Part 1 Preliminary

1 Short title

This Law may be cited as the Health Practitioner Regulation National Law (NSW).

2 Commencement

This Law commences in a participating jurisdiction as provided by the Act of that jurisdiction that applies this Law as a law of that jurisdiction.

3 Objectives and guiding principles

(1) The object of this Law is to establish a national registration and accreditation scheme for—

(a) the regulation of health practitioners; and

(b) the registration of students undertaking—

(i) programs of study that provide a qualification for registration in a health profession; or

(ii) clinical training in a health profession.

(2) The objectives of the national registration and accreditation scheme are—

(a) to provide for the protection of the public by ensuring that only health practitioners who are suitably trained and qualified to practise in a competent and ethical manner are registered; and

(b) to facilitate workforce mobility across Australia by reducing the administrative burden for health practitioners wishing to move between participating jurisdictions or to practise in more than one participating jurisdiction; and

(c) to facilitate the provision of high quality education and training of health practitioners; and

(d) to facilitate the rigorous and responsive assessment of overseas-trained health practitioners; and

(e) to facilitate access to services provided by health practitioners in accordance with the public interest; and

(3) The guiding principles of the national registration and accreditation scheme are as follows—
(a) the scheme is to operate in a transparent, accountable, efficient, effective and fair way;
(b) fees required to be paid under the scheme are to be reasonable having regard to the efficient and effective operation of the scheme;

104 Notice of decision to be given to applicant

(1) As soon as practicable after making the decision under section 102, the National Board must—

(3) For the purposes of subclauses (1) and (2), it is a reasonable excuse for an individual to fail to give stated information, answer a question or to produce a document, if giving the information, answering the question or producing the document might tend to incriminate the individual.
3 Inspection of documents

(1) If a document is produced to an investigator, the investigator may—
   (a) inspect the document; and
   (b) make a copy of, or take an extract from, the document; and
   (c) keep the document while it is necessary for the investigation.

(2) If the investigator keeps the document, the investigator must permit a person otherwise entitled to possession of the document to inspect, make a copy of, or take an extract from, the document at the reasonable time and place decided by the investigator.

Part 2 Power to enter places

4 Entering places

For the purposes of conducting an investigation, an investigator may enter a place if—
   (a) its occupier consents to the entry of the place; or
   (b) it is a public place and the entry is made when it is open to the public; or
   (c) the entry is authorised by a warrant.

5 Application for warrant

(1) An investigator may apply to a magistrate of a participating jurisdiction for a warrant for a place.

(2) The investigator must prepare a written application that states the grounds on which the warrant is sought.

(3) The written application must be sworn.

(4) The magistrate may refuse to consider the application until the investigator gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

6 Issue of warrant

(1) The magistrate may issue the warrant only if the magistrate is satisfied there are reasonable grounds for suspecting there is evidence about a matter being investigated by the investigator at the place.

(2) The warrant must state—
   (a) that a stated investigator may, with necessary and reasonable help and force—
      (i) enter the place and any other place necessary for entry; and
(ii) exercise the investigator’s powers under this Part; and

(b) the matter for which the warrant is sought; and

(c) the evidence that may be seized under the warrant; and

(d) the hours of the day or night when the place may be entered; and

(e) the date, within 14 days after the warrant’s issue, the warrant ends.

7 Application by electronic communication

(1) An investigator may apply for a warrant by phone, facsimile, email, radio, video conferencing or another form of communication if the investigator considers it necessary because of—

(a) urgent circumstances; or

(b) other special circumstances, including the investigator’s remote location.

(2) The application—

(a) may not be made before the investigator prepares the written application under clause 5(2); but

(b) may be made before the written application is sworn.

(3) The magistrate may issue the warrant (the original warrant) only if the magistrate is satisfied—

(a) it was necessary to make the application under subclause (1); and

(b) the way the application was made under subclause (1) was appropriate.

(4) After the magistrate issues the original warrant—

(a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the investigator, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the investigator; or

(b) otherwise—

(i) the magistrate must tell the investigator the date and time the warrant is issued and the other terms of the warrant; and

(ii) the investigator must complete a form of warrant including by writing on it—

(A) the magistrate’s name; and

(B) the date and time the magistrate issued the warrant; and

(C) the other terms of the warrant.
(5) The copy of the warrant referred to in subclause (4)(a), or the form of warrant completed under subclause (4)(b) (in either case the duplicate warrant), is a duplicate of, and as effectual as, the original warrant.

(6) The investigator must, at the first reasonable opportunity, send to the magistrate—
   (a) the written application complying with clause 5(2) and (3); and
   (b) if the investigator completed a form of warrant under subclause (4)(b), the completed form of warrant.

(7) The magistrate must keep the original warrant and, on receiving the documents under subclause (6), file the original warrant and documents in the court.

(8) Despite subclause (5), if—
   (a) an issue arises in a proceeding about whether an exercise of a power was authorised by a warrant issued under this clause; and
   (b) the original warrant is not produced in evidence;
the onus of proof is on the person relying on the lawfulness of the exercise of the power to prove a warrant authorised the exercise of the power.

(9) This clause does not limit clause 5.

8 Procedure before entry under warrant

(1) Before entering a place under a warrant, an investigator must do or make a reasonable attempt to do the following—
   (a) identify himself or herself to a person present at the place who is an occupier of the place by producing the investigator’s identity card or another document evidencing the investigator’s appointment;
   (b) give the person a copy of the warrant;
   (c) tell the person the investigator is permitted by the warrant to enter the place;
   (d) give the person an opportunity to allow the investigator immediate entry to the place without using force.

(2) However, the investigator need not comply with subclause (1) if the investigator reasonably believes that immediate entry to the place is required to ensure the effective execution of the warrant is not frustrated.

9 Powers after entering places

(1) This clause applies if an investigator enters a place under clause 4.
(2) The investigator may for the purposes of the investigation do the following—

  (d) copy, or take an extract from, a document, at the place;
  (e) take into or onto the place any person, equipment and materials the investigator reasonably requires for exercising a power under this Part;
  (f) require the occupier of the place, or a person at the place, to give the investigator reasonable help to exercise the investigator’s powers under paragraphs (a) to (e);
  (g) require the occupier of the place, or a person at the place, to give the investigator information to help the investigator in conducting the investigation.

(3) When making a requirement referred to in subclause (2)(f) or (g), the investigator must warn the person it is an offence to fail to comply with the requirement unless the person has a reasonable excuse.

10 Offences for failing to comply with requirement under clause 9

(1) A person required to give reasonable help under clause 9(2)(f) must comply with the requirement, unless the person has a reasonable excuse. Maximum penalty—
  (a) in the case of an individual—$5,000; or
  (b) in the case of a body corporate—$10,000.

(2) A person of whom a requirement is made under clause 9(2)(g) must comply with the requirement, unless the person has a reasonable excuse. Maximum penalty—
  (a) in the case of an individual—$5,000; or
  (b) in the case of a body corporate—$10,000.

(3) It is a reasonable excuse for an individual not to comply with a requirement under clause 9(2)(f) or (g) that complying with the requirement might tend to incriminate the individual.

11 Seizure of evidence

(1) An investigator who enters a public place when the place is open to the public may seize a thing at the place if the investigator reasonably
believes the thing is evidence that is relevant to the investigation being conducted by the investigator.

(2) If an investigator enters a place with the occupier’s consent, the investigator may seize a thing at the place if—
   (a) the investigator reasonably believes the thing is evidence that is relevant to the investigation being conducted by the investigator; and
   (b) seizure of the thing is consistent with the purpose of the entry as told to the occupier when asking for the occupier’s consent.

(3) If an investigator enters a place with a warrant, the investigator may seize the evidence for which the warrant was issued.

(4) For the purposes of subclauses (2) and (3), the investigator may also seize anything else at the place if the investigator reasonably believes—
   (a) the thing is evidence that is relevant to the investigation; and
   (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed.

12 Securing seized things

Having seized a thing, an investigator may—
   (a) move the thing from the place where it was seized; or
   (b) leave the thing at the place where it was seized but take reasonable action to restrict access to it.

13 Receipt for seized things

(1) As soon as practicable after an investigator seizes a thing, the investigator must give a receipt for it to the person from whom it was seized.

(2) However, if for any reason it is not practicable to comply with subclause (1), the investigator must leave the receipt at the place of seizure in a conspicuous position and in a reasonably secure way.

(3) The receipt must describe generally the seized thing and its condition.

(4) This clause does not apply to a thing if it is impracticable or would be unreasonable to give the receipt given the thing’s nature, condition and value.

14 Forfeiture of seized thing

(1) A seized thing is forfeited to the National Agency if the investigator who seized the thing—
   (a) cannot find its owner, after making reasonable inquiries; or
(b) cannot return it to its owner, after making reasonable efforts.

(2) In applying subclause (1)—
   (a) subclause (1)(a) does not require the investigator to make inquiries if it would be unreasonable to make inquiries to find the owner; and
   (b) subclause (1)(b) does not require the investigator to make efforts if it would be unreasonable to make efforts to return the thing to its owner.

(3) Regard must be had to a thing’s nature, condition and value in deciding—
   (a) whether it is reasonable to make inquiries or efforts; and
   (b) if making inquiries or efforts, what inquiries or efforts, including the period over which they are made, are reasonable.

15 **Dealing with forfeited things**

(1) On the forfeiture of a thing to the National Agency, the thing becomes the Agency’s property and may be dealt with by the Agency as the Agency considers appropriate.

(2) Without limiting subclause (1), the National Agency may destroy or dispose of the thing.

16 **Return of seized things**

(1) If a seized thing has not been forfeited, the investigator must return it to its owner—
   (a) at the end of 6 months; or
   (b) if proceedings involving the thing are started within 6 months, at the end of the proceedings and any appeal from the proceedings.

(2) Despite subclause (1), unless the thing has been forfeited, the investigator must immediately return a thing seized as evidence to its owner if the investigator is no longer satisfied its continued retention as evidence is necessary.

17 **Access to seized things**

(1) Until a seized thing is forfeited or returned, an investigator must allow its owner to inspect it and, if it is a document, to copy it.

(2) Subclause (1) does not apply if it is impracticable or would be unreasonable to allow the inspection or copying.
Part 3 General matters

18 Damage to property

(b) a person (the other person) acting under the direction of an investigator damages property.

(2) The investigator must promptly give written notice of particulars of the damage to the person who appears to the investigator to be the owner of the property.

(3) If the investigator believes the damage was caused by a latent defect in the property or circumstances beyond the investigator’s or other person’s control, the investigator must state the belief in the notice.

(4) If, for any reason, it is impracticable to comply with subclause (2), the investigator must leave the notice in a conspicuous position and in a reasonably secure way where the damage happened.

(5) This clause does not apply to damage the investigator reasonably believes is trivial.

(6) In this clause—

owner, of property, includes the person in possession or control of it.

19 Compensation

      (i) comes into possession of the business or any assets of the business as a result of a default on an obligation secured by a security interest; and
      (ii) does not have the pecuniary interest for more than 6 months (or the longer period specified by the Council by written notice given to the person) from the date the person comes into possession of the pharmacy business or assets; or
   (b) if the person has the interest for a period of not more than 6 months (or the longer period specified by the Council by written notice given to the person) and the person has the interest because the person—
      (i) is the executor, administrator or trustee of the estate of a deceased person who carried on the pharmacy business on the day of his or her death; or

6 Exemption for friendly societies [NSW]

(1) Clause 5 does not prevent a friendly society from owning or otherwise having a pecuniary interest in a pharmacy business in accordance with a written approval given by the Minister.

   (b) there is no longer a pharmacist nominated as being responsible for the matters specified in subclause (2)(c).

(5) Clause 5 does not prevent a friendly or other society that was, immediately before the repeal of section 27A(1) of the Pharmacy Act 1964, lawfully carrying on a pharmacy business under that provision, from owning or otherwise having a pecuniary interest in a pharmacy business.

Note. The definition of pecuniary interest in clause 2 operates to prohibit a person (other than a pharmacist, a partner in a pharmacists’ partnership or a pharmacists’ body corporate or a member of a pharmacists’ body corporate) from having a pecuniary interest (including as a shareholder) in a body corporate to which this clause applies (other than a listed corporation). That prohibition, however, does not apply where the person was a member of the body corporate before the commencement of Schedule 7.12 to the Pharmacy Practice Act 2006.

(4) To avoid doubt, during a period in which a pharmacy business carried on in an associated professional services room, and the pharmacy business with which the premises are associated, operate simultaneously, subclause (1) requires each business to be in the charge of a separate pharmacist who must personally supervise the carrying on of each business.

   (a) may not be made before the inspector prepares the written application under clause 5(2); but
   (b) may be made before the written application is sworn.

(3) The magistrate may issue the warrant (the original warrant) only if the magistrate is satisfied—
   (a) it was necessary to make the application under subclause (1); and
   (b) the way the application was made under subclause (1) was appropriate.

(4) After the magistrate issues the original warrant—
   (a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the inspector, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the inspector; or

(9) This clause does not limit clause 5.

8 Procedure before entry under warrant

(1) Before entering a place under a warrant, an inspector must do or make a reasonable attempt to do the following—

(b) give the person a copy of the warrant;
(c) tell the person the inspector is permitted by the warrant to enter the place;
(d) give the person an opportunity to allow the inspector immediate entry to the place without using force.

(2) However, the inspector need not comply with subclause (1) if the inspector reasonably believes that immediate entry to the place is required to ensure the effective execution of the warrant is not frustrated.

   (g) require the occupier of the place, or a person at the place, to give the inspector information to help the inspector ascertain whether this Law is being complied with.

(3) When making a requirement referred to in subclause (2)(f) or (g), the inspector must warn the person it is an offence to fail to comply with the requirement unless the person has a reasonable excuse.

10 Offences for failing to comply with requirement under clause 9

   (b) in the case of a body corporate—$10,000.

(3) It is a reasonable excuse for an individual not to comply with a requirement under clause 9(2)(f) or (g) that complying with the requirement might tend to incriminate the individual.
11 Seizure of evidence

(1) An inspector who enters a public place when the place is open to the public may seize a thing at the place if the inspector reasonably believes the thing is evidence that is relevant to the investigation being conducted by the inspector.

(2) If an inspector enters a place with the occupier’s consent, the inspector may seize a thing at the place if—
   (a) the inspector reasonably believes the thing is evidence that is relevant to the investigation being conducted by the inspector; and
   (b) seizure of the thing is consistent with the purpose of the entry as told to the occupier when asking for the occupier’s consent.

(3) If an inspector enters a place with a warrant, the inspector may seize the evidence for which the warrant was issued.

(4) For the purposes of subclauses (2) and (3), the inspector may also seize anything else at the place if the inspector reasonably believes—
   (a) the thing is evidence that is relevant to the investigation; and
   (b) the seizure is necessary to prevent the thing being hidden, lost or destroyed.

12 Securing seized things

Having seized a thing, an inspector may—
   (a) move the thing from the place where it was seized; or
   (b) leave the thing at the place where it was seized but take reasonable action to restrict access to it.

13 Receipt for seized things

(1) As soon as practicable after an inspector seizes a thing, the inspector must give a receipt for it to the person from whom it was seized.

(2) However, if for any reason it is not practicable to comply with subclause (1), the inspector must leave the receipt at the place of seizure in a conspicuous position and in a reasonably secure way.

(3) The receipt must describe generally the seized thing and its condition.

(4) This clause does not apply to a thing if it is impracticable or would be unreasonable to give the receipt given the thing’s nature, condition and value.
14 Forfeiture of seized thing

(1) A seized thing is forfeited to the National Agency if the inspector who seized the thing—
(a) cannot find its owner, after making reasonable inquiries; or
(b) cannot return it to its owner, after making reasonable efforts.

(2) In applying subclause (1)—
(a) subclause (1)(a) does not require the inspector to make inquiries if it would be unreasonable to make inquiries to find the owner; and
(b) subclause (1)(b) does not require the inspector to make efforts if it would be unreasonable to make efforts to return the thing to its owner.

(3) Regard must be had to a thing’s nature, condition and value in deciding—
(a) whether it is reasonable to make inquiries or efforts; and
(b) if making inquiries or efforts, what inquiries or efforts, including the period over which they are made, are reasonable.

15 Dealing with forfeited things

(1) On the forfeiture of a thing to the National Agency, the thing becomes the Agency’s property and may be dealt with by the Agency as the Agency considers appropriate.

(2) Without limiting subclause (1), the National Agency may destroy or dispose of the thing.

16 Return of seized things

(5) The delegate may, in the performance of a delegated function, do anything that is incidental to the delegated function.

(6) A delegated function that purports to have been exercised by the delegate is taken to have been properly exercised by the delegate unless the contrary is proved.

(7) A delegated function that is properly exercised by the delegate is taken to have been exercised by the delegator.

(8) If, when exercised by the delegator, a function is dependent on the delegator’s opinion, belief or state of mind, then, when exercised by the delegate, the function is dependent on the delegate’s opinion, belief or state of mind.

(9) If—
   (a) the delegator is a specified officer or the holder of a specified office; and
   (b) the person who was the specified officer or holder of the specified office when the delegation was made ceases to be the holder of the office;
   then—
   (c) the delegation continues in force; and
(d) the person for the time being occupying or acting in the office concerned is taken to be the delegator for the purposes of this section.

(10) If—
(a) the delegator is a body; and
(b) there is a change in the membership of the body;
then—
(c) the delegation continues in force; and
(d) the body as constituted for the time being is taken to be the delegator for the purposes of this section.

(11) If a function is delegated to a specified officer or the holder of a specified office—
(a) the delegation does not cease to have effect merely because the person who was the specified officer or the holder of the specified office when the function was delegated ceases to be the officer or the holder of the office; and
(b) the function may be exercised by the person for the time being occupying or acting in the office concerned.

(12) A function that has been delegated may, despite the delegation, be exercised by the delegator.

(13) The delegation of a function does not relieve the delegator of the delegator’s obligation to ensure that the function is properly exercised.

(14) Subject to subsection (15), this clause applies to a subdelegation of a function in the same way as it applies to a delegation of a function.

(15) If this Law authorises the delegation of a function, the function may be subdelegated only if the Law expressly authorises the function to be subdelegated.

30 Exercise of powers between enactment and commencement

(1) If a provision of this Law (the empowering provision) that does not commence on its enactment would, had it commenced, confer a power—
(a) to make an appointment; or
(b) to make a statutory instrument of a legislative or administrative character; or
(c) to do another thing;
then—
(d) the power may be exercised; and
(e) anything may be done for the purpose of enabling the exercise of the power or of bringing the appointment, instrument or other thing into effect;

before the empowering provision commences.

(2) If a provision of a Queensland Act (the empowering provision) that does not commence on its enactment would, had it commenced, amend a provision of this Law so that it would confer a power—

(a) to make an appointment; or
(b) to make a statutory instrument of a legislative or administrative character; or
(c) to do another thing;

then—

(d) the power may be exercised; and
(e) anything may be done for the purpose of enabling the exercise of the power or of bringing the appointment, instrument or other thing into effect;

before the empowering provision commences.

(3) If—

(a) this Law has commenced and confers a power to make a statutory instrument (the basic instrument-making power); and
(b) a provision of a Queensland Act that does not commence on its enactment would, had it commenced, amend this Law so as to confer additional power to make a statutory instrument (the additional instrument-making power);

then—

(c) the basic instrument-making power and the additional instrument-making power may be exercised by making a single instrument; and
(d) any provision of the instrument that required an exercise of the additional instrument-making power is to be treated as made under subclause (2).

(4) If an instrument, or a provision of an instrument, is made under subclause (1) or (2) that is necessary for the purpose of—

(a) enabling the exercise of a power mentioned in the subclause; or
(b) bringing an appointment, instrument or other thing made or done under such a power into effect;
the instrument or provision takes effect—

(c) on the making of the instrument; or
(d) on such later day (if any) on which, or at such later time (if any) at which, the instrument or provision is expressed to take effect.

(5) If—
(a) an appointment is made under subclause (1) or (2); or
(b) an instrument, or a provision of an instrument, made under subclause (1) or (2) is not necessary for a purpose mentioned in subclause (4); the appointment, instrument or provision takes effect—
(c) on the commencement of the relevant empowering provision; or
(d) on such later day (if any) on which, or at such later time (if any) at which, the appointment, instrument or provision is expressed to take effect.

(6) Anything done under subclause (1) or (2) does not confer a right, or impose a liability, on a person before the relevant empowering provision commences.

(7) After the enactment of a provision mentioned in subclause (2) but before the provision’s commencement, this clause applies as if the references in subclauses (2) and (5) to the commencement of the empowering provision were references to the commencement of the provision mentioned in subclause (2) as amended by the empowering provision.

(8) In the application of this clause to a statutory instrument, a reference to the enactment of the instrument is a reference to the making of the instrument.

Part 5 Distance, time and age

31 Matters relating to distance, time and age

(1) In the measurement of distance for the purposes of this Law, the distance is to be measured along the shortest road ordinarily used for travelling.

(2) If a period beginning on a given day, act or event is provided or allowed for a purpose by this Law, the period is to be calculated by excluding the day, or the day of the act or event, and—
(a) if the period is expressed to be a specified number of clear days or at least a specified number of days—by excluding the day on which the purpose is to be fulfilled; and
(b) in any other case—by including the day on which the purpose is to be fulfilled.
(3) If the last day of a period provided or allowed by this Law for doing anything is not a business day in the place in which the thing is to be or may be done, the thing may be done on the next business day in the place.

(4) If the last day of a period provided or allowed by this Law for the filing or registration of a document is a day on which the office is closed where the filing or registration is to be or may be done, the document may be filed or registered at the office on the next day that the office is open.

(5) If no time is provided or allowed for doing anything, the thing is to be done as soon as possible, and as often as the prescribed occasion happens.

(6) If, in this Law, there is a reference to time, the reference is, in relation to the doing of anything in a jurisdiction, a reference to the legal time in the jurisdiction.

(7) For the purposes of this Law, a person attains an age in years at the beginning of the person’s birthday for the age.

Part 6  Effect of repeal, amendment or expiration

32  Time of Law ceasing to have effect

If a provision of this Law is expressed—
(a) to expire on a specified day; or
(b) to remain or continue in force, or otherwise have effect, until a specified day;
this provision has effect until the last moment of the specified day.

33  Repealed Law provisions not revived

If a provision of this Law is repealed or amended by a Queensland Act, or a provision of a Queensland Act, the provision is not revived merely because the Queensland Act or the provision of the Queensland Act—
(a) is later repealed or amended; or
(b) later expires.

34  Saving of operation of repealed Law provisions

(1) The repeal, amendment or expiry of a provision of this Law does not—
(a) revive anything not in force or existing at the time the repeal, amendment or expiry takes effect; or
(b) affect the previous operation of the provision or anything suffered, done or begun under the provision; or
(c) affect a right, privilege or liability acquired, accrued or incurred under the provision; or
(d) affect a penalty incurred in relation to an offence arising under the provision; or
(e) affect an investigation, proceeding or remedy in relation to such a right, privilege, liability or penalty.

(2) Any such penalty may be imposed and enforced, and any such investigation, proceeding or remedy may be begun, continued or enforced, as if the provision had not been repealed or amended or had not expired.

35 Continuance of repealed provisions

If a Queensland Act repeals some provisions of this Law and enacts new provisions in substitution for the repealed provisions, the repealed provisions continue in force until the new provisions commence.

36 Law and amending Acts to be read as one

This Law and all Queensland Acts amending this Law are to be read as one.

Part 7 Instruments under Law

37 Schedule applies to statutory instruments

(1) This Schedule applies to a statutory instrument, and to things that may be done or are required to be done under a statutory instrument, in the same way as it applies to this Law, and things that may be done or are required to be done under this Law, except so far as the context or subject matter otherwise indicates or requires.

(2) The fact that a provision of this Schedule refers to this Law and not also to a statutory instrument does not, by itself, indicate that the provision is intended to apply only to this Law.

Part 8 Application to coastal sea

38 Application

This Law has effect in and relation to the coastal sea of this jurisdiction as if that coastal sea were part of this jurisdiction.
