(6) The Authority may, on application by a hotelier, authorise the use of a bar area of the hotel for the sale, supply or consumption of liquor exclusively to, or by, residents at a time when liquor may not otherwise be sold or supplied in a bar area of the hotel. 22 Primary purpose test
   (1) An on-premises licence must not be granted in respect of any premises if the primary purpose of the business or activity carried out on the premises is the sale or supply of liquor.
(2) The authorisation conferred by an on-premises licence does not apply if the primary purpose of the business or activity carried out on the licensed premises is the sale or supply of liquor.

(3) Subsections (1) and (2) do not apply if the premises to which the licence or proposed licence relates:
   (a) are part of an airport, or
   (b) are located on land occupied by a tertiary institution and cater for students of that institution.

(4) Subsections (1) and (2) are also subject to such exceptions as may be prescribed by the regulations.

23 On-premises licence must specify business/activity or kind of licensed premises

(1) An on-premises licence must specify the kind of business or activity carried out on the licensed premises or the kind of licensed premises to which the licence relates.

(2) Without limiting the kinds of businesses or activities (or the kinds of premises) in respect of which on-premises licences may be granted, an on-premises licence may be granted in respect of a public entertainment venue.

(3) More than one kind of business or activity or kind of premises may be specified in an on-premises licence. However, a separate on-premises licence is, except in the circumstances referred to in section 25 (6), required for each set of premises.

(4) The licensed premises to which an on-premises licence relates may be described by reference to the kind of business or activity carried out on the premises or the kind of premises concerned.

   Note. For example, the terms "licensed restaurant" and "licensed public entertainment venue" are used in this Act to refer to premises in respect of which an on-premises licence relating to a restaurant or public entertainment venue, respectively, is granted.

(5) The business or activity, or the kind of premises, specified in an on-premises licence may, on application by the licensee, be varied by the Authority. Any such variation may include the addition of a specified business or activity, or a specified kind of premises, in respect of the licence.

(6) The authorisation conferred by an on-premises licence does not apply if:
   (a) the business or activity carried out on the licensed premises is not the business or activity specified for the time being in the licence, or
   (b) the licensed premises do not comprise premises of the kind specified for the time being in the licence.

24 On-premises licence—sale or supply of liquor must be with or ancillary to other service or product

(1) An on-premises licence authorises the sale or supply of liquor only if the liquor is sold or supplied for consumption on the licensed premises with, or ancillary to, another product or service that is sold, supplied or provided to people on the licensed premises.

(2) Regulations may limit products or services provided on licensed premises

A product or service is not to be considered a product or service for the purposes of subsection (1) if it is, or is of a class, specified by the regulations for the purposes of this subsection.
(3) **Exceptions**

Subsection (1) does not apply to or in respect of an on-premises licence if the licence is, on application by the licensee, endorsed by the Authority with an authorisation that allows liquor to be sold or supplied for consumption on the licensed premises otherwise than with, or ancillary to, another product or service.

*Note.* Section 51 applies to an authorisation referred to in this subsection.

(4) Subsection (1) does not apply if the premises to which the licence relates:

(a) are part of an airport, or

(b) are located on land occupied by a tertiary institution and cater for students of that institution, or

(c) are exempt from the primary purpose test referred to in section 22.

25 **Authorisation conferred by on-premises licence (generally)**

(1) An on-premises licence authorises the licensee to sell liquor by retail on the licensed premises for consumption on the premises only.

(2) **Trading hours for consumption on premises**

The times when liquor may be sold for consumption on the licensed premises are during the standard trading period or at such other times as may be authorised by an extended trading authorisation.

(3) **Restricted trading days**

Despite subsection (2), the times when liquor may be sold for consumption on the licensed premises on a restricted trading day are as follows:

(a) between midnight and 5 am on that day (but only if authorised by an extended trading authorisation),

(b) between 5 am and noon on that day (but only if authorised by an extended trading authorisation and only if the liquor is sold with or ancillary to a meal served in a dining area on the licensed premises),

(c) between noon and 10 pm on that day (but only if the liquor is sold with or ancillary to a meal served in a dining area on the licensed premises),

(d) between 10 pm and midnight on that day (but only if authorised by an extended trading authorisation and only if the liquor is sold with or ancillary to a meal served in a dining area on the licensed premises).

*Note.* Section 49 (7) restricts the granting of an extended trading authorisation for licensed public entertainment venues on restricted trading days.

(4) Subsection (3) does not apply to:

(a) licensed premises that are part of an airport, or

(b) an on-premises licence that relates to a catering service.

(5) **Trading on new year's eve**

On 31 December in any year, liquor may be sold for consumption on the licensed premises from the start of the standard trading period for that day until 2 am on the next succeeding day. This subsection does not limit the operation of any extended trading authorisation that applies in relation to the licensed premises concerned.

(6) **Trading on premises other than licensed premises**

An on-premises licence also authorises the licensee to sell liquor by retail on such premises and in such circumstances as the Authority may, on application by the licensee, authorise, but only for consumption on those premises and at such times as
are specified by the Authority in the licence. Any such premises are, subject to the regulations, taken to be licensed premises for the purposes of this Act.

(7) The regulations may make provision for or with respect to the granting of an authorisation under subsection (6) (including limiting the circumstances for which such an authorisation may be granted by the Authority).

Note. Section 51 also applies to an authorisation under subsection (6).

(8) **Special provisions relating to licensed accommodation premises**

An on-premises licence that relates to accommodation premises also authorises the licensee to sell liquor by retail on the licensed premises:

(a) for consumption on the licensed premises only—at any time on any day (including a restricted trading day) to a resident (or a guest of a resident while in the resident’s company) or an employee of the licensee, and

(b) to a resident at any time for consumption away from the licensed premises, but only if:

(i) the sale is ancillary to the provision of a meal for consumption away from the licensed premises, and

(ii) the volume of liquor supplied to any such resident on any one day does not exceed 2 litres.

(9) **Special provisions relating to licensed vessels**

Despite any other provision of this section, an on-premises licence that relates to a vessel authorises the licensee to sell liquor by retail to passengers on board the vessel, for consumption on board the vessel only:

(a) between the period commencing one hour before the vessel starts any voyage or passage and ending 30 minutes after the voyage or passage is completed, or

(b) at such other times, or in such other circumstances, as the Authority may, on application by the licensee, authorise.

Note. Section 51 applies to an authorisation referred to in paragraph (b).

26 **Authorisation to sell liquor for consumption away from licensed premises in special circumstances**

(1) Despite section 25 (1), liquor may be sold by retail on the licensed premises to which an on-premises licence relates for consumption away from the licensed premises if the licence is, on application by the licensee, endorsed by the Authority with an authorisation for the purposes of this section.

(2) An authorisation under this section does not authorise the sale of liquor on a restricted trading day.

(3) In granting an authorisation under this section, the Authority is to specify the circumstances in which, and the times when, liquor may be sold for consumption away from the licensed premises.

(4) The regulations may make provision for or with respect to the granting of an authorisation under this section (including limiting the circumstances for which such an authorisation may be granted by the Authority).

Note. Section 51 applies to an authorisation under this section.

27 **Requirement to provide food on licensed premises**

(1) Liquor may only be sold or supplied on the licensed premises to which an on-premises licence relates if food of a nature and quantity consistent with the responsible sale, supply and service of alcohol is made available whenever liquor is sold or supplied under the authorisation of the licence.
(2) If any requirements are prescribed by the regulations in relation to the nature and quality of any such food, those requirements must be complied with.

(3) Subsection (1) is subject to such exceptions as may be approved by the Authority in relation to any particular licensed premises.

28 Certain licensed premises must be open to general public

(1) This section applies to an on-premises licence that relates to:
(a) a restaurant, or
(b) a public entertainment venue.

(2) The business carried out under an on-premises licence to which this section applies must not be, or include, a business that is limited to the sale or supply of liquor only:
(a) to persons who have been invited to use or attend the licensed premises, or
(b) to a particular class, or particular classes, of persons using or attending the licensed premises.

(3) Subsection (2) is subject to such exceptions as may be approved by the Authority on a temporary basis in relation to any particular licensed premises or to such other exceptions as may be prescribed by the regulations. Also, subsection (2) does not apply to the extent that is necessary to comply with any other provision of this Act or with any other law.

Division 5 Packaged liquor licences

29 Authorisation conferred by packaged liquor licence

(1) Retail sales
A packaged liquor licence authorises the licensee to sell liquor by retail in sealed containers on the licensed premises, for consumption away from the licensed premises only:
(a) during the standard trading period or such other period as may be authorised by an extended trading authorisation, or
(b) in the case of any Sunday that falls on 24 December—from 8 am (or such earlier time as may be authorised by an extended trading authorisation) to midnight on that day.

(2) No retail trading on restricted trading days
Despite subsection (1), a packaged liquor licence does not authorise the licensee to sell liquor by retail on a restricted trading day.

(3) Selling liquor by wholesale or to employees
A packaged liquor licence also authorises the licensee:
(a) to sell liquor by wholesale, at any time on the licensed premises, to persons authorised to sell liquor (whether by wholesale or by retail), and

30 Liquor sales area required if bottle shop is part of another business activity

(1) If the primary purpose of the business carried out on the premises to which a packaged liquor licence relates is not the sale of liquor for consumption away from the licensed premises, liquor may only be sold under the licence in an area of the licensed premises (the liquor sales area) that is adequately separated from those parts of the premises in which other activities are carried out.

(2) The principal activity carried out in any such liquor sales area must be the sale or supply of liquor for consumption away from the licensed premises.

31 Restrictions on granting packaged liquor licences

(1) A packaged liquor licence must not be granted for premises that comprise a general store unless the Authority is satisfied that:

(a) in the neighbourhood of the premises concerned, no other take-away liquor service is reasonably available to the public, and

(b) the grant of the licence would not encourage drink-driving or other liquor-related harm.

(2) A packaged liquor licence must not be granted for premises comprising a service station or take-away food shop.

(3) In this section:

- **general store** means a convenience store, mixed business shop, corner shop or milk bar that has a retail floor area of not more than 240 square metres and that is used primarily for the retail sale of groceries or associated small items.

(3) For the purposes of this section, a product is the licensee’s product if:

(a) it has been produced on the licensed premises (or a vineyard related to the licensed premises) from fruit grown or honey produced on the licensed premises or vineyard, or

### Division 7 Limited licences

#### 36 Authorisation conferred by limited licence

1. **General scope of limited licence**
   
   A limited licence authorises the licensee to sell or supply liquor on the licensed premises:
   
   (a) in the case of a licence granted on behalf of a non-proprietary association:
      
      (i) for consumption on the licensed premises only, and
      (ii) only as part of, or in connection with, a function held in accordance with this Division, and
   
   (b) in the case of a licence granted in respect of a function that is a trade fair—for consumption on or away from the licensed premises.

2. **Sale or supply of liquor must be ancillary to purpose of function**
   
   The authorisation conferred by a limited licence does not apply unless the sale or supply of liquor at any function held under the licence is ancillary to the purpose for which the function is held.

3. **Functions required to be approved by Authority**
   
   Except in the case of functions referred to in subsection (5) or (6), liquor may only be sold or supplied under a limited licence at a function that has been approved by the Authority. If any such approved function is postponed, the approval by the Authority extends to the day to which the function is postponed.

4. **Maximum number of approved functions per year**
   
   The number of functions that may be approved in relation to a limited licence is not to exceed 52 per year (or such other number as the Authority considers appropriate in any particular case). This subsection does not apply in relation to a function referred to in subsection (5) or (6).

5. **Social functions held on premises of surf life saving clubs**
   
   In the case of a limited licence held on behalf of a surf life saving club, the licence also authorises the sale or supply of liquor at any gathering (referred to in this Division as a **club social function**) of the members of the club and their guests that:
   
   (a) has been organised by the club, and
   
   (b) is held on any Saturday, Sunday or public holiday (other than a restricted trading day) in connection with, or following, an activity associated with the conduct or administration of surf life saving,
   
   but only if notice has, at least 14 days before the day of the club social function, been given to the Commissioner of Police, the Authority and the local council in whose area the function is to be held.

6. **Special functions held on race days**
   
   In the case of a limited licence held on behalf of a racing club, the licence also authorises liquor to be sold or supplied at functions held on any day on which:

(b) an individual in respect of a trade fair.

*Note.* A non-proprietary association includes a registered club or any other club.

(2) The Authority may grant a limited licence authorising the sale or supply of liquor on the licensed premises only if the Authority is satisfied that the licence will not result in the frequent undue disturbance of the quiet and good order of the neighbourhood of the licensed premises.

(3) A limited licence is not to be granted if the Authority is of the opinion that the sale or supply of liquor under the licence would more appropriately be provided under another kind of licence.

### 38 Limited licence—miscellaneous conditions

(1) **How and when liquor may be sold or supplied**

Liquor may only be sold or supplied on the licensed premises to which a limited licence relates:

(a) by way of opened cans, opened bottles or other opened containers (except in the case of a trade fair in respect of which consumption away from the licensed premises is authorised), and

(2) The times when liquor may be sold or supplied under the licence are to be specified in the licence.

(3) The authorisation conferred by a limited licence does not apply unless the sale or supply of liquor under the licence is ancillary to the special event in respect of which the licence is granted.

(4) In this section, special event means an event of an infrequent or temporary nature that, in the opinion of the Authority, would have a beneficial social or economic impact on the community at a regional, State or national level.

(1) Any person may, subject to and in accordance with the regulations, make a submission to the Authority in relation to an application for a licence.

(2) If any such submission is made to the Authority, the Authority is to take the submission into consideration before deciding whether or not to grant the licence.

45 Decision of Authority in relation to licence application

   (a) the applicant is a fit and proper person to carry on the business or activity to which the proposed licence relates, and

   (b) practices will be in place at the licensed premises as soon as the licence is granted that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and that those practices will remain in place, and

   (c) if development consent is required under the Environmental Planning and Assessment Act 1979 (or approval under Part 3A or Part 5.1 of that Act is required) to use the premises for the purposes of the business or activity to which the proposed licence relates—that development consent or approval is in force.

   Note. Section 48 also requires the Authority to be satisfied of certain other matters before granting a hotel, club or packaged liquor licence.

(4) The regulations may also provide mandatory or discretionary grounds for refusing the granting of a licence.

(5) Without limiting subsection (3)(a), a person is not a fit and proper person to carry on the business or activity to which a proposed licence relates if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:

   (a) that the person:

      (i) is a member of, or

      (ii) is a close associate of, or

      (iii) regularly associates with one or more members of,

      a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and

   (b) that the nature and circumstances of the person’s relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted a licence.

(6) The Authority is not, under this or any other Act or law, required to give any reasons for not granting a licence because of subsection (5) to the extent that the giving of those reasons would disclose any criminal intelligence.
46 Duration of licences

(1) Except during any period of suspension, a licence continues to be in force until such time as it is surrendered to the Authority, cancelled or otherwise ceases to be in force or, in the case of a licence that is granted for a specified term, when that term expires.

(2) A licence may be surrendered only in accordance with such arrangements as may be approved by the Authority.

47 Granting of licence

(1) The regulations may prescribe, or provide for the determination of, a fee for the granting of a licence. If any such fee is prescribed or determined, the licence does not take effect unless the fee has been paid.

(2) The Authority may, in granting a licence, specify requirements that are to be complied with before the licence takes effect. The licence does not take effect until such time as any such requirements have been complied with.

(3) A licence is to be in the form approved by the Authority.

Division 1A Temporary freeze on licences and other authorisations

47A Definitions

(1) In this Division:

freeze period means the period:
(a) starting on the commencement of this section, and
(b) ending on 24 June 2011 (or such later date as may be prescribed by the regulations before the end of the freeze period) or, in the case of the Kings Cross precinct, ending on 24 December 2015.

freeze precinct means the Kings Cross precinct or a precinct described in Schedule 5.

subject premises means any premises situated wholly or partly in a freeze precinct.

(2) For the purposes of this Division and Schedule 5:

(a) a precinct that is described by reference to specified streets is taken to include all the premises on those streets, and

(b) premises are taken to be on a street if:

(i) the street address of the premises includes the name of the street, or

(ii) the premises front or back onto, or abut, the street, or

(iii) the premises can be entered from the street, or

(iv) the regulations provide that the premises are situated in the immediate vicinity of the street.

(2A) Subsection (2) does not apply in relation to the Kings Cross precinct.

(3) A reference in this Division:

(a) to a public entertainment venue does not (except where otherwise expressly provided) include a reference to a cinema or theatre, and

(b) to a producer/wholesaler licence is a reference to such a licence only to the extent that the licence authorises, or would authorise, the sale of liquor by retail (other than the retail sale of liquor at a wine show or a producers’ market or fair in accordance with section 33 (1) (d) or (e)).

47AA Exclusion of small venues

(1) This Division does not apply to or in respect of subject premises:
(a) that comprise a small venue, and
(b) that would, as a result of any application under this Act or an application for development consent as referred to in section 47I, continue to comprise a small venue.

(2) For the purposes of this section, premises comprise a small venue if:
(a) not more than 60 patrons may be lawfully on the premises at any one time under the licence conditions for the premises or any relevant consent for the premises under the Environmental Planning and Assessment Act 1979, and
(b) there are no gaming machines or other facilities for gambling or betting on the premises, and
(c) the sale or supply of liquor for consumption away from the premises is not authorised by the licence for the premises, and
(d) the premises do not operate as a public entertainment venue, and
(e) the premises meet any other criteria prescribed by the regulations.

(3) The regulations may prescribe criteria for premises to be regarded as a small venue for the purposes of this section, including criteria relating to the location of the premises, to the trading hours of the premises or to any connection with or relationship to other premises in the area.

47B Restrictions on granting new licences

(1) During the freeze period, the following types of licences must not be granted for subject premises:
(a) hotel licence,
(b) club licence,
(c) on-premises licence that relates to a public entertainment venue,
(d) packaged liquor licence,
(e) producer/wholesaler licence.

(2) During the freeze period, the Authority must not grant an on-premises licence (other than an on-premises licence referred to in subsection (1) (c)) for subject premises if the Authority is satisfied that the granting of the licence is likely to result in an increase in the number of persons who enter the freeze precinct in which the premises are situated principally to consume alcohol.

47C Restrictions on granting extended trading authorisations

During the freeze period:
(a) an extended trading authorisation (other than an extended trading authorisation referred to in paragraph (c)) must not be granted in relation to subject premises, and
(b) an extended trading authorisation applying to subject premises must not be varied so as to increase the trading hours of the premises, and
(c) the Authority must not grant an extended trading authorisation in relation to subject premises so as to authorise the sale or supply of liquor on the premises for a special occasion that takes place on a specified date, and not on a regular basis, if the Authority is satisfied that the granting of the authorisation is likely to result in:
   (i) an increase in the number of persons who enter the freeze precinct in which the premises are situated principally to consume alcohol, or
   (ii) an increase in the patron capacity of the premises.
47D Restrictions on varying or revoking licence conditions

(1) During the freeze period, the conditions to which a licence is subject, being a licence to which this section applies that is held in respect of subject premises, must not be varied or revoked if any such variation or revocation would result in an increase in the trading hours of the subject premises. This subsection does not, however, prevent the granting of an extended trading authorisation as referred to in section 47C (c).

(2) Without limiting the operation of subsection (1), the Authority must not, during the freeze period, take action under any other provision of this Act to vary or revoke the conditions to which a licence is subject, being a licence to which this section applies that is held in respect of subject premises, if the Authority is satisfied that the variation or revocation of the condition is likely to result in:
   (a) an increase in the number of persons who enter the freeze precinct in which the premises are situated principally to consume alcohol, or
   (b) an increase in the patron capacity of the premises.

(3) This section applies to the following types of licences:
   (a) hotel licence,

(1) During the freeze period, an authorisation under section 24 (3) must not be granted in relation to subject premises for which any of the following types of licences is held:
   (a) on-premises licence that relates to a public entertainment venue,
   (b) on-premises licence that relates to a restaurant.

(2) During the freeze period, the Authority must not grant an authorisation under section 24 (3) in relation to subject premises for which an on-premises licence is held (other than an on-premises licence referred to in subsection (1)) if the Authority is satisfied that the granting of the authorisation is likely to result in:
   (a) an increase in the number of persons who enter the freeze precinct in which the premises are situated principally to consume alcohol, or
   (b) an increase in the patron capacity of the premises.

47F Restrictions on approving licence removals

(1) Removal of licence from premises situated outside of freeze precinct

During the freeze period, the removal of any of the following types of licences must not be approved if the licence would be removed to subject premises from premises that are not situated in the freeze precinct in which the subject premises are situated:
   (a) hotel licence,
   (b) club licence,
   (c) on-premises licence that relates to a public entertainment venue,
   (d) packaged liquor licence,
   (e) producer/wholesaler licence.
(2) During the freeze period, the Authority must not approve the removal of an on-premises licence (other than an on-premises licence that relates to a public entertainment venue) to subject premises from premises that are not situated in the freeze precinct in which the subject premises are situated if the Authority is satisfied that:
   (a) the removal of the licence to the subject premises is likely to result in an increase in the number of persons who enter the freeze precinct in which the subject premises are situated principally to consume alcohol, or
   (b) the patron capacity of the subject premises will be more than the patron capacity of the premises from which the licence would be removed.

(3) **Removal of licence between premises in same freeze precinct**

During the freeze period, the Authority must not approve the removal of a licence, being a licence to which this subsection applies, to subject premises from other premises situated in the same freeze precinct in which the subject premises are situated if the Authority is satisfied that:
   (a) the removal of the licence to the subject premises is likely to result in an increase in the number of people who enter the freeze precinct in which the subject premises are situated principally to consume alcohol, or
   (b) the patron capacity of the subject premises will be more than the patron capacity of the premises from which the licence would be removed.

(4) Subsection (3) applies to the following types of licences:
   (a) hotel licence,
   (b) club licence,
   (c) on-premises licence,
   (d) packaged liquor licence,
   (e) producer/wholesaler licence.

---

**47G Restrictions on changing boundaries of premises**

(1) During the freeze period, the Authority must not change the specified boundaries (as referred to in section 94) of subject premises to which this subsection applies if the Authority is satisfied that the change in the boundaries of the premises is likely to result in:
   (a) an increase in the number of people who enter the freeze precinct in which the subject premises are situated principally to consume alcohol, or
   (b) an increase in the patron capacity of the subject premises.

(2) Subsection (1) applies to subject premises in respect of which any of the following types of licences is held:
   (a) hotel licence,
   (b) club licence,
   (c) on-premises licence,
   (d) packaged liquor licence,
   (e) producer/wholesaler licence.

(3) Without limiting subsection (1), the specified boundaries of any licensed premises to which a producer/wholesaler licence relates (being a producer/wholesaler licence to which section 35 applies) must not, during the freeze period, be changed if the change would result in the licensed premises being situated in a freeze precinct.
47H Restrictions on licence conditions imposed by Director-General

(1) During the freeze period, the Director-General must not, except in such cases as the Director-General considers appropriate, impose a condition on a licence, or vary or revoke any condition of a licence, being a licence to which this section applies that is held in respect of subject premises, if the Director-General is satisfied that the condition, or the variation or revocation of the condition, is likely to result in:

(a) an increase in the number of people who enter the freeze precinct in which the subject premises are situated principally to consume alcohol, or

(b) an increase in the patron capacity of the premises.

(2) This section applies to the following types of licences:

(a) hotel licence,
(b) club licence,
(c) on-premises licence that relates to a public entertainment venue (including a cinema or a theatre),
(d) on-premises licence that relates to a restaurant,
(e) packaged liquor licence,
(f) producer/wholesaler licence.

(3) Subsection (1) does not limit the operation of section 47D (1).

47I Restrictions on granting development consent in relation to subject premises

(1) During the freeze period, development consent to carry out development on subject premises must not be granted by a consent authority if the development requires a licence, approval, authorisation or other action under this Act that cannot be granted or taken because of the operation of the other provisions of this Division.

(2) For the purposes of subsection (1), any matter under those other provisions of which the Authority is required to be satisfied is to be a matter of which the consent authority is required to be satisfied.

(3) This section does not apply to or in respect of an application for development consent:

(a) to carry out development on subject premises for the purposes of a restaurant, or

(b) to carry out development on subject premises that are in a freeze precinct described in Part 2 of Schedule 5, or

(c) that was made on or before the relevant introduction date.

(4) This section does not prevent:

(a) an application for development consent from being amended under the EP&A Act by the applicant for the purposes of removing or modifying that part of the application that would otherwise prevent it from being granted because of subsection (1), or

(b) the consent authority from determining any such amended application in accordance with that Act.

(5) A reference in this section:

(a) to an application for development consent includes a reference to an application to modify an existing development consent, and

(b) to the granting of development consent includes a reference to the modification of a development consent.
(6) A reference in this section to a consent authority includes, in the case of any development that is complying development, a reference to a certifying authority.

(7) The provisions of the EP&A Act that provide for an appeal to the Land and Environment Court on the basis that the period for determining an application for development consent has expired before the application is determined do not, for the duration of the freeze period, apply in relation to an application for development consent that cannot be granted by the consent authority because of this section. In the case of any such application for development consent, the period under the relevant provision of the EP&A Act for determining the application is taken to commence immediately on the expiration of the freeze period.

(8) Words and expressions used in this section or in section 47J that are defined in the EP&A Act have the same meaning as in that Act.

(9) In this section:

relevant introduction date means the date on which the Bill for the Liquor Amendment (Temporary Licence Freeze) Act 2009 was introduced into the Legislative Assembly.

47J Regulations

The regulations may:

(a) impose restrictions on the granting or determination, during the freeze period, of any type of licence or other matter in relation to subject premises (being a type of licence or matter that could be granted under this Act and is not otherwise dealt with under this Division), and

(b) impose restrictions on the granting, during the freeze period, of development consent to carry out development on subject premises (being development consent that is not otherwise restricted by the operation of section 47I and that relates to the carrying out of development to which the other provisions of this Division apply), and

(c) provide exceptions to all or any part of this Division, and

(d) amend Part 1 or 2 of Schedule 5 (including, without limitation, by adding or removing, or varying the description of, a precinct).

Division 2 Miscellaneous provisions relating to licences and licence-related authorisations

48 Community impact

(1) The object of this section is to facilitate the consideration by the Authority of the impact that the granting of certain licences, authorisations or approvals will have on the local community, in particular by providing a process in which the Authority is made aware of:

(a) the views of the local community, and

(b) the results of any discussions between the applicant and the local community about the issues and concerns that the local community may have in relation to the application.

(2) In this section:

relevant application means any of the following:

(d) an application for an extended trading authorisation in relation to an on-premises licence (but only if the authorisation will result in trading at any time between midnight and 5 am),

(e) an application for an extended trading authorisation in relation to a producer/wholesaler licence (but only if the authorisation will result in retail trading at any time between midnight and 5 am),

(f) any particular application (or class of application) that is required by the Authority to be accompanied by a community impact statement,

(g) any other application of a kind prescribed by the regulations or made in such circumstances as may be prescribed by the regulations, but does not include any application for an extended trading authorisation in relation to a special occasion (as referred to in section 49 (5) (b) or (5A)).

(3) A relevant application must be accompanied by a community impact statement.

(4) The community impact statement must:

(a) be prepared in accordance with the regulations and any requirements of the Authority, and

(b) be in the form approved by the Authority.

(5) The Authority must not grant a licence, authorisation or approval to which a relevant application relates unless the Authority is satisfied, after having regard to:

(a) the community impact statement provided with the application, and

(b) any other matter the Authority is made aware of during the application process (such as by way of reports or submissions),

that the overall social impact of the licence, authorisation or approval being granted will not be detrimental to the well-being of the local or broader community.

(6) The regulations may make provision for or with respect to the following:

(a) the requirements that must be satisfied in relation to the preparation of a community impact statement (including consultation requirements),

(b) the matters to be addressed by a community impact statement,

(c) the information to be provided in a community impact statement,

(d) the criteria for determining the local and broader community for the purposes of a relevant application,

(e) any other matter relating to the preparation and content of a community impact statement.

(7) Without limiting subsection (6), the regulations may provide that the matters to be addressed by a community impact statement are, in the case of an application for an extended trading authorisation in relation to a hotel licence, to include matters relating to gambling activities on the licensed premises during the period that the authorisation is proposed to be in force.

49 Extended trading authorisation

(1) Application of section

This section applies in relation to the following types of licences (referred to in this section as a relevant licence):
(a) a hotel licence,

(e) a producer/wholesaler licence.

(2) **Extended trading authorisation for consumption on premises**

In the case of a relevant licence (other than a packaged liquor licence) that authorises the sale or supply of liquor for consumption on the licensed premises, the Authority may, on application by the licensee, authorise the licensee to sell or supply liquor, for consumption on the licensed premises only, during any of the following periods:

(a) in the case of a hotel licence—a specified period between midnight (other than midnight on a Sunday) and 5 am on any day of the week (other than a Monday),
(b) in the case of a relevant licence other than a hotel licence—a specified period between midnight and 5 am on any day of the week,
(c) in any case—a specified period between 5 am and 10 am on a Sunday,
(d) in any case—a specified period between 10 pm and midnight on a Sunday.

(2A) Without limiting subsection (2), the Authority may, in the case of an on-premises licence, authorise the licensee, on application by the licensee, to sell or supply liquor for consumption on the licensed premises during any of the following periods:

(a) a specified period between 5 am and noon on a restricted trading day,
(b) a specified period between 10 pm and midnight on a restricted trading day.

**Note.** The sale of liquor at these times is subject to the requirement that a meal is also served—see section 25 (3).

(3) Despite subsection (2) (a), the Authority may, in the case of a hotel:

(a) situated in the area constituting the City of Sydney (as at 1 July 1994), or
(b) situated in the Kings Cross precinct, or
(b1) situated in the area including and bounded by the parts of streets specified in Schedule 3 (Oxford Street–Darlinghurst precinct) or that fronts or backs onto, or abuts, any such specified part, or
(c) situated in the Kosciuszko National Park,

authorise the licensee, on application by the licensee, to sell or supply liquor, for consumption on the licensed premises only, during a specified period between midnight on a Sunday and 5 am on a Monday.

(4) **Extended trading authorisation for take-away sales on Sundays**

In the case of a relevant licence (including a packaged liquor licence) that authorises the sale or supply of liquor for consumption away from the licensed premises, the Authority may, on application by the licensee, authorise the licensee to sell or supply liquor, for consumption away from the licensed premises only, during a specified period between midnight on a Sunday and 5 am on a Monday.

(5) **Nature of extended trading authorisation**

An extended trading authorisation operates to authorise the sale or supply of liquor on the licensed premises:
(a) on a regular basis (until such time as the authorisation is varied or revoked by the Authority), or
(b) if the authorisation so provides—on a special occasion that takes place on a specified date.

(5A) Despite subsection (2) (a), the Authority may, in the case of a hotel licence, authorise the licensee, on application by the licensee, to sell or supply liquor for consumption on the licensed premises during a specified period between midnight on a Sunday and 5 am on a Monday, but only on or in connection with a special occasion that takes place on a specified date.

(6) **Extended trading period to be specified**

In granting an extended trading authorisation, the Authority is to specify:

(a) the extended trading hours during which the licensee is authorised to sell or supply liquor, and
(b) the part or parts of the licensed premises to which the authorisation applies.

(7) **Extended trading not permitted on or in relation to restricted trading days—hotels and licensed public entertainment venues**

Despite any other provision of this section, an extended trading authorisation cannot, in the case of a hotel licence or an on-premises licence that relates to a public entertainment venue (other than a cinema or a theatre), be granted to authorise the sale or supply of liquor for consumption on the licensed premises during any of the following periods:

(a) between 5 am and noon on a restricted trading day,
(b) between 10 pm and midnight on a restricted trading day,
(c) between midnight and 5 am on any day immediately following a restricted trading day.

(8) **Restrictions on granting extended trading authorisation**

The Authority must not grant an extended trading authorisation in respect of licensed premises unless the Authority is satisfied that:

(a) practices are in place, and will remain in place, at the licensed premises that ensure as far as reasonably practicable that liquor is sold, supplied or served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and
(b) the extended trading period will not result in the frequent undue disturbance of the quiet and good order of the neighbourhood of the licensed premises.

(9) For the purposes of this section, a *special occasion* means the occasion of a unique or infrequent event of local, State or national significance that persons independent of the licensee (and of the owner or occupier of the premises) desire to celebrate or mark on the licensed premises concerned.

**50 Drink on-premises authorisation for producers of wine and similar products**

(1) The Authority may, on application by the holder of a producer/wholesaler licence, endorse the licence with an authorisation (referred to as a *drink on-premises authorisation*) relating to the sale, supply and consumption of liquor on the licensed premises.

(2) A drink on-premises authorisation authorises the licensee to sell liquor by retail on the licensed premises, for consumption on the licensed premises only:
(a) on any day of the week (except a restricted trading day)—during the standard trading period for that day or during such other period as may be authorised by an extended trading authorisation, and

(b) on 31 December in any year—from the start of the standard trading period for that day until 2 am on the next succeeding day, and

(c) on a restricted trading day—from noon to 10 pm.

51 General provisions applying to licence-related authorisations

(1) This section applies to the following authorisations granted by the Authority under this Act:

(a) an extended trading authorisation,

(b) a drink on-premises authorisation,

(c) any other authorisation that may be granted by the Authority under Part 3 (other than a licence),

(e) a minors functions authorisation.

(2) An application for an authorisation to which this section applies must:

(a) be in the form and manner approved by the Authority, and

(c) if required by the regulations to be advertised—be advertised in accordance with the regulations, and

(d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

(3) In determining an application for an authorisation, the Authority has the same powers in relation to the application as the Authority has in relation to an application for a licence. The Authority may determine the application whether or not the Director-General has provided a report in relation to the application.

(4) If, before an application for an authorisation is determined by the Authority, a change occurs in the information provided in, or in connection with, the application (including information provided under this subsection), the applicant must immediately notify the Authority of the particulars of the change.

Maximum penalty: 20 penalty units.

(5) Any person may, subject to and in accordance with the regulations, make a submission to the Authority in relation to an application for an authorisation.

(6) If any such submission is made to the Authority, the Authority is to take the submission into consideration before deciding whether or not to grant the authorisation.

(7) The regulations may prescribe, or provide for the determination of, a fee in respect of the granting of an authorisation. If any such fee is prescribed or determined, the authorisation does not take effect unless the fee has been paid.

(8) The Authority may, in granting an authorisation, specify requirements that are to be complied with before the authorisation takes effect. The authorisation does not take effect until such time as any such requirements have been complied with.

(9) An authorisation:

(a) is subject to such conditions:
as are imposed by the Authority (whether at the time the authorisation is granted or at a later time), or
(ii) as are imposed by or under this Act or as are prescribed by the regulations, and
(b) may be varied or revoked by the Authority on the Authority’s own initiative or on application by the licensee, the Director-General or the Commissioner of Police.

(10) Any such application by a licensee to vary or revoke an authorisation (including any conditions to which the authorisation is subject that have been imposed by the Authority) must be accompanied by the fee prescribed by the regulations.

(11) For the purposes of this Act, any condition to which an authorisation is subject is taken to be a condition of the licence to which the authorisation relates.

(12) An authorisation has effect only while all the conditions to which it is subject are being complied with.

(13) The Authority must not impose a condition on an authorisation, or revoke or vary an authorisation, other than a variation made on application by a licensee, unless the Authority has:
(a) given the licensee to whom the authorisation relates a reasonable opportunity to make submissions in relation to the proposed decision, and
(b) taken any such submissions into consideration before making the decision.

(14) This section does not authorise the revocation or variation of a condition to which an authorisation is subject if the condition is imposed by this Act or is prescribed by the regulations.

52 Authority may impose special licence conditions

(1) Conditions relating to harm minimisation
The Authority may impose conditions on a licence prohibiting or restricting activities (such as promotions or discounting) that could encourage misuse or abuse of liquor (such as binge drinking or excessive consumption).

(2) Conditions relating to serving of liquor
The Authority may impose conditions on a licence requiring a licensee, in specified circumstances:
(a) to cease to serve liquor on the licensed premises, or
(b) to restrict access to the licensed premises in a manner and to the extent provided by the conditions, or both, from a time of day that is earlier than the time at which, as otherwise required by the licence, trading must cease.

(3) Conditions relating to local liquor accords
The Authority may impose conditions on a licence requiring the licensee to participate in, and to comply with, a local liquor accord.

53 Authority may impose, vary or revoke licence conditions

(1) Without limiting any other provision of this Act, the Authority may at any time:
(a) on application by the Director-General or the Commissioner of Police, or
(b) on the Authority’s own initiative, impose conditions on a licence.
(1A) The conditions that may be imposed by the Authority on a licence under this section include, but are not limited to, conditions:

(a) prohibiting the sale or supply of liquor on the licensed premises before 10 am or after 11 pm (or both), and

(b) restricting the trading hours of, and public access to, the licensed premises.

(2) The Authority may at any time:

(a) on application by the licensee, the Director-General or the Commissioner of Police, or

(b) on the Authority’s own initiative,

vary or revoke a condition of a licence that has been imposed (or taken to have been imposed) by the Authority under this Act.

(3) An application under subsection (1) or (2) must:

(a) be in the form and manner approved by the Authority, and

(b) in the case of an application by a licensee—be accompanied by the fee prescribed by the regulations, and

(c) be accompanied by such information and particulars as may be prescribed by the regulations, and

(d) if required by the regulations to be advertised—be advertised in accordance with the regulations, and

(e) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

(4) The Authority must not impose a condition on a licence after it has been granted, or vary or revoke a condition that has been imposed (or taken to have been imposed) by the Authority, unless the Authority has:

(a) given the licensee a reasonable opportunity to make submissions in relation to the proposed decision, and

(b) taken any such submissions into consideration before making the decision.

(5) Any person may, subject to and in accordance with the regulations, make a submission to the Authority in relation to an application under this section to vary or revoke a condition to which a licence is subject.

(6) If any such submission is made to the Authority, the Authority is to take the submission into consideration before deciding whether or not to vary or revoke the licence condition.

54 Director-General may impose, vary or revoke licence conditions

(1) Without limiting the power of the Director-General to impose conditions on a licence under any other provision of this Act, the Director-General may impose conditions on a licence for such reasons, or in such circumstances, as the Director-General considers necessary or appropriate.

(1A) The conditions that may be imposed by the Director-General on a licence include, but are not limited to, conditions:

(a) prohibiting the sale or supply of liquor on the licensed premises before 10 am or after 11 pm (or both), and

(b) restricting the trading hours of, and public access to, the licensed premises.

(2) The Director-General may, on application by the licensee or the Commissioner of Police or on the Director-General’s own initiative:
(a) vary or revoke a licence condition that has been imposed by the Director-General under this section or any other provision of this Act, or
(b) vary or revoke a licence condition:
   (i) relating to the trading hours of any licensed premises, or
   (ii) relating to licensed premises situated wholly or partly in the precinct to which a precinct liquor accord applies or in an area to which a community event liquor accord applies,
that has been imposed (or taken to have been imposed) by the Authority.

(3) The Director-General must not impose a condition on a licence under this section, or vary or revoke a condition otherwise than on the application of the licensee, unless the Director-General has:
   (a) given the licensee a reasonable opportunity to make submissions in relation to the proposed decision, and
   (b) taken any such submissions into consideration before making the decision.

(4) The power of the Director-General to impose conditions on a licence under this section, or to vary or revoke a condition, may also be exercised in relation to any authorisation to which section 51 applies that is held in relation to the licence concerned.

(5) Except in the case of a condition imposed under subsection (1A) or in the case of the variation or revocation of a condition referred to in subsection (2) (b), this section does not authorise the Director-General:
   (a) to impose a condition that is inconsistent with a condition that has been imposed by the Authority or is imposed by this Act or the regulations, or
   (b) to vary or revoke a condition of a licence that has been imposed by the Authority or is imposed by this Act or the regulations.

54A Directions relating to “sale on other premises” authorisations

(1) The Director-General may give a licensee who is the holder of an authorisation under section 25 (6), or any employee or agent of such a licensee, a written direction that relates to the operation of the authorisation.

(2) Without limitation, any such direction may prohibit or restrict the sale of liquor under the authorisation during such times, or on such premises, as may be specified in the direction.

(3) A direction under this section:
   (a) takes effect when it is given to the licensee or person concerned or on a later date specified in the direction, and
   (b) may be varied or revoked by the Director-General, and
   (c) has effect despite the authority conferred by the authorisation concerned.

(4) A licensee or person who fails to comply with a direction under this section is guilty of an offence.
    Maximum penalty: 50 penalty units.

55 Requirement to provide information in relation to persons interested in licensee’s business

(1) If a person (other than the licensee or a financial institution) becomes interested in the business, or the conduct of the business, carried out on licensed premises, it is a condition of the licence that the Authority is provided with the following information within 28 days after the other person becomes so interested:
(a) the name and date of birth of the person so interested and, in the case of a proprietary company, the names of the directors and shareholders,

(b) a statement, signed by the licensee, that the licensee has made all reasonable inquiries to ascertain the information referred to in paragraph (a).

(2) For the purposes of subsection (1), a person is interested in the business, or the conduct of the business, carried out on licensed premises if the person is entitled to receive:

(a) any income derived from the business, or any other financial benefit or financial advantage from the carrying on of the business (whether the entitlement arises at law or in equity or otherwise), or

(b) any rent, profit or other income in connection with the use or occupation of the premises on which the business is to be carried on.

(3) The information required to be provided to the Authority under this section may be provided by the interested person.

(4) This section does not apply in relation to limited licences.

(5) The regulations may create exceptions to this section.

56 Incident registers

(1) If the sale or supply of liquor after midnight on licensed premises is authorised at least once a week on a regular basis, it is a condition of the licence that the licensee maintains an incident register in the form approved by the Authority.

(2) An incident register required to be kept under this section is to record details of the following incidents that occur outside of the standard trading period for the licensed premises or that occur between midnight and 3 am in the case of a limited licence:

(a) any incident involving violence or anti-social behaviour occurring on the licensed premises,

(b) any incident of which the licensee is aware that involves violence or anti-social behaviour occurring in the immediate vicinity of the licensed premises and that involves a person who has recently left, or been refused admission to, the premises,

(c) any incident that results in a person being turned out of the licensed premises under section 77,

(d) any other incident of a kind prescribed by the regulations.

(3) The incident register must also record details of any action taken in response to any such incident.

57 Authority may establish administrative policies and procedures in relation to licensing matters

(1) The Authority may approve policies and procedures for administering the licensing scheme under this Act.

(2) Any such policies and procedures may be applied by the Authority:

(a) in dealing with applications for licences, authorisations or other matters that may be granted by the Authority under this Act, and

(b) in determining those applications.
58 Courses of training and instruction for applicants and licensees

(1) The Authority may require an applicant or class of applicants for such kinds of licences as the Authority determines to attend a course of training or instruction approved by the Authority.

(2) If an applicant is required to attend any such course of training, the Authority:
   (a) may refuse to grant the licence until such time as the applicant has completed the course to the standard required by the Authority, or
   (b) may grant the licence subject to the condition that the licensee completes the course to the standard required by the Authority within such time as the Authority determines.

(3) The Authority may require a licensee to undertake and satisfactorily complete such further courses of training or instruction as may be approved by the Authority in respect of the class of licence concerned. It is a condition of a licence that the licensee comply with any such requirement.

Division 3 Licence removals and transfers

59 Removal of licence to other premises

(1) A licensee may apply to the Authority for approval to remove the licence to premises other than those specified in the licence.

(2) An application for approval to remove a licence to other premises must:
   (a) be in the form and manner approved by the Authority, and
   (b) be accompanied by the fee prescribed by the regulations and such information and particulars as may be prescribed by the regulations, and
   (c) be advertised in accordance with the regulations, and
   (d) comply with such other requirements as may be approved by the Authority or prescribed by the regulations.

(3) An application for approval to remove a licence to other premises is to be dealt with and determined by the Authority as if it were an application for the granting of a licence in respect of those other premises. Accordingly, the provisions of Division 1, in particular, extend to an application for the removal of a licence to other premises as if it were an application for a licence.

(4) The Authority may refuse an application for approval to remove a hotel licence if the Authority is satisfied that the removal of the licence would adversely affect the interest of the owner or a lessee or mortgagee of the premises from which it is proposed to remove the hotel licence, or a sublessee from a lessee or sublessee of those premises.

(5) The Authority must refuse an application for approval to remove a licence unless the Authority is satisfied that:
   (a) practices will, as soon as the removal of the licence takes effect, be in place at the premises to which the licence is proposed to be removed that ensure, as far as reasonably practicable, that liquor is sold, supplied or served responsibly on those premises and that all reasonable steps are taken to prevent intoxication on those premises, and
   (b) those practices will remain in place.

(6) The regulations may provide additional mandatory or discretionary grounds for refusing to approve the removal of a licence.

(7) The approval to remove a licence to other premises takes effect:
(a) on payment to the Authority of the fee prescribed by the regulations, and
(b) when the Authority endorses the licence to the effect that those other premises
are the premises to which the licence relates.

60 Transfer of licence

(1) The Authority may, on application made in accordance with this section, approve the
transfer of a licence to a person who, in the opinion of the Authority, would be
entitled to apply for the same kind of licence in relation to the licensed premises.

(2) An application for approval to transfer a licence may be made by the licensee or the
person to whom the licence is proposed to be transferred.

(3) In the case of the transfer of a limited licence that is held by a person on behalf of a
non-proprietary association, the application for approval to transfer the licence may
be made:
(a) by the secretary or other relevant office holder of the non-proprietary
association, or
(b) if the non-proprietary association is a local council—by the general manager
of the council, or
(c) if the non-proprietary association is a public authority or community
organisation referred to in paragraph (c) of the definition of non-proprietary
association in section 4 (1)—by the chief executive officer of the authority or
organisation.

(4) An application for approval to transfer a licence must:
(a) be in the form and manner approved by the Authority, and
(b) be accompanied by the fee prescribed by the regulations and such information
and particulars as may be prescribed by the regulations, and
(c) if made by a person other than the licensee—be accompanied by the written
consent of the licensee to the proposed transfer, and
(d) comply with such other requirements as may be approved by the Authority or
prescribed by the regulations.

(5) An application for approval to transfer a licence to another person is to be dealt with
and determined by the Authority as if it were an application for the granting of a
licence to the other person and the other person was the applicant for the licence.
Accordingly, the provisions of Division 1 apply in relation to an application under
this section.

(6) A club licence may be transferred to another club only if the Authority is satisfied
that the requirements of Division 1A or 1B of Part 2 of the Registered Clubs Act 1976
and of any regulations made for the purposes of this section have, to the extent that
they apply in relation to the transfer, been complied with.

Note, Division 1A of Part 2 of the Registered Clubs Act 1976 relates to club amalgamations
and Division 1B relates to the de-amalgamation of amalgamated clubs.

(7) The Authority may provisionally approve the transfer of a licence to another person
if the Authority is satisfied that:
(a) there is nothing that would preclude the Authority from approving the transfer
of a licence, and
(b) the circumstances of the case justify giving the approval on a provisional basis.

(8) A provisional approval to transfer a licence is sufficient authority for the transfer
of the licence. However, any such provisional approval ceases to have effect unless it is
confirmed by the Authority before the end of the period specified by the Authority
when provisionally approving the transfer (or such later period as may be allowed by the Authority before the expiration of the specified period).

(9) If a provisional approval to transfer a licence ceases to have effect because of the operation of subsection (8), the Authority may make such orders in relation to the licence as the Authority considers appropriate, including any of the following orders:
   (a) an order that the licence is to revert to the transferor,
   (b) an order treating a person (with the person’s consent) as licensee until a transfer of the licence is effected,
   (c) an order that the licence cannot be exercised until specified conditions are met or the Authority orders otherwise.

(10) Any such order has effect according to its terms.

(11) The Authority must not approve or provisionally approve the transfer of a licence unless satisfied:
   (a) that practices will be in place at the licensed premises of the transferee as soon as the licence is transferred that ensure as far as reasonably practicable that liquor is sold, supplied and served responsibly on the premises and that all reasonable steps are taken to prevent intoxication on the premises, and
   (b) that those practices will remain in place.

(12) The transfer of a licence has effect as if the licence had been granted to the transferee.

61 Application for transfer of licence on dispossession of licensee

(1) This section applies in relation to a licence (other than a club licence) if:
   (a) the licensee is evicted from the licensed premises, or
   (b) the owner of the licensed premises comes into, or becomes entitled to, possession of the licensed premises to the exclusion of the licensee, or
   (c) the licensee is no longer employed by the owner of the business carried on under the licence (the business owner) or in attendance at the premises in the capacity as licensee.

(2) An application for a transfer of the licence may be made by the owner of the licensed premises or by the business owner.

(3) The owner of the licensed premises who comes into, or is entitled to, possession of the premises, or the business owner (as the case requires), is taken to be the licensee of the premises until:
   (a) the day that is 28 days after this section becomes applicable, or
   (b) the day on which application is made under subsection (2), whichever first occurs.

(4) If an application is made under subsection (2) not later than 28 days after this section becomes applicable, the applicant is, until the application is determined by the Authority, taken to be the licensee under the licence to which the application relates.

(5) The Authority is not to determine an application for the transfer of a licence under this section unless:
   (a) the Authority is satisfied:
      (i) that notice of the application was given to the dispossessed licensee at least 3 clear days before the Authority determines the application (or that all reasonable steps necessary for giving notice were taken by or on behalf of the applicant and that failure to give notice was not due to any neglect or default of the applicant), and
(ii) if so notified, that the dispossessed licensee has been given a reasonable opportunity to make submissions in relation to the application, and

(b) the Authority is satisfied that any lessee of the licensed premises has been notified of the application for the transfer of the licence and been given a reasonable opportunity to make submissions in relation to the application, and

(c) the Authority has taken any submissions made under this subsection into consideration.

(6) Section 60 applies, with such modifications as are necessary, in relation to an application for the transfer of a licence under this section.

62 Carrying on licensee’s business after death etc of licensee

(1) In this section, a reference to the business of a licensee is a reference to the business of the licensee carried on by the licensee under the licence immediately before the licensee’s death, bankruptcy or other disability referred to in this section.

(2) If a licensee dies, the business of the licensee may be carried on for a period not exceeding one month by a person of or above the age of 18 years who:

(a) was the spouse or de facto partner of the licensee, or

(b) is a member of the family left by the licensee, or

(c) carries on the business on behalf of the family left by the licensee, so long as the Authority is notified immediately that the business of the licensee is being so carried on.

Note. “De facto partner” is defined in section 21C of the Interpretation Act 1987.

(3) If, within the period of one month referred to in subsection (2), an application is made to the Authority by:

(a) the person carrying on the business of the licensee under subsection (2), or

(b) a person who claims that, for the purpose of continuing to carry on the business, the person should be preferred to the person referred to in paragraph (a),

for endorsement of the licence, as agent, of the name of the applicant, the person referred to in paragraph (a) may continue to carry on the business of the licensee until the application is determined.

(4) If, under the Bankruptcy Act 1966 of the Commonwealth, a trustee holds office in relation to the business of a licensee, the business of the licensee may be carried on by the trustee, or by a person authorised for the purpose by the trustee, so long as:

(a) the Authority is notified immediately that the business is being so carried on, and

(b) an application is made to the Authority by the trustee as soon as practicable for endorsement on the licence, as agent, of the name of the person so authorised.

(5) If a licensee becomes a mentally incapacitated person, the business of the licensee may be carried on by the NSW Trustee and Guardian or a person authorised for the purpose by the NSW Trustee and Guardian, so long as:

(a) the Authority is notified immediately that the business of the licensee is being so carried on, and

(b) an application is made to the Authority by the NSW Trustee and Guardian as soon as practicable for endorsement on the licence, as agent, of the name of the person so authorised.

(6) A person who carries on the business of a licensee under this section is, while the person so carries on the business, taken to be the licensee.
(7) An application under this section must be accompanied by the fee prescribed by the regulations.

(8) The Authority is to notify the Director-General and the Commissioner of Police of any application under this section and the Director-General and the Commissioner are entitled to make submissions in relation to such an application.

63 Grant of application for endorsement of licence following death etc of licensee

(1) The Authority may grant an application under section 62 if the Authority is satisfied that the person whose name the applicant seeks to have endorsed on the licence is a fit and proper person to carry on the business to which the application relates.

(2) In deciding whether or not to grant an application under section 62, the Authority is to take into consideration any submissions made by the Director-General or the Commissioner of Police in relation to the application.

(3) If, following the death of a licensee, the Authority is so satisfied in relation to more than one such person, the Authority may grant the application of such one of them as the Authority thinks fit.

(4) The granting of an application under section 62 takes effect with respect to a licence when the Authority endorses the licence accordingly.

(5) A person whose name is endorsed on a licence under subsection (4) is, while the endorsement has effect, taken to be the licensee.

(6) Subject to section 64 (4), an endorsement under this section has effect for the period specified by the Authority. Any such specified period may, before the period expires, be extended by the Authority on application by the person who is taken to be the licensee.

64 Transfer of licence after death etc of licensee

(1) If probate of the will of a deceased licensee is, or letters of administration of the deceased licensee’s estate are, granted, the executor or administrator must, as soon as practicable, apply to the Authority for the transfer of the licence to the executor or administrator, or to a person nominated by the executor or administrator, as transferee.

(2) A trustee referred to in section 62 (4) who holds office in relation to the business of a licensee may apply under section 60 as transferor for the transfer of the licence to a person nominated by the trustee.

(3) If section 62 (5) applies in relation to a licensee, the NSW Trustee and Guardian may apply under section 60 as transferor for the transfer of the licence to a person nominated by the NSW Trustee and Guardian.

(4) If a licence is transferred under an application authorised by this section, any endorsement of the licence under section 63 ceases to have effect.

Division 4 Special provisions relating to corporate licensees

65 Application of Division

This Division applies in relation to any licence that is held by a corporation (including a registered club).

66 Appointment of managers

(1) A licensee (other than a registered club):
(a) must appoint a manager approved by the Authority under this Division for the licensed premises, and

(b) must not cause or permit the conduct of business under the licence for a period of more than 28 days except under the personal supervision and management of a person so approved.

Maximum penalty: 50 penalty units.

(2) A registered club that has more than one set of premises:

(a) must appoint a different manager, approved by the Authority under this Division, for each set of premises of the club at which the secretary of the club is not in attendance, and

(b) must not cause or permit the conduct of business on any such premises for a period of more than 2 months except under the management of a person so approved.

Maximum penalty: 50 penalty units.

(3) Subsection (2) does not apply to a registered club:

(a) that has no more than 2 sets of premises and the premises concerned:

(i) are, in the case where the main premises of the club are situated in a metropolitan area, within 10 kilometres of the other premises of the club or are, in the case where the main premises of the club are not situated in a metropolitan area, within 50 kilometres of the other premises of the club,

(ii) are staffed by less than 5 full-time employees, or

(b) in such other circumstances as are prescribed by the regulations.

(4) Despite subsection (2), a registered club may appoint a person to act as a manager of any of the club’s premises for the purposes of that subsection even though the person has not been approved by the Authority, but only if an application for the approval of the person to manage licensed premises has been made under section 68.

(5) A person’s authorisation to be appointed under subsection (4) to act as manager of club premises expires on the determination by the Authority of the relevant application for approval.

(6) In this section:

metropolitan area means an area described by the regulations as a metropolitan area.

67 Restrictions on who may be appointed as manager

(1) The following provisions apply to the appointment under section 66 of a manager of licensed premises:

(a) a person may not be appointed as the manager of licensed premises unless the person is approved by the Authority to manage licensed premises and the approval applies to the premises or class of premises concerned,

(b) only an individual may be appointed to manage licensed premises,

(c) a person cannot be appointed as the manager of licensed premises if at the time of the appointment the person already holds an appointment as the manager of other licensed premises.

(2) Subsection (1) (c) does not apply in the case of a registered club referred to in section 66 (3).

(3) Subject to section 66 (4), an appointment in contravention of this section is void for the purposes of this Act.
68 Approval of persons to manage licensed premises

(1) An application for the Authority’s approval of a person to manage licensed premises must be in the form and manner approved by the Authority and be accompanied by the fee prescribed by the regulations.

(2) The Authority may grant any such application or refuse to grant the application.

(3) In determining an application for approval of a person to manage licensed premises, the Authority has the same powers in relation to the application as the Authority has in relation to an application for a licence.

(4) The Authority’s approval may not be given unless the Authority is satisfied that the person concerned:

(a) is a fit and proper person to manage licensed premises, and

(b) understands the person’s responsibilities in relation to, and is capable of implementing, practices in place at licensed premises for ensuring the responsible sale, supply and service of alcohol and the prevention of intoxication, and

(c) if the Authority has required the person to attend a course of training or instruction approved by the Authority—has completed the course to the standard required by the Authority.

(4A) Without limiting subsection (4) (a), a person is not a fit and proper person to manage licensed premises if the Authority has reasonable grounds to believe from information provided by the Commissioner of Police in relation to the person:

(a) that the person:

(i) is a member of, or

(ii) is a close associate of, or

(iii) regularly associates with one or more members of, a declared organisation within the meaning of the Crimes (Criminal Organisations Control) Act 2012, and

(b) that the nature and circumstances of the person’s relationship with the organisation or its members are such that it could reasonably be inferred that improper conduct that would further the criminal activities of the declared organisation is likely to occur if the person is granted an approval.

(4B) The Authority is not, under this or any other Act or law, required to give any reasons for not granting an approval because of subsection (4A) to the extent that the giving of those reasons would disclose any criminal intelligence.

(5) If the Authority is satisfied that there is nothing that might preclude the Authority from approving the person to manage licensed premises, but requires more information before making a final decision, the Authority may give a provisional approval of the person to be such a manager.

(6) A provisional approval is sufficient to authorise the appointment of the person, in accordance with section 69, as manager of the licensed premises until such time as the Authority confirms the approval of the person.

(7) An approval or provisional approval of a person to manage licensed premises may be given so as to apply in relation to any particular licensed premises, to all licensed premises of a specified class or to all licensed premises, as the Authority thinks fit.

69 Notice of appointments

(1) A licensee must give the Authority notice of the appointment of a person as manager of licensed premises.
Maximum penalty: 20 penalty units.

(2) The appointment of a manager is not in force until the licensee has given the Authority notice of the appointment as required by this section, accompanied by the declaration referred to in subsection (5) (b).

(3) The appointment of a manager is revoked by the licensee giving notice under this section of the appointment of a new manager or by the licensee or manager giving the Authority notice of the manager’s ceasing to act as manager.

(4) A notice under this section may specify a day that is later than the day the notice is given as the day the notice is to take effect, and the notice takes effect accordingly.

(5) A notice under this section:
   (a) must be completed in writing in the form approved by the Authority, and
   (b) must be accompanied by a declaration in writing, in a form approved by the Authority, of the person to be appointed as manager of the premises concerned:
      (i) signifying the person’s acceptance of the appointment, and
      (ii) certifying such matters as the form of notice may require (including matters relating to the person’s responsibilities in relation to, and capacity to implement, practices in place at the premises for ensuring the responsible sale, supply and service of alcohol, and the prevention of intoxication, on the premises).

(6) In any proceedings in which the question of whether notice was given to the Authority under this section is at issue, the party alleged to have given the notice bears the onus of establishing on the balance of probabilities that the notice was given.

70 Liability of licensee for contravention by manager

The licensee of licensed premises is taken to have contravened any provision of this Act or the regulations that the manager of the licensed premises has contravened as a result of section 91 unless the licensee establishes that the licensee:

(a) did not authorise or knowingly permit the contravention by the manager, and
(b) maintained control over and supervision of the activities of the manager of the licensed premises in an effort to prevent any such contravention occurring.

71 Liability of directors etc for offences by corporation—accessory to the commission of the offences

(1) For the purposes of this section, a corporate offence is an offence against this Act or the regulations that is capable of being committed by a corporation (including a licensee that is a corporation).

(2) A person commits an offence against this section if:

(a) a corporation commits a corporate offence, and
(b) the person is:

(c) the person:
   (i) aids, abets, counsels or procures the commission of the corporate offence, or
(ii) induces, whether by threats or promises or otherwise, the commission of the corporate offence, or
(iii) conspires with others to effect the commission of the corporate offence, or
(iv) is in any other way, whether by act or omission, knowingly concerned in, or party to, the commission of the corporate offence.

Maximum penalty: The maximum penalty for the corporate offence if committed by an individual.

(3) The prosecution bears the legal burden of proving the elements of the offence against this section.

(4) The offence against this section can only be prosecuted by a person who can bring a prosecution for the corporate offence.

(5) This section does not affect the liability of the corporation for the corporate offence, and applies whether or not the corporation is prosecuted for, or convicted of, the corporate offence.

(6) This section does not affect the application of any other law relating to the criminal liability of any persons (whether or not directors or other managers of the corporation) who are concerned in, or party to, the commission of the corporate offence.

71A Evidence as to state of mind of corporation

(1) Without limiting any other law or practice regarding the admissibility of evidence, evidence that an officer, employee or agent of a corporation (while acting in his or her capacity as such) had, at any particular time, a particular state of mind, is evidence that the corporation had that state of mind.

(2) In this section, the state of mind of a person includes:

(a) the knowledge, intention, opinion, belief or purpose of the person, and
(b) the person’s reasons for the intention, opinion, belief or purpose.

72 Corporate licences—interpretative provisions

(1) A reference in this Act to a position of authority in a corporation is a reference to the position of chief executive officer, director or secretary of the corporation.

(2) For the purposes of this Act, a person who occupies a position of authority in a corporation is to be regarded as interested in an application for a licence made by the corporation and as interested in the business of the licensed premises to which a licence held by the corporation relates.

(3) For the purposes of this Act, a person who is a shareholder in a corporation is not (merely because of being a shareholder) to be regarded as a person who will be interested in an application for a licence made by the corporation or in the business, or the profits or conduct of the business, to be carried on pursuant to the licence applied for or of the licensed premises to which a licence held by the corporation relates.
Part 5 Regulation and control of licensed premises

        in subsection (5) or all other reasonable steps to prevent intoxication on the
        licensed premises, or
    (b) that the intoxicated person did not consume alcohol on the licensed premises.

        the person from the premises,
    (c) refused to serve the person any alcohol after becoming aware that the person
        was intoxicated.

    service, a reference to licensed premises does not include private domestic premises
    except for the purposes of subsection (2).

74 Sale of stolen goods and possession, use or sale of drugs on licensed premises

(1) A licensee must not permit the licensed premises to be used for the sale of:
    (a) any goods that the licensee suspects of being stolen, or

(a) the time within which a submission under this section may be made, and
(b) any other requirements that must be complied with in relation to the making of any such submission.

If any written submission is made in accordance with this section, the Authority must take the submission into consideration in deciding whether or not to take disciplinary action against the licensee, manager or close associate concerned.

Subsection (1) does not require the Authority to disclose any criminal intelligence.

141 Disciplinary powers of Authority

(1) The Authority may deal with and determine a complaint that is made to it under this Part.

(1A) If the Authority is satisfied that the criminal organisation associate ground applies in relation to a licensee, the Authority must do one or both of the following:
(a) disqualify the licensee from holding a licence for such period as the Authority thinks fit,
(b) cancel the licence.

(1B) If the Authority is satisfied that the criminal organisation associate ground applies in relation to a manager, the Authority must do one or both of the following:
(a) disqualify the manager from being the manager of licensed premises for such period as the Authority thinks fit,
(b) withdraw the manager’s approval to manage licensed premises.

(2) If the Authority is satisfied that any of the grounds (other than a criminal organisation associate ground) on which the complaint was made apply in relation to the licensee, manager or close associate, the Authority may decide not to take any action or may do any one or more of the following:

(a) cancel the licence,
(b) suspend the licence for such period not exceeding 12 months (or, if circumstances of aggravation exist in relation to the complaint, not exceeding 24 months) as the Authority thinks fit,
(c) order the licensee or manager to pay, within such time as is specified in the order:
   (i) a monetary penalty not exceeding 500 penalty units (in the case of a corporation) or 200 penalty units (in the case of an individual), or
   (ii) if circumstances of aggravation exist in relation to the complaint—a monetary penalty not exceeding 1,000 penalty units (in the case of a corporation) or 400 penalty units (in the case of an individual),
(d) suspend or cancel any authorisation or other approval (other than the licence itself) held by the licensee under this Act,
(e) impose a condition to which the licence, or any authorisation or approval held by the licensee under this Act, is to be subject or revoke or vary a condition to which the licence or any such authorisation or approval is subject,
(f) disqualify the licensee from holding a licence for such period as the Authority thinks fit,
(g) withdraw the manager’s approval to manage licensed premises,
(h) disqualify the manager from being the manager of licensed premises,
(i) in the case of a limited licence held on behalf of a non-proprietary association—order that a limited licence is not, for a period of not more than 3 years from the date on which the decision takes effect, to be granted to any person on behalf of the non-proprietary association,
(j) disqualify the close associate from being a close associate of a licensee for such period as the Authority thinks fit,
(k) disqualify the close associate from holding a licence for such period as the Authority thinks fit,
(l) order the licensee, manager or close associate to pay the amount of any costs incurred by:
   (i) the Director-General in carrying out any investigation or inquiry under section 138 in relation to the licensee, manager or close associate, or
   (ii) the Authority in connection with the taking of disciplinary action against the licensee, manager or close associate under this section,
(m) reprimand the licensee, manager or close associate.

(3) If the Authority orders a licensee or manager to pay a monetary penalty under this section and the penalty is not paid within the time specified in the order, the Authority may:
   (a) cancel the licence, or
   (b) suspend the licence until such time as the penalty is paid (or for such other period as the Authority thinks fit).

(4) While a person is disqualified by the Authority from being a close associate of a licensee, the person is conclusively presumed for the purposes of this Act to be a person who is not a fit and proper person to be a close associate of a licensee.

(5) **Action against other interested persons**

In deciding whether to take disciplinary action under this section against a licensee in relation to a complaint, the Authority may take disciplinary action against a person who is interested in the business, or in the conduct or profits of the business, carried on under the licence (regardless of whether the Authority takes any disciplinary action under this section against the licensee concerned).

(6) If the Authority decides to take disciplinary action against any such interested person, the Authority may do any one or more of the following:
   (a) disqualify the person, for a period commencing on a specified day, from being a person interested in the business, or in the conduct or profits of the business, carried on under a licence,
   (b) reprimand the person.
Circumstances of aggravation

For the purposes of this section, circumstances of aggravation exist in relation to a complaint if (and only if) each of the following paragraphs applies:

(a) the complaint concerns a contravention or alleged contravention of section 73 or 74,
(b) the complaint alleges that for the reasons specified in the complaint the matter of the complaint is so serious as to warrant the taking of action that is available to the Authority when circumstances of aggravation exist,
(c) the Authority, in finding that the matter of the complaint has been made out, is of the opinion (having regard to any matter such as the number of contraventions of the Act involved, the seriousness of the contravention involved, the number of people involved in the contravention or the seriousness of the outcome of the contravention, or any other relevant consideration) that the matter of the complaint is so serious as to warrant the taking of action that is available to the Authority when circumstances of aggravation exist.

In this section:

**criminal organisation associate ground** means:

(a) in relation to a licensee—that the licensee is not a fit and proper person to be the holder of a licence for the same reason as that set out in section 45 (5), or
(b) in relation to a manager—that the manager is not a fit and proper person to be the manager of the licensed premises for the same reason as that set out in section 68 (4A).

### 142 Procedure for implementing disciplinary action

(1) If the Authority decides to take disciplinary action against or in relation to a licensee, manager, close associate or other person under this Part, the Authority is required to serve on the licensee, manager, close associate or person a notice informing the person of the Authority’s decision.

(2) The notice must include the reasons for the Authority’s decision.

(2A) Subsection (2) does not require the Authority to disclose any criminal intelligence.

(3) Any disciplinary action under this Part takes effect when notice of the action is served on the licensee, manager, close associate or person concerned (or on such later date as may be specified in the notice).

(4) The Authority may, by serving a further notice on the licensee, manager, close associate or person concerned, cancel a notice under this section before the notice takes effect.

(5) The Authority is not prevented from taking disciplinary action under this Part merely because the licensee, manager, close associate or person concerned is subject to criminal or civil proceedings that relate to the same matters or incident to which the disciplinary action relates.

(6) If a licensee is disqualified from holding a licence under this Part, the Authority, may, on application by:

(a) the spouse or de facto partner of the licensee, or
(b) a member of the family of the licensee who is of or above the age of 18 years, or
(c) the owner of the licensed premises, or
(d) a person directly or indirectly interested in the business, or the conduct of the business, carried out on the licensed premises, transfer the licence to that spouse, de facto partner or member of the family or to some other person approved by the Authority.

143 Requirement for legal member of Authority to be present

The Authority cannot determine any complaint made to it under this Part (including any decision to take any disciplinary action) unless a member of the Authority who is or has been a Judge, or who has been an Australian lawyer for at least 7 years, is present at the meeting of the Authority (or the committee of the Authority) at which the complaint is determined or the decision to take the action is made.

144 Review by ADT of decisions by Authority under this Part

(1) An application for the review of a decision by the Authority in relation to a complaint under this Part may be made to the Administrative Decisions Tribunal.

(2) An application for such a review may be made by:
   (a) the person against whom any disciplinary action is taken by the Authority in relation to the complaint, or
   (b) the complainant.

(3) Part 2 of Chapter 5 of the *Administrative Decisions Tribunal Act 1997* does not apply to an application to the Administrative Decisions Tribunal for a review of a decision by the Authority under this Part.

(4) In determining an application for a review of any decision by the Authority under section 141 (1A) or (1B), the Administrative Decisions Tribunal (and any Appeal Panel in determining any appeal against such a review under the *Administrative Decisions Tribunal Act 1997*):
   (a) is to ensure that it does not, in the reasons for its decision or otherwise, disclose any criminal intelligence without the approval of the Commissioner of Police, and
   (b) in order to prevent the disclosure of any criminal intelligence, is to receive evidence and hear argument in the absence of the public, the applicant for review, the applicant’s representative and any other interested party, unless the Commissioner of Police approves otherwise.

(2) However, if:
   (a) the conviction is overturned on appeal, or

       offence dealt with by a court, or
   (c) the penalty notice, or the penalty notice enforcement order to the extent that it
       applies to the penalty notice, is withdrawn or annulled,
   any strike based on the conviction, penalty notice or enforcement order is revoked
   and any remedial action taken as the result of the strike ceases to have effect.

(3) Prescribed offences that are committed in relation to a particular licence within a
single 24 hour period are taken, for the purposes of this Part, to be a single prescribed
offence.

Division 2 Strikes

144D Incurring strikes

(1) A first strike is incurred in respect of a licence if no other strike is in force in respect
of the licence and a relevant person in relation to the licence commits a prescribed
offence.

(2) A second strike is incurred in respect of a licence if:
   (a) a relevant person in relation to the licence commits a prescribed offence, and
   (b) one strike was in force in respect of the licence when the offence was
       committed, and
   (c) the Director-General decides that a second strike should be incurred because
       of the seriousness of any harm that may have resulted from, or been associated
       with, the commission of the offence.

(3) A third strike is incurred in respect of a licence if:
   (a) a relevant person in relation to the licence commits a prescribed offence, and
   (b) 2 strikes were in force in respect of the licence when the offence was
       committed, and
   (c) the Authority decides that a third strike should be incurred taking the
       following into account:
       (i) the seriousness of any harm that may have resulted from, or been
           associated with, the commission of the offence,
       (ii) any other matter that may be prescribed by the regulations.

(4) A strike comes into force on the day on which the offence that caused the strike was
committed.

(5) A strike expires on the day occurring 3 years after the day on which it comes into
force.

(6) The expiration of a strike does not affect the continued operation of remedial action
taken under this Division in respect of the strike.

144E 1 or 2 strikes—remedial action

(1) The Director-General may, if 1 or 2 strikes are in force in respect of a licence, impose
conditions on the licence relating to any one or more of the following:
   (a) the use of plans of management and incident registers in respect of the licensed
       premises,
(b) the prohibition of the use of glass or other breakable containers on the licensed premises,
(c) the engagement of persons to promote the responsible service of alcohol at the licensed premises,
(d) the notification of persons, by the licensee, that the strike has been incurred,
(e) in the case of a club licence—requiring members of the governing body of the club to undergo training,
(f) any other matter that may be prescribed by the regulations.

(2) The Director-General may, if 2 strikes are in force in respect of a licence, impose conditions on the licence relating to any one or more of the following:
(a) the persons who may be appointed as a manager of the licensed premises,
(b) the implementation of security measures in respect of the licensed premises,
(c) the prohibition of the sale or supply of liquor on the licensed premises before 10 am or after 11 pm (or both),
(d) the prohibition of patrons entering the licensed premises at certain times,
(e) the prohibition of the sale or supply of certain types of liquor on the licensed premises (including liquor with a high alcohol content or liquor that is intended to be consumed rapidly such as a shot),
(f) the prohibition of certain types of entertainment on the licensed premises,
(g) any other matter that may be prescribed by the regulations.

(3) The Director-General may vary or revoke a condition imposed under this section at any time.

(4) The Director-General is not to impose or vary a condition under this section in respect of a licence unless the Director-General is satisfied that the condition (or condition as varied) is a reasonable response to the behaviour that led to any of the strikes being incurred in respect of the licence.

(5) A condition imposed under this section remains in force until revoked by the Director-General.

(6) Nothing in this section limits the power of the Director-General to impose, vary or revoke conditions under any other provision of this Act.

144F 3 strikes—remedial action

(1) When 3 strikes are incurred in respect of a licence, the Authority must take action under this section for the purpose of preventing the commission of any further prescribed offences by a relevant person in relation to the licence.

(2) The Authority must also take action under this section for that purpose if the Authority becomes aware that a relevant person in relation to the licence committed a prescribed offence while 3 strikes were in force in respect of the licence.

(3) Licences other than club licences

If the licence is a licence other than a club licence, the action that the Authority is to take is one or more of the following actions that the Authority considers to be reasonably necessary for the purpose of preventing the commission of any further prescribed offences by a relevant person in relation to the licence:
(a) suspend the licence for up to 12 months,
(b) cancel the licence and disqualify (for up to 12 months) any of the following persons from being granted a licence in respect of the premises to which the cancelled licence related (the subject premises):
Liquor Act 2007 No 90 [NSW]
Part 9A   Disciplinary action—3 strikes

(i) any person who was a business owner under the cancelled licence at the
time the third strike was incurred,

(ii) any close associate of any such business owner,

(c) disqualify (permanently or for a specified period) any person who was the
licensee or manager of the subject premises at the time the third strike was
incurred from holding a licence in respect of, or managing, the subject
premises or any other licensed premises,

(d) impose a condition on the licence, or any subsequent licence issued in respect
of the subject premises, that a person who is disqualified under paragraph (c)
must not be employed or otherwise engaged as an employee or agent of the
licensee or manager of those premises,

(e) impose, vary or revoke any condition on the licence that is not inconsistent
with this Act.

(4) Club licences
If the licence is a club licence, the action that the Authority is to take is one or more
of the following actions that the Authority considers to be reasonably necessary for
the purpose of preventing the commission of any further prescribed offences by a
relevant person in relation to the licence:

(a) disqualify (permanently or for a specified period) a person who held any of the
following positions at the time the third strike was incurred from holding any
of those positions:

(i) secretary of the club,
(ii) manager of any of the club’s premises,
(iii) member of the governing body of the club,

(b) disqualify (permanently or for a specified period) any such person from being
the secretary of any other registered club, holding any licence or being
appointed to manage any other licensed premises,

(c) appoint a person to administer the affairs of the club who, on appointment and
until the Authority orders otherwise, has, to the exclusion of any other person
or body of persons, the functions of the governing body of the club,

(d) impose a condition on the club licence that a person who is disqualified under
paragraph (a) must not be employed or otherwise engaged as an employee or
agent of the club or of the manager of any of the club’s premises,

(e) impose, vary or revoke any condition on the club licence that is not
inconsistent with this Act.

(5) Nothing in this section limits the power of the Authority to impose, vary or revoke
conditions under any other provision of this Act.

(6) The Authority may undo any remedial action taken under this section at any time.

144G Matters to be considered by Director-General and Authority

(1) In this section:

decision-maker means the Director-General or the Authority.

(2) A decision-maker must, when making a reviewable decision in relation to a licence:

(a) notify the following persons in writing that the decision-maker is deciding the
matter and invite those persons to make a submission within a specified period
of at least 21 days:

(i) the licensee,
(ii) the manager (if any) of the premises to which the licence relates (the licensed premises).

(iii) if the decision is whether a second or third strike should be incurred—each interested person in the business carried on under the licence (but only if the person’s name has been provided to the Authority under section 41 or 55) and the owner of the licensed premises,

(iv) if the decision is whether a third strike should be incurred—each former licensee or manager who may be adversely affected by the decision,

(v) any other person prescribed by the regulations, and

(b) take into account any submissions received before the end of the specified period from any of the following:

(i) a person referred to in paragraph (a),

(ii) the NSW Police Force,

(iii) the Office of Liquor, Gaming and Racing, Department of Trade and Investment, Regional Infrastructure and Services,

(iv) the Bureau of Crime Statistics and Research of the Department of Attorney General and Justice, and

(c) take into account each of the following to the extent that the decision-maker considers it to be relevant to the decision:

(i) whether the licensed premises were declared premises within the meaning of Schedule 4 when the offences that caused a strike are alleged to have been committed,

(ii) the size and patron capacity of the licensed premises and how this may impact on the ability of the licensee or manager to prevent the commission of prescribed offences,

(iii) the history and nature of the commission of prescribed offences by relevant persons in relation to the licence or on or in relation to the licensed premises,

(iv) the history and nature of violent incidents that have occurred in connection with the licensed premises,

(v) whether other action would be preferable,

(vi) whether there have been changes to the persons who are the licensee, manager or business owner,

(vii) whether there have been changes to the business practices in respect of the business carried on under the licence,

(viii) any other matter prescribed by the regulations.

(3) Nothing in this section prevents a decision-maker from taking into account any other matter that the decision-maker thinks is relevant to the proper making of a decision under this Part.

(4) A decision-maker must, as soon as practicable after making a decision under this Part, give notice in writing of the decision, the reasons for the decision and any right of review in respect of the decision to each person that is required to be notified by the decision-maker under subsection (2) (a) in respect of the decision.

(5) A submission provided to a decision-maker under subsection (2) (b) (i) may not be used for the purposes of prosecuting an offence under this Act.

(6) The regulations may prescribe guidelines setting out how the matters referred to in subsection (2) (c) are to be taken into account by a decision-maker.
Division 3 Reviews and appeals

144H Reviews generally

(1) An application for the review of a reviewable decision may be made by a person who is required to be notified of the decision under section 144G no later than 21 days after the person receives the notification.

(2) The application is to be made to the Authority in the case of a decision of the Director-General and to the Administrative Decisions Tribunal in the case of a decision of the Authority.

(3) Part 2 of Chapter 5 of the Administrative Decisions Tribunal Act 1997 does not apply to an application to the Administrative Decisions Tribunal for a review of a decision of the Authority under this Part.

(4) An application for a review operates to stay the reviewable decision unless the body conducting the review otherwise directs.

(5) The operation of any remedial action taken in respect of a strike is suspended during any time that the decision to impose the strike is stayed.

(6) In determining an application for review under this section, the body conducting the review must take into account any matter that was required to be taken into account in making the reviewable decision that is the subject of the review.

144I Reviews by Authority

(1) In determining an application for review under this Division, the Authority may:
   (a) confirm the decision the subject of the application, or
   (b) vary the decision, or
   (c) revoke the decision.

(2) The Director-General is to give effect to any decision of the Authority under this Division to vary or revoke the decision the subject of the application for review.

(3) The Authority may not make any decision in relation to an application for review under this Division unless a member of the Authority who is or has been a Judge, or has been an Australian lawyer for at least 7 years, is present at the meeting of the Authority or the committee of the Authority at which the decision of the Authority is made.

144J Appeals

(1) An appeal against a conviction for a prescribed offence does not operate to prevent a strike being incurred as a result of the commission of the offence or to prevent the taking of remedial action in respect of such a strike but an appeal does operate to suspend the operation of any such remedial action until the appeal is determined or withdrawn.

   Note. If the appeal is successful and the conviction is overturned a strike based on the conviction is revoked and any remedial action taken as a result of such a strike ceases to have effect.

(2) The Director-General or the Authority may, if satisfied that circumstances have changed during the period that the operation of remedial action is suspended under this section, replace the remedial action with any remedial action that the Director-General or the Authority could have taken had those changed circumstances applied when the relevant strike was incurred.
144K Review of Part

(1) The Minister is to review this Part to determine whether the policy objectives of the Part remain valid and whether the terms of the Part remain appropriate for securing those objectives.

(2) The review is to be undertaken as soon as possible after the period of 4 years from the commencement of this Part.

(3) A report on the outcome of the review is to be tabled in each House of Parliament within 12 months after the end of the period of 4 years.
Part 10 Criminal proceedings and related matters

145 Proceedings for offences

Proceedings for an offence under this Act or the regulations are to be dealt with summarily before the Local Court.

146 Time within which proceedings for offences may be commenced

(2) Proceedings for an offence under section 7, 8, 9, 40 (5), 66, 69 or 92 may be commenced within but not later than 3 years after the date on which the offence is alleged to have been committed.

147 Maximum penalties for certain offences

(1) This section applies to any offence under this Act or the regulations in respect of which the specified maximum penalty is 100 penalty units or imprisonment for 12 months, or both.

(2) In convicting a person for an offence to which this section applies, the court may not impose a monetary penalty of more than 50 penalty units, or sentence the person to a term of imprisonment for more than 6 months, or both, unless the court is satisfied that the higher penalty is warranted.

(3) Without limiting the matters that the court may take into consideration in deciding whether such a higher penalty is warranted, the court may take into consideration:

(a) the seriousness of the offence, or
(b) the number of occasions on which the offender has committed an offence under this Act or the regulations or the Liquor Act 1982.

148 Additional penalties may be imposed by court

(1) In addition to any other penalty that a court may impose on a licensee or other person for an offence under this Act or the regulations, the court may, if it thinks it appropriate, do any one or more of the following:

(a) reprimand the licensee or person,
(b) impose a condition to which a licence is to be subject,

(2) Any condition imposed on a licence by a court under subsection (1) (b) may be revoked or varied by the court on application by the licensee, the Authority, the Director-General or the Commissioner of Police.
149 Licensees and managers liable for act of employees etc

If, in contravention of this Act or the regulations:
(a) an employee or agent of a licensee, or
(b) an employee or agent of the manager of licensed premises, or
(c) a person acting, or purporting to act, on behalf of a licensee or the manager of licensed premises,
sells or supplies liquor on the licensed premises, the licensee or manager (as the case requires) is guilty of an offence and liable to the punishment specified for the contravention.

149A General defence available to managers of club premises

(1) It is a sufficient defence to a prosecution of a manager of club premises for an offence under this Act or the regulations (including any offence for which the manager is liable because of section 91 or 149) if it is proved that:
(a) the manager had taken all reasonable precautions to avoid commission of the alleged offence, and
(b) at the time of the alleged offence the manager did not know, and could not reasonably be expected to have known, that the alleged offence had been committed.

(2) However, subsection (1) does not apply in relation to any of the following offences:
(a) an offence under section 73 (1) (a) (permitting intoxication on licensed premises),
(b) an offence under section 75 (3) (failure to comply with direction by Director-General),
(c) any offence under this Act or the regulations in respect of which a defence is specifically available to the manager of club premises,
(d) any other offence under this Act or the regulations that is prescribed by the regulations for the purposes of this subsection.

150 Penalty notices

(1) In this section:
authorised officer means a police officer or an inspector.

(2) An authorised officer may serve a penalty notice on a person (including a licensee) if it appears to the officer that the person has committed an offence under this Act or the regulations and the offence is one that is prescribed by the regulations to be an offence to which this section applies.

(3) A penalty notice is a notice to the effect that, if the person served does not wish to have the matter determined by a court, the person may pay within a time and to a person specified in the notice the amount of penalty prescribed by the regulations for the offence if dealt with under this section.

(4) A penalty notice may be served personally or by post.

(5) If the amount of penalty prescribed for the purposes of this section for an alleged offence is paid under this section, no person is liable to any further proceedings or action in relation to the alleged offence, except the taking of disciplinary action under Part 9 or 9A.

(6) Payment under this section is not to be regarded as an admission of liability for the purpose of, nor in any way affect or prejudice, any civil proceeding arising out of the same occurrence.
(7) However, if a penalty is paid under this section in respect of a penalty notice served on a person, the person is, for the purposes of Part 9, taken to have been convicted of the offence to which the penalty notice related.

(8) The regulations may:
   (a) prescribe an offence for the purposes of this section by specifying the offence or by referring to the provision creating the offence, and
   (b) prescribe the amount of penalty payable for the offence if dealt with under this section, and
   (c) prescribe different amounts of penalties for different offences or classes of offences.

(9) The amount of a penalty prescribed under this section for an offence must not exceed the maximum amount of penalty which could be imposed for the offence by a court.

(10) This section does not limit the operation of any other provision of, or made under, this or any other Act or law relating to proceedings that may be taken in respect of offences.

151 Forfeiture and seizure of liquor and other things

(1) If a person is found guilty of an offence under section 7, any liquor that was, at the time of the commission of the offence, in the person’s possession or apparently under the person’s control is forfeited to the Crown.

Liquor Act 2007 No 90 [NSW]
Schedule 1   Savings and transitional provisions

(a) the matter may continue to be dealt with and determined by the Local Court as if it were sitting as the former Court, and
(b) the provisions of the former Act continue to apply, as if they had not been repealed, for the purposes of:
   (i) the hearing and determination of the matter, and

(3) In hearing and determining a matter that is the subject of any such pending proceedings, the Local Court has the same jurisdiction as the former Court had immediately before it was abolished.

(4) Matters being dealt with by the Liquor Administration Board

If, before the repeal of section 72 of the former Act, any matter was being dealt with by the former Board (including by any person to whom the functions of the Board were delegated under section 75 of the former Act) but had not been determined by the date of that repeal:

(a) the former Board (or the person to whom those functions were delegated) is to continue to deal with the matter as if the former Board had not been abolished, and
(b) the provisions of the former Act continue to apply in relation to the determination of the matter by the former Board (or by the person to whom those functions were delegated) as if those provisions had not been repealed by this Act.

(2) If the pending SIA was provided in connection with a matter that is the subject of pending proceedings as referred to in clause 25 (2) and (3), that matter may, following the Authority’s determination of the pending SIA, be determined as provided by those subclauses.

(3) If, in any other case, the pending SIA is approved by the Authority, an application for a licence to which the pending SIA relates may be determined by the Authority in accordance with this Act.

(4) Sections 40 (4) (c) and 48 of this Act, and such other provisions of this Act as may be prescribed by the regulations, do not apply to or in respect of an application referred to in subclause (3).

(5) Without limiting the operation of subclause (1), if any matter that the former Board was authorised or required to determine under the former Act was not determined as at the commencement of this clause, the matter may, to the extent that it relates to a licence, approval or authorisation that may be granted under this or the former Act, be determined by the Authority.

(6) In this clause:
pending SIA means a social impact assessment under Division 6A of Part 3 of the former Act that was provided to the former Board before the relevant repeal date but that had not been approved or otherwise determined as at the commencement of this clause.

(2) Without limiting subclause (1) or any provision of Division 2, any approval, authority or appointment in force under a provision of the former Act immediately before the repeal of the provision is taken to be an approval, authority or appointment in force under the corresponding provision of this Act.

(3) The Director-General may, after considering the notice provided by the licensee under subclause (2), decide:

(a) to approve the additional security measure or measures as notified by the licensee without any variations, or
(b) to approve the additional security measure or measures as notified by the licensee with such variations as are determined by the Director-General, or

Any such implementation date must be at least 14 days after the date on which the Director-General is notified by the licensee under subclause (2).

(5) The licensee must implement the approved additional security measure or measures in accordance with the Director-General’s notice.

(1) The licensee of any declared premises must not permit patrons to enter the premises after 2 am or before 5 am (the lock out period).

(1A), (1B) (Repealed)

(2) For the avoidance of doubt, patrons already present in declared premises immediately before the start of the lock out period may:
   (a) leave the premises at any time, or
   (b) remain on the premises while the premises are authorised to trade, but are not permitted to re-enter the premises during the lock out period.

(3) This clause does not:
   (a) prevent a resident of declared premises from entering the premises during the lock out period, or
   (b) in the case of declared premises that are premises to which a club licence relates—prevent a full member or honorary member (within the meaning of the Registered Clubs Act 1976) of the registered club from entering the premises during the lock out period.

4 Glasses and breakable plastic containers prohibited during restricted service period

(1) During the restricted service period, any drink (whether or not it contains liquor) sold or supplied for consumption on declared premises must not be served or supplied in a glass or breakable plastic container.

(2) During the restricted service period, the licensee of declared premises must remove empty glasses and empty breakable plastic containers from patrons and from any area of the premises to which patrons have access.

(3) This clause does not require empty glasses or other containers to be removed from the room in which a resident of declared premises is residing or staying.

(4) In this clause:
   glass means:
   (a) a drinking vessel, or
   (b) a container (such as a bottle or jug) from which drinks can be poured, that is made wholly or principally of glass.

5 Certain drinks prohibited during restricted service period

(1) The following drinks must not be sold or supplied on declared premises during the restricted service period:

   (b) any drink containing more than 50% spirits or liqueur,
(c) any ready to drink beverage with an alcohol by volume content of more than 5%,
(d) any drink prepared on the premises that contains more than one 30 ml nip of spirits or liqueur.

(a) 4 alcoholic drinks (whether or not of the same kind), or

may be sold or supplied on declared premises to the same person at any one time.

(3) In this clause: 
ready to drink beverage means an alcoholic mixed beverage that is prepared by the manufacturer.

6 Other requirements during restricted service period
For a continuous period of 10 minutes during each hour of the restricted service period:

   (i) distribute free drinking water or food (or both) to patrons, and
   (ii) actively encourage patrons to consume water.

7 Service of alcohol to cease 30 minutes before closing time
If declared premises are required to cease trading on any day, the licensee must cease selling or supplying liquor on the premises 30 minutes before the premises are required to cease trading.

7A Standard trading period incident register
(1) The licensee of any declared premises must maintain a register, in the form approved by the Authority, in which the licensee is to record the details of any incident referred to in section 56 (or the regulations made under that section) that occurs during the standard trading period and any action taken in response to any such incident.

(2) The register under this clause may be maintained as part of any incident register that the licensee is required to maintain under section 56.

(3) This clause has effect on and from 1 December 2009.

8 Exemptions
(1) The Director-General may, by order in writing served on the licensee of declared premises, exempt the declared premises from any specified provision of this Schedule.

(2) The Director-General may exempt declared premises only if the Director-General:
   (a) is satisfied that conditions other than the specified provision to which the exemption relates will be more effective in reducing the risk of alcohol-related violence in or about the declared premises concerned, and
   (b) imposes those other conditions on the licence for the premises under any relevant provision of this Act.

(3) Any such relevant provision applies except to the extent that it prevents the imposition of conditions that are inconsistent with this Schedule.
(4) An exemption under this clause has effect only while the other conditions imposed by the Director-General to replace the specified provision to which the exemption relates remain in force.

(5) Without limiting any other provision of this clause, an exemption under this clause may, if the relevant order so provides, apply in relation to a specified part of declared premises.

9 Review of Schedule

(1) The Minister is to review this Schedule to determine whether the policy objectives remain valid and whether the terms of this Schedule remain appropriate for securing those objectives.
