1994—No. 209

The object of this Regulation is to effect amendments to the 1989 Regulation consequent on it becoming a regulation under the 1989 Act. In particular, paragraph (b) above updates a reference to section 40 of the 1989 Act which has been amended to enable the Director-General of the New South Wales Fire Brigades to recover charges, not exceeding charges set by the 1989 Regulation, for services provided by fire brigades in dealing in certain circumstances with hazardous materials incidents anywhere in the State.

This Regulation is made under the 1989 Act, including sections 40 and 85 (the general regulation-making power).
