Part 2   Management of libraries

Division 1   The State Library

4   State Library rules

(1) The Council may make rules to regulate the use of any facilities, services or collections of the State Library.

(2) The rules for the State Library may make provision with respect to the following matters:

   (a) access to the State Library’s facilities, services or collections,
   (b) the conditions of use of the facilities, services or collections of the State Library,
   (c) requiring persons to make undertakings in relation to the use of the facilities, services or collections of the State Library,
   (d) any other matters relating to the use of the State Library.

(3) The Council may require any person wishing to make use of the facilities, services or collections of the State Library to obtain the Council’s consent to that use.

Division 2   Local libraries

5   Registration of borrowers

(1) Only a person who is registered as a borrower at a local library may take library material away from that library.

(2) The procedure for registration, including the term of registration, is to be determined by the local authority.

(3) The local authority may refuse to register a person as a borrower at a library or may cancel a person’s registration as a borrower:

   (a) if the person is not a resident of the local government area of the local authority or of a local government area in relation to which the local authority has entered into an arrangement referred to in section 10 (3) of the Act, or
   (b) if the person has failed to comply with the library rules for the library, or
   (c) if, in the opinion of the local authority, the person is not a fit and proper person to be registered.

6   Local library rules

(1) A local authority may make rules to regulate the use of its local libraries.

(2) The rules for a local library may make provision with respect to the following matters:

   (a) the borrowing and returning of library material,
   (b) the charges to be imposed for library material that is returned late and for library material that is lost, damaged or destroyed,
   (c) any other matters relating to the use of the library.

(3) It is a condition of a person’s registration as a borrower at a local library that the person must comply with the library rules in force for the library.
7 Calculating the value of library material

(1) The maximum charge that may be imposed by the rules for a local library for library material that is lost, damaged or destroyed is the full value of the library material or, if the library material is obtainable only as part of a series (for example, a series of books or discs), the full value of the series.

(2) The full value of the library material or series is the value determined by the local authority, being a value not exceeding the sum of the following amounts:
   (a) the original purchase price or the replacement purchase price, whichever is the greater,
   (b) the cost of processing the library material or series for use in the local library.

8 Fee for the late return of library material

For the purposes of the definition of charge in section 10 (4) of the Act, the prescribed fee for the late return of library material is the fee determined by the local authority for the library, being a fee that (whether calculated on a daily, weekly or other basis) does not exceed $50 per item of library material.
Part 3 Use of libraries and library material

(b) the person’s condition, conduct, dress or manner is likely to give offence to any person in the library or to interfere with any other person’s use of the library.
