(Section 67)

Part 1 Preliminary

1 Savings and transitional regulations

- (1) The regulations may contain provisions of a savings or transitional nature consequent on the enactment of the following Acts:

Australian Inland Energy Water Infrastructure Act 2000

- (2) Such a provision may, if the regulations so provide, take effect from the date of assent to the Act concerned or a later day.
- (3) To the extent to which such a provision takes effect from a date that is earlier than the date of its publication in the Gazette, the provision does not operate so as:
- (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of that publication, or
 - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of that publication.

Part 2 Provisions consequent on enactment of Australian Inland Energy Water Infrastructure Act 2000

2 Definitions

In this Part:

assets means any legal or equitable estate or interest (whether present or future and whether vested or contingent) in real or personal property of any description (including money), and includes securities, choses in action and documents.

liabilities means any liabilities, debts or obligations (whether present or future and whether vested or contingent).

rights means any rights, powers, privileges or immunities (whether present or future and whether vested or contingent).

3 Dissolution of Broken Hill Water Board

- (1) The Broken Hill Water Board is dissolved and its members removed from office.
- (2) No compensation is payable to or in respect of any former member of the Broken Hill Water Board as a consequence of his or her removal from office under this clause.

4 Transfer of staff

- (1) Each person who, immediately before the commencement of this clause, was a member of staff of the Broken Hill Water Board becomes, by operation of this clause, a member of staff of Australian Inland Energy Water Infrastructure.
- (2) Any person who, under this clause, becomes a member of staff of Australian Inland Energy Water Infrastructure is (until other provision is duly made under any Act or law) to be employed in accordance with any relevant statutory provisions, awards, agreements and determinations that would have applied to the person had the person not become a member of staff of Australian Inland Energy Water Infrastructure but remained a member of staff of the Broken Hill Water Board.

- (3) For the purpose of preserving the superannuation and leave entitlements of former members of staff of the Broken Hill Water Board, that Board is declared to be a public authority to which Schedule 4 to the *State Owned Corporations Act 1989* applies, as referred to in the definition of *eligible employee* in clause 1 of that Schedule.

5 Transfer of assets, rights and liabilities

Subject to the regulations:

- (a) the assets of the Broken Hill Water Board are, by operation of this clause, vested in Australian Inland Energy Water Infrastructure, and
- (b) the rights and liabilities of the Broken Hill Water Board become, by operation of this clause, the rights and liabilities of Australian Inland Energy Water Infrastructure, and
- (c) any proceedings relating to the assets, rights and liabilities of the Broken Hill Water Board or a predecessor of the Broken Hill Water Board and pending immediately before the commencement of this clause are taken to be proceedings pending against Australian Inland Energy Water Infrastructure, and
- (d) any act, matter or thing done or omitted to be done in relation to the assets, rights or liabilities of the Broken Hill Water Board before the commencement of this clause by, to or in respect of the Broken Hill Water Board or a predecessor of the Broken Hill Water Board is (to the extent to which it has any force or effect) taken to have been done or omitted by, to or in respect of Australian Inland Energy Water Infrastructure.

6 Miscellaneous

- (1) The operation of clauses 4 and 5 is not to be regarded:
- (a) as a breach of confidence or otherwise as a civil wrong, or
 - (b) as a breach of any contractual provision prohibiting, restricting or regulating the assignment or transfer of assets, rights or liabilities, or

- (c) as giving rise to any remedy by a party to an instrument, or causing or permitting the termination of any instrument, because of a change in the beneficial or legal ownership of any asset, right or liability, or
 - (d) as an event of default under any contract or other instrument.
- (2) No attornment to Australian Inland Energy Water Infrastructure by a lessee from the Broken Hill Water Board is required.
 - (3) No compensation is payable to any person in connection with the operation of this clause.
 - (4) Subclause (1) does not affect the rights of any member of staff referred to in clause 4.
 - (5) Duty under the *Duties Act 1997* is not chargeable for or in respect of anything certified by the Minister as having been done in consequence of the operation of this clause (for example, the transfer or conveyance of an interest in land).

7 Area of operations and special areas

- (1) Subject to the regulations, the area of operations of Australian Inland Energy Water Infrastructure is the same as the area of operations for the Broken Hill Water Board, as it was immediately before the commencement of this clause.
- (2) Any special area for the Broken Hill Water Board, as existing immediately before the commencement of this clause, is taken to be a special area for Australian Inland Energy Water Infrastructure under this Act.

8 Construction of certain references

A reference in any Act, in any instrument made under any Act or in any document of any kind to the Broken Hill Water Board or a predecessor of the Broken Hill Water Board is (to the extent to which it relates to its assets, rights or liabilities) taken to include a reference to Australian Inland Energy Water Infrastructure.

9 General saving

Subject to the regulations:

- (a) any application or notice (however described) that was given or sent to the Broken Hill Water Board before the commencement of this clause is taken to have been given or sent to Australian Inland Energy Water Infrastructure, and
- (b) any decision or determination (however described) that was made by the Broken Hill Water Board before the commencement of this clause is taken to have been made by Australian Inland Energy Water Infrastructure, and
- (c) any approval, consent or permission (however described) that was given by the Broken Hill Water Board before the commencement of this clause is taken to have been given by Australian Inland Energy Water Infrastructure.
