except as or on behalf of an individual, partnership or corporation that is the holder of a contractor licence authorising its holder to contract to do that work.
Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) The holder of a contractor licence who has contracted to do any residential building work must not contract with another person for the other person to do the work (or any part of the work) for the holder unless the other person is the holder of a contractor licence to do work of that kind.
Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(3) The holder of a contractor licence must not contract with another person for the other person to do any work (or part of any work) for the holder for which insurance is required under this Act unless the other person is the holder of a contractor licence to do work of that kind.
Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(4) A developer must not contract with another person for the other person to do any residential building work on behalf of the developer in the circumstances set out in section 3A (2) unless the other person is the holder of a contractor licence authorising the other person to do work of that kind.
Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) A person must not represent that an individual, partnership or corporation is prepared to do:
   (a) any residential building work, or

   if the person knows that the individual, partnership or corporation is not the holder of a contractor licence authorising its holder to contract to do that work.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

6 Application of requirements for contracts

(1) Sections 7–7E apply to a contract under which the holder of a contractor licence undertakes:
   (a) to do, in person, or by others, any residential building work or any specialist work, or
   (b) to vary any such undertaking to do residential building work or any specialist work or the way in which any such work is to be done.

(2) However, sections 7, 7A and 7B do not apply to a contract to do residential building work or specialist work in such circumstances that:
   (a) if the work were not to be done promptly, there is likely to be a hazard to the health or safety of any person or to the public or to be damage to property, and
   (b) the work could not be done promptly if the requirements of sections 7, 7A and 7B were to be complied with before commencing the work.

(3) Section 7 (2) (f) and (5) do not apply to a contract referred to in subsection (1) (b).
7 Form of contracts

(1) A contract must be in writing and be dated and signed by or on behalf of each of the parties to it.

(2) A contract must contain:
   (a) the names of the parties, including the name of the holder of the contractor licence shown on the contractor licence, and
   (b) the number of the contractor licence, and
   (c) a sufficient description of the work to which the contract relates, and
   (d) any plans and specifications for the work, and
   (e) the contract price if known, and
   (f) any statutory warranties applicable to the work, and
   (g) in the case of a contract to do residential building work—a conspicuous statement setting out the cooling-off period that applies to the contract because of section 7BA.

(3) The contract must comply with any requirements of the regulations.

(4) If the contract price is known, it must be stated in a prominent position on the first page of the contract.

(5) If the contract price is not known or may be varied under the contract, the contract must contain a warning to that effect and an explanation of the effect of the provision allowing variation of the price. The warning and explanation must be placed next to the price if the price is known.

(6) A contract must not include in the contract the name of any person other than the holder of a contractor licence as, or so it may reasonably be mistaken to be, the holder’s name.

(7) This section does not prevent the holder of a contractor licence with a business name registered under the Business Names Act 2002 from also referring in such a contract to the business name.

7AA Consumer information

(1) A holder of a contractor licence must, before entering into a contract that the holder is authorised by this Act to enter, give to the other party to the contract information, in a form approved by the Director-General, that explains the operation of this Act and the procedure for the resolution of disputes under the contract and for the resolution of disputes relating to insurance.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.
(2) This section does not apply to contracts of a class prescribed by the regulations.

7A Offence

A person must not contract to do work under a contract unless the requirements of section 7 in relation to the contract are complied with.

Maximum penalty: 80 penalty units in the case of a corporation and 40 penalty units in any other case.

7B Copy of contract

A holder of a contractor licence must, not later than 5 clear business days after entering into a contract, give the other party to the contract a signed copy of the contract in the form in which it was made.

Maximum penalty: 80 penalty units in the case of a corporation and 40 penalty units in any other case.

7BA Cooling-off period: person may rescind a contract for residential building work within 5 days without penalty

(1) A person who contracts with the holder of a contractor licence for residential building work to be done by the holder of the contractor licence may, by notice in writing, rescind the contract:

(a) in the case of a person who has been given a copy of the signed contract—at any time before the expiration of 5 clear business days after the person is given a copy of the contract, or

(b) in the case of a person who has not been given a copy of the signed contract within 5 days after the contract has been signed—at any time before the expiration of 5 clear business days after the person becomes aware that he or she is entitled to be given a copy of the signed contract.

(2) The notice must state that the person rescinds the contract and must be given:

(a) to the holder of the contractor licence personally, or

(b) by leaving it at the address shown in the contract as the address of the holder of the contractor licence, or

(c) by serving it on the holder of the contractor licence in accordance with any notice or service provision in the contract.

(3) If a notice is given in accordance with this section:

(a) the contract is taken to be rescinded from the time it was signed, but subject to the rights and obligations conferred by this section, and
(b) the holder of the contractor licence may retain out of any money already paid to the holder the amount of any reasonable out-of-pocket expenses the holder incurred before the rescission, and

(c) the holder of the contractor licence must refund all other money paid to the holder under the contract by (or on behalf of) the party who rescinded the contract at or since the time the contract was made, and

(d) the party who rescinded the contract is not liable to the holder of the contractor licence in any way for rescinding the contract.

(4) The cooling-off period may be shortened or avoided by a provision in the contract, but the provision does not take effect unless and until the other party to the contract gives the holder of the contractor licence (or the holder’s Australian legal practitioner) a certificate that complies with subsection (5).

(5) A certificate complies with this subsection if it:

(a) is in writing, and

(b) is signed by an Australian legal practitioner, other than:

(i) an Australian legal practitioner acting for the holder of the contractor licence, or

(ii) any other Australian legal practitioner employed in the legal practice of an Australian legal practitioner acting for the holder of the contractor licence, or

(iii) any other Australian legal practitioner who is a member or employee of a firm in which an Australian legal practitioner acting for the holder of the contractor licence is a member or employee, and

(c) indicates the purpose for which the certificate is given, and

(d) contains a statement to the effect that the Australian legal practitioner explained to the other party to the contract the effect of the contract, the nature of the certificate and the effect of giving the certificate to the holder of the contractor licence.

(6) A contract can be rescinded under this section even if work has been done under the contract at the time of rescission.

(7) If a contract is rescinded under this section, the holder of the contractor licence is entitled to a reasonable price for the work carried out under the contract to the date the contract is rescinded.

(8) This section does not apply to a contract of a class specified in the regulations.
7BB Person may rescind a residential building work contract if cooling-off warning not given

(1) This section applies to a contract for residential building work to which section 7BA applies.

(2) If a contract does not contain a statement relating to the cooling-off period and a person’s rights under section 7BA (as required by section 7 (2) (g)), a person (other than the holder of a contractor licence) may, by notice in writing, rescind the contract within 7 days of becoming aware that the contract should have contained such a notice.

(3) The notice must state that the person rescinds the contract and must be given:
   (a) to the holder of the contractor licence personally, or
   (b) by leaving it at the address shown in the contract as the address of the holder of the contractor licence, or
   (c) by serving it on the holder of the contractor licence in accordance with any notice or service provision in the contract.

(4) The notice must be given in a form prescribed by the regulations, if any form is prescribed.

(5) If a notice is given in accordance with this section the contract is taken to be rescinded from the time it was signed, but subject to the rights and obligations conferred by this section.

(6) A contract can be rescinded under this section even if work has been done under the contract at the time of rescission.

(7) If a contract is rescinded under this section, the holder of the contractor licence is entitled to a reasonable price for the work carried out under the contract to the date the contract is rescinded.

(8) However, a holder of a contractor licence may not recover under subsection (7) more than the holder would have been entitled to recover under the contract.

7C Arbitration clause prohibited

A provision in a contract or other agreement that requires a dispute under the contract to be referred to arbitration is void.

7D Interests in land under contract

(1) A contract does not give the holder of a contractor licence or any other person a legal or equitable estate or interest in any land, and a provision in a contract or other agreement is void to the extent that it purports to create such an estate or interest.
Section 7E  Home Building Act 1989 No 147

(2) Accordingly, the holder of a contractor licence or any other person may not lodge a caveat under the Real Property Act 1900 in respect of an estate or interest prohibited by subsection (1).

(3) However, subsection (1) does not apply to a provision in a contract that creates a charge over land if:
   (a) the land the subject of the charge is land on which the contract work is, or is to be, carried out, and
   (b) the charge is in favour of the holder of a contractor licence who is a party to the contract, and
   (c) the charge is created to secure the payment to the holder of the contractor licence by another party to the contract of money due under the contract, but only if a court or tribunal has made an order or judgment that such payment be made, and
   (d) in the case of a charge over land under the Real Property Act 1900—the party to the contract against whom the judgment or order is made is the registered proprietor of the land.

(4) A charge referred to in subsection (3) over land under the Real Property Act 1900 ceases to operate if the party to the contract against whom the judgment or order is made ceases to be the registered proprietor of the land.

7E Regulations concerning contracts

(1) The regulations may make provision for or with respect to:
   (a) clauses or matter that must be included in a contract or a class of contracts, or
   (b) clauses or matter that must not be included in a contract or a class of contracts.

(2) If the regulations require a contract or class of contracts to contain a clause in prescribed terms, a contract of the kind to which the prescription relates is taken to include the clause in the terms prescribed. A contract that contains a term that is inconsistent with any such clause is unenforceable to the extent of the inconsistency.

(3) If the regulations provide that any matter must not be included in a contract or a class of contracts any contract that contains that matter is unenforceable to the extent that it includes or applies to that matter.

(4) Any regulations made under this section do not apply to a contract in force at the time that the regulations commence.

(5) This section does not limit section 7 (3).
8 Maximum deposits

(1) A person must not:
(a) demand or receive a payment on account before work is commenced under a contract to do residential building work, or
(b) enter into a contract under which the person is entitled to demand or receive a payment on account before residential building work is commenced,

if the amount of the payment is prohibited by this section.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) The amount of the payment is prohibited if:
(a) the contract price is more than $20,000 and the payment is more than 5% of the contract price (or, where another percentage is prescribed by the regulations in respect of a particular kind of work, the percentage so prescribed), or
(b) the contract price is $20,000 or less and the payment is more than 10% of the contract price (or, where another percentage is prescribed by the regulations in respect of a particular kind of work, the percentage so prescribed).

(3) The regulations may make provision concerning how a contract price is to be determined for the purposes of this section.

9 Exhibition homes

(1) In this section, exhibition home means a dwelling made available for inspection to persons who are invited, expressly or impliedly, to enter into a contract for the construction of a similar dwelling.

(2) A person who makes an exhibition home available for inspection or who advertises that an exhibition home is so available is guilty of an offence if, at any time it is available for inspection, there is not prominently displayed at the home:
(a) a copy of the plans and specifications relating to its construction, and
(b) if the person is aware that persons are to be invited to enter into building contracts for the construction of similar dwellings by use of a standard form of building contract, a copy of that form of contract.

Maximum penalty: 80 penalty units in the case of a corporation and 40 penalty units in any other case.

(3) If:
(a) a contract is entered into with the holder of a contractor licence for the construction of a dwelling that is similar to an exhibition home, and
(b) the holder knows that it was entered into after the other party to the contract had inspected the home, and
(c) the contract in any way identifies the dwelling to be built by reference to the home,
the contract is to be taken to contain a provision that the dwelling will be constructed according to the same plans and specifications, standards of workmanship and quality of materials as the exhibition home, except to the extent (if any) that the contract and its accompanying plans and specifications provide for any departure from them.

10 Enforceability of contracts and other rights

(1) A person who contracts to do any residential building work, or any specialist work, and who so contracts:

(a) in contravention of section 4 (Unlicensed contracting), or
(b) under a contract to which the requirements of section 7 apply that is not in writing or that does not have sufficient description of the work to which it relates (not being a contract entered into in the circumstances described in section 6 (2)), or
(c) in contravention of any other provision of this Act or the regulations that is prescribed for the purposes of this paragraph, is not entitled to damages or to enforce any other remedy in respect of a breach of the contract committed by any other party to the contract, and the contract is unenforceable by the person who contracted to do the work. However, the person is liable for damages and subject to any other remedy in respect of a breach of the contract committed by the person.

(2), (3) (Repealed)

(4) This section does not affect the liability of the person for an offence against a provision of or made under this or any other Act.

(1) This section applies to a contract for the supply of a kit home to which section 16DBA applies.

(2) If a contract does not contain a statement relating to the cooling-off period and a person’s rights under section 16DBA (as required by section 16D (2) (f)), a person (other than the kit home supplier) may, by notice in writing, rescind the contract within 7 days of becoming aware that the contract should have contained such a notice.

(3) The notice must state that the person rescinds the contract and must be given:
   (a) to the kit home supplier personally, or
   (b) by leaving it at the address shown in the contract as the address of the kit home supplier, or
   (c) by serving it on the kit home supplier in accordance with any notice or service provision in the contract.

(4) The notice must be given in a form prescribed by the regulations, if any form is prescribed.

(5) If a notice is given in accordance with this section the contract is taken to be rescinded from the time it was signed, but subject to the rights and obligations conferred by this section.

(6) A contract can be rescinded under this section even if work has been done under the contract at the time of rescission.

(7) If a contract is rescinded under this section, the kit home supplier is entitled to a reasonable price for anything done under the contract to the date the contract is rescinded.

(8) However, a kit home supplier may not recover under subsection (7) more than the kit home supplier would have been entitled to recover under the contract.

16DC  Arbitration clause prohibited

A provision in a contract or other agreement that requires a dispute under the contract to be referred to arbitration is void.

16DD  Interests in land under contract

(1) A contract does not give the kit home supplier or any other person a legal or equitable estate or interest in any land, and a provision in a
contract or other agreement is void to the extent that it purports to create such an estate or interest.

(2) Accordingly, the kit home supplier or any other person may not lodge a caveat under the Real Property Act 1900 in respect of an estate or interest prohibited by subsection (1).

(3) However, subsection (1) does not apply to a provision in a contract that creates a charge over land if:

(a) the land the subject of the charge is land on which the kit home is, or is to be, erected, and

(b) the charge is in favour of the kit home supplier who is a party to the contract, and

(c) the charge is created to secure the payment to the kit home supplier by another party to the contract of money due under the contract, but only if a court or tribunal has made an order or judgment that such payment be made, and

(d) in the case of a charge over land under the Real Property Act 1900—the party to the contract against whom the judgment or order is made is the registered proprietor of the land.

(4) A charge referred to in subsection (3) over land under the Real Property Act 1900 ceases to operate if the party to the contract against whom the judgment or order is made ceases to be the registered proprietor of the land.

16DE Regulations concerning contracts

(1) The regulations may make provision for or with respect to:

(a) clauses or matter that must be included in a contract or a class of contracts, or

(b) clauses or matter that must not be included in a contract or a class of contracts.

(2) If the regulations require a contract or class of contracts to contain a clause in prescribed terms, a contract of the kind to which the prescription relates is taken to include the clause in the terms prescribed. A contract with a term that is inconsistent with any such clause is unenforceable to the extent of the inconsistency.

(3) If the regulations provide that any matter must not be included in a contract, or a class of contracts, any contract that contains that matter is unenforceable to the extent that it includes or applies to that matter.

(4) Any regulations made under this section do not apply to a contract in force at the time that the regulations commence.

(5) This section does not limit section 16D (3).
16E Maximum deposits

(1) A person must not:

(a) demand or receive a payment on account before delivery of part of the kit home is made under a contract to supply a kit home, or

(b) enter into a contract under which the person is entitled to demand or receive a payment on account before delivery of part of the kit home is made,

if the amount of the payment is prohibited by this section.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) The amount of the payment is prohibited if:

(a) the contract price is more than $20,000 and the payment is more than 5% of the contract price (or, where another percentage is prescribed by the regulations in respect of a particular kind of kit home, the percentage so prescribed), or

(b) the contract price is $20,000 or less and the payment is more than 10% of the contract price (or, where another percentage is prescribed by the regulations in respect of a particular kind of kit home, the percentage so prescribed).

(3) The regulations may make provision concerning how a contract price is to be determined for the purposes of this section.

16F Exhibition homes

(1) In this section, exhibition home means a dwelling made available for inspection to persons who are invited, expressly or impliedly, to enter into a contract for the supply of a kit home designed to enable the construction of a similar dwelling.

(2) A person who makes an exhibition home available for inspection or who advertises that an exhibition home is so available is guilty of an offence if, at any time it is available for inspection, there is not prominently displayed at the home:

(a) a copy of the plans and specifications relating to its construction, and

(b) if the person is aware that persons are to be invited to enter into contracts of the kind referred to in subsection (1) by use of a standard form of contract, a copy of that form of contract.

Maximum penalty: 80 penalty units in the case of a corporation and 40 penalty units in any other case.

(3) If:
Section 16G  Home Building Act 1989 No 147

(a) a contract is entered into with a kit home supplier for the supply of a kit home designed to enable the construction of a dwelling that is similar to an exhibition home, and
(b) the kit home supplier knows that it was entered into after the other party to the contract had inspected the home, and
(c) the contract in any way identifies the kit home to be supplied under the contract by reference to the home,
the contract is to be taken to contain a provision that the kit home so supplied will conform to the same plans and quality of materials as the exhibition home, except to the extent (if any) that the contract and its accompanying plans provide for any departure from them.

16G  Enforceability of contracts

(1) A person who contracts to supply a kit home:
(a) under a contract to which the requirements of section 16D apply that is not in writing or that does not have sufficient description of the kit home to which it relates, or
(b) in contravention of any other provision of this Act or the regulations that is prescribed for the purposes of this paragraph, is not entitled to damages or to enforce any other remedy in respect of a breach of the contract committed by any other party to the contract, and the contract is unenforceable by the person who contracted to supply the kit home. However, the person is liable for damages and subject to any other remedy in respect of a breach of the contract committed by the person.

(2) This section does not affect the liability of the person for an offence against a provision of or made under this or any other Act.

16H  Application of this Part

(1) This Part does not affect any right or remedy that a person (other than the person who contracts to supply the kit home) may have apart from this Act.

(2) This Part does not apply to:
(a) a contract entered into, before the commencement of this Part, for the supply of a kit home, or
(b) the supply of a kit home pursuant to such a contract.
Part 2B  Representations concerning contractor licences or certificates

17  Misrepresentations about contractor licences or certificates

(1) A person must not represent that an individual, a partnership or a corporation:

(a) is the holder of a contractor licence, knowing that the individual, partnership or corporation is not the holder of a contractor licence, or

(b) is the holder of a contractor licence authorising its holder to contract to do residential building work, or specialist work, knowing that the individual, partnership or corporation is not the holder of an appropriate contractor licence.

(c) (Repealed)

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) A person must not represent that the person or any other person:

(a) is the holder of a supervisor or tradesperson certificate, knowing that the person or other person is not the holder of a certificate of the kind concerned, or

(b) is the holder of a supervisor or tradesperson certificate authorising its holder to do residential building work, or specialist work, knowing that the person or other person is not the holder of an appropriate certificate.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(3) For the purposes of this section, a contractor licence or certificate is appropriate only if it authorises its holder to contract to do, or authorises its holder to do, the work that is the subject of the representation.

18  Representations, generally

(1) It makes no difference whether a representation referred to in this Part:

(a) is express or implied, or

(b) relates to a non-existent individual, partnership or corporation, or

(c) is made by the individual, a member or employee of the partnership or an officer or employee of the corporation concerned.

(2) For the purposes of this Part, a representation concerning a business name used by, or registered under the Business Names Act 2002 to, an
individual, a partnership or a corporation is to be taken to be a representation concerning the individual, partnership or corporation.

(3) This Part applies not only to representations made to identifiable persons but also to those made by way of advertisement where the persons to whom the representations are made may or may not be identifiable.
Part 2C Statutory warranties

18A Time from when Part applies

This Part applies to residential building work only to the extent that it is done or to be done under a contract made on or after the commencement of this section.

18B Warranties as to residential building work

The following warranties by the holder of a contractor licence, or a person required to hold a contractor licence before entering into a contract, are implied in every contract to do residential building work:

(a) a warranty that the work will be performed in a proper and workmanlike manner and in accordance with the plans and specifications set out in the contract,

(b) a warranty that all materials supplied by the holder or person will be good and suitable for the purpose for which they are used and that, unless otherwise stated in the contract, those materials will be new,

(c) a warranty that the work will be done in accordance with, and will comply with, this or any other law,

(d) a warranty that the work will be done with due diligence and within the time stipulated in the contract, or if no time is stipulated, within a reasonable time,

(e) a warranty that, if the work consists of the construction of a dwelling, the making of alterations or additions to a dwelling or the repairing, renovation, decoration or protective treatment of a dwelling, the work will result, to the extent of the work conducted, in a dwelling that is reasonably fit for occupation as a dwelling,

(f) a warranty that the work and any materials used in doing the work will be reasonably fit for the specified purpose or result, if the person for whom the work is done expressly makes known to the holder of the contractor licence or person required to hold a contractor licence, or another person with express or apparent authority to enter into or vary contractual arrangements on behalf of the holder or person, the particular purpose for which the work is required or the result that the owner desires the work to achieve, so as to show that the owner relies on the holder’s or person’s skill and judgment.
18C Warranties as to work by others

A person who is the immediate successor in title to an owner-builder, a holder of a contractor licence, a former holder or a developer who has done residential building work on land is entitled to the benefit of the statutory warranties as if the owner-builder, holder, former holder or developer were required to hold a contractor licence and had done the work under a contract with that successor in title to do the work.

18D Extension of statutory warranties

(1) A person who is a successor in title to a person entitled to the benefit of a statutory warranty under this Act is entitled to the same rights as the person’s predecessor in title in respect of the statutory warranty.

(1A) A person who is a non-contracting owner in relation to a contract to do residential building work on land is entitled (and is taken to have always been entitled) to the same rights as those that a party to the contract has in respect of a statutory warranty.

(1B) Subject to the regulations, a party to a contract has no right to enforce a statutory warranty in proceedings in relation to a deficiency in work or materials if the warranty has already been enforced in relation to that particular deficiency by a non-contracting owner.

(2) This section does not give a successor in title or non-contracting owner of land any right to enforce a statutory warranty in proceedings in relation to a deficiency in work or materials if the warranty has already been enforced in relation to that particular deficiency, except as provided by the regulations.

18E Proceedings for breach of warranties

(1) Proceedings for a breach of a statutory warranty must be commenced within 7 years after:

(a) the completion of the work to which it relates, or

(b) if the work is not completed:

(i) the date for completion of the work specified or determined in accordance with the contract, or

(ii) if there is no such date, the date of the contract.

(2) The fact that a person entitled to the benefit of a statutory warranty specified in paragraph (a), (b), (c), (e) or (f) of section 18B has enforced the warranty in relation to a particular deficiency in the work does not prevent the person from enforcing the same warranty for a deficiency of a different kind in the work (the other deficiency) if:

(a) the other deficiency was in existence when the work to which the warranty relates was completed, and
(b) the person did not know, and could not reasonably be expected to have known, of the existence of the other deficiency when the warranty was previously enforced, and

(c) the proceedings to enforce the warranty in relation to the other deficiency are brought within the period referred to in subsection (1).

18F Defence

In proceedings for a breach of a statutory warranty, it is a defence for the defendant to prove that the deficiencies of which the plaintiff complains arise from instructions given by the person for whom the work was done contrary to the advice in writing of the defendant or person who did the work.

18G Warranties may not be excluded

A provision of an agreement or other instrument that purports to restrict or remove the rights of a person in respect of any statutory warranty is void.

Part 2D

18H–18V (Repealed)
Part 3   Licences and certificates

Division 1   Contractor licences

19 Application to contractor licences of Licensing and Registration (Uniform Procedures) Act 2002

(1) The Director-General may grant contractor licences for the purposes of this Act.

(2) Part 2 of the Licensing and Registration (Uniform Procedures) Act 2002 (the applied Act) applies to and in respect of a contractor licence, subject to the modifications and limitations prescribed by or under this Act.

(3) For the purpose of applying Part 2 of the applied Act to a contractor licence:
   (a) the licence may be amended under that Act, and
   (b) the references to 2 weeks, 4 weeks and 8 weeks in section 9 (1) (a), (b) and (c) of that Act are each to be read as references to 6 weeks, and
   (c) an application for restoration of a licence under section 10 of that Act may not be made more than 3 months after the date on which the licence expires, and
   (d) the reference to 14 days in section 24 (1) of that Act (as to the period within which changed particulars must be notified) is to be read as a reference to 7 days.

(4) Subject to this section, the regulations may make provision for or with respect to such matters concerning a contractor licence as are relevant to the operation of Part 2 of the applied Act.

20 Issue of contractor licences

(1) The Director-General must reject an application for a contractor licence if:
   (a) the Director-General is not satisfied that the applicant is a fit and proper person to hold a contractor licence, or
   (b) the applicant is a mentally incapacitated person, or
   (c) the applicant is disqualified by this Act or the regulations from holding a contractor licence.

Note. Under section 6 of the applied Act (within the meaning of section 19) an application for the grant of a contractor licence may be made by any individual aged 18 years or more, by any partnership or other association whose members are all individuals aged 18 years or more or by any corporation.
(1A) Without limiting subsection (1) (a), in determining whether an applicant is a fit and proper person to hold a licence the Director-General is to consider whether the applicant is of good repute, having regard to character, honesty and integrity.

(2) The regulations may fix or provide for the Director-General to determine additional standards or other requirements that must be met before any contractor licence is issued or before a contractor licence of a particular kind is issued.

(3) The Director-General must reject an application for a contractor licence if:

(a) the Director-General is not satisfied that any such requirement would be met were the contractor licence to be issued, or

(b) the Director-General is not satisfied with the applicant’s proposed arrangements for supervision of the work which the contractor licence will authorise the applicant to contract to do, or

(c) the Director-General is not satisfied that the applicant has complied or is able to comply with any requirements of Part 6 or any requirements of the regulations relating to insurance applicable to the doing of work of a kind proposed to be authorised by the contractor licence.

(4) (Repealed)

(5) A decision of the Director-General relating to determining standards or other requirements under subsection (2) cannot be reviewed by the Administrative Decisions Tribunal in an application for review made under this or any other Act.

(6) Without limiting this section, the Director-General may reject an application for a contractor licence if the Director-General is of the opinion that it is in the public interest to do so on any of the following grounds:

(a) an employee or proposed employee of the applicant is disqualified from holding a contractor licence, has had an application for an authority rejected on a ground relating to his or her character, honesty or integrity or has had an authority cancelled or suspended on any disciplinary ground,

(b) there are reasonable grounds to believe that the application has been made with the intention of avoiding disclosure of any relevant past misconduct of the applicant or a close associate of the applicant,

(c) the Director-General considers that a close associate of the applicant who would not be a fit and proper person to hold a contractor licence exercises a significant influence over the
applicant or the operation and management of the applicant’s business.

21 Authority conferred by contractor licences

(1) A contractor licence authorises its holder to contract to do the following:

(a) to do any residential building work that is described in the contractor licence when it is issued (being work of a category or categories prescribed by the regulations),

(b) to do any specialist work that is described in the contractor licence when it is issued (being work of a category or categories prescribed by the regulations).

(c) (Repealed)

(1A) A contractor licence that authorises its holder to contract to do residential building work authorises the holder to supply such building components as are necessary for any such work done by the holder.

(2) The authority conferred by a contractor licence:

(a) is subject to the conditions applicable to the contractor licence for the time being, and

(b) may, on the application of the holder of the contractor licence, be varied by an order of the Director-General set out in a notice served on the holder of the contractor licence.

22 Cancellation of contractor licences

(1) The Director-General must, subject to the regulations, cancel a contractor licence that authorises its holder to contract to do residential building work or specialist work, or both (whether or not it also authorises the holder to contract to supply kit homes for construction by another person) if:

(a) a period of 30 days (or any longer period that has been agreed on between the holder of the contractor licence and the Director-General) expires during which there has not been a nominated supervisor for the contractor licence, or

(b) the holder of the contractor licence is a partnership and (without the prior approval of the Director-General given for the purposes of this section) there is any change in its membership (otherwise than because of death), or

(c) the holder of the contractor licence or, in the case of a holder that is a partnership, any partner of that holder, becomes bankrupt, applies to take the benefit of any law for the relief of bankrupt or
insolvent debtors, compounds with his or her creditors or makes
an assignment of his or her remuneration for their benefit, or
(d) the holder of the contractor licence is a corporation and it has
become the subject of a winding up order under the Corporations
Act 2001 of the Commonwealth or has been voluntarily wound
up, or
(e) the holder of the contractor licence is a corporation and it has
been deregistered under Chapter 5A of the Corporations Act
2001 of the Commonwealth, or
(f) the holder of the contractor licence or, in the case of a holder that
is a partnership, any partner of that holder, is convicted more than
once in any period of 12 months of an offence under Part 6
(whether or not the offences are of the same or a different kind), or
(g) the holder of the contractor licence fails to maintain professional
indemnity insurance or a similar form of insurance taken out by
the holder of the contractor licence for the period required under
Part 6, or
(h) the holder of the contractor licence becomes a mentally
incapacitated person, or
(i) the holder of the contractor licence becomes disqualified by this
Act or the regulations from holding a contractor licence.

(2) (Repealed)

(3) The Director-General may, by notice in writing served on the holder of
a contractor licence, inform the holder that the licence has been
cancelled under this section. That written notice must also set out the
reasons for the cancellation.

(4) The cancellation takes effect on the date specified in the notice, which
must be on or after the date on which the notice is served.

Note. Section 44 makes provision for the return of a cancelled authority
(including a contractor licence).

22A Suspension of contractor licences—failure to insure

(1) If the Director-General is of the opinion that the holder of a contractor
licence has not complied or is unable to comply with any requirements
of Part 6 or any requirements of the regulations relating to insurance
applicable to the doing of work of a kind authorised by the contractor
licence, the Director-General may, by notice in writing served on the
holder of the contractor licence, inform the holder that the contractor
licence will be suspended unless the holder complies with subsection
(2) within the period specified in the notice.
(2) The holder of the contractor licence must provide such documentation or information as the Director-General requires in order to satisfy the Director-General that the holder has complied or is able to comply with any requirements of Part 6 and any requirements of the regulations relating to insurance applicable to the doing of work of a kind authorised by the contractor licence.

(3) The Director-General may, by notice in writing served on the holder of the contractor licence, suspend the contractor licence from a date specified for that purpose in the notice if the documentation or information referred to in subsection (2) has not been provided within the period specified in the notice under subsection (1).

(4) Within 7 days after a contractor licence is so suspended, the holder of the contractor licence must:

(a) lodge the suspended contractor licence at an office of the Department of Fair Trading, or

(b) if unable to lodge the suspended contractor licence, lodge at an office of the Department of Fair Trading a statement signed by the holder and providing accurate and complete details of why the contractor licence cannot be lodged.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

(5) If the holder of the suspended contractor licence provides the documentation or information referred to in subsection (2), the Director-General must, as soon as practicable, revoke the suspension by notice in writing, unless the contractor licence has expired.

(6) The revocation takes effect on a day specified for that purpose in the notice.

(7) On the revocation of the suspension of a contractor licence under this section, the Director-General must return the contractor licence (if it has not expired) to its holder.

22B Suspension of contractor licences—appointment of controller or administrator

(1) This section applies if the holder of a contractor licence is a corporation and a controller or administrator of the corporation is appointed under Part 5.2 or 5.3A of the Corporations Act 2001 of the Commonwealth.

(2) If the Director-General is of the opinion that there is a risk to the public that the licensee will be unable to complete building contracts (whether an existing contract or a contract entered into in the future), the Director-General may, by notice in writing served on the holder of the contractor licence, inform the holder that the contractor licence will be
suspended unless the holder complies with subsection (3) within the period specified in the notice.

(3) The holder of the contractor licence must provide any documentation or information that the Director-General requires in order to satisfy the Director-General that there is no such risk to the public.

(4) The Director-General may, by notice in writing served on the holder of the contractor licence, suspend the contractor licence from a date specified for that purpose in the notice if the documentation or information referred to in subsection (3) has not been provided within the period specified in the notice under subsection (2).

(5) Within 7 days after a contractor licence is so suspended, the holder of the contractor licence must:
   (a) lodge the suspended contractor licence at an office of the Department of Fair Trading, or
   (b) if unable to lodge the suspended contractor licence, lodge at an office of the Department of Fair Trading a statement signed by the holder and providing accurate and complete details of why the contractor licence cannot be lodged.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

(6) If the holder of the suspended contractor licence provides the documentation or information referred to in subsection (3), the Director-General must, as soon as practicable, revoke the suspension by notice in writing, unless the contractor licence has expired.

(7) The revocation takes effect on a day specified for that purpose in the notice.

(8) On the revocation of the suspension of a contractor licence under this section, the Director-General must return any contractor licence that has been lodged (if it has not expired) to its holder.

Note. Section 61A makes provision for the suspension of a contractor licence by the Director-General. Section 79A of the Fair Trading Act 1987 also makes provision for the suspension of licences and other authorities.

23 Warning notices

(1) The Director-General may authorise publication of a notice warning persons of particular risks involved in dealing with a specified holder of a contractor licence, or a person who does not hold a contractor licence, in connection with residential building work or specialist work.

(2) For example, a warning may relate to the risks involved in dealing with a person who has a recent history of unreasonable delays in completing work, or of inadequately supervised work or of defective work, of
failing to comply with orders of the Tribunal, or of failing to insure work in accordance with this Act.

(3) The Director-General may authorise publication of such a notice in any one or more of the following ways:
   (a) to any person making inquiries to the Director-General about the holder concerned,
   (b) by advertisement by the use of any medium,
   (c) to any media representatives.

(4) Publication of such a notice may not be authorised unless an investigation has been conducted by the Director-General, whether or not a complaint has been made.

(5) Before authorising publication of such a notice, the Director-General must give the person concerned an opportunity for a period of not less than 48 hours to make representations to the Director-General about publication of such a notice, unless:
   (a) the Director-General is not able, after making reasonable efforts to do so, to contact the person promptly and advise the person of that opportunity, or
   (b) the person refuses to make any representations.

(5A) However, no opportunity to make representations is required to be given if, in the opinion of the Director-General, there is an immediate risk to the public.

(6) No liability is incurred by a person for publishing in good faith:
   (a) a notice under this section, or
   (b) a fair report or summary of such a notice.

### Division 2 Supervision and tradesperson certificates

#### 24 Application to tradesperson and supervisor certificates of Licensing and Registration (Uniform Procedures) Act 2002

(1) The Director-General may grant the following certificates for the purposes of this Act:
   (a) tradesperson certificates,
   (b) supervisor certificates.

(2) Part 2 of the Licensing and Registration (Uniform Procedures) Act 2002 (the applied Act) applies to and in respect of a tradesperson certificate or supervisor certificate, subject to the modifications and limitations prescribed by or under this Act.
(3) For the purpose of applying Part 2 of the applied Act to a tradesperson certificate or supervisor certificate:
   (a) the certificate may be amended under that Act, and
   (b) the references to 2 weeks, 4 weeks and 8 weeks in section 9 (1) (a), (b) and (c) of that Act are each to be read as references to 6 weeks, and
   (c) an application for restoration of a licence under section 10 of that Act may not be made more than 3 months after the date on which the licence expires, and
   (d) the reference to 14 days in section 24 (1) of that Act (as to the period within which changed particulars must be notified) is to be read as a reference to 7 days.

(4) An application for a tradesperson certificate or supervisor certificate may be made only by an individual, and not by a corporation, partnership or other association.

(5) Subject to this section, the regulations may make provision for or with respect to such matters concerning a tradesperson certificate or supervisor certificate as are relevant to the operation of Part 2 of the applied Act.

25 Issue of certificates

(1) The Director-General must reject an application for a supervisor or tradesperson certificate if:
   (a) the Director-General is not satisfied that the applicant is a fit and proper person to hold such a certificate, or
   (b) the applicant is a mentally incapacitated person, or
   (c) the applicant is disqualified by this Act or the regulations from holding such a certificate.

(1A) Without limiting subsection (1) (a), in determining whether an applicant is a fit and proper person to hold a certificate the Director-General is to consider whether the applicant is of good repute, having regard to character, honesty and integrity.

(2) The regulations may specify or provide for the Director-General to determine additional qualifications that must be held or other requirements that must be met before any supervisor or tradesperson certificate is issued or before such a certificate of a particular kind is issued.

(3) The Director-General must reject an application for a supervisor or tradesperson certificate:
Section 26  Home Building Act 1989 No 147

(a) if the Director-General is not satisfied that any such requirement would be met were the certificate to be issued, or
(b) if the applicant has not completed, at a standard acceptable to the Director-General, any relevant examination or practical test (or both) conducted or nominated by the Director-General and required by the Director-General to be completed by the applicant.

(4) A decision of the Director-General relating to:
   (a) the determining of qualifications or other requirements under subsection (2), or
   (b) the setting of standards or selecting of examinations or tests under subsection (3),
   cannot be reviewed by the Administrative Decisions Tribunal in an application for review made under this or any other Act.

26  Issue of endorsed contractor licences

If a contractor licence is issued to an applicant who the Director-General considers is qualified to hold a supervisor certificate, the Director-General may, instead of issuing such a certificate, endorse the contractor licence to show that it is equivalent to such a certificate.

27  Authority conferred by certificates

(1) A supervisor certificate authorises its holder to do (and to supervise) the following:
   (a) any residential building work that is described in the certificate when it is issued (being work of a category or categories prescribed by the regulations),
   (b) any specialist work that is described in the certificate when it is issued (being work of a category or categories prescribed by the regulations).

(2) A tradesperson certificate authorises its holder to do any specialist work that is described in the certificate when it is issued (being work of a category or categories prescribed by the regulations), but only under the general supervision, and subject to the control, of the holder of an endorsed contractor licence or a supervisor certificate authorising supervision of the work.

(3) The authority conferred by a supervisor or tradesperson certificate:
   (a) is subject to the conditions applicable to the certificate for the time being, and
(b) may, on the application of the holder of the certificate, be varied by an order of the Director-General set out in a notice served on the holder of the certificate.

28 Authority conferred by endorsed contractor licences

(1) An endorsed contractor licence authorises its holder to do (and to supervise) the same residential building work, or specialist work, as it authorises its holder to contract to do.

(2) The authority conferred by an endorsed contractor licence is subject to the conditions applicable to the contractor licence for the time being.

(3) The authority conferred by an endorsed contractor licence may be varied in the same way as that conferred by any other contractor licence.

30 Application to owner-builder permits of Licensing and Registration (Uniform Procedures) Act 2002

(1) The Director-General may grant owner-builder permits for the purposes of this Act.

(2) Part 2 of the Licensing and Registration (Uniform Procedures) Act 2002 (the applied Act) applies to and in respect of an owner-builder permit, subject to the modifications and limitations prescribed by or under this Act.
(3) For the purpose of applying Part 2 of the applied Act to an owner-builder permit:
   (a) the permit may be amended under that Act, and
   (b) the reference to 14 days in section 24 (1) of that Act (as to the period within which changed particulars must be notified) is to be read as a reference to 7 days.

(4) An application for an owner-builder permit may be made only by an individual, and not by a corporation, partnership or other association.

(5) Subject to this section, the regulations may make provision for or with respect to such matters concerning an owner-builder permit as are relevant to the operation of Part 2 of the applied Act.

31 Issue of owner-builder permits

(1) (Repealed)

(2) The Director-General must reject an application for an owner-builder permit if the Director-General is not satisfied:

   (b) that the applicant owns the land concerned, whether or not together with another or other individuals, or
   (c) that the single dwelling-house or one of the dwellings comprising the dual occupancy concerned will be occupied as the residence (being, in the case of a dual occupancy, the principal residence) of the applicant after the work authorised by the permit is done, or
   (d) that the applicant has completed any applicable education course or training approved by the Director-General for the purposes of this section.

(3) The Director-General must reject an application for an owner-builder permit if the applicant was, during the 5 years (or, if the regulations prescribe another period, during the other period) occurring immediately before the application was lodged, issued with another owner-builder permit (or an owner-builder permit under the Builders Licensing Act 1971), unless the Director-General is satisfied:
   (a) that the application and the other permit both relate to the same land and to related owner-builder work, or
   (b) that special circumstances exist.
32 Authority conferred by owner-builder permits

(1) An owner-builder permit authorises its holder to do such residential building work as is described in the permit on the land specified in the permit.

(2) The authority conferred by an owner-builder permit:
   (a) is subject to the conditions applicable to the permit for the time being, and
   (b) may, on the application of the holder of the permit, be varied by an order of the Director-General set out in a notice served on the holder of the permit.

32AA Unlicensed contracting

(1) The holder of an owner-builder permit must not contract with another person for that person to do any residential building work (or any part of the work) for the holder unless the person is the holder of a contractor licence to do work of that kind.
   Maximum penalty: 200 penalty units.

(2) The holder of an owner-builder permit is not guilty of an offence under this section if the holder establishes that the holder did all that could reasonably be required to prevent the contravention of this section.

   (b) a supervisor or tradesperson certificate, or
   (c) an owner-builder permit.
   (d) (Repealed)

34 Updating of applications

(1) An applicant for an authority, or for the variation, renewal or restoration of an authority, must give the Director-General written particulars of any change in the particulars or information accompanying the application that occurs before the applicant is given notice of the
determination of the application within 7 days (or such longer period as the Director-General allows in a particular case) after the change. Maximum penalty: 50 penalty units.

(2) Particulars of any change given by the applicant are then to be considered to have formed part of the original application for the purposes of the application of subsection (1) to any further change in the particulars or information provided.

(3) This section does not apply to any change in particulars or information if the Director-General has notified the applicant in writing that the Director-General does not require particulars of any change in the particulars or information concerned or does not require particulars of the type of change concerned.

35 Director-General may obtain information from third parties

(1) The Director-General may, by notice in writing, require an applicant for a contractor licence (whether or not an endorsed contractor licence), an applicant for the renewal or restoration of such a licence or a close associate of the applicant:

(a) to authorise a person described in the notice:

(i) to provide such information as is specified in the notice as is relevant to the investigation of the application, or

(ii) to produce, in accordance with directions in the notice, such records relevant to the investigation of the application as are specified in the notice and to permit examination of the records, the taking of extracts from them and the making of copies of them, or

(b) to furnish to the Director-General such authorities and consents as the Director-General directs for the purpose of enabling the Director-General to obtain information (including financial and other confidential information) from other persons concerning the person or close associate.

(2) If a requirement made under this section is not complied with, the Director-General may refuse to consider the application concerned while the non-compliance continues.

(3) A person who complies with a requirement of a notice under this section does not on that account incur a liability to another person.

36 Conditions of authorities

(1) An authority is subject to:

(a) any conditions prescribed by the regulations for authorities of the same kind, and
(b) any conditions imposed by order of the Director-General and set out in it when it is issued, except to any extent that they may be inconsistent with conditions referred to in paragraph (c), and

(c) any conditions imposed by order of the Director-General and set out in a notice served on the holder of the authority.

(2) A person issued with an authority must not contravene any requirement made by the conditions of the authority.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

37 Restrictions on certain authorities

An endorsed contractor licence or a supervisor or tradesperson certificate does not authorise its holder to do or supervise specialist work merely because it authorises its holder to do or supervise residential building work.

38 Provisional authorities

(1) The Director-General may, but only if the Director-General considers that special circumstances exist, issue an authority to an applicant even though the applicant does not meet a requirement imposed by or under this Act for the issue of the authority.

(2) When any such authority is issued, the Director-General is required to indicate, in a notice served on the applicant, that it is a provisional authority.

(3) The Director-General may cancel the provisional nature of an authority at any time by serving notice to that effect on the holder of the authority.

(4) The Director-General may cancel a provisional authority at any time by serving notice of cancellation on the holder of the authority.

39 (Repealed)

40 Renewal or restoration of authorities

(1) The Director-General must reject an application for the renewal or restoration of an authority if:

(a) the Director-General is not satisfied that the applicant is a fit and proper person to hold the authority, or

(b) the applicant is a mentally incapacitated person, or

(c) the applicant is disqualified by this Act or the regulations from holding the authority or would be so disqualified when the renewal would take effect, or
(d) the Director-General considers that a close associate of the applicant who would not be a fit and proper person to hold an authority exercises a significant influence over the applicant or the operation and management of the applicant’s business.

(1A) Without limiting subsection (1) (a), in determining whether an applicant is a fit and proper person to hold an authority the Director-General is to consider whether the applicant is of good repute, having regard to character, honesty and integrity.

(2) The Director-General may reject an application for renewal or restoration of an authority if:

(a) further particulars requested from the applicant are outstanding, or

(b) the authority is surrendered or cancelled before it is due to expire, or

(c), (d) (Repealed)

(e) a judgment against the applicant for money owed to the Director-General is not satisfied, or

(f) the authority is a provisional authority, or

(g) the Director-General is empowered to reject the application by the regulations.

(2A) The Director-General must reject an application for renewal or restoration of a contractor licence if the Director-General is not satisfied that the applicant has complied or is able to comply with any requirements of Part 6 and any requirements of the regulations relating to insurance applicable to the doing of work of a kind authorised or proposed to be authorised by the contractor licence.

(2B) The Director-General may reject an application for renewal or restoration of a contractor licence if an employee or proposed employee of the applicant is disqualified from holding such a licence, has had an application for such a licence rejected on a ground relating to his or her character, honesty or integrity or has had such a licence cancelled or suspended on a disciplinary ground.

(2C) (Repealed)

(2D) The Director-General may approve further education courses, or other training, that must be completed by specified persons before an application for renewal or restoration of an authority can be accepted.

(2E) The Director-General may reject an application for renewal or restoration of an authority if the Director-General is not satisfied that, in the year before the authority is proposed to be renewed or restored:

(a) the applicant, or
(b) in the case of an applicant that is a corporation, the directors of that corporation or any class of persons specified by the Director-General, or
(c) in the case of an applicant that is a partnership, each partner or any class of persons specified by the Director-General, or
(d) an employee of the applicant, has undertaken or completed, for at least as many hours as are required by the Director-General, the further education course or courses, or other training, approved by the Director-General for the purposes of this section.

(2F) (Repealed)

(3) The Director-General may also reject an application for restoration of an authority if the Director-General is not satisfied that:
(a) failure to apply for renewal of the authority before it expired was due to inadvertence, or
(b) it is just and equitable to restore the authority.

(4) The Director-General may, under subsection (3), reject an application for restoration if:
(a) it requests the applicant or a nominee of the applicant to appear at a reasonable time at an office of the Department of Fair Trading to be examined concerning the merits of the application, and
(b) the applicant or nominee fails to so attend or fails to answer any question put (whether or not at such an examination) by or on behalf of the Director-General and reasonably related to ascertaining the merits of the application.

(5) (Repealed)

41 (Repealed)

42 Term of licence or certificate

Unless previously surrendered, suspended or cancelled, an authority (other than an owner-builder permit) continues in force from the time of its issue or last renewal for such term (not exceeding 3 years) as is specified in it.

42A Automatic suspension of licence for failure to comply with order to pay money in relation to building claim

(1) In this section:
building claim has the same meaning as in Part 3A, and includes a claim for the payment of an unspecified sum of money that arises from a supply of building goods or services as referred to in section 48A.

licence means a contractor licence (whether or not an endorsed contractor licence).

(2) If the holder of a licence fails to comply with an order of a court or the Tribunal to pay an amount of money in respect of a building claim by the due date, the licence is, subject to this section, suspended until such time as the Director-General is satisfied that the order has been complied with.

(3) For the purposes of this section, the due date for payment of an amount of money in respect of a building claim is:
(a) the end of the time limit specified in the order for payment, or
(b) if no such time limit is specified in the order—the end of the period determined by the Director-General.

(4) The suspension of the licence takes effect:
(a) 28 days after the due date for payment, or
(b) if the Director-General is, before the end of that 28-day period, provided with a copy of an order staying the operation of the decision of the court or the Tribunal pending an appeal against the decision—as soon as the decision of the court or the Tribunal is confirmed on appeal.

Note. In the case of an order of the Tribunal, section 69 of the Consumer, Trader and Tenancy Tribunal Act 2001 provides that an appeal against (or an application for a rehearing of) the Tribunal's decision does not automatically affect the operation of the decision. However, an order may be made under that section to stay the operation of the Tribunal's decision.

(5) The Director-General may, by notice in writing to the holder of a licence, defer the operation of the suspension of the licence under this section for any period up until the date on which the licence is due for renewal.

(6) A decision by the Director-General to defer, or not to defer, the operation of the suspension of a licence under this section cannot be reviewed by the Administrative Decisions Tribunal in an application for review made under this Act.

(7) If a licence is suspended by operation of this section, the holder of the licence must, as soon as practicable after the suspension takes effect:
(a) return the licence to the Director-General by lodging it at an office of the Office of Fair Trading, Department of Commerce, or
(b) if unable to lodge the licence, lodge at an office of the Office of Fair Trading, Department of Commerce a statement signed by the
person providing accurate and complete details of why the licence cannot be lodged.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

(8) This section does not operate to prevent the taking of disciplinary action under Part 4 against a person on the grounds that the person has failed to comply with an order of a court or the Tribunal to pay an amount of money in respect of a building claim.

43 Cancellation because of fraud etc

(1) The Director-General may, by serving on the holder of the authority a written notice setting out the reason for the cancellation, cancel an authority if:

(a) the authority was issued, renewed or restored because of a misrepresentation (whether fraudulent or not), or

(b) the authority was issued, renewed or restored in error (whether as a result of such a misrepresentation or not).

(2) The Director-General may, by a further notice served on the holder of an authority cancelled under this section, retrospectively restore the authority if the Director-General is satisfied:

(a) that the error concerned has been rectified, and

(b) that the holder acted in good faith.

44 Return of cancelled or varied authority

(1) Immediately after an authority is cancelled or the Director-General either varies the authority the Director-General confers or imposes a condition on the authority by service of a notice, the person to whom it was issued must:

(a) lodge the authority at an office of the Department of Fair Trading, or

(b) if unable to lodge the authority, lodge at an office of the Department of Fair Trading a statement signed by the person and providing accurate and complete details of why the authority cannot be lodged.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

(2) When subsection (1) has been complied with by a person because of a variation or the imposition of a condition, the Director-General must issue an appropriate replacement authority to the person for the residue of the term of the former authority.
(3) When an authority that has not been cancelled is lodged under this section, the Director-General is to cancel the authority.

45 (Repealed)

46 Transfer prohibited

An authority cannot be transferred.

46A Lending of authority prohibited

(1) The holder of an authority must not let out, hire or lend the authority to any other person or permit any other person to use the authority.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) A court that convicts a person for an offence under this section is to order the cancellation of the authority concerned. The authority is cancelled on the making of the order.

47 Production of authority

The holder of an authority must immediately produce the authority for inspection on demand by:

(a) any person with whom the holder has contracted to do residential building work or specialist work or to whom the holder has made a statement indicating that the holder is willing or prepared to do any such work or to enter into a contract to do any such work, or

(b) the owner or occupier of any land, building, vehicle or vessel on or in which the holder is doing residential building work or specialist work or on or in which the holder has contracted to do any such work, or

(b1) (Repealed)

(c) any person authorised in writing for the purposes of this section by the Director-General, or

(d) any person authorised in writing for the purposes of this section by any local or public authority which is responsible for the control of residential building work or specialist work which the holder is carrying out, or

(e) any investigator appointed under section 18 of the *Fair Trading Act 1987*.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.
47A Appointment of person to co-ordinate or supervise work if authority suspended, cancelled or surrendered

(1) If an authority is suspended, cancelled or surrendered under this or any other Act, the Director-General may, if the Director-General is satisfied that it is in the public interest to do so, by instrument in writing appoint a person to co-ordinate or supervise any work that has not been completed under any contract entered into by the holder of that authority.

(2) The appointment is not valid unless the person appointed has consented to the appointment.

(3) In appointing a person, the Director-General must have regard to the suitability of the person to co-ordinate or supervise the work. The person appointed need not be the holder of an authority under this Act.

(4) Before appointing a person, the Director-General must obtain the consent of the person for whom the work is being done.

(5) The person is to be appointed on any terms and conditions that the Director-General thinks fit.

(6) Those conditions may include a condition that the person supervise the holder of the former authority to do the work.

(7) The appointment of a person under this section may be terminated at any time by the Director-General.

(8) The terms and conditions of an appointment under this section may be varied by the Director-General at any time, with the consent of the appointed person.

(9) A person appointed under this section who is not the holder of an authority under this Act is not liable to be prosecuted for performing any work to which the appointment relates without holding an authority.

(10) The appointment of a person under this section has no effect on any contract for any work to which it relates or on any contract of insurance, or on the liability of any person under any contract of insurance, in relation to any work to which it relates.

48 Other laws not affected

Nothing in this Part affects a requirement made by or under any other Act about the doing, supervision or control of residential building work or specialist work.

(2) The Tribunal has jurisdiction to hear and determine any building claim whether or not the matter to which the claim relates arose before or after the commencement of this Division, except as provided by this section.

(3) The Tribunal does not have jurisdiction in respect of a building claim relating to building goods or services that have been supplied to or for the claimant if the date on which the claim was lodged is more than 3 years after the date on which the supply was made (or, if made in instalments, the date on which the supply was last made).

(4) The Tribunal does not have jurisdiction in respect of a building claim relating to building goods or services that are required under a contract to be supplied to or for the claimant on or by a specified date or within a specified period but which have not been so supplied if the date on which the claim was lodged is more than 3 years after the date on or by which the supply was required under the contract to be made or, if required to be made in instalments, the last date on which the supply was required to be made.
(5) The fact that a building claim arises out of a contract that also involves the sale of land does not prevent the Tribunal from hearing that building claim.

(6) The Tribunal does not have jurisdiction in respect of a building claim arising out of a contract of insurance required to be entered into under this Act if the date on which the claim was lodged is more than 10 years after the date on which the residential building work the subject of the claim was completed.

(7) The Tribunal does not have jurisdiction in respect of a building claim arising from a breach of a statutory warranty implied under Part 2C if the date on which the claim was lodged is more than 7 years after:
   (a) the date on which the residential building work the subject of the claim was completed, or
   (b) if the work is not completed:
      (i) the date for completion of the work specified or determined in accordance with the contract, or
      (ii) if there is no such date, the date of the contract.

(8) The Tribunal does not have jurisdiction in respect of a building claim relating to:
   (a) a contract for the supply of goods or services to which none of subsections (3), (4), (6) and (7) applies, or
   (b) a collateral contract,
      if the date on which the claim was lodged is more than 3 years after the date on which the contract was entered into.

(9) This section has effect despite section 22 of the Consumer, Trader and Tenancy Tribunal Act 2001.

48L Tribunal to be chiefly responsible for resolving building claims

(1) This section applies if a person starts any proceedings in or before any court in respect of a building claim and the building claim is one that could be heard by the Tribunal under this Division.

(2) If a defendant in proceedings to which this section applies makes an application for the proceedings to be transferred, the proceedings must be transferred to the Tribunal in accordance with the regulations and are to continue before the Tribunal as if they had been instituted there.

(3) This section does not apply to matters arising under sections 15, 16 or 25 of the Building and Construction Industry Security of Payment Act 1999.
(4) This section has effect despite section 23 of the Consumer, Trader and Tenancy Tribunal Act 2001.

48M Jurisdiction in relation to actions against refusal of insurance claims

Despite section 48K, a building claim that relates to the refusal of an insurance claim that exceeds $500,000 (or any other higher or lower figure prescribed by the regulations) is to be heard by a court of competent jurisdiction.

Division 5 Powers of Tribunal

48N Tribunal may have regard to certain building reports

(1) In determining a building claim, the Tribunal may have regard to, but is not bound by, any report prepared by an inspector by whom any matter giving rise to a building dispute has been investigated under Division 2 (before an application was made for determination of the building claim).

(2) The inspector may be called to give evidence in proceedings before the Tribunal only by the Tribunal (and not by either party to the building claim).

(2A) The Tribunal may appoint an independent expert, from a panel of experts approved by the Chairperson of the Tribunal, to advise the Tribunal as to any matter that the Tribunal refers to the expert for advice.

(2B) In any proceedings for which an independent expert has been appointed under subsection (2A), no party may call any other expert to give evidence in the proceedings, or tender any report prepared by any other expert, except by leave of the Tribunal.

(3) Such a suspension may not be imposed for a period of more than 60 days after the show cause notice is served. The period of the suspension is to be specified in the notice imposing the suspension.

(4) The Director-General is not required to afford a person an opportunity to be heard before taking action against the person under this section.

(a) in relation to an individual, that the individual is insolvent under administration (within the meaning of the Corporations Act 2001 of the Commonwealth), or
(b) in relation to a corporation, that the corporation is an externally-administered body corporate (within the meaning of the Corporations Act 2001 of the Commonwealth).

owner-builder work means owner-builder work within the meaning of Division 3 of Part 3 that involves:
(a) the construction of a dwelling, or
(b) the alteration of, or additions to, a dwelling, or
(c) the construction of an inground swimming pool.

A reference in this Part to the disappearance of a contractor, supplier or owner-builder includes a reference to the fact that, after due search and inquiry, the contractor, supplier or owner-builder cannot be found.

91 When Part applies

(1) This Part, as amended by the Building Services Corporation Legislation Amendment Act 1996, applies to residential building work or owner-builder work only to the extent that it is done or is to be done or has been done under a contract made on or after the date of commencement of this section or, if it is done otherwise than under a contract, only to the extent that it is commenced on or after that commencement.

(2) (Repealed)

91A Market practice and claims handling guidelines

(1) The Minister may, after consultation with the Scheme Board and with the concurrence of the Minister administering the NSW Self Insurance Corporation Act 2004, issue guidelines with respect to appropriate market practices or claims handling procedures (or both) in connection with the provision of home warranty insurance by or on behalf of the Self Insurance Corporation.

(2) The Minister may, from time to time, amend or revoke guidelines issued under this section.

(3) Guidelines issued under this section, or amendments to such guidelines, are to be published in the Gazette and take effect from the date of publication or such later date as may be specified in the guidelines or amendments.
92 Contract work must be insured

(1) A person must not do residential building work under a contract unless:

(a) a contract of insurance that complies with this Act is in force in relation to that work in the name of the person who contracted to do the work, and

(b) a certificate of insurance evidencing the contract of insurance, in a form prescribed by the regulations, has been provided to the other party (or one of the other parties) to the contract.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) A person must not demand or receive a payment under a contract for residential building work (whether as a deposit or other payment and whether or not work under the contract has commenced) from any other party to the contract unless:

(a) a contract of insurance that complies with this Act is in force in relation to that work in the name of the person who contracted to do the work, and

(b) a certificate of insurance evidencing the contract of insurance, in a form prescribed by the regulations, has been provided to the other party (or one of the other parties) to the contract.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(3) This section does not apply if the contract price does not exceed $5,000 or (if the contract price is not known) the reasonable market cost of the labour and materials involved does not exceed $5,000.

(4) If the same parties enter into two or more contracts to carry out work in stages, the contract price for the purposes of subsection (3) is taken to be the sum of the contract prices under each of the contracts.

(5) The regulations may prescribe another amount for the purposes of subsection (3) and an amount so prescribed is to apply in the place of the amount referred to in that subsection.

(6) To avoid doubt, this section extends to residential building work that is also owner-builder work.

92A Notification of insurer

The holder of a contractor licence who enters into a contract to do residential building work that is the subject of a contract of insurance for the purposes of this Act must inform the insurer under that contract of the following particulars:
(a) the identity of the contractor and of the other party to the contract, and
(b) the address of the premises where the residential building work will be done, and
(c) any other matters relevant to the contract, being matters prescribed by the regulations.

Maximum penalty: 80 penalty units in the case of a corporation and 40 penalty units in any other case.

92B Operation of contract of insurance

(1) If the holder of a contractor licence enters into a contract to do residential building work and a contract of insurance that complies with this Act is in force in relation to that work (whether or not the name of the contractor identified under section 92A (a) is the same as the name of the contractor in the contract), the contract of insurance is taken to extend to any residential building work under the contract at the address stated in the certificate of insurance.

(2) An insurer who pays a claim under a contract of insurance the operation of which has been extended under this section is entitled to recover any money paid from the contractor named in the building contract or the person identified as the contractor under section 92A (a).

92C Operation of contract of insurance in relation to non-contracting owners

(1) If the holder of a contractor licence enters into a contract to do residential building work on land and a contract of insurance that complies with this Act is in force in relation to that work, the benefit of the contract of insurance is taken to extend (and to have always extended) to any non-contracting owner in relation to the land at the time the contract to do residential building work was entered into as if the non-contracting owner were a person on whose behalf the work is done.

(2) Subsection (1) applies irrespective of whether or not the contract of insurance concerned contains a term to the same effect as that subsection.

93–93B (Repealed)

94 Effect of failure to insure residential building work

(1) If a contract of insurance required by section 92 is not in force, in the name of the person who contracted to do the work, in relation to any residential building work done under a contract (the uninsured work), the contractor who did the work:

---

Historical version for 8.7.2011 to 24.10.2011 (generated on 14.06.2012 at 14:44)
(a) is not entitled to damages, or to enforce any other remedy in respect of a breach of the contract committed by any other party to the contract, in relation to that work, and

(b) is not entitled to recover money in respect of that work under any other right of action (including a quantum meruit).

(1A) Despite section 92 (2) and subsection (1), if a court or tribunal considers it just and equitable, the contractor, despite the absence of the required contract of insurance, is entitled to recover money in respect of that work on a quantum meruit basis.

(1B) A contractor who applies to a court or tribunal for a remedy under this section, or who is awarded money under this section, is not guilty of an offence under section 92 (2) by virtue only of that fact.

(1C) Without limiting the factors that a court or tribunal may consider in deciding what is just and equitable under subsection (1A):

(a) in relation to any contract—the court or tribunal may have regard to the impact on the resale price of the property if no contract of insurance is provided, and

(b) in relation only to a contract entered into before 30 July 1999—the court or tribunal is not to be limited by the fact that the required contract of insurance was not obtained until after the date of the contract.

(2) However, the contractor remains liable for damages and subject to any other remedy in respect of any breach of the contract committed by the contractor.

(3) Residential building work that is uninsured work at the time the work is done ceases to be uninsured work for the purposes of this section if the required contract of insurance for the work is subsequently obtained.

(4) If a person commenced residential building work before 30 July 1999 and entered into a contract of insurance that complies with this Act in relation to that work after the contract for the residential building work was entered into, that contract of insurance is, for the purposes of this section or any previous version of this section, taken to have been in force in relation to the residential building work done under the contract for the residential building work whether that work was done before or after the contract of insurance was entered into.

Note. If a contract of insurance is in force in relation to part of the residential building work, this section applies only in relation to the part of the work that is not insured.

94A (Repealed)
95 Owner-builder insurance

(1) An owner-builder must not enter into a contract for the sale of land on which owner-builder work is to be or has been done by or on behalf of the owner-builder unless a contract of insurance that complies with this Act is in force in relation to the work or proposed work.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2) An owner-builder must not enter into a contract for the sale of land on which owner-builder work is to be or has been done by or on behalf of the owner-builder unless a certificate of insurance evidencing the contract of insurance, in a form prescribed by the regulations, is attached to the contract.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2A) A person who is the owner of land, and to whom an owner-builder permit was issued under Division 3 of Part 3 after the commencement of this subsection and not more than 6 years previously must not enter into a contract for the sale of the land in relation to which the permit was issued unless the contract includes a conspicuous note:

(a) that an owner-builder permit was issued under Division 3 of Part 3 to the person in relation to the land, and

(b) that the work done under that permit was required to be insured under this Act.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(3) This section does not apply:

(a) to a sale of the land more than 6 years after the completion of the work, or

(b) if the reasonable market cost of the labour and materials involved did not exceed $5,000, or

(c) if the owner-builder work is of a class prescribed by the regulations.

(4) Subject to subsection (4A), if an owner-builder contravenes subsection (1) or (2A) in respect of a contract, the contract is voidable at the option of the purchaser before the completion of the contract.

(4A) A contract is not voidable as referred to in subsection (4) if:

(a) the owner-builder obtained a certificate of insurance evidencing a contract of insurance that complies with this Act in relation to the work or proposed work before entering the contract concerned, and
(b) before completion of the contract, the owner-builder served on the purchaser (or an Australian legal practitioner acting on the purchaser’s behalf) a certificate of insurance, in the form prescribed by the regulations, evidencing that contract of insurance.

(5) The regulations may prescribe another amount for the purposes of subsection (3) (b) and an amount so prescribed is to apply in the place of the amount referred to in that subsection.

96 Insurance in relation to residential building work not carried out under contract

(1) A person must not do residential building work otherwise than under a contract unless a contract of insurance that complies with this Act is in force in relation to that work.

(2) A person who does residential building work otherwise than under a contract must not enter into a contract for the sale of land on which the residential building work has been done, or is to be done, unless a certificate of insurance evidencing the contract of insurance required under this Part for that work, in a form prescribed by the regulations, is attached to the contract of sale.
   Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(2A) (Repealed)

   Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.

(3) This section does not apply:
   (a) to an owner-builder, or
   (b) to a person who does owner-builder work within the meaning of Division 3 of Part 3 that does not involve:
      (i) the construction of a dwelling, or
      (ii) the alteration of, or additions to, a dwelling, or
      (iii) the construction of an inground swimming pool, or
(c) to an individual who is exempted by the regulations from the requirements of section 12, or
(d) to a sale of the land more than 6 years after the completion of the work, or
(e) if the contract price of the work did or does not exceed $5,000 or (if there is no contract price) the reasonable market cost of the labour and materials involved did or does not exceed $5,000, or
(f) (Repealed)

(3A) Subject to subsection (3B), if a person contravenes subsection (2) in respect of a contract for the sale of land, the contract is voidable at the option of the purchaser before the completion of the contract.

(3B) A contract is not voidable as referred to in subsection (3A) if:
(a) the person obtained a certificate of insurance evidencing a contract of insurance that complies with this Act in relation to the residential building work before entering the contract concerned, and
(b) before completion of the contract, the person served on the purchaser (or an Australian legal practitioner acting on the purchaser’s behalf) a certificate of insurance, in the form prescribed by the regulations, evidencing that contract of insurance.

(4) The regulations may prescribe another amount for the purposes of subsection (3) (e) and an amount so prescribed is to apply in the place of the amount referred to in that subsection.

96A **Obligations of developers in relation to insurance**

(1) A developer must not enter into a contract for the sale of land on which residential building work has been done, or is to be done, on the developer’s behalf unless a certificate of insurance evidencing the contract of insurance required under section 92 by the person who did or does the work for the developer, in a form prescribed by the regulations, is attached to the contract of sale.

Maximum penalty: 1,000 penalty units in the case of a corporation and 200 penalty units in any other case.

(1A) A developer must, before entering into a contract, give the other party to the contract a brochure, in a form approved by the Director-General, containing information that explains the operation of the contract of insurance, and the procedure for the resolution of disputes under the contract.

Maximum penalty: 40 penalty units in the case of a corporation and 20 penalty units in any other case.
(2) Despite anything to the contrary in section 3A, a reference in this Part to a person who does residential building work:
   (a) does not include a reference to a developer, and
   (b) includes a reference to a person who does the work on behalf of a developer.

(1) A person may apply to the Director-General to be exempted from the operation of a provision of section 95 or 96 in a particular case.

(1A) A person may apply to the Director-General to be exempted from the operation of any other provision of this Part, but only if:
   (a) the person is, or is a member of a class of persons who are, prescribed as entitled to apply for the exemption, or
   (b) circumstances prescribed by the regulations as entitling the making of an application apply to the person.

(2) The Director-General may, by notice in writing, grant an exemption under this section, either unconditionally or subject to conditions, if satisfied that:
   (a) there are exceptional circumstances, or
   (b) full compliance is impossible or would cause undue hardship.

(3) An exemption under this section operates to exempt the person from the operation of the provision concerned, subject to compliance with any conditions of the exemption.
98 Employees and others not required to insure

(1) Nothing in this Part:

(a) requires a person who carries out work for a person required by this Part to obtain insurance in respect of that work to obtain insurance, or

(b) makes the first-mentioned person liable for an offence for failing to do so.

(2) Subsection (1) does not apply in the case of a person who contracts to do owner-builder work on behalf of an owner-builder. Such a person must insure that work if otherwise required to do so by section 92.

99 Requirements for insurance for residential building work

(1) A contract of insurance in relation to residential building work required by section 92 must insure:

(i) to recover compensation from the contractor for a breach of a statutory warranty in respect of the work, or

(b) any other person belonging to a class of persons prescribed by the regulations for the purposes of this section.

(2A) A provision of a contract of insurance providing cover for the benefit of a person on whose behalf work is done on land is to be read as providing (and to have always provided) for the same benefit in relation to a non-contracting owner of the land.

(2B) Subsection (2A) applies irrespective of whether or not the contract of insurance concerned contains a term to the same effect as that subsection.

(3) A contract of insurance in relation to residential building work required by section 92 must include provision that deems the suspension of a contractor’s licence under section 42A to constitute the insolvency of the contractor for the purposes of the application of the policy to any
loss that is the subject of a building claim order made against the contractor that remains unsatisfied.

(4) The following provisions apply to a claim under a contract of insurance that arises because of the operation of subsection (3) in connection with a building claim order:

(a) the claim is limited to a loss that would have been covered by the contract in the event of the contractor’s insolvency,

(b) the amount of the claim need not be the same as the amount of the building claim order (and in particular is not limited by the amount of the building claim order),

(c) the building claim order does not limit any right of a beneficiary to appeal against a decision of the insurer in respect of a claim under the contract (and any such right of appeal may be exercised as if the building claim order had not been made),

(d) the building claim order does not limit any right of recovery of the insurer against the contractor in respect of the loss to which the claim relates (whether that right arises pursuant to any rights of the beneficiary to which the insurer is subrogated, or otherwise).

(5) For the purposes of the operation of a provision of a contract of insurance referred to in subsection (3), a contractor’s licence that would have been suspended under section 42A were it not for the fact that the licence expired, or was surrendered or cancelled, before the suspension took effect is taken to have been suspended under that section.

(3) The contract of insurance must provide for cover of not less than $200,000 in relation to each dwelling to which the insurance relates, or such other amount as may be prescribed by the regulations.

(3A) A provision of a contract of insurance to the effect that the amount of cover provided by the contract is the minimum amount provided for from time to time by this Act or the regulations is to be read as providing that the amount of cover provided is the minimum amount provided for by this Act or the regulations at the time the contract is entered into.
(4) Any limitations on liability under the contract of insurance must comply with any requirements of the regulations.

(5) The contract of insurance must comply with any other requirements of the regulations.

(2) A contract of insurance must provide insurance cover for other loss insured in accordance with this Act for a period of not less than:

(b) in the case of loss arising otherwise than from any such structural
defect—2 years after the completion of the work, or the end of the
contract relating to the work, whichever is the later.

(2A) However, the Minister may, by notice published in the Gazette, give
written approval for a contract of insurance, or for a class of contracts
of insurance, to provide insurance cover for a shorter period to the
extent to which the insurance cover applies to loss in relation to
specified work or materials.

(2B) Subsection (2) is subject to any variation specified in the regulations as
to the period for which insurance cover must be provided.

(3) This section is subject to any limits set out in the regulations as to the
period within which a claim must be made.

of insurance in relation to work done after a contract has commenced,
or to cancel the contract of insurance, on the ground that the contract for
the work or supply to which it relates was entered into before the period
of insurance commenced if a certificate evidencing insurance has been
given or the insurer has otherwise accepted cover.

within the period of insurance, or
