discovery made under Rule 4 against it in the proceedings, then, if such an order for discovery is made and the Tribunal does not otherwise direct, the standard list of documents, affidavit and certificate shall be party B's list of documents, affidavit and certificate in the proceedings for the purposes of Rule 4.

- (2) Where subrule (1) takes effect in respect of an order for discovery, the Tribunal may order that it cease to have effect and that party B comply with the order for discovery as though no standard list of documents had been filed.

- (2) Subrule (1) does not prevent the Tribunal from determining on its own motion that an issue is an issue to which section 25B (1) of the Act applies.

9 Particulars where expedited hearing sought

Unless the Tribunal otherwise orders, a party applying for an expedited hearing must, at the time the application is made or at such other time as the Tribunal may order, file and serve on all other parties a notice specifying the grounds on which the application is made and, where the application is made on medical grounds, medical evidence or reports substantiating those grounds.

- (5) If no place or day is specified in an order made under subrule (4), the registrar may by direction specify such a place or day.
- (6) For the purposes of section 20 (1) of the Act, an arbitration under section 38 of the Act is a proceeding before the Tribunal, and a subpoena to give evidence issued in respect of an arbitration must be made returnable before the arbitrator.

- each party to the dispute.
