Access Licence Dealing Principles (Drought Measure for Domestic and Stock Access Licences) Amendment Order 2020

under the

Water Management Act 2000

I, Vanessa O’Keefe, by delegation from the Minister administering the Water Management Act 2000, in pursuance of section 71Z of the Water Management Act 2000, make the following Order.

Dated 30 January 2020

VANESSA O’KEEFE
A/Executive Director, Policy, Planning and Science
Department of Planning, Industry and Environment
By delegation

Explanatory note

The object of this Order is to temporarily remove the prohibition on the assignment of allocations under certain domestic and stock licences within NSW to permit these dealings in relation to watering stock animals until 30 June 2020.

This Order is made under section 71Z of the Water Management Act 2000. Section 43 (2) of the Interpretation Act 1987 provides that the power to make an order under an Act includes the power to amend and repeal the order.
Access Licence Dealing Principles (Drought Measure for Domestic and Stock Access Licences) Amendment Order 2020

under the

Water Management Act 2000

1 Name of Order

This Order is the Access Licence Dealing Principles (Drought Measure for Domestic and Stock Access Licences) Amendment Order 2020.

2 Commencement

This Order commences on the day on which it is published on the NSW legislation website.

3 Amendment of Access Licence Dealing Principles Order 2004

Clause 17 Assignment of water allocations between access licences

Insert the following subclauses after subclause (6):

(7) Subclause (2)(b) does not prohibit dealings under section 71T of the Act between access licences of the category domestic and stock which are permitted to take from a regulated river, except domestic and stock access licences that are any of the following subcategories:

(a) domestic,
(b) town water supply.

(8) Subclause (7) is repealed on 1 July 2020.
