Trans-Tasman Mutual Recognition (New South Wales) Temporary Exemptions Regulation 2017

under the

Trans-Tasman Mutual Recognition (New South Wales) Act 1996

His Excellency the Lieutenant-Governor, with the advice of the Executive Council, has made the following Regulation under the *Trans-Tasman Mutual Recognition (New South Wales) Act 1996*.

GLADYS BEREJIKLIAN, MP
Premier

Explanatory note

The object of this Regulation is to declare some provisions of the *Waste Avoidance and Resource Recovery Act 2001* and of the regulations made under that Act that relate to the container deposit scheme established by Part 5 of that Act to be exempt from the operation of the Trans-Tasman mutual recognition scheme for goods. Provisions of the Act and the regulations relating to that scheme that commenced before 17 November 2017 are the subject of an exemption under the *Trans-Tasman Mutual Recognition (New South Wales) Temporary Exemptions Regulation 2016*.

The mutual recognition scheme provides generally that goods produced in or imported into New Zealand, that may lawfully be sold in New Zealand, may be sold in New South Wales without the necessity for compliance with further requirements. The mutual recognition scheme includes the *Trans-Tasman Mutual Recognition Act 1997* of the Commonwealth and the *Trans-Tasman Mutual Recognition (New South Wales) Act 1996* of New South Wales.

The exemption provided by this Regulation is temporary (that is, it will operate for no longer than 12 months) and its effect is conditional on the exemption being substantially for the purpose of preventing, minimising or regulating environmental pollution in New South Wales.

This Regulation is made under section 5 of the *Trans-Tasman Mutual Recognition (New South Wales) Act 1996*.

This Regulation comprises or relates to matters set out in Schedule 3 to the *Subordinate Legislation Act 1989*, namely matters arising under legislation that is substantially uniform or complementary with legislation of the Commonwealth and other States.
