Environmental Planning and Assessment Amendment (Fire Sprinklers) Regulation 2014
under the Environmental Planning and Assessment Act 1979

Her Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the Environmental Planning and Assessment Act 1979.

BRAD HAZZARD, MP
Minister for Planning and Infrastructure

Explanatory note
The objects of this Regulation are:
(a) to amend the definition of Fire Sprinkler Standard to refer to the most recent Standard, and
(b) to provide that the Fire Sprinkler System Implementation Committee need not publish details of the capital investment value of installing a fire sprinkler system when publishing implementation plans and progress reports of approved providers of residential aged care facilities on the Department’s website, and
(c) to provide that a certifying authority issuing a complying development certificate or a construction certificate for the installation of a fire sprinkler system in a residential aged care facility must be satisfied that the system will comply with the Fire Sprinkler Standard in force at the time the application for the certificate was made.

This Regulation is made under the Environmental Planning and Assessment Act 1979, including section 157 (1) (d).
