Biodiversity Conservation (Savings and Transitional) Amendment Regulation 2018

under the

Biodiversity Conservation Act 2016

His Excellency the Governor, with the advice of the Executive Council, has made the following Regulation under the *Biodiversity Conservation Act 2016*.

GABRIELLE UPTON, MP
Minister for the Environment

Explanatory note

The object of this Regulation is to prescribe further areas in which the former planning provisions continue to apply to applications for development (other than State significant development) made after the commencement of the *Biodiversity Conservation Act 2016* instead of the new planning provisions of Part 7 of that Act (namely, the local government areas of Central Coast, Cessnock, Coffs Harbour, Lake Macquarie, Maitland, Newcastle and Port Stephens and the West Dapto Urban Release Area). The period during which the former planning provisions continue to apply in relation to the existing and those further areas is extended from the date ending 25 August 2018 to the date ending 25 November 2018.

This Regulation also extends, from 6 months to 18 months from the repeal of the *Native Vegetation Act 2003*, the period within which proposed land clearing may be carried out by a landholder or another authorised person if the landholder notified the Minister before the repeal of that Act under clause 43 of the *Native Vegetation Regulation 2013*.

This Regulation is made under the *Biodiversity Conservation Act 2016*, including clause 1 of Schedule 9 to that Act.
