of the Commonwealth, or a special rate of pension under section 24 of that Act,

(d) persons who receive, or who at some point in their life have been eligible for, a Special Rate Disability Pension under the Military Rehabilitation and Compensation Act 2004 of the Commonwealth.

135 Application for eligible pensioners concession

An application under Division 1 of Part 8 of Chapter 15 of the Act is to be made in the form approved by the Director-General.
136 Abandonment of pensioners rates and charges—prescribed persons

For the purposes of section 582 of the Act, any person who receives a pension, benefit or allowance under Chapter 2 of the Social Security Act 1991 of the Commonwealth and is the holder of a pensioner concession card issued by or on behalf of the Commonwealth Government is a prescribed person.
Part 5A Environmental upgrade agreements

136A What are environmental upgrade works?

(1) For the purposes of section 54E of the Act, environmental upgrade works include any works in respect of a building that result in an environmental improvement in respect of the use and occupation of the building.

(2) Works result in an environmental improvement if the works:
   (a) increase the efficiency of energy or water consumption, or
   (b) reduce energy or water consumption, or
   (c) prevent or reduce pollution, or
   (d) eliminate or reduce the discharge of wastes, or other substances, that are harmful to the environment, or
   (e) reduce the use of materials, or
   (f) enable the recovery or recycling of materials, or
   (g) enable the monitoring of environmental quality, or
   (h) reduce greenhouse gas emissions, or
   (i) encourage or facilitate alternative methods of transportation to the use of a private motor vehicle (such as walking and cycling).

(3) Without limiting the above, the following works are environmental upgrade works if they result in an environmental improvement:
   (a) the replacement, modification, removal or installation of end-user equipment,
   (b) the modification of the usage of end-user equipment.

(4) In this clause:
   end-user equipment means any equipment, process or system that:
   (a) directly consumes energy or water, causes a risk to human health, or degrades the environment, or
   (b) controls or influences the impact any other equipment, process or system has on the consumption of energy or water, human health, or the environment.

136B Delegation of power to impose charge

(1) A council may, by resolution, delegate to the general manager of the council the function of making or amending environmental upgrade charges under an environmental upgrade agreement.

(2) The general manager cannot sub-delegate such a function.
(3) Sections 377 and 378 of the Act are modified to the extent necessary to give effect to this clause.

136C Form of charge

(1) It is not necessary for a council, when making an environmental upgrade charge, to give a short separate name for each amount of the charge.

(2) Section 543 of the Act is modified to the extent necessary to give effect to this clause.

136D Curing of irregularities

Section 545 of the Act is modified so that a reference to the Minister, in relation to an environmental upgrade charge, is to be read as a reference to the Minister for Climate Change and the Environment or the Minister’s delegate.

136E Levying of charge on strata buildings

(1) An environmental upgrade charge levied on land that is the subject of a strata scheme is a charge on all lots that are the subject of the strata scheme.

(2) However, the amount of any unpaid environmental upgrade charge is to be apportioned between the lots the subject of the strata scheme, so that the charge payable in respect of each lot the subject of the strata scheme is taken to be the relevant proportion of the unpaid environmental upgrade charge.

(3) If the charge payable in respect of a particular lot is paid by the owner of the lot, the unpaid environmental charge to which the payment relates ceases to be a charge on that lot.

(4) In this clause, the relevant proportion is the proportion that the unit entitlement of a lot bears to the aggregate unit entitlement of all lots the subject of the strata scheme.

(5) Unit entitlements are determined in accordance with the Strata Schemes (Freehold Development) Act 1973, or the Strata Schemes (Leasehold Development) Act 1986, as appropriate.

(6) Section 550 of the Act, and the provisions of Part 7 of Chapter 15 of the Act that apply in respect of environmental upgrade charges, are modified to the extent necessary to give effect to this clause.

(7) To avoid doubt, a reference in this clause to the amount of any unpaid environmental upgrade charge includes a reference to any amount charged under an environmental upgrade agreement for late payment of an environmental upgrade charge.
136F Payment of environmental upgrade charges by lessees
(1) The Crown is liable to pay an environmental upgrade charge in respect of land owned by the Crown if the environmental upgrade charge is levied under an environmental upgrade agreement that the Crown entered into as owner of the land.
(2) This clause applies even if the land is held under a lease for private purposes.
(3) Section 561 of the Act is modified to the extent necessary to give effect to this clause.
(4) This clause does not affect the application of section 54N of the Act in respect of any lease of the land by the Crown.

136G Payment of environmental upgrade charges by instalment
Section 562 of the Act applies to the payment of environmental upgrade charges, unless otherwise agreed by the parties to the environmental upgrade agreement.

136H Accrual of interest on overdue charges
(1) Section 566 of the Act applies in relation to any interest on an unpaid environmental upgrade charge that is charged by or on behalf of a finance provider under an environmental upgrade agreement in the same way as it applies in relation to rates and charges levied by a council under Chapter 15 of the Act.
(2) Accordingly, a reference in section 566 (3) of the Act to the rate of interest set by the council is to be read as a reference to the rate of interest charged by or on behalf of the finance provider.

136I Application of payments
Section 568 of the Act applies to environmental upgrade charges.

136J Certificate issued by Council as to environmental upgrade charges
(1) A certificate issued by a council under section 603 of the Act in respect of a parcel of land that is affected by an environmental upgrade agreement is to state (in addition to the matters referred to in that section) the amount of any environmental upgrade charges that are due and payable under the agreement.
(2) Land is affected by an environmental upgrade agreement if there is an environmental upgrade agreement in force that enables the council to levy an environmental upgrade charge in respect of the land.
(3) Section 603 of the Act is modified to the extent necessary to give effect to this clause.
136K **Sale of land to pay charge**

(1) If a council sells land as a result of a failure to pay an environmental upgrade charge, the unpaid environmental upgrade charge ceases to be a charge on the land when the purchase money for the land is paid to the council (even if the purchase money is insufficient to satisfy the amount of the unpaid environmental upgrade charge).

(2) However, if the purchase money is insufficient to satisfy the amount of the unpaid environmental upgrade charge, a person who, before the sale, was liable to pay the environmental upgrade charge continues to be liable to pay the outstanding amount of the unpaid environmental upgrade charge.

(3) Section 719 (b) of the Act does not apply in respect of an environmental upgrade charge.

136L **Modification of Retail Leases Act 1994**

(1) Section 12 of the *Retail Leases Act 1994* does not apply to a provision of a lease that requires a lessee to pay an environmental upgrade contribution.

(2) Accordingly, an environmental upgrade contribution may be recovered whether or not the contribution is disclosed in a disclosure statement given to the lessee in accordance with Part 2 of that Act.

(3) Section 24A of the *Retail Leases Act 1994* does not apply to a provision of a lease to that requires a lessee to pay an environmental upgrade contribution.

(4) In this clause, an *environmental upgrade contribution* means a contribution towards an environmental upgrade charge payable under an environmental upgrade agreement.

136M **Mandatory requirements of guidelines**

Sections 4–7 of the guidelines made under section 54Q of the Act and published in the Gazette on 18 February 2011 are adopted as mandatory requirements.

**Note.** A council must comply with any mandatory requirements of the guidelines in exercising its functions under Part 2A of Chapter 6 of the Act.
Part 6 Water services

Division 1 General provisions

137 Water supply may be restricted if there is a shortage of supply

(1) A council that considers the available stored water in a water supply system supplying its area, or the available capacity of supply from that system, to be insufficient to allow the unrestricted consumption of water for purposes other than domestic purposes may, by notice published in accordance with this clause, restrict:

(a) the purposes for which the water can be used, or
(b) the times when the water can be used, or
(c) the methods by which the water can be used, or
(d) the quantities of the water that can be used.

(2) The council may, by notice published in accordance with this clause, place the same sort of restrictions as are referred to in subclause (1) on the use of water from such a water supply system for any purposes (including domestic purposes):

(a) if there is a drought, or
(b) if the available stored water, or the available capacity of supply, is so limited as to make extraordinary measures necessary in the general interest of water consumers.

(3) Restrictions under this clause can be imposed in respect of all of the council area supplied by the water supply system, but can apply to a part of that area if and only if:

(a) the shortage of water or shortage in capacity of supply is limited to that part, or
(b) the council orders the supply to be restricted to different parts of the area in rotation.

(4) Restrictions under this clause can be imposed only by a notice of the council published in a newspaper circulating within the council’s area.

(5) All agreements made by the council relating to the supply of water are subject to this clause.

(6) This clause does not authorise the council to make orders restricting persons’ rights under the Water Act 1912 or the Water Management Act 2000.
138 Works for which approval is required under section 60 of the Act

(1) The Minister for Utilities may give a council an approval for the purposes of section 60 of the Act if and only if:
   (a) the council has made an application in writing for consent that is accompanied by the relevant documents, and
   (b) either the council has complied with any requirement of that Minister to supply further information with respect to the application or that Minister has waived any such requirement, and
   (c) that Minister is satisfied that the council is competent to exercise the powers that it would not be able to exercise without that approval, and
   (d) all inspections of the work and the site of the work that that Minister has directed to be carried out for the purpose of enabling the application to be considered have been carried out.

(2) The relevant documents are:
   (a) the plans and specifications of, and documents and data in the possession of the council that are relevant to, the exercise of power in respect of which the approval is sought, and
   (b) any documents containing details sufficient to satisfy the Minister for Utilities of the matters referred to in subclause (1) (b)–(d).

(3) If the Minister for Utilities has, for the purposes of section 60 of the Act, approved the exercise by the council of its powers with respect to a work, that Minister may, by notice in writing to the council, revoke that approval if the council has failed:
   (a) to comply with any requirements that that Minister has made with respect to the provision of additional plans, specifications, documents or information with respect to the exercise of those powers, or
   (b) to comply with any directions that that Minister has given with respect to the work, or
   (c) to accept any supervision of the exercise of those powers that that Minister has required.

139 Erection of notices to indicate catchment districts

The council may, on land in a catchment district, erect such notices as it considers necessary for indicating the boundaries of the district and directing attention to any prohibitions or restrictions applicable to the district.
Note. Section 640 of the Act provides that contravention of a prohibition or restriction in such a notice is an offence.

140 Flood retarding basins

A work that is, or will when completed be, a prescribed dam for the purposes of the Dams Safety Act 1978 is prescribed as a flood retarding basin for the purposes of section 60 (d) of the Act.

Division 2 Functions of councils

141 Works constructed to serve 2 or more council areas

(1) If water supply works have been constructed to serve the areas of 2 or more councils, the council that has control of the works is required to supply water to each of the other councils concerned, either at the boundary of its area or at some other convenient point that may be mutually agreed with those other councils.

(2) If sewerage works have been constructed to serve the areas of 2 of more councils, the council controlling the sewer mains through which sewage has to flow must allow that flow.

(3) If stormwater drainage works have been constructed to serve the areas of 2 or more councils, a council controlling a component of the stormwater drainage system must facilitate the proper functioning of the system.

(4) If the capital cost of the water supply, sewerage or stormwater drainage works has not been notified as a joint debt, the council that has control of the works may make a charge for:

(a) the supply of water from the water supply works, or

(b) allowing the flow of sewage through the sewerage works and for pumping and treating the sewage, or

(c) managing the flow of stormwater through the stormwater drainage works.

(5) Such a charge is to be:

(a) of such amount as may be agreed with each of the other councils concerned, or

(b) if there is no agreement, of such amount as the Minister may from time to time determine and notify to all of the councils concerned.

142 Fire hydrants

(1) The council:

Page 84

Historical version for 1.3.2013 to 30.6.2013 (generated on 18.07.2013 at 16:21)
(a) must install hydrants in its water mains at such convenient distances, and at such places, as may be necessary for the ready supply of water to extinguish fires, and
(b) must maintain the hydrants in effective working order.
This subclause does not apply to a water main that is less than 100 millimetres in diameter or if the water supply system is not sufficient for the operation of fire hydrants (in such circumstances the council may provide other means for the ready supply of water to extinguish fires).

(2) The council may, at the request and expense of the owner or occupier of a building, install a hydrant (to be used only for extinguishing fires) in or in the vicinity of the building. If such a hydrant is installed, the council must ensure that it is maintained in effective working order.

(3) A council may remove a hydrant from any of its water mains if satisfied on reasonable grounds that the hydrant is no longer needed.

(4) The council must at all times keep charged with water all its pipes to which hydrants are connected unless prevented from doing so:
(a) by drought or other unavoidable cause or accident, or
(b) while necessary repairs to the pipe or hydrant are being carried out.

(5) Persons authorised to do so by the council may take water without charge for the purpose of extinguishing fires.

143 Inspection of pipes and drains and measurement of water and sewage

(1) The council may, at any reasonable time:
(a) inspect any service pipe connected to a water main, and
(b) inspect any drain connected to a sewer main, and
(c) install meters or other devices for measuring the quantity of water supplied to, or the quantity of sewage discharged from, premises, and
(d) measure the quantity of water supplied to, or the quantity of sewage discharged from, premises.

(2) The occupier of the relevant premises must provide to the council such information as it requires to enable it to estimate the quantity of water actually supplied to, or the quantity of sewage actually discharged from, the premises.

144 Cutting off or restricting water supply

(1) The council may cut off or restrict the supply of water to premises:
(a) if any water meter used to measure that supply is out of repair or, in the opinion of the council, incorrectly registers the supply of water, or
(b) if any rates or charges in respect of the water supplied to the premises are unpaid, or
(c) if, in the opinion of the council, that action is necessary because of unusual drought or other unavoidable cause or any accident, or
(d) if the owner or occupier or person requiring a supply of water fails to comply with a lawful order or requirement of the council as to installing water meters or instruments for measuring the quantity of water supplied, or
(e) if the owner or occupier or person requiring a supply of water fails to comply with a lawful order or requirement of the council to repair or alter water connections, pipes, fittings or fixtures connected to the council’s water supply system, or
(f) if the occupier of the premises contravenes a provision of Division 3 of this Part or fails to comply with any council order or public notice requiring consumers of water to economise its use in time of drought or scarcity of supply, or
(g) if the owner or occupier of the premises fails to comply with a requirement of a council order to remove, replace, alter, extend, repair or stop using a water pipe, fitting or fixture.

(2) The cutting off of the supply of water under this clause for non-payment of rates or charges does not affect the liability of the rateable person to pay those rates or charges.

(3) If the council cuts off the supply of water to premises because:
   (a) there is no water meter installed on the premises, or
   (b) the water meter on the premises registers incorrectly, or
   (c) water rates or charges for the premises are unpaid,
the council may refuse to supply water to those premises until a water meter is installed on the premises, the water meter registers correctly or the water rates or charges are paid (as the case may require).

145 New sewer or stormwater drain to be constructed if it is less costly than a connection to an existing sewer or stormwater drain

(1) A council that believes that it would cost more to provide for the flow of existing sewers or stormwater drains on 2 or more separate premises to empty into an existing sewer or stormwater drain than it would to provide for the flow to empty into a new sewer or stormwater drain may construct a new sewer or stormwater drain for that purpose.
(2) A council, on constructing such a new sewer or stormwater drain, may, by order served on the owners or occupiers of the premises concerned, order those owners or occupiers to cause the sewers or stormwater drains on each of those premises to empty into the new sewer or stormwater drain.

(3) The council:
   (a) must apportion fairly the expenses of the construction of the new sewer or stormwater drain among the owners or occupiers of each of the premises affected, and
   (b) require those owners or occupiers to pay the apportioned expenses to the council.

146 Connections to council’s sewerage system

(1) If premises are liable to a special sewerage rate, the council may, at the request of the person liable to pay rates in respect of the premises:
   (a) carry out such works as may be necessary to provide for the drainage of sewage from the premises, and
   (b) provide such connections as may be necessary to enable fixtures installed on the premises to discharge their contents into the council’s sewerage system.

(2) The council may, in respect of work done or any materials provided under subclause (1), impose on the person a charge sufficient to meet the cost of the work or materials.

(3) Such a charge:
   (a) must cover the cost of doing the work or providing the materials, together with interest on that cost at a rate not exceeding that fixed in respect of overdue rates, and
   (b) may be recovered by equated instalments of principal and interest during such period as the council determines.

(4) Any such charge may be recovered as a rate and is to be a charge on the premises in respect of which it is imposed as if it were a rate.

(5) The council is not responsible for the repair, maintenance or renewal of any work done or materials provided under this clause on or in respect of the premises concerned, except as regards defective work or materials.

(6) Any work so done or materials so provided belongs to the owner of those premises.
Clause 147  Local Government (General) Regulation 2005

147  Water not to be supplied through water supply work until inspected and certified

The council must not supply water through a water supply work connected to the council’s water supply system until the work has been inspected and certified:

(a) by the council or a suitably qualified person determined by the council, or

(b) if the water supply work is of a type for which the approval of the Minister for Utilities is required under section 60 of the Act—in accordance with paragraph (a) or, if that Minister has specifically authorised inspection and certification by another suitably qualified person, by that person,
as having been constructed in accordance with all applicable standards or requirements set out or referred to in the Act and this Regulation.

148  Council to prepare map of water supply, sewerage and stormwater drainage works

(1) The council:

(a) must, before or within a reasonable time after water supply, sewerage or stormwater drainage works have been constructed, prepare a map of the works and the surrounding land that is liable to be rated or become subject to an annual charge for services in relation to the works, and

(b) must from time to time, as the works are extended, amend the map so that it shows the extended works and the land.

(2) The council must ensure that every such map also shows:

(a) the levels of the works at the road frontages of the land, and

(b) so far as is reasonably practicable, the distances from the works of the nearest boundaries of that land and the location of buildings on that land, and

(c) any information relating to the works that might reasonably be expected to affect construction work that might be carried out on the land.

(3) The owner or occupier of land affected by such a map, or any other person who has the written permission of such an owner, is entitled to inspect the map during the council’s office hours.

149  Plans of connections to sewerage or stormwater drainage systems

If the owner or occupier of premises has been ordered by the council to connect the premises to the council’s sewerage system or stormwater
drainage system, the council must give that owner or occupier a plan showing the location of the connection.

150 Inspection of drainage diagrams

An owner or occupier of land affected by the installation of drains in accordance with an approval referred to in item 4 or 5 of Part B of the Table to section 68 of the Act (or any other person with the written permission of such an owner) is entitled to inspect, during the council’s office hours, any diagrams of those drains provided to the council as a condition of the approval.

Division 3 General requirements relating to water supply, sewerage and stormwater drainage

151 Water supply, sewerage and stormwater drainage work to comply with applicable standards and requirements

(1) Water supply work and sewerage work that is plumbing and drainage work within the meaning of the Plumbing and Drainage Act 2011 must comply with any requirements of that Act or the regulations made under that Act.

(2) Any other water supply work or sewerage work, and any stormwater drainage work, must comply with any applicable standards or requirements set out or referred to in the Act or this Regulation.

152 Premises to be connected to water supply by an independent house service pipe

(1) The owner of premises must, unless the council authorises otherwise, ensure that the premises are not connected to a property service pipe linked to the council’s water supply system except by an independent house service pipe.

(2) The owner of premises connected to the council’s water supply by an independent house service pipe must ensure that the pipe has a stop-valve within the premises that is not more than 450 millimetres from the road alignment or at some other place within the premises approved by the council.

(3) If several premises are supplied with water by a single house service pipe, the council may require, as a condition of the supply, that a separate house service pipe be laid to each of the premises.

(4) If the council authorises the connection of 2 or more premises by means of a single house service pipe, the owner of each of the premises must (unless all the premises are occupied by a single household or firm as a residence or place of business) ensure that there is installed on each of those premises:
(a) a separate stop-valve that complies with subclause (2), and
(b) a separate water meter to measure the water supply to those premises.

(5) The owner of a group of contiguous premises may request the council to lay a large property service pipe or water sub-main to supply 2 or more of the premises in the group.

153 Laying of house service pipes

(1) A person must not lay a house service pipe that is to be connected to the council’s water supply system otherwise than in accordance with the Plumbing Code of Australia.

(2) However, a person does not contravene subclause (1) only by laying a house service pipe at a depth less than that required by the Plumbing Code of Australia if the council has, in writing, authorised the person to do so.

154 Privately owned water meters to be of a size and class approved by the council

(1) Before a water meter (other than a water meter hired from or provided by the council) is installed on premises connected or to be connected to the council’s water supply system, the owner of the premises concerned must submit the meter to the council for testing and stamping.

(2) If it is proposed to move such a water meter to a new position and more than 2 years has elapsed since the meter was last tested and stamped by the council, the owner of the premises concerned must resubmit it for further testing and stamping before moving it to the new position.

(3) The council is not required to test and stamp a water meter submitted or resubmitted under this clause unless the fee fixed by the council is paid.

155 Security of water meters

(1) The owner of premises on which there is located a water meter connected to the council’s water supply system must, if required by the council to do so, protect the meter by enclosing it in a box constructed of metal, wood or other strong durable material and fitted with a lock and key approved by the council.

(2) The owner of such premises must, if the council so requires, deposit with the council the key to the water meter or, if it is enclosed in a meter-box, the key to the box immediately after the meter or box is installed.
156 Water meter not to be used to measure the water supplied to more than one premises except in certain cases

(1) The owner of premises on which a water meter is installed must ensure that the meter is not used to measure the quantity of water supplied by the council to other premises.

(2) Subclause (1) does not apply:
   (a) if the premises and the other premises are occupied by a single household or firm as a residence or place of business, or
   (b) if the council authorises the meter to measure the water supplied to the premises and the other premises.

(3) In those circumstances:
   (a) the council must credit the relevant water account with the amount of any water rate or charge paid in respect of all the premises, and
   (b) the owner of the premises on which the water meter is installed must ensure that:
      (i) the meter is directly connected to the water main by a single property service pipe, and
      (ii) the water for each of the premises passes through and is measured by the meter.

(4) However, if there are special circumstances requiring the laying of 2 or more service pipes, the owner of the premises must ensure that each service pipe is connected to a water meter.

(5) In that case, the council must credit the water account of each meter with the amount of any water rate or charge paid in respect of the premises supplied through the relevant service pipe.

157 Hire of meters

(1) A person who wishes to hire a water meter from the council must execute an agreement prepared for that purpose.

(2) The agreement must contain the conditions on which the meter is to be hired.

158 Testing of meters

(1) At the request of an owner or occupier of premises and on the payment of a fee fixed by the council, the council must arrange for a water meter installed on the premises to be examined and tested.

(2) The council may, on its own initiative, arrange for such a water meter to be examined and tested.
(3) If, as a result of such an examination and test, a water meter is found not to correctly measure the quantity of water passing through it, the council may charge for the supply of water:
   (a) on the basis of a daily consumption equal to the average daily consumption during the corresponding meter reading period of the previous year, or
   (b) on such other basis as the council and the consumer may agree.

(4) Testing carried out at the request of a person who is the owner or occupier of premises is to be at the expense of the person, unless the meter is one hired from or provided by the council and the testing indicates that the meter is defective, in which case the testing is to be at the expense of the council.

(5) A water meter that registers less than 3 per cent more or less than the correct quantity is taken to correctly measure the water passing through it.

(6) If a water meter provided by the council is found to be defective, the council must replace it with one that is not defective.

(7) If a privately owned meter is found to be defective, the council may require the owner to rectify the meter or, if the defect cannot be rectified, replace the meter with one that is not defective. An owner who is required to rectify or replace a meter must comply with the requirement.

(8) The rectification or replacement is to be at the expense of the owner.

(9) When a privately owned water meter is being rectified or is awaiting replacement, the supply of water to the owner of the meter:
   (a) is to be regulated by special contract made between the owner and the council, and
   (b) is to be restricted to use for domestic purposes.

159 Prevention of waste and misuse of water

The owner, occupier or manager of premises to which water is supplied by the council must:
   (a) prevent waste of water by taking prompt action to repair leaking taps, pipes or fittings located on the premises, and
   (b) take any other action that is reasonable to prevent waste and misuse of water.

160 Misuse of water

An occupier of premises supplied with water from the council’s water supply system must not:
(a) take any of the water away from the premises, or
(b) allow any other person to take any of the water away from the premises, or
(c) use water contrary to a council notice restricting the use of water, other than in accordance with arrangements instituted by the council.

161 Particular provisions for unmetered premises

(1) In this clause, **unmetered premises** means premises to which the council supplies water other than through a water meter.

(2) An occupier of unmetered premises supplied with water from the council’s water supply system must not use the water for purposes other than domestic purposes unless the water is supplied under a special contract or the permission of the council has been obtained.

(3) For the purposes of subclause (2), the use of water for domestic purposes does not include the use of water for any of the following:
   (a) buildings used for housing animals or birds (not being buildings also used for human habitation),
   (b) a manufacturing purpose,
   (c) the irrigation or sprinkling of crops, gardens or lawns,
   (d) the production of power for fountains,
   (e) ornamental purposes.

(4) A person must not install or allow to remain installed within unmetered premises a tap or device to which a hose can be attached, unless:
   (a) the water supplied by the council is supplied under a contract allowing the use of the tap or device, and
   (b) any special fee for the tap or device fixed by the council has been paid.

(5) A person must not, on unmetered premises to which water is supplied by the council for domestic purposes, use a hose for the purpose of watering a garden or laying dust (or any similar purpose) with the water supplied, unless:
   (a) the activity is specifically authorised by an arrangement entered into with the council, and
   (b) any fee required by the arrangement has been paid.

162 Joint sewerage services prohibited

(1) The owner of premises connected to the council’s sewerage system must ensure:
(a) that any house drain on the premises is kept separate from that of all other premises, and
(b) that the only fittings and fixtures permitted to discharge into the house drain are those located on the premises.

(2) The owner of premises on which a house drain is or is to be connected to the council’s sewerage system must ensure that the drain is laid within the boundary of the premises until it:
(a) reaches that system or the boundary nearest to that system, or
(b) emerges into a public place.

Division 2  Prerequisites for tendering

166 Council to decide whether tenders are to be by open tendering or selective tendering

Whenever a council is required by section 55 of the Act to invite tenders before entering into a contract, the council must decide which of the following tendering methods is to be used:

(a) the open tendering method by which tenders for the proposed contract are invited by public advertisement,

(b) the selective tendering method by which invitations to tender for a particular proposed contract are made following a public advertisement asking for expressions of interest,

(c) the selective tendering method by which recognised contractors selected from a list prepared or adopted by the council are invited to tender for proposed contracts of a particular kind.

167 Open tendering

(1) A council that decides to use the open tendering method for a proposed contract must publish an advertisement in the relevant newspapers inviting tenders for the proposed contract.

(2) The advertisement must:

(a) express the purpose of the proposed contract, and

(b) give details of where and when tender documents relating to the proposed contract can be obtained and the purchase price of those documents, and
(c) specify the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and

(d) invite any person willing to fulfil the requirements of the proposed contract to submit a tender to the council by the deadline specified in the advertisement.

The deadline must be a specified time on a date that is at least 21 days after the date of publication or first publication of the advertisement.

(3) The tender documents relating to the proposed contract must comply with clause 170.

168 Selective tendering method by which invitations to tender for proposed contract are made following public advertisement asking for expressions of interest

(1) A council that decides to use the selective tendering method referred to in clause 166 (b) for allocating a particular proposed contract must publish in the relevant newspapers an advertisement inviting applications from persons interested in tendering for the proposed contract.

(2) Every such advertisement must include:

(a) a brief description of the work, goods, facilities, services or property concerned, and

(b) the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and

(c) the deadline for submitting applications.

The deadline must be a specified time on a date that is at least 21 days after the date of publication or first publication of the advertisement.

(3) A council must consider all applications made in response to such an advertisement and, in so doing, must take into account:

(a) the experience of the applicants in fulfilling the requirements of similar contracts, and

(b) the capacity of the applicants to fulfil the requirements of the proposed contract.

(4) After considering the applications, the council may either:

(a) send invitations in writing to all applicants, or such of them as the council thinks will be able to fulfil the requirements of the proposed contract, to tender for the proposed contract, or

(b) decline to invite tenders from any of the applicants.
(5) In inviting tenders from applicants, the council must:
(a) invite them to submit tenders to the council by the deadline specified in the invitations, and
(b) give details of where and when tender documents relating to the proposed contract can be obtained and the purchase price of those documents.

The deadline must be a specified time on a date that is at least 21 days after the date of the invitation.

(6) The tender documents relating to the proposed contract must comply with clause 170.

169 Selective tendering method by which recognised contractors listed by council are invited to tender for particular kinds of proposed contracts

(1) A council that decides to use the selective tendering method referred to in clause 166 (c) for the allocation of proposed contracts of a specified kind must publish in the relevant newspapers an advertisement inviting applications from persons interested in tendering for proposed contracts of that kind so that the council may prepare a list of suitable tenderers.

(2) Every such advertisement must include:
(a) a brief description of the kind of work, goods, facilities, services or property concerned, and
(b) the name of a person to whom requests for information concerning the proposed contracts may be addressed and how the person can be contacted, and
(c) the deadline for submitting applications.

(3) A council must consider all applications made in response to such an advertisement and, in so doing, take into account the experience of the applicants in fulfilling the requirements of, and their capacity to undertake, similar contracts.

(4) After considering an application under this clause, the council may either:
(a) list the applicant as a recognised contractor for some or all of the kinds of work, goods, facilities, services or property specified in the application, or
(b) reject the application in whole or part.

(5) In seeking tenders for a particular proposed contract, a council may invite some or all of the recognised contractors listed by it under this clause to tender for that contract and may do so on the basis of:
(a) their capacity to fulfil the requirements of that contract, and
(b) the number of occasions on which each contractor has previously been invited to tender for similar proposed contracts.

(6) In inviting tenders for a proposed contract from recognised contractors listed by the council under this clause, the council must:
   (a) invite them to submit tenders to the council by the deadline specified in the invitations, and
   (b) give details of where and when tender documents relating to the proposed contract can be obtained and the purchase price of those documents.

The deadline must be a specified time on a date that is at least 21 days after the date of the invitation.

(7) The tender documents relating to the proposed contract must comply with clause 170.

(8) As an alternative to listing persons as recognised contractors in accordance with subclauses (1)–(4), a council may adopt a list of contractors prepared by another public authority, but only if the list was prepared by the authority following the publication of an advertisement similar to that provided for under subclause (1).

(9) If a council adopts such a list, the persons whose names appear on the list are taken to be recognised contractors for the kinds of work, goods, facilities, services or property specified in the list.

(10) A person who is a contractor recognised by a council ceases to be so recognised if the person informs the council in writing that the person no longer wishes to be listed as a recognised contractor for the purposes of this clause.

(11) Nothing in this clause requires a council to take the action referred to in subclause (1) on each occasion that it decides to invite tenders under this clause.

170 Tender documents

(1) The tender documents relating to a proposed contract must:
   (a) give details of the work to be carried out, the goods or facilities to be provided, the services to be performed or the property to be disposed of and, if the proposed contract is an instalment contract:
      (i) give details of the instalments to be paid by or to the council, and
      (ii) specify the period over which the instalments are to be paid, and
(iii) specify the intervals between payment of the instalments, and

(b) specify the criteria on which the assessment of tenders will be based, and

(c) specify the name of a person to whom requests for information concerning the proposed contract may be addressed and how the person can be contacted, and

(d) indicate whether formal tender documents must be submitted in relation to the tender and, if so, how they may be obtained, and

(e) if the proposed contract is for the performance of domestic or other waste management services of the same kind as those performed under a contract in force immediately before the tenders are invited (an existing contract)—specify the information which must be submitted about the continuity of employment of workers employed or engaged by the contractor under the existing contract to perform the domestic or other waste management services (the existing workers).

(1A) Without limiting subclause (1) (e), information that must be submitted is:

(a) a statement as to whether or not the proposed contractor intends to offer the existing workers employment or engagement with the contractor if the tender is accepted, and

(b) if employment or engagement is offered—relevant details of the terms and conditions of employment or engagement that will be offered (including details of remuneration, preservation of accrued or accruing leave and other entitlements, hours of work, working conditions and rights to negotiate working conditions under the Industrial Relations Act 1996, the conduct of training with respect to industrial rights and occupational health and safety, duration of the employment or engagement and rights with respect to trade union membership).

(2) If a council amends tender documents after they have been issued to persons, it must take all reasonably practicable steps to inform those persons of the amendments.

(3) Subclause (1) (e) does not apply to tender documents issued before the commencement of this subclause.

(4) In this clause:

*domestic or other waste management services* means the storage, treatment, processing, collecting, removal, disposal, destruction, sorting or recycling of domestic waste and other waste.
171 Shortened tender period

(1) A council that believes there are exceptional circumstances rendering inappropriate a deadline that would, but for this clause, be required to be specified in an advertisement under clause 167, 168 or 169 or an invitation under clause 168 (4) or 169 (6) may decide on an earlier deadline. However, the earlier deadline must be a specified time on a date that is at least 7 days after:
   (a) the date of the publication or first publication of the advertisement, or
   (b) the date of the invitation.

(2) A council must keep a record of:
   (a) the circumstances requiring an earlier deadline to be specified in such an advertisement or invitation, and
   (b) the name of the staff member who made the decision to change the deadline (if not made by the council).

172 Extended tender period

(1) If, having specified or included a deadline in an advertisement under clause 167, 168 or 169 or an invitation under clause 168 (4) or 169 (6), a council becomes aware of circumstances that show that the deadline may not allow enough time for meaningful tenders or applications to be submitted, it may extend the deadline by specifying a later deadline.

(2) If, at the time of extending the deadline, the council has issued invitations to persons under clause 168 (4) or 169 (6) or has issued tender documents to persons, it must take all reasonably practicable steps to inform those persons of the later deadline.

(3) A council must keep a record of:
   (a) the circumstances requiring a later deadline to be specified in an advertisement or invitation, and
   (b) the name of the staff member who made the decision to change the deadline (if not made by the council).

Division 3 Submission and opening of tenders

173 Submission of tenders

(1) A tender must be submitted in writing, by facsimile transmission or (subject to subclause (2)) by electronic means.

(2) A tender may not be submitted by electronic means:
   (a) if guidelines are in force under section 23A of the Act with respect to the transmission of tenders by electronic means—
unless its submission by electronic means is authorised by, and
effected in accordance with, those guidelines, and
(b) in any other case—unless its submission by electronic means is
effected by a secure mechanism (such as an encryption-based
technology) that ensures that it cannot subsequently be altered.

(3) Unless sent by facsimile transmission or electronic means, a tender
must be sent or delivered in a sealed envelope.

(4) If a tender is sent by facsimile transmission or electronic means (other
than the means referred to in subclause (2) (b)), it must be printed out
on receipt, and an appropriate person must place the tender in a sealed
envelope immediately after it is printed out.

174 Custody of tenders after receipt

(1) A council must:
(a) provide a secure tender box, and
(b) ensure that:
(i) all tenders (except the tenders received by electronic
means that have not been printed out, but including those
received by facsimile transmission) submitted to it for a
proposed contract are kept in the tender box, and
(ii) the tender box, when containing tenders, is kept in a safe
and secure place,
until the envelopes containing the tenders are opened in
accordance with clause 175.

(2) A council must ensure that, whenever the council’s office is open for
business, its tender box is kept in a place that allows tenderers who wish
to do so to deposit their tenders personally.

(3) Tenders received by electronic means as referred to in clause 173 (2) (b)
must be stored on an information system (within the meaning of the
Electronic Transactions Act 2000) in such a manner (whether by means
of password protection or otherwise) that they are accessible only to an
appropriate person.

175 Opening of tenders

(1) At the time specified for the close of tenders, the appropriate person
must open the tenders in the presence of:
(a) at least 2 persons designated by the general manager for the
purpose, and
(b) such tenderers and members of the public as wish to attend the
opening.
(2) A member of the public who attends the opening of tenders for a proposed contract is entitled, on request, to be informed as to whether the council has received a particular tender and the number of tenders received.

(3) As soon as practicable after the tenders for a proposed contract have been opened, the appropriate person:
   (a) must record the names of the tenderers and the amounts that appear to have been tendered for the contract, and
   (b) must prepare a tender list specifying the names of the tenderers in alphabetical order.

(4) Immediately after preparing a tender list, the appropriate person must display the list in a place where it can be readily seen by members of the public. That person may add to the list such information as he or she considers appropriate.

176 Tenders may be varied in certain circumstances

(1) At any time before a council accepts any of the tenders that it has received for a proposed contract, a person who has submitted a tender may, subject to subclause (2), vary the tender:
   (a) by providing the council with further information by way of explanation or clarification, or
   (b) by correcting a mistake or anomaly.

(2) Such a variation may be made either:
   (a) at the request of the council, or
   (b) with the consent of the council at the request of the tenderer, but only if, in the circumstances, it appears to the council reasonable to allow the tenderer to provide the information or correct the mistake or anomaly.

(3) If a tender is varied in accordance with this clause, the council must provide all other tenderers whose tenders have the same or similar characteristics as that tender with the opportunity of varying their tenders in a similar way.

(4) A council must not consider a variation of a tender made under this clause if the variation would substantially alter the original tender.

(5) A council must keep a record of:
   (a) the circumstances requiring the variation of a tender, and
   (b) the name of the staff member handling the matter.
Division 4  Determination of successful tenderer

177  Consideration of tenders

(1) As soon as practicable after the tenders for a proposed contract have been opened, the council must assess the tenders.

(2) A council must not consider a tender that is not submitted to the council by the deadline for the closing of tenders. This subclause is subject to subclauses (4) and (5).

(3) A council must consider a tender transmitted to it by facsimile machine or electronic means, but only if:
   (a) in the case of transmission by electronic means, that means of transmission was specified in the relevant tender documents, and
   (b) the transmission was received before the deadline for the closing of tenders, and
   (c) the tender is complete.

(4) However, if a council has specified in the relevant tender documents issued by the council that a tender will not be considered unless formal tender documents are submitted to the council, then (despite subclause (3)), the council is not obliged to consider a tender transmitted to it in accordance with that subclause (being a tender that does not include formal tender documents) unless:
   (a) the tenderer is able to satisfy the council that formal tender documents and all other requisite essential information were posted or lodged at a Post Office or other recognised delivery agency before the deadline for the closing of tenders, and
   (b) the council actually receives those documents within such period as it decides to be reasonable in the circumstances.

(5) A council must also consider a tender received within such period after the deadline for the closing of tenders as it decides to be reasonable in the circumstances if the tenderer satisfies the council that the tender documents and all other requisite essential information were posted or lodged at a Post Office or other recognised delivery agency in sufficient time to enable the documents to have been received by the council in the ordinary course of business before that deadline.

178  Acceptance of tenders

(1) After considering the tenders submitted for a proposed contract, the council must either:
   (a) accept the tender that, having regard to all the circumstances, appears to it to be the most advantageous, or
(b) decline to accept any of the tenders.

(1A) Without limiting subclause (1), in considering the tenders submitted for a proposed contract for the performance of domestic or other waste management services, the council must take into account whether or not existing workers (within the meaning of clause 170) will be offered employment or engagement on terms and conditions comparable to those applicable to the workers immediately before the tender was submitted.

(2) A council must ensure that every contract it enters into as a result of a tender accepted by the council is with the successful tenderer and in accordance with the tender (modified by any variation under clause 176). However, if the successful tender was made by the council (as provided for in section 55 (2A) of the Act), the council is not required to enter into any contract in order to carry out the requirements of the proposed contract.

(3) A council that decides not to accept any of the tenders for a proposed contract or receives no tenders for the proposed contract must, by resolution, do one of the following:

(a) postpone or cancel the proposal for the contract,
(b) invite, in accordance with clause 167, 168 or 169, fresh tenders based on the same or different details,
(c) invite, in accordance with clause 168, fresh applications from persons interested in tendering for the proposed contract,
(d) invite, in accordance with clause 169, fresh applications from persons interested in tendering for contracts of the same kind as the proposed contract,
(e) enter into negotiations with any person (whether or not the person was a tenderer) with a view to entering into a contract in relation to the subject matter of the tender,
(f) carry out the requirements of the proposed contract itself.

(4) If a council resolves to enter into negotiations as referred to in subclause (3) (e), the resolution must state the following:

(a) the council’s reasons for declining to invite fresh tenders or applications as referred to in subclause (3) (b)–(d),
(b) the council’s reasons for determining to enter into negotiations with the person or persons referred to in subclause (3) (e).
179 Notification of acceptance of successful tender

As soon as practicable after entering into a contract in accordance with clause 178 or deciding not to accept any of the tenders for a proposed contract, a council must:

(a) send to all tenderers whose tenders were not accepted notices to the effect that their tenders were unsuccessful or, as the case may be, that none of the tenders for the proposed contract was accepted, and

(b) display in a conspicuous place that is accessible to members of the public a notice specifying the name of the tenderer whose tender was accepted and the amount of the successful tender or, if none of the tenders was accepted, a notice to that effect.

219 **Business activity strategic plan of county council**

(1) A business activity strategic plan is a plan developed and endorsed by a county council that:

(a) identifies the main business activity priorities of the council covering a period of at least 10 years from when the plan is endorsed, and

(b) establishes strategic objectives together with strategies for achieving those objectives, and

(c) has been developed having due regard to the community strategic plans of the county council’s constituent councils and in consultation with those councils.

(2) Following an ordinary election of councillors for the constituent councils of a county council, the county council must review the business activity strategic plan before 30 June following the election. The council may endorse the existing plan, endorse amendments to the existing plan or develop and endorse a new business activity strategic plan, as appropriate to ensure that the council has a business activity strategic plan covering at least the next 10 years.

(3) Within 28 days after a business activity strategic plan is endorsed, the council must post a copy of the plan on the council’s website and provide a copy to the Director-General. A copy of a business activity strategic plan may be provided to the Director-General by notifying the Minister of the appropriate URL link to access the plan on the council’s website.

### Division 9 Miscellaneous

227 **Matters to be taken into consideration by auditor**

For the purposes of section 415 (3) of the Act, the matters that an auditor must consider and provide comment on in auditing a council’s financial reports are the matters that the Code requires an auditor to consider and provide comment on.

228 **Half-yearly inspection of council’s accounting records**

(1) For the purposes of section 426 (1) (b) of the Act, the prescribed periods are after the first 6 months of each financial year.
(2) The responsible accounting officer of a council must:
   (a) ensure that, within 1 month after the first 6 months of each financial year, the council’s ledgers are balanced and a list of ledger balances is prepared so as to enable the council’s auditor to conduct a six-monthly inspection of the council’s accounting records, and
   (b) as soon as practicable afterwards, notify the council’s auditor that those records are available for inspection.

229 Loans to council to be charge on the council’s income

The repayment of money borrowed by a council (whether by way of overdraft or otherwise), and the payment of any interest on that money, is a charge on the income of the council.

230 General manager to notify borrowings to Director-General

(1) Within 7 days after a council borrows money under a loan contract, the general manager must notify the Director-General of the borrowing.

(2) This clause extends to further advances made to a council under an existing loan contract, but does not apply to a borrowing by a council by way of overdraft.

Division 2 Convening of, and attendance at, council meetings

232 Notice of meetings

(1) This clause prescribes the manner in which the requirements outlined in section 9 (1) of the Act are to be complied with.

(2) A notice of a meeting of a council or of a committee must be published in a newspaper circulating in the area before the meeting takes place.

(3) The notice must specify the time and place of the meeting.

(4) Notice of more than one meeting may be given in the same notice.

(5) This clause does not apply to an extraordinary meeting of a council or committee.

233 What happens when a quorum is not present

(1) A meeting of a council must be adjourned if a quorum is not present:

(a) within half an hour after the time designated for the holding of the meeting, or

(b) at any time during the meeting.

(2) In either case, the meeting must be adjourned to a time, date and place fixed:
(a) by the chairperson, or
(b) in his or her absence—by the majority of the councillors present, or
(c) failing that, by the general manager.

(3) The general manager must record in the council’s minutes the circumstances relating to the absence of a quorum (including the reasons for the absence of a quorum) at or arising during a meeting of the council, together with the names of the councillors present.

234 Minister to convene meetings in certain cases

(1) Whenever an area is constituted or reconstituted, the Minister is required:
(a) to convene the first meeting of the council of the area, and
(b) to nominate the business to be transacted at the meeting, and
(c) to give the councillors notice of the meeting.

(2) If there is no quorum at that meeting, the Minister may convene meetings in the same manner until a quorum is present.

(3) The council must transact the business nominated by the Minister for a meeting convened under this clause.

235 Presence at council meetings

A councillor cannot participate in a meeting of a council unless personally present at the meeting.

235A Leave of absence

(1) A councillor’s application for leave of absence from council meetings should, if practicable, identify (by date) the meetings from which the councillor intends to be absent.

(2) A councillor who intends to attend a council meeting despite having been granted leave of absence should, if practicable, give the general manager at least 2 days’ notice of his or her intention to attend.

Division 3 Procedure for the conduct of council meetings

236 Councillor to be elected to preside at certain meetings

(1) If no chairperson is present at a meeting of a council at the time designated for the holding of the meeting, the first business of the meeting must be the election of a chairperson to preside at the meeting.

Note. Section 369 (2) of the Act provides for a councillor to be elected to chair a meeting of a council when the mayor and deputy mayor are absent.
(2) The election must be conducted:
   (a) by the general manager or, in his or her absence, an employee of the council designated by the general manager to conduct the election, or
   (b) if neither of them is present at the meeting or there is no general manager or designated employee—by the person who called the meeting or a person acting on his or her behalf.

(3) If, at an election of a chairperson, 2 or more candidates receive the same number of votes and no other candidate receives a greater number of votes, the chairperson is to be the candidate whose name is chosen by lot.

(4) For the purposes of subclause (3), the person conducting the election must:
   (a) arrange for the names of the candidates who have equal numbers of votes to be written on similar slips, and
   (b) then fold the slips so as to prevent the names from being seen, mix the slips and draw one of the slips at random.

(5) The candidate whose name is on the drawn slip is the candidate who is to be the chairperson.

237 Chairperson to have precedence

When the chairperson rises during a meeting of a council:
   (a) any councillor then speaking or seeking to speak must, if standing, immediately resume his or her seat, and
   (b) every councillor present must be silent to enable the chairperson to be heard without interruption.

238 Chairperson’s duty with respect to motions

(1) It is the duty of the chairperson at a meeting of a council to receive and put to the meeting any lawful motion that is brought before the meeting.

(2) The chairperson must rule out of order any motion that is unlawful or the implementation of which would be unlawful.

(3) Any motion, amendment or other matter that the chairperson has ruled out of order is taken to have been rejected.

239 Order of business

(1) At a meeting of a council (other than an extraordinary meeting), the general order of business is (except as provided by this Regulation) as fixed by the council’s code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does
not fix the general order of business) as fixed by resolution of the council.

(2) The order of business fixed under subclause (1) may be altered if a motion to that effect is passed. Such a motion can be moved without notice.

(3) Despite clause 250, only the mover of a motion referred to in subclause (2) may speak to the motion before it is put.

240 Agenda and business papers for council meetings

(1) The general manager must ensure that the agenda for a meeting of the council states:
   (a) all matters to be dealt with arising out of the proceedings of former meetings of the council, and
   (b) if the mayor is the chairperson—any matter or topic that the chairperson proposes, at the time when the agenda is prepared, to put to the meeting, and
   (c) subject to subclause (2), any business of which due notice has been given.

(2) The general manager must not include in the agenda for a meeting of the council any business of which due notice has been given if, in the opinion of the general manager, the business is (or the implementation of the business would be) unlawful. The general manager must report (without giving details of the item of business) any such exclusion to the next meeting of the council.

(3) The general manager must cause the agenda for a meeting of the council or a committee of the council to be prepared as soon as practicable before the meeting.

(4) The general manager must ensure that the details of any item of business to which section 9 (2A) of the Act applies are included in a business paper for the meeting concerned.

(5) Nothing in this clause limits the powers of the chairperson under clause 243.

241 Giving notice of business

(1) A council must not transact business at a meeting of the council:
   (a) unless a councillor has given notice of the business in writing within such time before the meeting as is fixed by the council’s code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that time) as is fixed by resolution of the council, and
(b) unless notice of the business has been sent to the councillors in accordance with section 367 of the Act.

(2) Subclause (1) does not apply to the consideration of business at a meeting if the business:
   (a) is already before, or directly relates to a matter that is already before, the council, or
   (b) is the election of a chairperson to preside at the meeting as provided by clause 236 (1), or
   (c) is a matter or topic put to the meeting by the chairperson in accordance with clause 243, or
   (d) is a motion for the adoption of recommendations of a committee of the council.

(3) Despite subclause (1), business may be transacted at a meeting of a council even though due notice of the business has not been given to the councillors. However, this can happen only if:
   (a) a motion is passed to have the business transacted at the meeting, and
   (b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.

Such a motion can be moved without notice.

(4) Despite clause 250, only the mover of a motion referred to in subclause (3) can speak to the motion before it is put.

242 Agenda for extraordinary meetings

(1) The general manager must ensure that the agenda for an extraordinary meeting of a council deals only with the matters stated in the notice of the meeting.

(2) Despite subclause (1), business may be transacted at an extraordinary meeting of a council even though due notice of the business has not been given to the councillors. However, this can happen only if:
   (a) a motion is passed to have the business transacted at the meeting, and
   (b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.

Such a motion can be moved without notice but only after the business notified in the agenda for the meeting has been disposed of.

(3) Despite clause 250, only the mover of a motion referred to in subclause (2) can speak to the motion before it is put.
243 Official minutes

(1) If the mayor is the chairperson at a meeting of a council, the chairperson is, by minute signed by the chairperson, entitled to put to the meeting without notice any matter or topic that is within the jurisdiction of the council or of which the council has official knowledge.

(2) Such a minute, when put to the meeting, takes precedence over all business on the council’s agenda for the meeting. The chairperson (but only if the chairperson is the mayor) may move the adoption of the minute without the motion being seconded.

(3) A recommendation made in a minute of the chairperson (being the mayor) or in a report made by a council employee is, so far as adopted by the council, a resolution of the council.

244 Report of a Departmental representative to be tabled at council meeting

When a report of a Departmental representative has been presented to a meeting of a council in accordance with section 433 of the Act, the council must ensure that the report:

(a) is laid on the table at that meeting, and
(b) is subsequently available for the information of councillors and members of the public at all reasonable times.

245 Notice of motion—absence of mover

In the absence of a councillor who has placed a notice of motion on the agenda for a meeting of a council:

(a) any other councillor may move the motion at the meeting, or
(b) the chairperson may defer the motion until the next meeting of the council at which the motion can be considered.

246 Motions to be seconded

A motion or an amendment cannot be debated unless or until it has been seconded. This clause is subject to clauses 243 (2) and 250 (5).

247 How subsequent amendments may be moved

If an amendment has been rejected, a further amendment can be moved to the motion to which the rejected amendment was moved, and so on, but no more than one motion and one proposed amendment can be before the council at any one time.

248 Motions of dissent

(1) A councillor can, without notice, move to dissent from the ruling of the chairperson on a point of order. If that happens, the chairperson must
suspend the business before the meeting until a decision is made on the motion of dissent.

(2) If a motion of dissent is passed, the chairperson must proceed with the suspended business as though the ruling dissented from had not been given. If, as a result of the ruling, any motion or business has been discharged as out of order, the chairperson must restore the motion or business to the agenda and proceed with it in due course.

(3) Despite clause 250, only the mover of a motion of dissent and the chairperson can speak to the motion before it is put. The mover of the motion does not have a right of general reply.

249 Questions may be put to councillors and council employees

(1) A councillor:
   (a) may, through the chairperson, put a question to another councillor, and
   (b) may, through the general manager, put a question to a council employee.

(2) However, a councillor or council employee to whom a question is put is entitled to be given reasonable notice of the question and, in particular, sufficient notice to enable reference to be made to other persons or to documents.

(3) The councillor must put every such question directly, succinctly and without argument.

(4) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a councillor or council employee under this clause.

250 Limitation as to number of speeches

(1) A councillor who, during a debate at a meeting of a council, moves an original motion has the right of general reply to all observations that are made by another councillor during the debate in relation to the motion and to any amendment to it, as well as the right to speak on any such amendment.

(2) A councillor, other than the mover of an original motion, has the right to speak once on the motion and once on each amendment to it.

(3) A councillor must not, without the consent of the council, speak more than once on a motion or an amendment, or for longer than 5 minutes at any one time. However, the chairperson may permit a councillor who claims to have been misrepresented or misunderstood to speak more than once on a motion or an amendment, and for longer than 5 minutes on that motion or amendment to enable the councillor to make a
statement limited to explaining the misrepresentation or misunderstanding.

(4) Despite subclauses (1) and (2), a councillor may move that a motion or an amendment be now put:
   (a) if the mover of the motion or amendment has spoken in favour of it and no councillor expresses an intention to speak against it, or
   (b) if at least 2 councillors have spoken in favour of the motion or amendment and at least 2 councillors have spoken against it.

(5) The chairperson must immediately put to the vote, without debate, a motion moved under subclause (4). A seconder is not required for such a motion.

(6) If a motion that the original motion or an amendment be now put is passed, the chairperson must, without further debate, put the original motion or amendment to the vote immediately after the mover of the original motion has exercised his or her right of reply under subclause (1).

(7) If a motion that the original motion or an amendment be now put is rejected, the chairperson must allow the debate on the original motion or the amendment to be resumed.

251 Voting at council meetings

(1) A councillor who is present at a meeting of a council but who fails to vote on a motion put to the meeting is taken to have voted against the motion.

(2) If a councillor who has voted against a motion put at a council meeting so requests, the general manager must ensure that the councillor’s dissenting vote is recorded in the council’s minutes.

(3) The decision of the chairperson as to the result of a vote is final, unless the decision is immediately challenged and not fewer than 2 councillors rise and demand a division.

(4) When a division on a motion is demanded, the chairperson must ensure that the division takes place immediately. The general manager must ensure that the names of those who vote for the motion and those who vote against it are respectively recorded in the council’s minutes.

(5) Voting at a council meeting, including voting in an election at such a meeting, is to be by open means (such as on the voices or by show of hands). However, the council may resolve that the voting in any election by councillors for mayor or deputy mayor is to be by secret ballot.

Note. Part 11 of this Regulation provides that a council is to resolve whether an election by the councillors for mayor or deputy mayor is to be by preferential ballot, ordinary ballot or open voting (clause 394 and clause 3 of Schedule 7).
Clause 3 of Schedule 7 also makes it clear that ballot has its normal meaning of secret ballot.

252 Representations by members of the public—closure of part of meeting

(1) A representation at a council meeting by a member of the public as to whether a part of the meeting should be closed to the public can only be made for a fixed period immediately after the motion to close the part of the meeting is moved and seconded.

(2) That period is as fixed by the council’s code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that period) as fixed by resolution of the council. Different periods can be fixed according to the different types of matters to be discussed or received and discussed at closed parts of meetings.

253 Resolutions passed at closed meetings to be made public

If a council passes a resolution during a meeting, or a part of a meeting, that is closed to the public, the chairperson must make the resolution public as soon as practicable after the meeting or part of the meeting has ended.

254 Matters to be included in minutes of council meeting

The general manager must ensure that the following matters are recorded in the council’s minutes:

(a) details of each motion moved at a council meeting and of any amendments moved to it,

(b) the names of the mover and seconder of the motion or amendment,

(c) whether the motion or amendment is passed or lost.

Note. Section 375 (1) of the Act requires a council to ensure that full and accurate minutes are kept of the proceedings of a meeting of the council (other provisions of this Regulation and of the Act require particular matters to be recorded in a council’s minutes).

Division 4 Keeping order at meetings

255 Questions of order

(1) The chairperson, without the intervention of any other councillor, may call any councillor to order whenever, in the opinion of the chairperson, it is necessary to do so.

(2) A councillor who claims that another councillor has committed an act of disorder, or is out of order, may call the attention of the chairperson to the matter.
(3) The chairperson must rule on a question of order immediately after it is raised but, before doing so, may invite the opinion of the council.

(4) The chairperson’s ruling must be obeyed unless a motion dissenting from the ruling is passed.

256 Acts of disorder

(1) A councillor commits an act of disorder if the councillor, at a meeting of a council or a committee of a council:
   
   (a) contravenes the Act or any regulation in force under the Act, or
   
   (b) assaults or threatens to assault another councillor or person present at the meeting, or
   
   (c) moves or attempts to move a motion or an amendment that has an unlawful purpose or that deals with a matter that is outside the jurisdiction of the council or committee, or addresses or attempts to address the council or committee on such a motion, amendment or matter, or
   
   (d) insults or makes personal reflections on or imputes improper motives to any other councillor, or
   
   (e) says or does anything that is inconsistent with maintaining order at the meeting or is likely to bring the council or committee into contempt.

(2) The chairperson may require a councillor:
   
   (a) to apologise without reservation for an act of disorder referred to in subclause (1) (a) or (b), or
   
   (b) to withdraw a motion or an amendment referred to in subclause (1) (c) and, where appropriate, to apologise without reservation, or
   
   (c) to retract and apologise without reservation for an act of disorder referred to in subclause (1) (d) or (e).

(3) A councillor may, as provided by section 10 (2) (a) or (b) of the Act, be expelled from a meeting of a council for having failed to comply with a requirement under subclause (2). The expulsion of a councillor from the meeting for that reason does not prevent any other action from being taken against the councillor for the act of disorder concerned.

257 How disorder at a meeting may be dealt with

(1) If disorder occurs at a meeting of a council, the chairperson may adjourn the meeting for a period of not more than 15 minutes and leave the chair. The council, on reassembling, must, on a question put from the chair, decide without debate whether the business is to be proceeded with or not. This subclause applies to disorder arising from the conduct of
members of the public as well as disorder arising from the conduct of councillors.

(2) A member of the public may, as provided by section 10 (2) (a) or (b) of the Act, be expelled from a meeting of a council for engaging in or having engaged in disorderly conduct at the meeting.

258 Power to remove persons from meeting after expulsion

If a councillor or a member of the public fails to leave the place where a meeting of a council is being held:

(a) immediately after the council has passed a resolution expelling the councillor or member from the meeting, or

(b) where the council has authorised the person presiding at the meeting to exercise the power of expulsion—immediately after being directed by the person presiding to leave the meeting,

a police officer, or any person authorised for the purpose by the council or person presiding, may, by using only such force as is necessary, remove the councillor or member from that place and, if necessary, restrain the councillor or member from re-entering that place.

Division 5 Council committees

259 Committee of the whole

(1) All the provisions of this Regulation relating to meetings of a council, so far as they are applicable, extend to and govern the proceedings of the council when in committee of the whole, except the provision limiting the number and duration of speeches.

(2) The general manager or, in the absence of the general manager, an employee of the council designated by the general manager is responsible for reporting to the council proceedings in committee of the whole. It is not necessary to report the proceedings in full but any recommendations of the committee must be reported.

(3) The council must ensure that a report of the proceedings (including any recommendations of the committee) is recorded in the council’s minutes. However, the council is not taken to have adopted the report until a motion for adoption has been made and passed.

260 Council may establish committees

(1) A council may, by resolution, establish such committees as it considers necessary.

(2) A committee is to consist of the mayor and such other councillors as are elected by the councillors or appointed by the council.
(3) The quorum for a meeting of a committee is to be:
   (a) such number of members as the council decides, or
   (b) if the council has not decided a number—a majority of the members of the committee.

261 Functions of committees
   A council must specify the functions of each of its committees when the committee is established, but may from time to time amend those functions.

262 Notice of committee meetings to be given
   (1) The general manager of a council must send to each councillor, at least 3 days before each meeting of the committee, a notice specifying:
       (a) the time and place at which and the date on which the meeting is to be held, and
       (b) the business proposed to be transacted at the meeting.
   (2) However, notice of less than 3 days may be given of a committee meeting called in an emergency.

263 Non-members entitled to attend committee meetings
   (1) A councillor who is not a member of a committee of a council is entitled to attend, and to speak at, a meeting of the committee.
   (2) However, the councillor is not entitled:
       (a) to give notice of business for inclusion in the agenda for the meeting, or
       (b) to move or second a motion at the meeting, or
       (c) to vote at the meeting.

264 Representations by members of the public—closure of part of meeting
   (1) A representation at a committee meeting by a member of the public as to whether a part of the meeting should be closed to the public can only be made for a fixed period immediately after the motion to close the part of the meeting is moved and seconded.
   (2) That period is as fixed by the council’s code of meeting practice or (if the council does not have a code of meeting practice or its code of meeting practice does not fix that period) as fixed by resolution of the council. Different periods can be fixed according to the different types of matters to be discussed or received and discussed at closed parts of meetings.
265 Procedure in committees

(1) Subject to subclause (3), each committee of a council may regulate its own procedure.

(2) Without limiting subclause (1), a committee of a council may decide that, whenever the voting on a motion put to a meeting of the committee is equal, the chairperson of the committee is to have a casting vote as well as an original vote.

(3) Voting at a committee meeting is to be by open means (such as on the voices or by show of hands).

266 Committees to keep minutes

(1) Each committee of a council must ensure that full and accurate minutes of the proceedings of its meetings are kept. In particular, a committee must ensure that the following matters are recorded in the committee’s minutes:
   (a) details of each motion moved at a meeting and of any amendments moved to it,
   (b) the names of the mover and seconder of the motion or amendment,
   (c) whether the motion or amendment is passed or lost.

(2) As soon as the minutes of an earlier meeting of a committee of the council have been confirmed at a later meeting of the committee, the person presiding at the later meeting must sign the minutes of the earlier meeting.

267 Chairperson and deputy chairperson of committees

(1) The chairperson of each committee of the council must be:
   (a) the mayor, or
   (b) if the mayor does not wish to be the chairperson of a committee—a member of the committee elected by the council, or
   (c) if the council does not elect such a member—a member of the committee elected by the committee.

(2) A council may elect a member of a committee of the council as deputy chairperson of the committee. If the council does not elect a deputy chairperson of such a committee, the committee may elect a deputy chairperson.

(3) If neither the chairperson nor the deputy chairperson of a committee of a council is able or willing to preside at a meeting of the committee, the committee must elect a member of the committee to be acting chairperson of the committee.
(4) The chairperson is to preside at a meeting of a committee of a council. If the chairperson is unable or unwilling to preside, the deputy chairperson (if any) is to preside at the meeting, but if neither the chairperson nor the deputy chairperson is able or willing to preside, the acting chairperson is to preside at the meeting.

268 Absence from committee meetings

(1) A member (other than the mayor) ceases to be a member of a committee if the member:
   (a) has been absent from 3 consecutive meetings of the committee without having given reasons acceptable to the committee for the member’s absences, or
   (b) has been absent from at least half of the meetings of the committee held during the immediately preceding year without having given to the committee acceptable reasons for the member’s absences.

(2) Subclause (1) does not apply in respect of a committee that consists of all of the members of the council.

Note. The expression year means the period beginning 1 July and ending the following 30 June. See the Dictionary to the Act.

269 Reports of committees

(1) If in a report of a committee of the council distinct recommendations are made, the decision of the council may be made separately on each recommendation.

(2) The recommendations of a committee of the council are, so far as adopted by the council, resolutions of the council.

(3) If a committee of a council passes a resolution, or makes a recommendation, during a meeting, or a part of a meeting, that is closed to the public, the chairperson must:
   (a) make the resolution or recommendation public as soon as practicable after the meeting or part of the meeting has ended, and
   (b) report the resolution or recommendation to the next meeting of the council.

270 Disorder in committee meetings

The provisions of the Act and of this Regulation relating to the maintenance of order in council meetings apply to meetings of committees of the council in the same way as they apply to meetings of the council.
271 Certain persons may be expelled from council committee meetings

(1) If a meeting or part of a meeting of a committee of a council is closed to the public in accordance with section 10A of the Act, any person who is not a councillor may be expelled from the meeting as provided by section 10 (2) (a) or (b) of the Act.

(2) If any such person, after being notified of a resolution or direction expelling him or her from the meeting, fails to leave the place where the meeting is being held, a police officer, or any person authorised for the purpose by the council, committee or person presiding, may, by using only such force as is necessary, remove the first-mentioned person from that place and, if necessary, restrain that person from re-entering that place.

Division 6 Miscellaneous

272 Inspection of the minutes of a council or committee

(1) An inspection of the minutes of a council or committee of a council is to be carried out under the supervision of the general manager or an employee of the council designated by the general manager to supervise inspections of those minutes.

(2) The general manager must ensure that the minutes of the council and any minutes of a committee of the council are kept secure and in safe custody and that no unauthorised person is allowed to interfere with them.

Note. Section 12 of the Act confers a right (restricted in the case of closed parts of meetings) to inspect the minutes of a council or committee of a council.

273 Tape recording of meeting of council or committee prohibited without permission

(1) A person may use a tape recorder to record the proceedings of a meeting of a council or a committee of a council only with the authority of the council or committee.

(2) A person may, as provided by section 10 (2) (a) or (b) of the Act, be expelled from a meeting of a council or a committee of a council for using or having used a tape recorder in contravention of this clause.

(3) If any such person, after being notified of a resolution or direction expelling him or her from the meeting, fails to leave the place where the meeting is being held, a police officer, or any person authorised for the purpose by the council or person presiding, may, by using only such force as is necessary, remove the first-mentioned person from that place and, if necessary, restrain that person from re-entering that place.
(4) In this clause, *tape recorder* includes a video camera and any electronic device capable of recording speech, whether a magnetic tape is used to record or not.
Part 11 Elections

Division 1 Preliminary

274 Application of Part and associated Schedules

   Maximum penalty: 0.5 penalty unit.

330 Procedure for voting at declared institutions

(1) Opportunity to vote to be given

   The pre-poll voting officers must afford an elector entitled to vote under this Subdivision the opportunity to record his or her vote by visiting the
elector at the declared institution of which the elector is, for the time being, a permanent or temporary resident.

(2) **Visit may be forbidden on medical grounds**

A visit to an elector must not be made under this clause if the pre-poll voting officer is informed, by a legally qualified medical practitioner or member of the staff of the declared institution of which the elector is, for the time being, a permanent or temporary resident, that the visit is forbidden, on medical grounds, by a legally qualified medical practitioner.

(3) **Oral declaration by elector**

The elector is to make an oral declaration to a pre-poll voting officer stating:

(6) **Ballot-paper to be handed to elector**

If the elector answers the questions satisfactorily or no questions are to be put to the elector, the pre-poll voting officer must hand to the elector a ballot-paper in Form 4, 5 or 6 that is initialled on the front by the officer.

332 Mobile booths in convalescent homes, hospitals or similar institutions

(1) Mobile polling may take place for the purposes of the Act in any convalescent home, hospital or similar institution in accordance with section 87A of the Parliamentary Electorates and Elections Act 1912.

(2) Section 87A of the Parliamentary Electorates and Elections Act 1912 applies to voting at a mobile polling booth under the Act in any convalescent home, hospital or similar institution in the same way as it applies to voting at a mobile polling booth under the Parliamentary Electorates and Elections Act 1912.

(3) No offence under the Parliamentary Electorates and Elections Act 1912 (as applied by this clause) applies under this Regulation.

332A Mobile booths for pre-poll voting in remote local government areas

(1) Electoral Commission's functions

The Electoral Commission:

(a) may declare an area to be a remote area for the purposes of this clause, and

(b) may determine the places in that area that a team will visit for the purposes of this clause, and

(c) may determine the days and times when a team will visit those places (such a day must be after nomination day and before election day or a day to which the polling is adjourned), and

(d) must take such steps as it thinks fit to give public notice of:

(i) the places determined under paragraph (b), and

(ii) the days and times determined under paragraph (c) when a team will visit such a place for the purposes of this clause.
(2) **Teams**

A team consists of two or more election officials, one of whom must be a pre-poll voting officer who is designated by the Electoral Commission as team leader. The team leader is to exercise the functions of the pre-poll voting officer under the following provisions of this clause.

(3) **Visits and variation of places, days or times**

A team must make a visit or visits as notified under subclause (1) (d), but, if the team is unable for reasonable cause, or the pre-poll voting officer considers it inappropriate, to make such a visit, the officer may substitute another place, day or time for the visit and, in that event, must:

(a) take such steps as he or she thinks fit to give public notice of the substituted place, day or time, and

(b) inform the Electoral Commission.

(4) **Failure to visit does not invalidate election result**

Any failure by a team to make a visit in accordance with this clause does not invalidate the result of the election.

(5) **Voting**

At any time when a team is at a place for the purposes of taking votes under this clause in an election:

(a) the pre-poll voting officer must have a pre-poll ballot-box, ballot-papers and such other things as are necessary for the votes of electors to be taken at the place, and

(b) every person at the place who is entitled to vote in the election for the area is entitled to have his or her vote taken under this clause, and

(c) for purposes of, and in connection with, the taking of votes under this clause:

(i) the place is taken to be a pre-poll voting office, and

(ii) the pre-poll voting officer is taken to be the pre-poll voting officer at that office, and

(d) an elector’s vote is so far as is reasonably practicable to be taken and dealt with in all respects as if the vote were recorded at a pre-poll voting office under usual conditions, but the following provisions are to be disregarded for this purpose:

(i) clause 321 regarding the qualifications to vote before election day,

(ii) clause 326 regarding pre-poll voting times and candidate information sheets.
(6) **Ballot-box to be secured and forwarded to returning officer**

(b) with the least possible delay, forward it for the purposes of scrutiny to the returning officer for the area concerned.

(7) **Relationship of this clause to other provisions**

In relation to an area declared by the Electoral Commission to be a remote area, and without affecting subclause (5) (d), the provisions of this clause apply in addition to, and without derogation from, the application of any other provision of this Regulation. However, any such other provision applies with any necessary modifications.

**Subdivision 5  Miscellaneous**

**333 Assistance of officers**

In this Part, a reference to a returning officer, a polling place manager or a pre-poll voting officer includes a reference to an election official appointed to assist the officer in the performance of his or her duties.

(2) **Assignment of other election officials to assist**

The returning officer must assign at least one other election official to assist in taking the poll at a polling place.

(3) **Returning officer polling place manager**

If the returning officer’s instrument of appointment or another instrument issued by the election manager authorises him or her to do so, the returning officer may act as the polling place manager at a polling place, in which case the returning officer is taken to be a polling place manager duly assigned to preside at the polling place.
(4) **Assignments to be in writing**
Assignments under this clause must be made in writing.

(5) **Functions of polling place managers and other election officials**
The functions of polling place managers and other election officials are, subject to the Act and this Regulation, to be as determined by:
(a) in relation to an election administered by a general manager—the returning officer, or
(b) in relation to an election administered by the Electoral Commissioner—the Electoral Commissioner.

### 336 Hours of voting

(1) The voting at a poll is to commence at 8 am and close at 6 pm on the same day. A person entitled to vote who at the time of closing the poll is within the polling place is to be permitted to vote.

(2) This clause does not apply to any form of voting under Division 7 (Postal and other special types of voting) of this Part.

### 337 Scrutineers

(1) Each candidate may, by instrument in writing signed by the candidate, appoint scrutineers to be present at each place at which polling is carried out, ballot-papers are scrutinised or votes are counted.

(2) In the case of candidates belonging to a group, such an appointment may be made by any or all of them.

(3) A scrutineer, on presentation to an election official of his or her instrument of appointment as scrutineer, is entitled to be present in accordance with his or her appointment under this clause.

(4) A scrutineer must, on demand by an election official, produce his or her instrument of appointment as scrutineer for inspection.

(5) A candidate in an election cannot be a scrutineer in relation to the same election or in relation to simultaneous elections in the same area.

(6) Nothing in this clause entitles a candidate or group to be represented by more than one scrutineer at any one place at which polling is carried out, ballot-papers are scrutinised or votes are counted.

(7) The separate tables or stations within any building, room or other location at which polling is carried out, ballot-papers are scrutinised or votes are counted are taken to be separate places for the purposes of subclause (6).
338 Where electors may vote

A person who is qualified as an elector in respect of a ward (or, if an area is not divided into wards, in respect of an area) is entitled to vote at any polling place appointed for the ward (or area).

339 Questions put to elector

1. A person claiming to vote at a polling place must state to an election official the name under which the person claims to vote, and such other particulars as the official requires for the purpose of checking that name on the authorised copy of the roll.

2. The election official must check that the name given by the person is on the authorised copy of the roll for the ward or area for which the polling place has been appointed.

3. The election official may (and must if required by a scrutineer) require any such person to sign his or her name or make his or her mark in a book to be kept for that purpose.

4. The election official may (and must if required by a scrutineer) put to the person, before giving the person a ballot-paper, questions in the following form:

   1. Are you the person whose name appears as ......................... [name] in the roll of electors for ......................... ward of ......................... area?

   2. What is your date of birth?

   3. Are you:
      (a) an Australian citizen, or
      (b) a British subject (other than an Australian citizen) who was on a Commonwealth or State of New South Wales electoral roll on 25 January 1984?

   4. Are you disqualified from voting at this election by section 266 of the Local Government Act 1993?

   5. Have you already voted at this election?

5. A person who:
   (a) fails to satisfy a requirement under subclause (1) or (3), or
   (b) does not answer “yes” to questions 1 and 3, and “no” to questions 4 and 5, in subclause (4), or
   (c) whose answer to question 2 in subclause (4) does not correspond to the person’s date of birth as appearing on the authorised copy of the roll of electors,

   must not be given a ballot-paper and must not be allowed to vote.
(6) However, if a request for a person’s place of living not to be included in a roll of electors has been granted under section 739 of the Act, the person need not indicate a place of living in response to a requirement under subclause (1) but instead the person is to make a declaration of residence on an envelope in the form approved by.

(i) in relation to an election administered by a general manager of a council—the Director-General, or

(ii) in relation to an election administered by the Electoral Commissioner—the Electoral Commissioner.

(7) This clause does not prevent a person from voting:

(a) because of errors or omissions in the entry of the person’s name or date of birth as appearing on the authorised copy of the roll of electors if he or she satisfies the election official of his or her identity as the person referred to in the authorised copy of the roll, or

(b) because the person’s name is not on the authorised copy of the roll if he or she complies with Subdivision 1A of Division 7.

340 Voting by elector with confidential address

(1) An elector who has made a declaration of residence under clause 339 is to mark and fold the ballot-paper and return the folded ballot-paper to an election official.

(2) In the presence of the elector and any scrutineers present, the election official is to enclose the folded ballot-paper in the envelope containing the declaration of residence and addressed to the returning officer and seal the envelope.

(3) The election official is to deliver or send the envelope to the returning officer.

(4) The returning officer is to examine the declaration on the unopened envelope and ascertain from the Electoral Commission or the general manager whether the residence specified in the declaration is the residence specified in the appropriate request (as affected by any change of residence annotated on the request) under section 739 of the Act.

(5) If the declaration is in order and the residence is the appropriate one, the returning officer is to open the envelope containing the ballot-paper, extract the ballot-paper and, without damaging the writing on the envelope, place the ballot-paper still folded in the ballot-box for provisional votes.

(6) If the declaration is not in order, or the residence is not the appropriate one, the returning officer is to leave the envelope containing the ballot-paper unopened.
Clause 341  Local Government (General) Regulation 2005

341 Delivery of ballot-paper to elector

(1) An election official is to deliver a ballot-paper initialled on the front by an election official to each person who is entitled to vote.

(2) The election official is to make a notation, in the manner and form specified by the Electoral Commission, on the official’s authorised copy of the roll of electors to show that the elector has received a ballot-paper.

342 Voting

After receiving a ballot-paper, an elector is to:

(a) go alone to an unoccupied space set aside for voting at the polling place, and privately record his or her vote there on the ballot-paper, and

(b) fold the ballot-paper so as to conceal the vote marked on it, and then put it in the ballot-box without unfolding it, and

(c) leave the polling place.

343, 344 (Repealed)

Division 9 Scrutiny and counting

345 Informal ballot-papers

(1) A ballot-paper of an elector at an election is informal if:

(a) the elector has failed to record a vote on it in the manner directed on it, or

(b) it has not been initialled on the front by an election official, or

(c) it contains a mark or writing that, in the returning officer’s opinion, would enable the elector to be identified.

(2) Despite subclause (1), a ballot-paper of an elector at an election in which only one candidate is to be elected is not informal merely because a tick or a cross has been placed in one square and the other square or squares have been left blank. In such a case the tick or the cross is to be treated as a first preference.

(3) (Repealed)

(4) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because a preference (other than a first preference) has been repeated or omitted so long as the ballot-paper shows at least the minimum number of preferences required by the directions.

(5) Despite subclause (1), a ballot-paper of an elector at an election is not informal merely because it has not been initialled on the front by an
election official, so long as it bears the mark referred to in clause 305 (2).

(6) Despite subclause (1), a ballot-paper of an elector at an election is not informal by virtue of the existence of an unnecessary mark on the ballot-paper if, in the opinion of the returning officer, the elector’s intention is clearly indicated on the ballot-paper.

(6A) Despite subclause (1), a ballot-paper is not informal by reason only that the elector has placed one or more numbers, a tick or one or more crosses adjacent to but outside a square or squares if, in the opinion of the returning officer, the elector’s intention is clearly indicated on the ballot-paper. In such a case, each such number, tick or cross is taken to have been placed within the relevant square.

(7) Nothing in subclause (2) authorises any person to encourage a voter to place a tick or a cross in a square on a ballot-paper.

Note. Section 308C of the Act makes provision concerning the formality of ballot-papers where the voter marks, crosses or ticks a group voting square, or where the ballot papers contain the name of a candidate whom a court has declared to be incapable of being elected.

346 Persons present at scrutiny and count

The Electoral Commissioner or persons authorised by the election manager, election officials, scrutineers and police officers on duty are entitled to be present at each place at which polling is carried out, ballot-papers are scrutinised or votes are counted.

347 (Repealed)

348 Initial scrutiny of ballot-papers and counting of votes

(1) On the close of the poll at an election each polling place manager must with the assistance of the election officials, and in the presence of the scrutineers, then present and on duty at the polling place:

(a) open the ballot-box, and

(b) scrutinise the ballot-papers, and

(c) reject the informal ballot-papers, and

(d) place the envelopes containing postal votes and provisional votes on one side as they are taken from the ballot-box, and

(e) count:

   (i) the first preferences recorded for each candidate and group of candidates, and

   (ii) the number of informal votes, and

   (iii) the number of envelopes containing declarations under this Part.
(2) The polling place manager must send to the returning officer returns in the form approved by the Director-General (in relation to an election administered by the general manager of a council) or the Electoral Commissioner (in relation to an election administered by the Electoral Commissioner):

(a) stating the details of those counts, and

(b) signed by:

(i) the polling place manager and another election official, and

(ii) any scrutineer who desires to sign the returns.

349 Sending ballot-papers to returning officer

(1) The polling place manager must then, in the presence of the witnesses referred to in clause 348 (1), make up:

(a) in one parcel the ballot-papers classed as formal and the ballot-papers classed as informal, and

(b) in a second parcel:

(i) the envelopes containing postal votes and the envelopes containing provisional votes, and

(ii) the ballot-papers that have not been used, and

(iii) the cancelled postal ballot-papers and forms of declaration, and

(iv) the spoilt ballot-papers, and

(v) the list of provisional votes, and

(c) in a third parcel the certified printed copies of the rolls supplied to the polling place manager, signed by the polling place manager, and all books, rolls and papers (except the ballot-papers and the lists of ballot-papers) kept, used, and received by the polling place manager in connection with polling, and

(d) if a notation has been made on an electronic copy of the roll of electors, or on another file, on a computer to show the delivery of a ballot-paper to an elector—in a fourth parcel a copy of the electronic copy of the roll, or other file, so marked by that recording (such as on a memory stick or a disc as directed by the Electoral Commissioner).

(2) The polling place manager is to do the following:

(a) seal the parcels,

(b) permit any of the scrutineers who wish to do so to affix their seals to the parcels,
(c) endorse the parcels with descriptions of their contents and with the name of the ward and area, the name of the polling place, and the date of the polling,

(d) sign with his or her name the endorsement on each parcel,

(e) deliver or send the parcels to the returning officer (except if the polling place manager’s functions are being exercised by the returning officer).

(3) The returning officer may (and must if so required by a scrutineer) have the parcels opened, and have the ballot-papers scrutinised and counted in the presence of the election officials, scrutineers and police officers then present and on duty.

(4) During such scrutiny, the returning officer must:

(a) reject any ballot-paper classed as formal by the polling place manager if, in the returning officer’s opinion, it is informal, and

(b) accept any ballot-paper classed as informal by the polling place manager if, in the returning officer’s opinion, it is formal.

350 Checking of ballot-papers in sealed envelopes

(1) Postal votes

The returning officer must on election day (at any time after 8 am) open the ballot-boxes containing postal votes received by the returning officer and take all the envelopes from them.

(2) Postal votes received after the close of the poll but before 6 pm on the first business day following election day (including those delivered to polling place managers on election day under clause 318 (5)) are to be dealt with in the same way as postal votes received before the close of the poll.

(3) The returning officer is then to do the following or have the following done:

(a) count the sealed ballot-paper envelopes unopened and record the count,

(b) check the names on the envelopes against the copy of the roll of electors and, if the Form 8 declaration on the envelope has been duly signed and witnessed, mark the copy of the roll of electors in the manner determined by the Electoral Commission,

(c) turn the sealed ballot-paper envelope so that the declaration is face downwards, then open the envelope (without damaging the writing on it) and take out the ballot-paper and, without inspecting or unfolding it or allowing any other person to do so, place it in a securely fastened ballot-box for further scrutiny,
(d) open the ballot-box, take out the ballot-papers, unfold and scrutinise them and reject the informal ones.

(e), (f) (Repealed)

(4) **Provisional votes**

The returning officer must:

(a) on election day (at any time after 8 am) produce all the sealed envelopes containing provisional votes cast before election day, and

(b) on the close of poll produce all the sealed envelopes containing provisional votes cast on election day, and deal with them in accordance with subclause (5).

(5) The returning officer is to do the following or have the following done in relation to the envelopes referred to in subclause (4):

(a) count the sealed ballot-paper envelopes unopened and record the count,

(b) examine the declaration on each envelope before it is opened and, if necessary, make inquiries to determine whether the person who signed the declaration was on the day of polling:

   (i) in relation to a declaration made under clause 320C—entitled to be enrolled on the residential roll for the area or ward concerned, or

   (ii) in any other case—entitled to vote,

(c) if the declaration is in order and the returning officer is satisfied that the voter was, on the day of polling:

   (i) in relation to a declaration made under clause 320C—entitled to be enrolled on the residential roll for the area or ward concerned, or

   (ii) in any other case—entitled to vote,

   the returning officer is to open the envelope containing the ballot-paper, extract the ballot-paper and, without damaging the writing on the envelope, place the ballot-paper still folded in a securely fastened ballot-box for further scrutiny,

(d) if the declaration is not in order, or it appears to the returning officer that the elector is not entitled to vote or was, on the day of polling, not entitled to be enrolled on the residential roll for the area or ward concerned, the returning officer is to leave the envelope containing the ballot-paper unopened,

(e) after dealing with all the envelopes and ballot-papers in accordance with paragraphs (c) and (d), open the ballot-box, take
out the ballot-papers, unfold and scrutinise them and reject the informal ones.

(6) (Repealed)

351 Finalising the count

(1) The returning officer must then do the following or have the following done:

(a) complete the count by including the postal, pre-poll, declared institution and provisional votes,

(b) ascertain the result of the count in accordance with Schedule 4 or 5, depending on the system of election,

Note. Section 285 of the Act specifies the circumstances in which the optional preferential (Schedule 4) and the proportional (Schedule 5) systems of election are to be used.

(c) inform the persons present of the result of the count,

(d) immediately notify the election manager of the result of the count,

(e) inform the candidates (in person, in writing, by facsimile, by telephone, by email, by text message or in any other way) as soon as practicable after the result is ascertained:

(i) of the result of the count, and

(ii) when the returning officer’s declaration under clause 356 will be available for inspection at the office of the relevant council, and

(iii) that the information contained in a notice under clause 356 (5) is to be published on the election manager’s internet website for at least one month,

(2) For the purpose of ascertaining the result of the count, the returning officer may cause some or all of the ballot-papers to be sent to a central counting office administered by the election manager to be counted in accordance with arrangements approved by the election manager.

352 Double candidature: candidate elected as mayor

(1) If, in any election, one or more of the candidates for election as councillor for a ward in an area (or for an area) are also candidates for election as mayor of the area, the counting of votes in the election of the mayor is to be completed, and the result obtained, before any distribution of preferences in the election of councillors.

(2) Then the count in the election of councillors is to continue, treating the person who has already been elected as mayor as not being a candidate for election as councillor.
(3) Each preference indicated on ballot-papers in the election of councillors for the person elected as mayor is disregarded and any subsequent preferences are treated as if the numbers representing them had been reduced by one.

353 Recount

(1) At any time before the declaration of the poll:
   (a) a candidate may request a recount of the ballot-papers used in the ward or area for which the candidate was nominated, and
   (b) the election manager may direct the returning officer to recount any ballot-papers used in the election.

(2) A request under subclause (1) (a) must:
   (a) be in writing, and
   (b) be signed by the candidate, and
   (c) set out the reasons for the request, and
   (d) be lodged with the returning officer within 24 hours after the candidate has been informed by the returning officer of the result of the count.

(3) The returning officer must again have the ballot-papers scrutinised and counted and, if necessary, have any other papers used at the election inspected, if:
   (a) a request is received under subclause (1) (a) and the candidate has paid to the returning officer, on behalf of the council, a deposit to cover the cost of the recount and the ballot-papers referred to in the request have not already been recounted, or
   (b) a direction is received in accordance with subclause (1) (b), or
   (c) the returning officer in any case believes it necessary.

(4) The deposit is to be determined by reference to a scale of charges fixed by the election manager before election day.

354 Who pays for the recount?

(1) If a recount of ballot-papers is conducted under clause 353 (3) (b) or (c), the council is to pay for the recount.

(2) If a recount of ballot-papers is conducted under clause 353 (3) (a) and the recount results in an alteration in the candidates who are elected, the deposit referred to in that paragraph is to be refunded to the candidate.

(3) If a recount of ballot-papers is conducted under clause 353 (3) (a) and the recount does not result in an alteration in the candidates who are elected, the expense of the recount is to be paid out of the deposit and
any remainder is to be refunded to the candidate, and any shortfall paid by the council.

355 Result of recount

Immediately after the completion of a recount of ballot-papers, the returning officer must notify the election manager of the result of the recount.

356 Declaring the election

(1) The election manager is to approve of the returning officer’s declaring the election in writing as soon as practicable after the notification of the result of any recount or it becomes clear that no recount will be required.

(2) The declaration is to be signed by the returning officer and is to state the number of votes recorded for each candidate, the names of the candidates declared elected (being the names under which those candidates were nominated by the returning officer) and the ward or area for which they have been elected.

(3) After the election is declared, the election manager must:
   (a) display the written declaration in a conspicuous position at the office of the relevant council, and
   (b) deliver or send a copy of the written declaration to the Director-General, the Secretary of the Local Government and Shires Associations of New South Wales, and the relevant general manager (in relation to an election administered by the Electoral Commissioner) or the Electoral Commissioner (in relation to an election administered by a general manager).
   (c) (Repealed)

(4) The general manager of a council must, on application to the council by any person, deliver or send to the person a copy of the written declaration.

(5) The election manager must cause the information in the declaration to be published on the election manager’s internet website for at least one month.

(6) (Repealed)

(7) The election manager must insert, in a newspaper circulating generally in the State or another newspaper circulating in the relevant area or both, a notice stating:
   (a) the names of the candidates declared elected, and
   (b) the ward or area for which they have been elected, and
(c) that detailed results are available on the election manager’s internet website and for inspection at the office of the relevant council, and

(d) such other information relating to the election as the election manager thinks fit.

(8) A notice under subclause (7) may relate to one or more areas.

For the purposes of this Division, electoral material contravenes this Subdivision if:

(a) the material contains voting directions intended or likely to mislead or improperly interfere with an elector in or in relation to the casting of his or her vote, or

(b) the material contains an untrue or incorrect statement intended or likely to mislead or improperly interfere with an elector in or in relation to the casting of his or her vote, or

(c) without limiting paragraph (b), the material contains information that is incorrect or misleading about whether a person is or is not:

(i) a candidate for the election, or

(ii) a candidate for a particular area or ward, or

(iii) a member of a registered political party or recognised group of candidates, or

(iv) endorsed by a registered political party, or

(d) the material uses:
(i) the name, an abbreviation or acronym of the name or a derivative of the name of a party respectively included in the Local Government Register of Political Parties (or a name or abbreviation resembling such a name, abbreviation, acronym or derivative) in a way that is intended or likely to mislead any elector, or

(2) Non-complying how-to-vote cards for registered political parties

A how-to-vote card containing voting directions as to how to vote for or in accordance with the recommendations of a registered political party does not comply with this clause if:

(a) the party has endorsed no candidate for the election, or

(b) the voting directions give a preference to a candidate not endorsed by it without first giving higher preferences to all candidates endorsed by it.
(3) **Non-complying how-to-vote cards for recognised groups of candidates**

A how-to-vote card containing voting directions as to how to vote for or in accordance with the recommendations of a recognised group of candidates does not comply with this clause if the voting directions give a preference to a candidate who is not a member of the group without first giving higher preferences to all candidates who are members of the group.

(6) **Non-complying how-to-vote cards without group voting squares—no indication of requirement to vote for at least half the candidates**

A how-to-vote card containing voting directions as to how to vote without using group voting squares and that do not give preferences for at least half the number of candidates to be elected does not comply with this clause if the voting directions do not contain a statement as to how many other preferences must be marked on the ballot-paper.

If necessary the returning officer is to adjourn the poll from day to day until the interruption or obstruction has ceased.

2. If the polling place manager fails to open the polling at a polling place for 30 minutes after the time when the polling should have started or if he or she becomes incapable of performing his or her duties after polling has opened, and remains so incapable for a period of 30 minutes or more, the other election officials present are to act for the polling place manager and may exercise his or her functions.
(3) If for any reason other than riot or open violence the polling has not been opened at a polling place on the election day or if the polling has been opened but from the absence of necessary forms, documents or materials the poll cannot be proceeded with, the returning officer is to adjourn the polling there to a day not later than 21 days following the election day. The election manager is to cause public notice to be given immediately of the new day.

384 Notice of adjournment to election manager

(1) A returning officer who adjourns the taking of a poll must give immediate notice of the adjournment to the election manager.

(3) However, if (in any form of voting except postal voting) the elector fails to appoint such a person, the polling place manager or pre-poll voting officer (as the case requires) must mark a vote on the ballot-paper (and complete and sign any declaration) according to the instructions of the elector and then fold the ballot-paper.

(4) The polling place manager or pre-poll voting officer (as the case requires) must do that in the presence of such scrutineers as are present, or, if there are no scrutineers present, either in the presence of another election official or (if the elector so wishes), in the presence of a person appointed by the elector.

388A Special format of ballot-papers

(1) Braille ballot-papers

The election manager may, on application made to the election manager by an elector, arrange for the elector to be provided with a ballot-paper in braille format:

(a) at a polling place nominated by the elector in the application, or
(b) at a pre-poll voting office nominated by the elector in the application, or
(c) by post if the elector states in the application that he or she intends to vote by a postal vote.
(2) **Applications for braille ballot-papers**

An application to the election manager under this clause may be made orally to an officer authorised by the election manager to receive such applications or in writing addressed to the election manager. In making an application, the elector must:

(a) state his or her full name, residential address and date of birth, and

(b) make a declaration to the effect that he or she is not able to read an ordinary ballot-paper but will be able to understand a ballot-paper in braille format and to vote in accordance with the directions on or accompanying the ballot-paper, and

(c) state whether he or she intends to vote:

(i) on election day—in which case the elector is to nominate the polling place at which the elector intends to vote, or

(ii) at a pre-poll voting office—in which case the elector is to nominate the pre-poll voting office at which the elector intends to vote, or

(iii) by a postal vote—in which case the application is taken to be an application duly made under clause 314 for a postal ballot-paper and postal voting envelope (even if the application was made orally), and

(d) make the application:

(i) if made orally—during the period starting with the thirtieth day before nomination day and ending at 5 pm on nomination day, or

(ii) if made in writing—so as to reach the election manager during that period.

An oral application may be made in person or by telephone or similar technology. If made in writing, the application must be delivered or sent (by post or otherwise), or transmitted by facsimile or email.

(a) an image of the completed application signed by the elector, or the person making the application on the elector’s behalf, is included in or attached to the email, and

(b) that image includes an image of the actual signature as appearing on the application.
(5) **Inquiries as to authenticity**

The election manager may make such inquiries as the election manager thinks fit to confirm the authenticity of an application if the election manager considers it appropriate to do so in the circumstances. Subject to this clause, the ballot-paper is to be dealt with as nearly as possible in accordance with the provisions of this Regulation that apply to ordinary ballot-papers, but the election manager may:

(a) determine that special arrangements apply to ensure that the ballot-paper is appropriately and properly dealt with, and

(b) for that purpose may determine that those provisions apply with such modifications as the election manager thinks appropriate in the circumstances.

(9) **Ballot-paper not informal because of format**

A ballot-paper is not informal under clause 345 (1) (c), or under clause 4 (d) of Schedule 10, just because the braille format of the ballot-paper makes it possible or likely that the elector could be identified.

(10) **Circumstances in which braille ballot-paper not provided**

The election manager is not obliged to arrange for a ballot-paper to be provided in braille format to an elector under this clause if satisfied:

(a) that it is not reasonable in the circumstances to do so, or

(b) without limiting paragraph (a), that:

(i) there is insufficient time to produce the ballot-paper in that format, or
(ii) no facilities or insufficient facilities are reasonably available to produce the ballot-paper in that format, in time for it to be provided to the elector.

The election manager is to notify the elector as soon as possible that the ballot-paper will not be provided in braille format.

(11) **Limits on election manager's role**

The election manager is not obliged to provide or arrange the provision of:

(a) ballot-papers in braille format otherwise than as provided in this clause, or

(2) If a person who is unable to sign his or her name in writing makes his or her mark as his or her signature to an electoral paper, the mark is taken to be his or her personal signature, if it is identifiable as such, and is made in the presence of a witness who signs the electoral paper as such witness.

Clause 391A  Local Government (General) Regulation 2005

memory stick or a disc as directed by the Electoral Commissioner).

(2) The returning officer is to seal, endorse and sign each parcel, and to allow any scrutineers entitled to be present to do the same to each parcel. The endorsement is to specify the contents of each parcel and the name of the ward (if any) and area, as well as the date of the polling, to which the contents relate.

(3) The returning officer is to forward the parcels to the election manager.

(4) The election manager must ensure the parcels are kept securely until the latest of the following:

(5) On the expiry of the election manager’s obligation under subclause (4), he or she may cause the parcels to be destroyed.

(6) The returning officer is to detach the statistical information sheet from each nomination paper before the papers are parcelled under this clause. The returning officer is then to forward the sheets to the general manager of the relevant council. The general manager must treat the information on the sheets confidentially and the information is to be made available only to the Director-General.

391A Provisional voting envelopes

(1) This clause applies to any envelope used for a provisional vote at an election administered by a general manager of a council.

(2) The returning officer, after the election has been declared, is to:
   (a) make a copy of the declarations on the envelopes (whether by photographing, photocopying or scanning the declaration), and
   (b) send the original envelopes to the Electoral Commissioner.

(3) The Electoral Commissioner may use the information contained in any envelope sent to the Electoral Commissioner under this clause, and any envelope in the possession of a returning officer for an election administered by the Electoral Commissioner, for the purposes of updating and maintaining electoral rolls (whether under the Act or any other law).
(4) The Electoral Commissioner must ensure that any envelopes sent to the Electoral Commissioner under this clause are kept securely until the latest of the following:

(a) the period of 6 months after the relevant day of polling has expired,

(b) if proceedings in a court or tribunal relating to the election concerned have been commenced within that period—the proceedings have been finally determined.

(a) each registered political party that so requests, and

(b) each councillor and mayor who is not a member of a registered political party and who makes a request in respect of the councillor’s and mayor’s ward or area, as appropriate,

is provided with electoral information containing the names and the addresses of electors who voted (other than silent electors), whether they voted personally or by post and, if they voted at a polling place for the ward or area for which the electors were enrolled, the location of that polling place.

(2) The provisions of section 138 (3) and (4) of the Parliamentary Electorates and Elections Act 1912 are adopted in connection with electoral information provided under subclause (1) as set out in subclauses (3) and (4), including the penalty set out at the end of subclause (4).

(3) Electoral information provided under subclause (1) must only be used in connection with an election.

   (2) Swine’s dung must not be deposited in such a place or manner as to pollute any water referred to in subclause (1).

18 Swine not to be kept near certain premises
   (1) Without limiting clause 1, swine must not be kept (and swine’s dung must not be deposited) within 60 metres (or such greater distance as the council may determine in a particular case) of a dwelling, shop, office, factory, church or other place of public worship, workshop, school or public place in a city, town, village or other urban part of an area.
   (2) A greater distance determined under this clause applies to a person only if the council has served an order under section 124 of the Act to that effect on the person.

Division 2 Keeping of poultry

19 Poultry not to be nuisance or health risk
   (1) Poultry must not be kept under such conditions as to create a nuisance or to be dangerous or injurious to health.
   (2) Poultry yards must at all times be kept clean and free from offensive odours.

20 Poultry not to be kept near certain premises
   (1) Fowls (that is, birds of the species Gallus gallus) or guinea fowls must not be kept within 4.5 metres (or such greater distance as the council may determine in a particular case) of a dwelling, public hall, school or premises used for the manufacture, preparation, sale or storage of food.
   (2) Poultry (other than fowls referred to in subclause (1)) must not be kept within 30 metres of any building referred to in subclause (1).
(3) The floors of poultry houses must be paved with concrete or mineral asphalt underneath the roosts or perches. However, this subclause does not apply to poultry houses:
   (a) that are not within 15.2 metres of a dwelling, public hall or school, or
   (b) that are situated on clean sand.

(4) Poultry yards must be so enclosed as to prevent the escape of poultry.

(5) The standards in this clause apply to a person only if the council has served an order under section 124 of the Act to that effect on the person.

Division 3 Keeping of horses and cattle

21 Horses and cattle not to be kept near certain premises

(1) Horses and cattle must not be kept within 9 metres (or such greater distance as the council may determine in a particular case) of a dwelling, school shop, office, factory, workshop, church or other place of public worship, public hall or premises used for the manufacture, preparation or storage of food.

(2) The floors of stables must be paved with concrete or mineral asphalt or other equally impervious material, and must be properly graded to drain.

(3) Horse yards and cattle yards must be so enclosed as to prevent the escape of horses and cattle.

(4) The standards in this clause apply to a person only if the council has served an order under section 124 of the Act to that effect on the person.

Part 6 Standards for disposal of certain waste

22 Disposal of human waste

(1) Human waste brought to a depot is to be disposed of by emptying the contents of the human waste pans directly into a trench and by covering the human waste with at least 250 mm of earth.

(2) Human waste is not to be left exposed in the trench, and the trench is not to be used again for the disposal of human waste until the contents of the trench have become assimilated with the soil.

(3) A trench:
   (a) must be of adequate length, and
   (b) must be not more than 600 mm wide, and
(c) must be not more than 600 mm or less than 250 mm deep (or of a depth approved by the Director-General of the Department of Health).

(4) If the Director-General of the Department of Health has given (and not withdrawn) written approval of a method of disposal of human waste different from the method specified in subclause (1), that method may be used.

(5) Except as otherwise provided in this Schedule, human waste is not to be spilt, emptied or deposited elsewhere than at a depot.

23 Emptying of cesspits and chemical closets

(1) Cesspits and chemical closets are to be emptied at least once every 6 months.

(2) However, if the council considers it necessary for cesspits and chemical closets to be emptied more often, they are to be emptied as often as the council requires.

(3) The contents of cesspits are to be removed to a depot in a watertight covered vehicle or in airtight covered pans.

(4) The vehicle or pans are to be emptied at the depot and must be thoroughly cleansed before they are used again.

(5) Cesspits are not to be emptied between 5 am and 10 pm.

24 Accumulation of sludge

(1) The receptacle of a septic closet is to be emptied and cleansed when the sludge accumulates to a height of 100 mm below the bottom inlet opening of the square junction outlet pipe.

(2) However, if the council considers it necessary for receptacles to be emptied and cleansed more often, they are to be emptied and cleansed as often as the council requires.

25 Removal and cleaning of pans

(1) The pan of every closet and urinal (with its contents) is to be removed and replaced with a cleansed, empty pan at least once every 7 days.

(2) However, if the council considers it necessary for pans to be removed and replaced more often, they are to be removed and replaced as often as the council requires.

(3) On removal, the pan is to be covered with an airtight lid, taken in a closed vehicle (or other vehicle approved by the Director-General of the Department of Health) to a depot and emptied.
(4) Before it is removed from the depot or supplied for use on any premises, the pan is to be thoroughly washed and cleansed with hot water and subjected to steam under pressure in an apparatus approved by the Director-General of the Department of Health.

(5) Alternatively, the pan is to be thoroughly washed and cleansed with hot water in an automatic washing and tarring machine in which the pan is immersed in a bath of molten tar at a minimum temperature of 127°C for at least 2½ minutes.

(6) If airtight pans of a pattern or description that has been approved by the Director-General of the Department of Health are used, the council may authorise the removal of human waste to be carried out at any hour of the day, but otherwise removal is not to take place between 5 am and 10 pm.

(7) This clause does not apply where the sanction of the Director-General of the Department of Health and the consent of the council have been given to the removal of human waste by the occupier of the premises on which it is stored.

26 Removal and cleaning of pans by owner or occupier

(1) An owner or occupier is to empty and cleanse:

(a) the pan of every closet on his or her premises at least once every 7 days, and

(b) the receptacle of a chemical closet when directed to do so by the council, and

(c) the receptacle of a septic closet when the sludge accumulates to a height of 100 mm below the bottom inlet opening of the square junction outlet pipe (or more often, if the council so requires).

(2) The owner or occupier is to dispose of the human waste as provided by clause 22.

27 Vehicle, utensils and apparatus to be kept clean

(1) Vehicles used for conveying pans, and receptacles, utensils and apparatus used in the collection or disposal of human waste, are to be thoroughly washed on arrival at a depot after the day’s use and are to be maintained in a clean condition.

(2) The steaming and washing appliances are to be properly set up in a suitable structure with a weatherproof roof and enclosed on at least 2 sides. The structure is to be kept clean.

(3) The structure is to have a cement concrete floor rendered to a smooth surface and evenly graded to a drain.
(4) Drainage from washing and steaming appliances is to be disposed of in shallow trenches of the kind used for the disposal of human waste.

[This form is to be retained by the council’s general manager and included in full in the minutes of the meeting]

1 Section 443 (1) of the Local Government Act 1993 provides that you may have a pecuniary interest in a matter because of the pecuniary interest of your spouse or your de facto partner or your relative⁴ or because your business partner or employer has a pecuniary interest. You may also have a pecuniary interest in a matter because you, your nominee, your business partner or your employer is a member of a company or other body that has a pecuniary interest in the matter.

2 Section 442 of the Local Government Act 1993 provides that a pecuniary interest is an interest that a person has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person. A person does not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision the person might make in relation to the matter or if the interest is of a kind specified in section 448 of that Act (for example, an interest as an elector or as a ratepayer or person liable to pay a charge).

3 A pecuniary interest may arise by way of a change of permissible use of land adjoining, adjacent to or in proximity to land in which a councillor or a person, company or body referred to in section 443 (1) (b) or (c) of the Local Government Act 1993 has a proprietary interest—see section 448 (g) (ii) of the Local Government Act 1993.

4 Relative is defined by the Local Government Act 1993 as meaning your, your spouse’s or your de facto partner’s parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendant or adopted child and the spouse or de facto partner of any of those persons.
Schedule 4  Counting of votes under optional preferential system

(Clause 351)

1 General

This Schedule sets out the method of counting votes according to the optional preferential system. The counting is to be carried out under the supervision of the returning officer.

2 Definitions

In this Schedule:

absolute majority of votes means a greater number than one-half of the whole number of ballot-papers other than informal and exhausted ballot-papers.

continuing candidate means a candidate not already elected or excluded from the count.

exhausted ballot-paper means a ballot-paper on which there is no indication of a next preference for a continuing candidate.

next preference means the first of the subsequent preferences marked on a ballot-paper that is not given to an elected or excluded candidate. However, if there is a repetition or omission in the consecutive numbering of preferences marked on a ballot-paper (other than a repetition or omission that makes the ballot-paper informal), only those preferences preceding the repetition or omission can be taken into account.

unrejected ballot-papers means all ballot-papers not rejected as informal.

3 One candidate to be elected

If only one candidate is to be elected, the votes are to be counted and the result of the election ascertained in accordance with the following procedures:

(a) the unrejected ballot-papers are arranged under the names of the respective candidates by placing in a separate parcel all those on which a first preference is indicated for the same candidate,

(b) the total number of first preferences given for each candidate on such ballot-papers are then counted,

(c) the candidate who has received the largest number of first preference votes is elected if that number constitutes an absolute majority of votes,
(d) if no candidate has received an absolute majority of first preference votes, a second count is made,
(e) on the second count the candidate who has received the fewest first preference votes is excluded, and each unexhausted ballot-paper counted to him or her is counted to the candidate next in the order of the voter’s preference,
(f) if a candidate then has an absolute majority of votes, he or she is elected, but if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the fewest votes and counting each of his or her unexhausted ballot-papers to the continuing candidate next in the order of the voter’s preference is repeated until one candidate has received an absolute majority of votes,
(g) the candidate who has received an absolute majority of votes is elected.

4 Two candidates to be elected

If 2 candidates are to be elected, the votes are to be counted and the result of the election ascertained in accordance with the following procedures:
(a) one of the candidates is elected in accordance with clause 3 of this Schedule,
(b) all the unrejected ballot-papers are rearranged under the names of the respective candidates in accordance with the first preferences marked on the ballot-papers, except that each ballot-paper on which a first preference for the elected candidate is indicated is placed in the parcel of the candidate next in the order of the voter’s preference,
(c) the number of ballot-papers in the parcel of each candidate is counted and the total number of votes so counted to each candidate is ascertained,
(d) if a candidate then has an absolute majority of votes he or she is elected. If not, the count proceeds according to clause 3 (d), (e) and (f) of this Schedule, until one candidate has received an absolute majority of votes,
(e) clause 3 (d) and (e) of this Schedule is to be read for the purposes of this clause as if a reference in those paragraphs to first preference votes were a reference to all the votes counted to a candidate under this clause,
(f) the candidate who has received an absolute majority of votes is elected.
5 Exhausted ballot-papers

In the process of counting under clause 3 or 4 of this Schedule, exhausted ballot-papers are set aside as finally dealt with and are not taken into account in the election of a candidate under the appropriate clause.

6 Equality

(1) If, on any count at which the candidate with the fewest number of votes has to be excluded, 2 or more candidates have an equal number of votes (that number being fewer than the number of votes that any other candidate has or those candidates being the only continuing candidates):

(a) the candidate who had the fewest votes at the last count before the equality occurred is excluded, or

(b) if they had an equal number of votes at all preceding counts, the candidate whose name is on a slip drawn in accordance with subclause (2) is excluded.

(2) For the purposes of subclause (1) (b) the returning officer writes the names of the candidates who have an equal number of votes on similar slips of paper. The returning officer then folds the slips so as to prevent the names being seen, mixes them, and draws one slip at random.

7 End of counting

The process of counting each of the unexhausted ballot-papers of an excluded candidate to the continuing candidate next in the order of the voter’s preference is not repeated if there is only one continuing candidate. Instead, that continuing candidate is elected.
Schedule 5  Counting of votes under proportional system

1 General
This Schedule sets out the method of counting votes according to the proportional system. The counting is to be carried out under the supervision of the returning officer.

2 Definitions
In this Schedule:

continuing candidate means at any given time a candidate not already elected or not already excluded from the poll.

exhausted ballot-paper means a ballot-paper on which there is no indication of a next preference for a continuing candidate.

fraction includes a decimal fraction.

next preference means the first of the subsequent preferences marked on a ballot-paper that is not given to an elected or excluded candidate. However, if there is a repetition or omission in the consecutive numbering of preferences marked on a ballot-paper (other than a repetition or omission that makes the ballot-paper informal), only those preferences preceding the repetition or omission can be taken into account.

quota means the number of votes sufficient to elect a candidate.

surplus, at any given time, means:
(a) except as provided in paragraph (b)—the number of votes which a candidate has obtained at that time in excess of the quota, or
(b) if the number of exhausted ballot-papers counted to a candidate at that time is greater than the quota—the number of votes which the candidate has obtained at that time in excess of the number of those exhausted ballot-papers.

3 Parcels of first preferences
The ballot-papers are divided into parcels according to the names of the candidates for whom the first preferences on the ballot-papers are recorded.

4 Quota
The aggregate number of first preferences is divided by one more than the number of candidates to be elected. The quotient (disregarding any remainder), increased by one, becomes the quota.
5 Election on first preferences

(1) A candidate who has, upon the first preferences being counted, a number of first preferences equal to or greater than the quota is elected.

(2) If the number of first preferences obtained by the candidate is equal to the quota, all the ballot-papers on which first preferences are recorded for that candidate are set aside as finally dealt with.

6 Surplus on first count

(1) If the number of first preferences obtained by any candidate exceeds the quota, the surplus is transferred to the continuing candidates next in the order of voters’ preferences, in accordance with the following directions:

(a) the ballot-papers on which first preferences are recorded for the elected candidate are re-examined, and the number of second preferences, or (in accordance with clause 12 of this Schedule) third or next consecutive preferences, recorded on them for each continuing candidate and the number of exhausted ballot-papers is counted,

(b) the surplus is divided by the total number of first preferences recorded for such elected candidate (excluding any exhausted ballot-papers). The transfer value is equal to the resulting fraction or the first 4 digits of the resulting decimal fraction or (if the fraction exceeds 1) to 1,

(c) the number of second or other preferences, ascertained in paragraph (a) as being recorded for each continuing candidate, is multiplied by the transfer value,

(d) the resulting number for each continuing candidate is added to the number of votes obtained by the candidate on the counting of first preferences,

(e) however, if as a result of the multiplication referred to in paragraph (c), any fraction results, so many of those fractions (taken in the order of their magnitude and beginning with the largest) as are necessary to ensure that the number of votes transferred equals the number of the elected candidate’s surplus votes are treated as equal to 1, and the remaining fractions are ignored,

(f) if, as a result of the multiplication referred to in paragraph (c), 2 or more fractions are equal and one of them is to be treated as equal to 1, the fraction arising from the largest number of second or other preferences referred to in paragraph (a) is treated as the largest, and if the numbers of those preferences are equal, the fraction credited to the candidate with the highest number of
votes at the last count or transfer at which the candidates with the
equal number of preferences had an unequal number of votes is
treated as the largest, and if those candidates have had an equal
number of votes at all preceding counts and transfers, the
returning officer decides by lot which fraction is taken to be the
largest,

(g) from the ballot-papers on which a second or other preference is
recorded for any continuing candidate, a number of ballot-papers
equal to the number of votes directed by paragraph (d) to be
credited to the candidate are selected at random, and these are to
be placed in a separate parcel and transferred to the candidate,

(h) all ballot-papers of the elected candidate not transferred under
paragraph (g) (including any exhausted ballot-papers) are set
aside as finally dealt with, being the ballot-papers by which the
candidate is elected,

(i) a transfer of votes under this clause is not made unless the surplus
of the elected candidate, together with any other surpluses not
transferred, exceeds the difference in numbers between the votes
of the 2 continuing candidates lowest on the poll.

(2) However, this clause is subject to clause 11 of this Schedule, and if at
any time there is one remaining vacancy which can be filled under that
clause, no further transfer under this clause can be made.

7 Surplus on transfer

(1) If by a transfer of a surplus on the count of first preferences or of a
surplus under this clause the number of votes obtained by a candidate
equals or exceeds the quota, the candidate is elected.

(2) In that case, despite the fact that the candidate has reached the quota, the
transfer is to be completed, and all the votes to which the candidate is
entitled from the transfer are to be transferred to the candidate.

(3) If by a transfer the number of votes obtained by a candidate equals the
quota, the whole of the ballot-papers on which those votes are recorded
are set aside as finally dealt with, being the ballot-papers by which the
candidate is elected.

(4) If by a transfer the number of votes obtained by a candidate exceeds the
quota, the surplus is transferred to the continuing candidates next in the
order of the voters’ respective preferences in the following manner:

(a) the ballot-papers transferred to the elected candidate in the last
transfer are re-examined, and the number of next consecutive
preferences recorded for each continuing candidate on the papers
and the number of exhausted ballot-papers are counted,
(b) the surplus is divided by the total number of ballot-papers transferred to the elected candidate in the last transfer (excluding any exhausted ballot-papers). The transfer value is equal to the resulting fraction or the first 4 digits of the resulting decimal fraction or (if the fraction exceeds 1) to 1,

(c) the surplus is transferred and the papers dealt with in a manner similar to that prescribed by clause 6 of this Schedule for the transfer of a surplus arising at the first count,

(d) a transfer of votes under this subclause is not made unless the surplus of the elected candidate, together with any other surpluses not transferred, exceeds the difference in numbers between the votes of the 2 continuing candidates lowest on the poll.

(5) However, this clause is subject to clause 11 of this Schedule, and if at any time there is one remaining vacancy which can be filled under that clause, no further transfer under this clause can be made.

8 Transfer of surpluses

(1) If, on the counting of the first preferences or on any transfer, more than one candidate has a surplus, the largest of the surpluses is transferred, then the next largest, and so on.

(2) However, if there is an untransferred surplus obtained at a previous count or transfer, that surplus is transferred before those caused by subsequent transfers.

(3) If there are equal surpluses at the first count, the returning officer decides by lot which surplus is transferred first.

(4) If there are equal surpluses at a later count or at a transfer, the surplus of the candidate who was the highest on the poll at the count or transfer at which the tied candidates last had an unequal number of votes is the first to be transferred. If those candidates have had an equal number of votes at all preceding counts or transfers, the returning officer decides by lot which candidate’s surplus is the first to be transferred.

9 Exclusion of lowest candidates

(1) If, after the first preferences have been counted and transfers of surpluses have been made, fewer than the number of candidates required to be elected have obtained the quota, the candidate lowest on the poll is excluded.

(2) All the unexhausted votes obtained by that candidate are transferred in one transfer to the continuing candidates who, on the ballot-papers on which such votes are recorded, are next in the order of the voters’ respective preferences.
(3) Any exhausted ballot-papers are set aside as finally dealt with.

(4) The same process of exclusion and transfer is repeated until all the candidates, except the number required to be elected, have been excluded. At that point, the continuing candidates who have not already been elected are elected.

(5) Whenever it becomes necessary to exclude a candidate and two or more candidates have the same number of votes and are lowest on the poll, the one who was lowest on the poll at the last count or transfer at which they had an unequal number of votes is first excluded.

(6) If those candidates have had equal numbers of votes at all preceding counts or transfers, or there has been no preceding count, the returning officer decides by lot which candidate is first excluded.

(7) This clause is subject to clause 11 of this Schedule, and if at any time there is one remaining vacancy which can be filled under that clause, no further exclusion under this clause can be made.

10 Effect of reaching quota while transfers are proceeding

(1) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate equals or exceeds the quota, the candidate is elected.

(2) In that case, despite the fact that the candidate has reached the quota, the transfer is to be completed, and all the votes to which the candidate is entitled from the transfer are to be transferred to the candidate.

(3) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate equals the quota, the whole of the ballot-papers on which those votes are recorded are set aside as finally dealt with, being the ballot-papers by which the candidate is elected.

(4) If by a transfer under clause 9 of this Schedule, the number of votes obtained by a candidate exceeds the quota, the surplus is transferred to the continuing candidates next in the order of the voters’ respective preferences in the manner set out in clause 7 (4) of this Schedule.

11 Election without reaching quota

(1) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled the continuing candidates are elected, even if they have not reached the quota.

(2) When only one vacancy remains unfilled and the votes of one continuing candidate exceed the total of all the votes of the other continuing candidates, together with any surplus not transferred, that candidate is elected.
(3) When more than one vacancy remains unfilled and the votes of the candidate who (if all the vacancies were filled by the successive election of the continuing candidates with the largest number of votes) would be the last to be elected exceed the total of any surplus not transferred plus the votes of all the continuing candidates with fewer votes than that candidate, that candidate and all the other continuing candidates who do not have fewer votes than that candidate are elected.

(4) When only one vacancy remains unfilled, and there are only 2 continuing candidates, and those 2 candidates each have the same number of votes, and no surplus votes remain capable of transfer, one candidate is excluded in accordance with clause 9 (5) and (6) of this Schedule and the other is elected.

12 Determining order of preference

In determining which candidate is next in the order of the voter’s preference, any candidates who have been declared elected or who have been excluded are not considered, and the order of the voter’s preference is determined as if the names of those candidates had not been on the ballot-paper.

13 Deciding by lot

(1) For the purposes of excluding a candidate by lot under clause 9 or 11 of this Schedule, the names of the candidates who have equal numbers of votes are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed and one is drawn at random by the returning officer and the candidate whose name is on the drawn slip is excluded.

(2) For the purpose of deciding by lot which candidate’s surplus is first to be transferred under clause 8 of this Schedule, the names of the candidates who have equal surpluses are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed, one of the slips is drawn at random by the returning officer and the candidate whose name is on the drawn slip is the one whose surplus is the first to be transferred.

(3) For the purposes of determining the largest fraction under clause 6 of this Schedule, the names of the candidates who have been credited with the equal fractions are written on similar slips of paper by the returning officer, the slips are folded by the returning officer so as to prevent the names being seen, the slips are mixed, one of the slips is drawn at random by the returning officer and the candidate whose name is on the drawn slip is taken to have been credited with the largest fraction.
14 Check counting

(1) A scrutineer may at any time during the counting of the votes, either before the commencement or after the completion of the transfer of the votes (whether original or transferred votes) of any candidate, request the returning officer to make a check count of the papers then comprised in the parcels of all or any candidates (but not of papers set aside as finally dealt with).

(2) The returning officer is to make a check count immediately on receiving the request, unless the returning officer has already made a check count of the same votes.

(3) The returning officer may also recount votes as often as he or she thinks necessary to establish accuracy.

15 Records and returns of voting and transfers

(1) At each step of the proceedings the returning officer is to keep a record of the number of votes counted for each candidate, the transfer of surpluses, the exclusion of candidates and the transfer of their votes, the votes which are found to be informal, and those which at some stage become exhausted votes.

(2) At the same time as the declaration of the election, the returning officer is to exhibit in some conspicuous position at the office of the relevant council a record of the voting, counting and transfers.

(3) The council must, upon application made to it by any person, deliver or send to the person a copy of the record of voting, counting and transfers.

Schedule 6 (Repealed)
Schedule 7  Election of mayor by councillors

(Clause 394)

Part 1  Preliminary

1  Returning officer

The general manager (or a person appointed by the general manager) is the returning officer.

2  Nomination

(1) A councillor may be nominated without notice for election as mayor or deputy mayor.

(2) The nomination is to be made in writing by 2 or more councillors (one of whom may be the nominee). The nomination is not valid unless the nominee has indicated consent to the nomination in writing.

(3) The nomination is to be delivered or sent to the returning officer.

(4) The returning officer is to announce the names of the nominees at the council meeting at which the election is to be held.

3  Election

(1) If only one councillor is nominated, that councillor is elected.

(2) If more than one councillor is nominated, the council is to resolve whether the election is to proceed by preferential ballot, by ordinary ballot or by open voting.

(3) The election is to be held at the council meeting at which the council resolves on the method of voting.

(4) In this clause:

ballot has its normal meaning of secret ballot.
open voting means voting by a show of hands or similar means.

Part 2  Ordinary ballot or open voting

4  Application of Part

This Part applies if the election proceeds by ordinary ballot or by open voting.
5 Marking of ballot-papers

(1) If the election proceeds by ordinary ballot, the returning officer is to decide the manner in which votes are to be marked on the ballot-papers.

(2) The formality of a ballot-paper under this Part must be determined in accordance with clause 345 (1) (b) and (c) and (6) of this Regulation as if it were a ballot-paper referred to in that clause.

(3) An informal ballot-paper must be rejected at the count.

6 Count—2 candidates

(1) If there are only 2 candidates, the candidate with the higher number of votes is elected.

(2) If there are only 2 candidates and they are tied, the one elected is to be chosen by lot.

7 Count—3 or more candidates

(1) If there are 3 or more candidates, the one with the lowest number of votes is to be excluded.

(2) If 3 or more candidates then remain, a further vote is to be taken of those candidates and the one with the lowest number of votes from that further vote is to be excluded.

(3) If, after that, 3 or more candidates still remain, the procedure set out in subclause (2) is to be repeated until only 2 candidates remain.

(4) A further vote is to be taken of the 2 remaining candidates.

(5) Clause 6 of this Schedule then applies to the determination of the election as if the 2 remaining candidates had been the only candidates.

(6) If at any stage during a count under subclause (1) or (2), 2 or more candidates are tied on the lowest number of votes, the one excluded is to be chosen by lot.

Part 3 Preferential ballot

8 Application of Part

This Part applies if the election proceeds by preferential ballot.

9 Ballot-papers and voting

(1) The ballot-papers are to contain the names of all the candidates. The councillors are to mark their votes by placing the numbers “1”, “2” and so on against the various names so as to indicate the order of their preference for all the candidates.
(2) The formality of a ballot-paper under this Part is to be determined in accordance with clause 345 (1) (b) and (c) and (5) of this Regulation as if it were a ballot-paper referred to in that clause.

(3) An informal ballot-paper must be rejected at the count.

10 Count

(1) If a candidate has an absolute majority of first preference votes, that candidate is elected.

(2) If not, the candidate with the lowest number of first preference votes is excluded and the votes on the unexhausted ballot-papers counted to him or her are transferred to the candidates with second preferences on those ballot-papers.

(3) A candidate who then has an absolute majority of votes is elected, but, if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the lowest number of votes and counting each of his or her unexhausted ballot-papers to the candidates remaining in the election next in order of the voter’s preference is repeated until one candidate has received an absolute majority of votes. The latter is elected.

(4) In this clause, absolute majority, in relation to votes, means a number that is more than one-half of the number of unexhausted formal ballot-papers.

11 Tied candidates

(1) If, on any count of votes, there are 2 candidates in, or remaining in, the election and the numbers of votes cast for the 2 candidates are equal—the candidate whose name is first chosen by lot is taken to have received an absolute majority of votes and is therefore taken to be elected.

(2) If, on any count of votes, there are 3 or more candidates in, or remaining in, the election and the numbers of votes cast for 2 or more candidates are equal and those candidates are the ones with the lowest number of votes on the count of the votes—the candidate whose name is first chosen by lot is taken to have the lowest number of votes and is therefore excluded.

prevent the names being seen, the slips are mixed and one is drawn at random by the returning officer and the candidate whose name is on the drawn slip is chosen.

(3) A candidate who then has an absolute majority of votes is elected, but, if no candidate then has an absolute majority of votes, the process of excluding the candidate who has the lowest number of votes and counting each of his or her unexhausted ballot-papers to the candidates remaining in the election next in order of the voter’s preference is repeated until one candidate has received an absolute majority of votes. That candidate is elected.

(4) In this clause, absolute majority, in relation to votes, means a number that is more than one-half of the number of unexhausted formal ballot-papers.

13 Tied candidates

(1) If, on any count of votes, there are 2 candidates in, or remaining in, the election and the numbers of votes cast for the 2 candidates are equal—the candidate whose name is first chosen by lot is taken to have received an absolute majority of votes and is therefore taken to be elected.

(3) If it appears to the returning officer that the signature appearing on the back of any envelope referred to in subclause (2) is not the signature of the person whose name and address appear on the back of the envelope, the returning officer may make such inquiries as the returning officer thinks fit and if, after making those inquiries, the returning officer is satisfied that the signature is not the signature of that person, must reject any ballot-paper in the envelope without opening the envelope.

24 Ascertaining result of ballot

The result of the ballot is to be ascertained by the returning officer as soon as practicable after the close of the ballot.

25 Scrutineers

Each candidate is entitled to appoint, by notice in writing, a scrutineer to represent the candidate at the scrutiny of votes in accordance with section 90 of the Parliamentary Electorates and Elections Act 1912.

26 Scrutiny of votes

(1) At the scrutiny of votes, a ballot-paper must be rejected if it is informal.

(2) The formality of a ballot-paper under this Part is to be determined in accordance with clause 345 of this Regulation as if it were a ballot-paper referred to in that clause.

(3) The scrutiny of votes in a ballot is to be conducted as follows:
   (a) the returning officer is to produce, unopened, the envelopes containing the ballot-papers accepted for scrutiny, other than any envelope (purporting to contain a ballot-paper) rejected under clause 23 (3) of this Schedule,
   (b) the returning officer is then to open each such envelope, extract the ballot-paper and, without unfolding it, place it in a securely fastened ballot-box,
(c) when the ballot-papers from all such envelopes have been placed in the ballot-box, the returning officer is then to unfasten the ballot-box and remove the ballot-papers,

(d) the returning officer is then to examine each ballot-paper and reject those which are informal,

(e) the returning officer is then to proceed to count the votes and ascertain the result of the election in accordance with Schedule 4 of this Regulation.

27 Notification of result of election

As soon as practicable after candidates have been elected, the returning officer must notify the candidates, the general manager of each council participating in the joint election, the general manager of the county council and the Director-General in writing of the names of the candidates who have been declared elected.

Division 6 Miscellaneous

28 Voting not compulsory

Voting at an election of members of a county council under this Part is not compulsory.

29 Electoral roll

(1) For the purpose of preparing a roll of qualified electors for the purposes of this Part, the returning officer may (by notice in writing sent to the general managers of the councils participating in the joint election of the county council) require the general managers to furnish to the returning officer, within such time as may be specified in the notice, a list of the councillors for the time being of those councils.

(2) A general manager of a council to whom such a notice is sent must comply with the requirements of the notice.

30 Death of candidate

If a candidate for election as a member of a county council dies after the close of nominations and before the day when the poll at a contested election closes, the election fails in respect of the electorate for which the candidate is nominated.

31 Validity of elections

(1) An election is not invalid just because:
(a) there was a formal defect or error in or relating to the election, if the election was held substantially in accordance with this Regulation, or

(b) there was a defect in the appointment of the returning officer.

(2) A proclamation of the Governor to the effect that a specified irregularity does not invalidate an election is conclusive as to the matter stated in the proclamation.

32 **Lapsed or void election**

(1) If an election for the office of member of a county council is not held when it is due, fails or is later declared void:

(a) the holder of the office at the time when the election should have been held or when the election failed (or, in the case of a void election, if there is no such holder, the candidate purporting to have been elected at the void election), holds the office as if duly elected until an election is held under paragraph (b), and

(b) the returning officer is to hold another election as if a casual vacancy had occurred in the office.

(2) An election held for the purposes of this clause is as valid as it would have been if it had been held at the time originally appointed for the purpose.

33 **Security of election materials**

(1) The returning officer, after the election has been declared, is to parcel the marked and unmarked ballot-papers, copies of the roll, and other papers used in the election.

(2) The returning officer is to seal, endorse and sign each parcel, and to allow any scrutineers entitled to be present to do the same to each parcel.

(3) The returning officer is to forward the parcels to the general manager.

(4) The general manager is to have the parcels kept securely for 6 months, and then destroyed.

34 **Decision of returning officer final**

If the returning officer is permitted or required by this Part to make a decision on any matter relating to the taking of a ballot in an election, the decision of the returning officer on that matter is final.

35 **Delegation of returning officer's functions**

The returning officer may delegate to any member of staff of the county council any of the returning officer’s functions under this Part.
36 Costs of election to be borne by the county council

The costs of conducting an election under this Part are to be borne by the county council.
