(3) If requested to do so by the proprietor of a non-government school (or, in the case of a school that is a member of a system of non-government schools, the approved authority for the system), the Board may approve such modifications to the syllabus referred to in subsection (1) (e) as it considers necessary to enable any part of a course of study in a key learning area that appears to the Board to be incompatible with the educational philosophy or religious outlook of the school to be based on, and taught compatibly with, that educational philosophy or religious outlook. The part of the course of study at that school is to be based on and taught in accordance with the syllabus as modified.

(4) Any modification approved under subsection (3) must be consistent with the guidelines referred to in subsection (1) (d).

(c) those courses of study are to comply with a pattern of study determined by the Minister on the recommendation of the Board,

(d) those courses of study are to be taught in accordance with a syllabus developed or endorsed by the Board and approved by the Minister.

(2) In making a recommendation to the Minister under this section with respect to a course of study to be provided for students, the Board is, in accordance with criteria specified by the Minister:

(a) to establish the need for the course, and

(b) to provide an assurance of its quality, and

(c) to identify assessment procedures for the course, and

(d) to identify other implications for educational institutions on the implementation of the course.

(3) A pattern of study determined under this section may include (but is not limited to) the number of courses to be studied, the sequence in which particular courses are to be taught and the number of units of study that a course is to contain.

(4) The Minister is to ensure that the courses of study required to be undertaken by students who are candidates for the Higher School Certificate cover a broad range of study and in doing so is to obtain and have regard to the advice of the Board.

(5) This section does not limit any requirement imposed under section 95 (Higher School Certificate).

Division 3  General

13 Courses of study in key learning areas

The general description of the courses of study for students in Kindergarten to Year 10 which may be chosen in a key learning area in order to comply with this Part and the key learning area to which any such course is allocated are to be determined by the Minister on the recommendation of the Board.
14 Syllabuses

(1) The Board may, for the purposes of this Part, develop syllabuses for courses of study or endorse syllabuses developed by schools or other educational bodies.

(2) The Minister may approve particular syllabuses developed by the Board and may give a general approval for syllabuses endorsed by the Board.

(3) Any syllabus developed or endorsed by the Board for a particular course of study is to indicate the aims, objectives and desired outcomes in terms of knowledge and skills that should be acquired by children at various levels of achievement by the end of specified stages in the course, and any practical experience that children should acquire by the end of any such stage.

(4) Any syllabus developed or endorsed by the Board for a particular course of study may indicate generally the period of time that should be allocated to the teaching of the course, but is not to make a specific period of time mandatory.

15 Disagreement between Minister and Board

(1) This section applies to a recommendation of the Board relating to:
   (a) the school curriculum, or
   (b) the nature or content of the recognised certificates, or
   (c) the nature of the assessment or examination process leading to the award of the recognised certificates.

(2) If the Minister does not approve any recommendation of the Board to which this section applies, the Board may request the Minister (and if so the Minister is required) to make public, as soon as practicable (but within 21 days), the Minister’s decision not to approve the recommendation and the reasons for the decision.

16 Additional courses of study and other activities

The total activities of children in any Year are not limited to the courses of study required for any minimum or other curriculum under this Part, but additional courses of study and other activities may be provided for the children.

17 Additional curriculum requirements for government schools

(1) The Minister may determine additional curriculum requirements for children attending government schools.

(2) Any such additional requirement does not constitute part of the minimum curriculum for schools providing primary or secondary
education or an additional requirement for being a candidate for the School Certificate or Higher School Certificate.

18 Basic skills testing

(1) In this section:

basic skills testing means a test of the basic skills of children (such as literacy and numeracy), but does not include a test relating to the teaching of a particular course of study.

(2) The Minister is to arrange for the conduct of basic skills testing in such government schools and at such times as the Minister may determine.

(3) The Minister may, at the request of a non-government school, arrange for the conduct of basic skills testing in the school.

(4), (5) (Repealed)

18A Publication of school results

(1) In this section:

relevant national agreement means an agreement between the State and the Commonwealth that gives effect to a national protocol or arrangement for the provision and publication of school results.

school results means the following results (whether they are the results of individuals or of schools or any other results):

(a) results of national basic skills testing (including testing under section 18),

(b) results of School Certificate and Higher School Certificate examinations and related assessments,

(c) results of annual or other periodic assessments of the academic performance of students contained in reports to parents on student achievement.

The regulations may determine whether particular results are or are not results referred to in paragraphs (a)–(c).

(2) School results may, in accordance with a relevant national agreement, be provided by the State to the Commonwealth or to an authority established by the Commonwealth.

(3) School results must not be publicly revealed in a way that ranks or otherwise compares the results of particular schools, except as authorised by or under a relevant national agreement.

(a) publish any ranking or other comparison of particular schools according to school results, except with the permission of the principals of the schools involved, or
(b) identify a school as being in a percentile of less than 90 per cent in relation to school results, except with the permission of the principal of the school.
Maximum penalty: 50 penalty units in the case of an individual and 500 penalty units in any other case.

(5) Nothing in subsection (4) prohibits:
(a) anything authorised to be done by or under a relevant national agreement, or
(b) the publication of the ranking of the schools in the top 10 per cent in relation to the results of Higher School Certificate examinations and related assessments so long as the information used to determine that ranking is information as to the results of students that may be publicly revealed under subsection (6) (c).

(6) School results must not be publicly revealed if the results of an identified student are revealed, except as follows:
(a) to the student or to the student’s parents, or to anyone with the student’s or parent’s consent,
(b) to the principal of a school (including a school in another State or Territory) at which the student is enrolling, is enrolled or was previously enrolled,
(c) in the case of results of School Certificate or Higher School Certificate examinations and related assessments—by or with the approval of the Board, by way of the publication of the results of students who the Board considers have achieved outstanding results.

(7) The functions of the State under this section may be exercised by the Director-General or, if authorised by a relevant national agreement, by a State educational authority that arranges the testing, examinations or assessments concerned.

(8) This section has effect despite any other Act or law or the decision of any tribunal.
Part 4 The Minister’s functions

19 General functions of Minister

The Minister has the following functions:

(a) to exercise the functions in connection with the school curriculum that are conferred or imposed on the Minister under Part 3,

(b) to establish and supervise the operation of government schools under Part 6,

(c) to exercise the functions in connection with registration that are conferred or imposed on the Minister under Part 7,

(d) to determine, having regard to the requirements of Part 8 and the advice of the Board, the general method of assessment of candidates for the recognised certificates (whether by public examination or other form of assessment),

(e) to determine, having regard to the requirements of Part 8 and the advice of the Board, the nature of the information appearing on the recognised certificates or records of achievement issued by the Board,

(f) to carry out such educational audits and program reviews as the Minister considers appropriate to assess and improve the quality of education for school children in New South Wales,

(g) any other function conferred or imposed on the Minister under this Act.

20 Assistance to government school children with special needs

(1) The Minister may provide or arrange special or additional assistance for government school children with special needs, such as:

(a) children with disabilities, or

(a1) children with significant learning difficulties, or

(b) children who live in isolated or remote areas, or

(c) children who are from non-English speaking backgrounds, or

(d) Aboriginal children, or

(e) children with special abilities, or

(f) children who are disadvantaged by their socio-economic background.

(2) Any such special or additional assistance may include the provision of financial assistance, facilities, courses of study, staff, staff training or distance education.
(3) Any such financial assistance is to be paid out of money to be provided by Parliament.

(4) For the purposes of subsection (1) (a 1), a child has a significant learning difficulty if a qualified teacher or other qualified education professional is of the opinion that the child is not, regardless of the cause, performing in the basic educational areas of reading, writing, spelling and mathematics in accordance with the child’s peer age group and stage of learning.

21 Financial and other assistance in respect of non-government school children

(1) The Minister may provide financial assistance or other assistance, or both, in respect of non-government school children.

(2) Any financial assistance provided under this section to non-government schools by way of per capita grants is (subject to this section) to be calculated so that the average per capita grant in respect of children attending such schools is a percentage of the average per capita cost to the State of educating children at government schools (as assessed by the Minister).

(3) On and from a date notified by proclamation for the purposes of this subsection, that percentage is to be 25 per cent.

Editorial note.

Date notified for the purposes of this subsection: 1.2.1992—see Gazette No 106 of 12.7.1991, p 5519.

(4) In assessing the cost of educating a child at a government school, the cost of anything provided for both government and non-government school children is to be excluded.

(5) However, any financial assistance provided under this section to non-government schools by way of per capita grants is to be allocated having regard to the needs of such schools, and accordingly the amount of the per capita grant (and the corresponding percentage) in respect of children attending different schools may differ.

(6) Any financial assistance under this section to non-government schools may be paid directly to the schools or to an organisation (such as the Catholic Education Commission) for the benefit of the schools.

(7) Any financial assistance under this section is to be paid out of money to be provided by Parliament.

21A Financial assistance not to be paid to non-government schools operating for profit

(1) Financial assistance under section 21 may not be paid (whether by way of per capita grant or otherwise) to or for the benefit of a non-government school that operates for profit.
(2) A non-government school is taken to operate for profit if any part of its proprietor’s assets (in so far as they relate to the school) or income (in so far as it arises from the running of the school) is paid to any other person.

(3) Despite subsection (2), a non-government school is not taken to operate for profit just because of:
   (a) any payment that its proprietor makes to a person in connection with the person’s activities as a member of the governing body of the school, being a payment made by way of an honorarium or as reimbursement for out-of-pocket expenses, or
   (b) any payment that its proprietor makes to a student of the school in connection with any prize, scholarship or other activity as a student of the school, or
   (c) any payment that its proprietor makes to a person in connection with the provision, at no more than reasonable market value, of property, goods or services required in relation to the running of the school, or
   (d) any payment that its proprietor makes to a related organisation that does not operate for profit, within the meaning of this section, in connection with the provision of property, goods or services required in relation to the running of the school.

(4) If the Minister is of the opinion that a non-government school receiving financial assistance under section 21 may be operating for profit, the Minister may, by order in writing, require its proprietor to furnish the Minister with information concerning any contracts or other arrangements entered into by the proprietor for the provision of property, goods or services in relation to the running of the school.
Part 5  Attendance of children at school

21B  Compulsory school-age

(1) For the purposes of this Act, a child is of compulsory school-age if the child is of or above the age of 6 years and below the minimum school leaving age.

(2) The minimum school leaving age is:
   (a) the age at which the child completes Year 10 of secondary education (subject to participation required by subsection (3)), or
   (b) the age of 17 years, whichever first occurs.

(3) A child who completes Year 10 of secondary education but who is below the age of 17 years is of compulsory school-age unless the child participates on a full-time basis in:
   (a) approved education or training, or
   (b) if the child is of or above the age of 15 years—paid work or a combination of approved education or training and paid work.

(4) A child ceasing to be of compulsory school-age because of that participation does not revert to being of compulsory school-age because of a cessation in participation for any reason so long as the interruption in participation does not exceed a total period of 3 months in any 12-month period or such other period approved by the Minister.

(5) The completion of Year 10 of secondary education is:
   (a) the completion of Year 10 of secondary education in this State (whether by school education or home schooling), or
   (b) the completion of a course provided by the TAFE Commission that is approved by the Minister as the equivalent of Year 10 of secondary education in this State, or
   (c) the completion, outside of this State, of the equivalent of Year 10 of secondary education in this State, or
   (d) the completion of education in any special circumstances approved by the Minister.

(c) an apprenticeship or traineeship within the meaning of the
Apprenticeship and Traineeship Act 2001,
(d) any other education or training approved by the Minister.

(7) The regulations may prescribe rules and criteria that are to be applied
for the purposes of this section in determining:
(a) whether a child has completed Year 10, or
(b) whether a child is participating in paid work, or
(c) whether a child is participating in approved education or training,
or
(d) whether such participation is on a full-time basis.

Subject to the regulations, participation on a full-time basis in paid work
is participation for an average of 25 hours per week.

22 Compulsory schooling—duty of parents

(1) It is the duty of the parent of a child of compulsory school-age to cause
the child:
(a) to be enrolled at, and to attend, a government school or a
registered non-government school, or
(b) to be registered for home schooling under Part 7 and to receive
instruction in accordance with the conditions to which the
registration is subject.

(2) That duty is satisfied if the child receives instruction of a kind referred
to in section 23 (2).

(3) Schooling required by this section is referred to in this Act as
compulsory schooling.

22A Obtaining information about children of compulsory school-age

(1) Any relevant institution or other person may provide information to the
Department of Education and Training solely for the purpose of
assisting the Director-General to ascertain:
(a) the age, identity or whereabouts of a child who is not receiving
compulsory schooling or who is not participating in education,
training or paid work as an alternative to receiving compulsory
schooling, and
(b) the reasons why the child is not receiving that schooling or not so
participating.

(2) Information may be provided under this section:
(a) at the request of the Director-General or without any such
request, and
(b) anonymously.

(3) The Director-General may include in a request for information such information about a child, or a child’s family, as may assist the relevant institution or other person concerned to provide the information requested.

(4) A relevant institution has a duty to provide information in its possession or control that the Director-General requests under this section.

(5) The authority or duty to provide information under this section:
  (a) applies despite the Privacy and Personal Information Protection Act 1998 or the Health Records and Information Privacy Act 2002, but
  (b) is subject to any other Act or law and to client legal privilege.

(6) The provision of information under this section in good faith:
  (a) does not give rise to any liability to civil, criminal or disciplinary action, and
  (b) is not a breach of professional etiquette or ethics or a departure from accepted standards of professional conduct.

(7) The identity of any person who has provided information under this section is not to be disclosed.

22B Compulsory schooling undertakings by parents

(1) The Director-General may make schooling arrangements with one or more parents of a child that includes a written undertaking by the parent or parents with respect to compulsory schooling for the child (a compulsory schooling undertaking).

(2) The arrangements may be made before, during or after a conference under section 22C concerning the child.

(3) A compulsory schooling undertaking may, with the agreement of the Director-General, be varied or revoked at any time.

(4) A compulsory schooling undertaking is admissible in evidence in any proceedings under this Part.

22C Conference of relevant parties to deal with unsatisfactory school attendance

(1) If a child is not receiving compulsory schooling, a conference of the relevant parties may be directed:
  (a) by the Children’s Court during proceedings for a compulsory schooling order, or
(b) by the Director-General at any time before or after any such proceedings.

(2) The principal purpose of a conference is to ensure that the child is provided with compulsory schooling.

(3) A conference is to be conducted by an authorised person appointed by the Children’s Court or the Director-General (as the case requires).

(4) The following persons are entitled to participate in a conference:

(a) in the case of a conference directed by the Children’s Court—the parties to the proceedings and any legal practitioner representing them,

(b) such persons (including the parents of the child and representatives of relevant institutions wishing to participate) as the person conducting the conference considers appropriate,

(c) any other legal practitioner advising a participant in the conference (subject to such conditions or limitations as may be imposed by the person conducting the conference).

(5) A conference may:

(a) seek to identify and resolve issues in dispute in relation to compulsory schooling for the child, and

(b) seek to identify any services whose provision to the child, or to his or her family, would facilitate compulsory schooling for the child, and

(c) formulate undertakings, and orders for consideration by the Children’s Court, with respect to compulsory schooling for the child.

The Children’s Court may include in a compulsory schooling order any undertaking or obligation formulated by a conference under paragraph (c).

(6) Participants in a conference may disclose to each other such information concerning the child, and his or her family, as may reasonably assist in achieving the purpose of the conference.

(7) The authority to disclose information under this section:

(a) applies despite the Privacy and Personal Information Protection Act 1998 or the Health Records and Information Privacy Act 2002, but

(b) is subject to any other Act or law and to client legal privilege.

(8) None of the following are admissible in evidence in any proceedings before any court or other body (other than care proceedings under
Chapter 5 of the *Children and Young Persons (Care and Protection) Act 1998*:

(a) any evidence of anything said or of any admission made in a conference,

(b) any document (or copy of a document) prepared in relation to the proceedings of the conference, other than a document containing the terms of an undertaking arising out of the conference.

This subsection does not apply to any such evidence or document if the persons in attendance at, or identified during, the conference and, in the case of a document, all persons specified in the document, consent to its admission in evidence.

**22D Compulsory schooling orders**

(1) The Children’s Court may, on the application of the Director-General, make an order under this section in relation to a child of compulsory school-age who is not receiving compulsory schooling (a *compulsory schooling order*).

(2) A compulsory schooling order may require a parent of the child to cause the child to receive compulsory schooling in accordance with the order.

(3) A compulsory schooling order may require the child to engage in compulsory schooling in accordance with the order if:

(a) the child is of or above the age of 12 years, and

(b) the Children’s Court is satisfied that the child is living independently of his or her parents or that (because of the child’s disobedience) the parents are not able to cause the child to receive compulsory schooling.

(4) If the child completes Year 10 of secondary education as referred to in section 21B, a compulsory schooling order may determine the participation of the child required by section 21B (3) in education or training or in paid work in order that the child may cease compulsory schooling. That determination does not limit other participation that satisfies the requirements of section 21B (3).

(5) The following applies to proceedings of the Children’s Court under this section:

(a) subject to this section and the regulations, Chapter 6 of the *Children and Young Persons (Care and Protection) Act 1998* applies to and in respect of proceedings relating to an application under this section,

(b) the proceedings may relate to any number of children of the same parent,
(c) the Children’s Court may make an interim compulsory schooling order pending the final determination of the proceedings.

(6) The Children’s Court may vary or revoke a compulsory schooling order on the application of the Director-General or of a person subject to the order.

(7) The Children’s Court, when making a compulsory schooling order or when dismissing an application for or revoking such an order:
   (a) may accept written undertakings from a parent, and from any other participant in a conference under section 22C, with respect to compulsory schooling for the child, and
   (b) may recommend that a relevant institution provide services to the child, or to the child’s family, in order to assist the child to receive compulsory schooling.

(8) A compulsory schooling order (unless sooner revoked by the Children’s Court) ceases to have effect:
   (a) at the end of the period specified in the order during which it is to have effect, or
   (b) when the child ceases to be of compulsory school-age, whichever first occurs.

(9) The following applies if a parent or child fails to comply with an obligation under a compulsory schooling order:
   (a) in the case of a parent—the maximum penalty for a relevant offence under section 23 (Offence if parent fails to send child to school) is increased to 100 penalty units,
   (b) in the case of a child of or above the age of 15 years—the child is guilty of an offence and liable to a penalty not exceeding 1 penalty unit (but without the court proceeding to a conviction), unless the child had a reasonable excuse for not complying with the order,
   (c) the Director-General may enrol the child in a government school (in accordance with section 34) if the compulsory schooling order authorises the Director-General to do so.

(10) The Director-General may cause copies of a compulsory schooling order, and any undertaking or recommendation referred to in subsection (7), to be given to such persons as the Director-General considers to have an interest in the welfare of the child.

(11) Section 91 of the Children and Young Persons (Care and Protection) Act 1998 applies to and in respect of an order under this section in the same way as it applies to and in respect of an order under Part 2 of Chapter 5 of that Act.
Note. Section 91 of the Children and Young Persons (Care and Protection) Act 1998 provides a right of appeal from an order of the Children’s Court.

(12) Rules of court may be made under the Children’s Court Act 1987 with respect to the jurisdiction of the Children’s Court under this section.

(13) A compulsory schooling order does not have effect to the extent that it is inconsistent with a direction or an order made in relation to the child:
   (a) by the Director-General under section 26H, or
   (b) by the Supreme Court in the exercise of its jurisdiction with respect to the custody and guardianship of children.

23 Offence if parent fails to send child to school

(1) A parent of a child of compulsory school-age is guilty of an offence if the parent fails to cause the child:
   (a) to be enrolled at, and to attend, a government school or a registered non-government school, or
   (b) to be registered for home schooling under Part 7.

 Maximum penalty:
   (a) in the case of a first offence—25 penalty units, or
   (b) in the case of a second or subsequent offence—50 penalty units, or
   (c) in the case of a parent subject to a compulsory schooling order—100 penalty units.

(2) It is a defence to a prosecution under this section if at the relevant time:
   (a) the child was enrolled at, and attended, a school in another State, Territory or country in accordance with the law of that State, Territory or country, or
   (b) the child was enrolled at a government or registered non-government school and participating in distance education provided by the school (unless the Director-General or school had previously directed that the child cease distance education because of the failure of the child to perform the required school work), or
   (c) the child was participating in an alternative education program approved by the Minister for children unable, for social, cultural or other reasons, to participate effectively in formal school education (unless the Director-General had previously directed that the child resume formal school education because the child was not achieving the education outcomes required of participants in the program), or
(d) the child was participating in a program established by the Minister under section 35 (Discipline in government schools), or
(e) a certificate of exemption was in force under section 25 in respect of the child and any conditions to which the certificate is subject were being complied with, or
(f) the child was attending a school that the parent reasonably believed to be a government school or registered non-government school.

(3) It is also a defence to a prosecution under this section if at the relevant time:

(a1) the child has written permission from the principal of a government school or registered non-government school, and from the director of a TAFE establishment, to enrol in a course referred to in section 21B (5) (b) and is so enrolled, or
(a) the child was prevented from attending school:
   (i) because of some medical condition, or
   (ii) because of some accident or unforeseen event, and within 7 days after that condition became apparent, or that accident or event occurred, notice of that fact (together with any medical certificate required by subsection (7)) was given to the school, or
(b) the child had not been absent from school (excluding any absence referred to in paragraph (a)) for more than 3 days during the 3 months during which the school had been open immediately preceding the absence complained of, or
(c) the child was prevented from attending school because of a direction under section 42D of the Public Health Act 1991, or
(d) a certificate was in force under section 26 exempting the child from attending classes at a government school and the absence complained of was authorised by the certificate, or
(e) the child was suspended from a government school, or
(f) the child could not gain admission to any available government or registered non-government school in the State because of the child’s expulsion from a school or otherwise, or
(g) the child’s absence from school was:
   (i) because of the child’s disobedience, or
   (ii) a consequence of the failure of a person (other than a parent of the child) to honour an undertaking accepted under this Part, and was not the parent’s fault,
(h) the child was living independently of his or her parents.

(4) Proceedings for an offence against this section may be commenced only by, or with the written consent of, the Director-General.

(5) Instead of imposing a fine on a person, the court may make a community service order under section 8(1) of the Crimes (Sentencing Procedure) Act 1999, and may do so as if a reference in that subsection to a sentence of imprisonment were a reference to a fine.

(6) If, in any proceedings for an offence against this section, it is alleged that the child’s absence from school is due to a medical condition, the court may (on the application of the Director-General) order that the child submit to a medical examination by a medical practitioner nominated by the Director-General. In that case:

(a) the costs of the medical examination are to be borne by the Director-General, and

(b) the medical practitioner is not subject to any liability arising only because the medical examination was carried out without the consent of the parent or child.

(7) Notice of a medical condition that prevents a child from attending school is required to be accompanied by a certificate from a medical practitioner that states that the child should not attend school because of the condition briefly described in the certificate if the principal of the school has notified a parent of the child that because of the number or duration of past absences a notice must in future be accompanied by such a certificate.

24 Register of enrolments and attendances

(1) The principal of a government school or registered non-government school must keep a register, in a form approved by the Minister, of the enrolments and daily attendances of all children at the school.

(1A) The register is to contain any notification given (or particulars of any notification given) about the absence of a child from school under section 23(3)(a).

(2) The register must be available for inspection during school hours by a Board inspector or by any authorised person, who may require the principal of the school to furnish a copy of the register or any part of it.

(3) When required to do so by the Minister, the principal of a government school or registered non-government school must furnish to the Minister information, within a time and in a form approved by the Minister, concerning the following:

(a) the enrolment and attendance of children at the school during a specified period,
(b) any unsatisfactory school attendance by children of compulsory school-age enrolled at the school.

(4) The particulars of enrolments and daily attendances recorded in a register under this section must be retained for such period as the Minister may determine.

(5) A principal of a government school or registered non-government school who, without reasonable excuse, fails to comply with a requirement imposed by or under this section is guilty of an offence. Maximum penalty: 5 penalty units.

25 Certificate of exemption from attending school

(1) The Minister may grant a certificate exempting a child from the requirement of this Part that the child be enrolled at and attend a government school or registered non-government school or be registered for and receive home schooling, if the Minister is satisfied that conditions exist which make it necessary or desirable that such a certificate should be granted.

(2) A certificate of exemption under this section may be given subject to conditions and may be limited in its operation to a period specified in the certificate.

(2A) A certificate of exemption under this section may be limited to exemption from the requirement to attend a school during the times specified or referred to in the certificate.

(3) A certificate of exemption under this section may be cancelled by the Minister.

26 Certificate of exemption from attending particular classes

(1) The parent of a child enrolled at a government school may give the Director-General written notice that the parent conscientiously objects on religious grounds to the child being taught a particular part of a course of study.
