New South Wales

Statute Law (Miscellaneous Provisions) Bill 2018

Act No , 2018

An Act to repeal certain Acts and to amend certain other Acts and instruments in various respects and for the purpose of effecting statute law revision; and to make certain savings.

The Legislature of New South Wales enacts:

1 Name of Act

This Act is the *Statute Law (Miscellaneous Provisions) Act 2018*.

2 Commencement

- (1) This Act commences 14 days after the date of assent to this Act, except as provided by this section.
- (2) The amendments made by Schedules 1 and 5 to this Act commence on the day or days specified in those Schedules in relation to the amendments concerned. If a commencement day is not specified, the amendments commence in accordance with subsection (1).
- (3) Schedule 2 commences on 1 August 2018.
- (4) Schedule 4 commences on the date of assent to this Act.

3 Explanatory notes

The matter appearing under the heading “Explanatory note” in any of the Schedules does not form part of this Act.

Schedule 1 Minor amendments

1.1 Aboriginal Land Rights Act 1983 No 42

Section 36AA Aboriginal Land Agreements

Insert after section 36AA (11):

- (11A) The termination or transfer of an interest in land does not require the approval of the holder of the interest under subsection (11) if:
- (a) the holder's interest remains in force or is restored in substantially the same terms, or
 - (b) the Crown Lands Minister may, under any other Act or law, terminate or transfer the interest without the holder's approval.

Explanatory note

The proposed amendment will remove an impediment to giving effect to an Aboriginal Land Agreement by providing that a dealing in land pursuant to the agreement is not required to be approved by the holder of the interest in land if the holder's interest remains in force (or is substantially restored) or can lawfully be terminated or transferred by the Crown Lands Minister without the holder's approval.

1.2 Apprenticeship and Traineeship Act 2001 No 80

Dictionary

Omit "is," from the definition of *relevant registered training organisation*.

Insert instead "has been,".

Explanatory note

The proposed amendment makes it clear that the definition of *relevant registered training organisation* for the purposes of the *Apprenticeship and Traineeship Act 2001* extends to registered training organisations that have previously provided training in relation to an apprenticeship or traineeship. The amendment removes an inconsistency between the definition and certain provisions of that Act that relate to relevant registered training organisations that have previously provided training.

1.3 Children (Detention Centres) Act 1987 No 57

[1] Section 9A Certain persons not to be detained in detention centres

Insert "(to the extent the warrant continues in force after the repeal of that section by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*)" after "bond" in section 9A (2) (c).

[2] Section 9A (2) (e)

Insert "(to the extent the warrant continues in force after the repeal of that section by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*)" after "order".

[3] Section 9A (2) (e1)

Insert after section 9A (2) (e):

- (e1) a warrant issued under section 181 (1) (a) of the *Crimes (Administration of Sentences) Act 1999* in relation to an alleged failure to comply with a condition of an order referred to in that paragraph (to the extent the warrant continues in force after the substitution of section 181 (1) by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*), or

[4] Section 9A (2) (f)

Omit “181 (1) (a)”. Insert instead “181 (1)”.

[5] Section 9A (2) (f1)

Insert after section 9A (2) (f):

- (f1) a warrant issued under section 107C or 108C of the *Crimes (Administration of Sentences) Act 1999* in relation to an alleged failure to comply with a condition of a community correction order or of a conditional release order, or

Commencement

The amendments to the *Children (Detention Centres) Act 1987* commence on a day or days to be appointed by proclamation.

Explanatory note

Items [1]–[3] of the proposed amendments make it clear that a person aged 18–21 is not to be detained in a detention centre under an existing warrant issued in relation to an alleged failure to comply with the conditions of a good behaviour bond, community service order, intensive correction order, home detention order or parole order, where the bond or order is issued or made before the commencement of the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*.

Item [4] removes an unnecessary reference to a paragraph of section 181 (1) of the *Crimes (Administration of Sentences) Act 1999* (as amended by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*).

Item [5] provides that a person aged 18–21 is not to be detained in a detention centre under a warrant issued in relation to an alleged failure to comply with the conditions of a community correction order or conditional release order, where the order is made after the commencement of the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*.

1.4 Crimes (Administration of Sentences) Act 1999 No 93

[1] Section 3 Interpretation

Omit “Part 3, 4, 4A or 5” and “Part 3, 4 or 4A” from the definition of *offender* in section 3 (1).

Insert instead “Part 3, 4A, 4B, 4C or 5” and “Part 3, 4A, 4B or 4C”, respectively.

[2] Section 232 Commissioner

Omit “Part 2, 3 or 4” from section 232 (1) (a1). Insert instead “Part 2 or 3”.

Commencement

The amendments to the *Crimes (Administration of Sentences) Act 1999* commence on a day or days to be appointed by proclamation.

Explanatory note

Item [1] of the proposed amendments updates the definition of *offender* for the purposes of the *Crimes (Administration of Sentences) Act 1999* to make it clear that the definition applies for the purposes of provisions dealing with the administration of community correction orders and conditional release orders that are to be inserted by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*. The amendment also omits a reference to repealed Part 4.

Item [2] omits a reference to repealed Part 4.

1.5 Crimes (Sentencing Procedure) Act 1999 No 92

Section 25B Definitions

Omit the definition of *sentence*. Insert instead:

sentence means a term of imprisonment, fine or the term of an intensive correction order, a community correction order or a conditional release order.

Commencement

The amendment to the *Crimes (Sentencing Procedure) Act 1999* commences or is taken to have commenced on the commencement of Schedule 1 to the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*.

Explanatory note

The amendment updates a definition of *sentence* to reflect changes to sentencing options as a consequence of amendments made to the *Crimes (Sentencing Procedure) Act 1999* by the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*.

1.6 Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017 No 53

[1] Schedule 1 [29], proposed section 68 (2)

Insert “sentence” after “aggregate” where secondly occurring.

[2] Schedule 1 [31], proposed section 90 (2) (a) (ii)

Omit “community service order”. Insert instead “community correction order”.

[3] Schedule 2, proposed clauses 79, 80 and 81

Omit “Part” wherever occurring. Insert instead “Division”.

Omit “, conditional release order or fine”.

Insert instead “or conditional release order”.

Commencement

The amendments to the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017* commence on the date of assent to this Act.

Explanatory note

Item [1] of the proposed amendments inserts a missing word, for consistency with the amended provision.

Item [2] corrects a reference to a community correction order.

Item [3] replaces references to “this Part” with references to “this Division”, as clauses 79–81 are in Division 3.

Items [4] and [5] insert definitions of **offender** in Parts 4B and 4C, for consistency with other Parts and the definition of that term in section 3 of the *Crimes (Administration of Sentences) Act 1999* as amended by the amendments to that Act elsewhere in this Schedule.

Item [6] omits the unnecessary deletion of the heading to a Division.

Item [7] inserts a reference to intensive correction orders in the context of the functions of community corrections field officers, so as to extend their supervision functions to cover offenders who are subject to intensive correction orders while the offenders are performing community service work.

Items [8] and [9] extend provisions relating to the service of notices and evidentiary certificates (in sections 259 and 260 of the *Crimes (Administration of Sentences) Act 1999*) in respect of certain orders so as to include conditional release orders.

Item [10] replaces a reference to the *Crimes (Sentencing Procedure) Act 1999* with a reference to the *Crimes (Administration of Sentences) Act 1999*, in which provisions relating to proceedings for a failure to comply with the conditions of a community correction order or conditional release order are contained.

Item [11] omits a reference to proceedings no longer available after the commencement of provisions of the *Crimes (Sentencing Procedure) Amendment (Sentencing Options) Act 2017*.

Item [12] deletes the insertion of paragraph (c), which refers to an intensive correction order with a home detention condition. This reference is unnecessary as an intensive correction order is already referred to in the amended provision.

Item [13] omits an unnecessary reference to a fine, as a fine is already referred to in the amended provision.

1.7 Criminal Procedure Act 1986 No 209

Section 74 Case conference certificate must be completed and filed

Insert “on or” after “signed” in section 74 (3).

Commencement

The amendment to the *Criminal Procedure Act 1986* is taken to have commenced on 30 April 2018.

Explanatory note

The amendment enables the prosecutor in criminal proceedings, and the legal representative of an accused person in committal proceedings, to sign a case conference certificate on the same day that it is required to be filed in court as well as before that day. The amendment is consequent on the enactment of the *Justice Legislation Amendment (Committals and Guilty Pleas) Act 2017*, which amended the *Criminal Procedure Act 1986* to require a case conference certificate to be signed before the day that it is filed in court.

1.8 Crown Land Management Act 2016 No 58

[1] Section 6.5 General principles for rent determinations or redeterminations

Insert “determining or” before “redetermining” in section 6.5 (4) (a).

[2] Schedule 7 Savings, transitional and other provisions

Insert after Part 2:

Part 3 Provisions consequent on repeal of Moree and District War Memorial Educational Centre Act 1962

- (4) To avoid doubt, the Moree RSL Sub-branch is permitted to use the reserved Crown land to which this clause applies in accordance with the conditions of the Moree RSL Sub-branch continued licence.

- (5) In this clause:
expiry date means:
- (a) the day on which the Moree RSL Sub-branch licence was to expire immediately before the repeal day unless an option is exercised in accordance with the conditions of the continued licence, or
 - (b) if the option is exercised—the day on which the continued licence is to expire after the exercise of the option in accordance with the conditions of the licence.

50 Continued use of land for Dhiyaan Aboriginal Centre

- (1) This clause applies to the land comprised in the reserved Crown land to which the Dhiyaan Aboriginal Centre licence applied immediately before the repeal day.
- (2) A licence is taken to have been granted under this Act over the reserved Crown land to which this clause applies to permit the Dhiyaan Aboriginal Centre to continue (the *Dhiyaan Aboriginal Centre continued licence*).
- (3) The Dhiyaan Aboriginal Centre continued licence:

- (4) Without limiting any other power to grant licences under this Act, a licence may be granted over the reserved Crown land to which this clause applies for the purpose of permitting the Dhiyaan Aboriginal Centre to continue on terms and conditions that are the same as or similar to those of the Dhiyaan Aboriginal Centre licence.

Commencement

Item [2] of the amendments to the *Crown Land Management Act 2016* commences on the day on which the *Moree and District War Memorial Educational Centre Act 1962* is repealed by this Act.

Explanatory note

Item [1] of the proposed amendments allows a recommendation by the Independent Pricing and Regulatory Tribunal in relation to the rent for a holding to be applied by the Minister or Secretary when making an initial determination of rent for any lease or licence issued under the *Crown Land Management Act 2016* (in addition to a redetermination of rent as is currently provided for by the Act).

Item [2] provides for transitional arrangements for the transfer, management and use of the land to which the *Moree and District War Memorial Educational Centre Act 1962* applies on and from the day that Act is repealed by Schedule 6 to this Act.

On and from the day that Act is repealed, the transitional arrangements provide for the land to become reserved Crown land for use for community purposes. The assets, rights and liabilities of the abolished body corporate that previously managed the land are to be transferred to Moree Plains Shire Council and the Council will be appointed the Crown land manager of the land. The transitional arrangements also provide for the continued use of the land by the Moree RSL Sub-branch and the Dhiiyaan Aboriginal Centre.

1.9 Education Act 1990 No 8

[1] Section 83K Non-Government Schools Not-for-profit Advisory Committee

Omit “the Catholic Education Commission” from section 83K (1) (c).

Insert instead “Catholic Schools NSW Limited”.

[2] Section 109 Failure of Authority or authorised person to make a recommendation or other decision

Omit “Authority” from section 109 (1) (a). Insert instead “Minister”.

[3] Section 109 (2)

Omit “6 (4) of the *Administrative Decisions Review Act 1997*, the Authority or Minister (as the case may be)”.

Insert instead “6 (5) of the *Administrative Decisions Review Act 1997*, the decision-maker concerned”.

Explanatory note

Item [1] of the proposed amendments replaces a requirement for the Non-Government Schools Not-for-profit Advisory Committee to include a representative of the Catholic Education Commission with a requirement for the Committee to include a representative of Catholic Schools NSW Limited. The proposed amendment is consequent on a transfer of the functions of the Catholic Education Commission to Catholic Schools NSW Limited.

Item [2] corrects a provision relating to administrative reviews of decisions under the *Education Act 1990* by providing that it is the Minister for Education, rather than the NSW Education Standards Authority, who decides an application for registration of a non-government school.

Item [3] corrects references.

1.10 Education Standards Authority Regulation 2013

Clause 5 Exchange of information

Omit clause 5 (e). Insert instead:

(e) Catholic Schools NSW Limited,

Explanatory note

The proposed amendment is related to an amendment to the *Education Act 1990* in this Schedule.

1.11 Fisheries Management Act 1994 No 38

[1] Section 40U Method of transferring quota

Omit “an approved form” from section 40U (3).

Insert instead “a form approved by the Secretary”.

[2] Sections 198, 199 (1) and (2), 200 (1), 202 (1) and 203 (1), (4) and (5)

Insert “work” after “dredging” wherever occurring.

[3] Section 198A Definitions

Omit “the removal of material” from paragraph (b) of the definition of *dredging work*.
Insert instead “moving material on water land or removing material”.

[4] Section 201 Circumstances in which a person (other than a public or local government authority) may carry out dredging or reclamation

Insert “work” after “dredging” in section 201 (1).

[5] Section 237B Aboriginal fishing assistance programs

Omit “owned, managed or operated” from the definition of *Aboriginal entity* in section 237B (11).

Insert instead “that the Minister is satisfied is controlled (including through majority ownership)”.

[6] Section 237D Special exemptions for Aboriginal fishing assistance programs

Omit “Section 81 (1)” from section 237D (4). Insert instead “Section 75A (1)”.

[7] Section 288B Waiver, postponement or refund of fees, charges and contributions

Insert “, postpone” after “waive”.

Explanatory note

Item [1] of the proposed amendments makes it clear that a notice of a transfer of quota between commercial fishers (which is required to be given to the Secretary of the Department of Industry in an approved form) is to be given in the form approved by the Secretary.

Item [3] extends a provision of the *Fisheries Management Act 1994* that allows regulations to prescribe types of dredging work for the purposes of a Division of that Act that authorises the carrying out of dredging work on water land. The provision is extended to apply to any work that involves moving material on water land (in addition to work involving the removal of material from water land, to which the provision currently applies). Items [2] and [4] correct references so as to refer to the defined expression *dredging work*.

Item [5] makes it clear that an entity is an Aboriginal entity for the purposes of granting assistance under Aboriginal fishing assistance programs if the Minister is satisfied that the entity is controlled by Aboriginal persons, including (for entities subject to ownership) through majority ownership.

Item [7] enables the Minister for Primary Industries to postpone the payment of all or part of a fee, charge, rental payment or contribution payable under the *Fisheries Management Act 1994*, as an alternative to the waiver or refund of the payment currently permitted under the Act.

Item [6] corrects a cross-reference.

1.12 Fisheries Management (General) Regulation 2010

Clause 263 Dredging work

Insert after clause 263 (1) (b):

- (c) work that involves moving woody debris, snags, gravel beds, cobbles, rocks, boulders, rock bars or aquatic vegetation on water land.

Explanatory note

The proposed amendment is related to an amendment to the *Fisheries Management Act 1994* in this Schedule.

1.13 Gas and Electricity (Consumer Safety) Act 2017 No 15

Section 75 Regulations

Insert after section 75 (2) (n):

- (o) the examination and testing of gas meters.

Explanatory note

The proposed amendment will enable regulations under the (uncommenced) *Gas and Electricity (Consumer Safety) Act 2017 (the 2017 Act)* to make provision with respect to the examination and testing of gas meters. This matter is currently regulated under section 83A of the *Gas Supply Act 1996*, which is to be repealed by the 2017 Act. The regulation-making power is necessary to support the transfer of provisions dealing with that subject matter in the regulations (also to be repealed by the 2017 Act) under section 83A to regulations under the 2017 Act.

1.14 Health Practitioner Regulation (Adoption of National Law) Act 2009 No 86

Schedule 1 Modification of Health Practitioner Regulation National Law

Omit “the adjournment (if any) that, in the Committee’s or Tribunal’s opinion, is” from clause 6 (4) of Schedule 5D in Schedule 1 [25].

Insert instead “after such an adjournment (if any) as is, in the Committee’s or Tribunal’s opinion,”.

Explanatory note

The proposed amendment corrects a provision of the *Health Practitioner Regulation (Adoption of National Law) Act 2009* to make it clear that when a Professional Standards Committee or the Civil and Administrative Tribunal is dealing with a complaint in proceedings it may deal with another complaint (which could have been made against the practitioner concerned) after an adjournment, if any, of those proceedings.

1.15 Home Building Act 1989 No 147

Section 7AA Consumer information

Omit “only to contracts to which section 7 applies” from section 7AA (1A).

Insert instead “to a contract to which section 7 or 7AAA applies,”.

Explanatory note

The proposed amendment extends to small job contracts for residential building or specialist work authorised by the *Home Building Act 1989* a requirement for the contractor to give to the other party to the contract information about the operation of the Act and related dispute resolution procedures. A **small job** contract is a contract that does not exceed a price of \$20,000, but exceeds \$5,000. The information requirement is currently limited to contracts that exceed a price of \$20,000.

1.16 Home Building Regulation 2014

Clause 6 Consumer Building Guide

Omit the clause.

Explanatory note

The proposed amendment is related to the amendment to the *Home Building Act 1989* in this Schedule.

1.17 Motor Accident Injuries Act 2017 No 10

[1] Section 2.28 Application of Division to statutory benefits

Insert “or, as the case may be, a vehicle the identity of which cannot be established” after “insured motor vehicle”.

[2] Section 3.7 Weekly payments during second entitlement period (weeks 14–78 after motor accident)

Omit section 3.7 (2). Insert instead:

- (2) A weekly payment of statutory benefits under this section is to be at the rate of:
- (a) in the case of total loss of earning capacity—80%, or
 - (b) in the case of partial loss of earning capacity—85%,
- of the difference between the person’s pre-accident weekly earnings and the person’s post-accident earning capacity (if any) after the first entitlement period.

[3] Section 3.8 Weekly payments after second entitlement period (after week 78)

Omit section 3.8 (2). Insert instead:

- (2) A weekly payment of statutory benefits under this section is to be at the rate of:
- (a) in the case of total loss of earning capacity—80%, or
 - (b) in the case of partial loss of earning capacity—85%,
- of the difference between the person’s pre-accident earning capacity and the person’s post-accident earning capacity (if any) after the second entitlement period.

Explanatory note

Item [1] of the proposed amendments makes it clear that the liability of the Nominal Defendant to pay statutory benefits for death or injuries resulting from a motor accident involving an unidentified motor vehicle is a liability to pay statutory benefits as if the owner or driver of the vehicle were at fault in the accident. The amendment will make that liability consistent with the liability of the Nominal Defendant to pay statutory benefits in respect of death or injuries arising from a motor accident involving an uninsured motor vehicle.

Item [2] modifies the method of calculating the rate of weekly payments payable as a result of a motor accident during the second entitlement period (weeks 14–78 after the accident). The modified method provides for the rate of benefits to be calculated as a percentage of the difference between the person’s pre-accident weekly earnings and post-accident earning capacity (rather than the difference between that percentage of pre-accident weekly earnings and the post-accident earning capacity, as is currently the case). Item [3] makes a corresponding amendment in relation to weekly payments payable after the second entitlement period. The amendments will make the method for calculating the rate of weekly payments payable after the first entitlement period (first 13 weeks after the accident) consistent with the method for calculating the rate of weekly payments payable during the first entitlement period. The modified method of calculation will generally result in an increase in the amount of weekly payments payable during and after the second entitlement period.

1.18 Motor Dealers and Repairers Act 2013 No 107

[1] Section 21A

Insert after section 21:

21A Restored licences

15 Definitions

In this Part:

1980 Act has the same meaning as it has in Part 2 of this Schedule.

16 Tradesperson's certificates under 1980 Act—continuing transitional certificates

- (1) This clause applies to a person if:
 - (a) the person held a transitional certificate, and
 - (b) the certificate expired (without previously being cancelled) before the commencement of this clause, and
 - (c) the certificate was not renewed, purportedly renewed or restored before that commencement.
- (2) A person to whom this clause applies is taken to have been granted a tradesperson's certificate under this Act from the day on which the person's transitional certificate ceased to have effect (a *continuing transitional certificate*).
- (3) A continuing transitional certificate ceases to have effect:
 - (a) in 2019 on the anniversary of the day on which the person's transitional certificate ceased to have effect, or
 - (b) on any later day prescribed by the regulations.
- (4) A continuing transitional certificate is subject to the following conditions and any such conditions may be revoked or varied as if they were imposed under this Act:
 - (a) the same conditions to which the expired transitional certificate was subject immediately before it ceased to have effect,
 - (b) any conditions prescribed by the regulations.
- (5) If a person to whom this clause applies was taken to be a holder of a tradesperson's certificate to which clause 2 (2) of Schedule 4 to the *Motor Dealers and Repairers Regulation 2014* applied, the person's continuing transitional certificate:
 - (a) authorises the person to carry out repair work of the type that the person was authorised to carry out before the repeal of the 1980 Act, and
 - (b) may be renewed or restored under this Act as if it were a tradesperson's certificate granted under this Act.

- (6) To avoid doubt, a continuing transitional certificate may be suspended, cancelled, amended, renewed, restored or surrendered in the same way as a tradesperson's certificate granted under this Act.
- (7) Anything done or omitted to be done by a person to whom this clause applies at any time before the commencement of this Part that would have been lawful if the person had held a continuing transitional certificate at the time concerned is taken to be (and always to have been) lawful.
- (8) The Secretary may treat an application for renewal or restoration of a transitional certificate or a Category 1 continued certificate made before the commencement of this Part by a person to whom this clause applies, whether or not made within the time permitted, as an application for renewal of the person's continuing transitional certificate received in accordance with this Act.

17 Tradesperson's certificates under 1980 Act—renewed transitional certificates

- (1) This clause applies to a transitional certificate that:
 - (a) has expired (without previously being cancelled), and
 - (b) was purportedly renewed under this Act by the Secretary before the commencement of this Part in circumstances where a renewal was not permissible under this Act.
- (2) A transitional certificate to which this clause applies is taken to have been validly renewed (and always to have been validly renewed) from the day on which the transitional certificate ceased to have effect (a *renewed transitional certificate*).
- (3) A renewed transitional certificate is subject to the following conditions and any such conditions may be varied or revoked as if they were imposed under this Act:
 - (a) the same conditions as those purportedly imposed under this Act at the time of the purported renewal of the certificate,
 - (b) any conditions prescribed by the regulations.
- (4) If a person was taken to be a holder of a tradesperson's certificate to which clause 2 (2) of Schedule 4 to the *Motor Dealers and Repairers Regulation 2014* applied, the person's renewed transitional certificate:
 - (a) authorises the person to carry out repair work of the type that the person was authorised to carry out before the repeal of the 1980 Act, and
 - (b) may be renewed or restored under this Act as if it were a tradesperson's certificate granted under this Act.
- (5) To avoid doubt, a renewed transitional certificate may be suspended, cancelled, amended, renewed, restored or surrendered in the same way as a tradesperson's certificate granted under this Act.
- (6) Anything done or omitted to be done by a person, who is taken to hold a renewed transitional certificate by the operation of subclause (2), at any time before the commencement of this Part that would have been lawful if the person had held a renewed transitional certificate at the time concerned is taken to be (and always to have been) lawful.
- (7) The Secretary may treat an application for renewal or restoration of a transitional certificate or a Category 2 continued certificate made before the commencement of this Part by a person to whom this clause applies, whether or not made within the time permitted, as an application for renewal of the

person's continuing transitional certificate received in accordance with this Act.

18 Cancellation of Category 1 and Category 2 continued certificates

On the commencement of this Part, the following licences taken to have been granted on the commencement of the *Motor Dealers and Repairers Amendment (Savings and Transitional and Other Matters) Regulation 2018* are taken to have been cancelled:

- (a) Category 1 continued certificates,
- (b) Category 2 continued certificates.

19 Validation of expiry dates for transitional certificates

The specifying of dates for the terms of transitional certificates by the Secretary, purportedly done before the commencement of this Part in accordance with clause 7 (2) of Schedule 4 to the *Motor Dealers and Repairers Regulation 2014*, is taken to be (and always to have been) validly done.

20 Part subject to regulations

- (1) This Part is subject to the regulations.
- (2) Without limiting subclause (1), the regulations may:
 - (a) make validation provisions for or with respect to transitional certificates, renewed transitional certificates or continuing transitional certificates, and
 - (b) vary or revoke any conditions imposed under this Schedule.

Explanatory note

Item [2] of the proposed amendments makes transitional and validation provisions in relation to tradesperson's certificates granted under the *Motor Vehicle Repairs Act 1980 (the 1980 Act)* and continued under the *Motor Dealers and Repairers Act 2013 (the 2013 Act)* on repeal of the 1980 Act.

The amendments provide that a person who held a tradesperson's certificate that has since expired will be taken to hold a tradesperson's certificate from the day on which that licence expired. Anything done by the person in reliance on the expired certificate will be validated. The continued certificate:

- (a) expires on the first occurring anniversary date, in 2019, of the expiry of the certificate continued on the repeal of the 1980 Act, and
- (b) is subject to the same conditions as the expired certificate, and any other conditions prescribed by regulations under the 2013 Act.

The amendments also validate tradesperson's certificates that were invalidly renewed. Anything done or omitted to be done in reliance on an invalidly renewed certificate is validated. A validated certificate will be subject to the same conditions as those that were purportedly imposed for the invalidly renewed certificate, and any other conditions prescribed by the regulations.

The Commissioner for Fair Trading may, for the purpose of a pending application for renewal or restoration of a tradesperson's certificate, treat the tradesperson's certificate as having been validly renewed.

The amendments also validate expiry dates for certificates continued on the repeal of the 1980 Act in cases where the expiry date specified was beyond the permitted range under clause 7 (2) of Schedule 4 to the *Motor Dealers and Repairers Regulation 2014*.

The amendments permit regulations to be made with respect to the proposed transitional and validation provisions.

Item [1] makes a related amendment to clarify the effect of restoring a licence under the *Motor Dealers and Repairers Act 2013* by providing that the restoration takes effect from the day on which the licence expired.

1.19 Protection of the Environment Operations Act 1997 No 156

[1] Sections 45 (f) and 79 (5) (f)

Omit “(as referred to in section 83)” wherever occurring.

[2] Sections 45 (f) and 79 (5) (f), note

Insert at the end of the paragraphs:

Note. See section 83 for provisions relating to the determination of whether a person is a fit and proper person for the purposes of this section.

[3] Section 83 Fit and proper persons

Insert “or in connection with” after “obligations under” in section 83 (2) (m).

Explanatory note

Items [1] and [2] of the proposed amendments correct references to a list of matters that are relevant to the determination of whether a person is a fit and proper person for licensing purposes under the *Protection of the Environment Operations Act 1997*.

Item [3] makes it clear that the matters that are relevant to such a determination relating to the financial capacity of the person to comply with obligations under a licence extend to the financial capacity of the person to comply with obligations in connection with the licence (such as the capacity to pay contributions under that Act for which the person is liable as the occupier of a waste facility requiring an environment protection licence).

1.21 Public Health Regulation 2012

Whole Regulation

Omit “water-cooling” wherever occurring. Insert instead “cooling water”.

Commencement

The amendment to the *Public Health Regulation 2012* commences on the date of assent to this Act.

1.22 Road Transport Act 2013 No 18

Omit section 206B (1). Insert instead:

- (1) This section applies where a driver licence or other authority to drive in this jurisdiction has been suspended under this Act or the statutory rules for an alleged offence.

Explanatory note

Currently, a court that determines a period of licence disqualification in connection with an offence for which a driver licence has been suspended is required under the *Road Transport Act 2013* to take into account the period of licence suspension when determining the period of licence disqualification. The proposed amendment extends this requirement to apply in relation to the suspension of other types of authority to drive (for example, the authority conferred on a visiting driver who does not hold a driver licence in New South Wales).

1.23 Road Transport and Related Legislation Amendment Act 2017 No 61

Schedule 1.3 Amendments concerning written-off heavy vehicles

Insert “, and includes any other person declared to be a licensed repairer by the statutory rules under this Act” after “*Motor Dealers and Repairers Act 2013*” in the definition of *licensed repairer* in Schedule 1.3 [1].

Explanatory note

The proposed amendment extends a definition of *licensed repairer* (which is to be inserted by the *Road Transport and Related Legislation Amendment Act 2017* into the *Road Transport Act 2013*) to enable persons prescribed by statutory rules under the *Road Transport Act 2013* to exercise the function of issuing certificates of compliance in relation to the repair of damaged vehicles. Currently, the definition is limited to motor vehicle repairers licensed under the *Motor Dealers and Repairers Act 2013*.

1.24 Subordinate Legislation Act 1989 No 146

Schedule 5 Further postponement of repeal of certain statutory rules

Insert after clause 8:

9 Postponement of repeal of other statutory rules due for repeal in 2018

The following statutory rules remain in force until 1 September 2019, unless sooner repealed:

- (a) *Building and Construction Industry Security of Payment Regulation 2008*,
- (b) *Building Professionals Regulation 2007*,
- (c) *Crown Lands (Continued Tenures) Regulation 2006*,
- (d) *Crown Lands (General Reserves) By-law 2006*,
- (e) *Crown Lands Regulation 2006*,
- (f) *Hay Irrigation Regulation 2007*,
- (g) *Local Government (General) Regulation 2005*,
- (h) *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005*,
- (i) *Parliamentary Electorates and Elections Regulation 2008*,
- (j) *Poisons and Therapeutic Goods Regulation 2008*,
- (k) *Tow Truck Industry Regulation 2008*,

- (l) *Water Industry Competition (General) Regulation 2008*,
- (m) *Wentworth Irrigation Regulation 2007*.

Explanatory note

The proposed amendment keeps a number of statutory rules in force for a further period of 1 year after the date on which they would otherwise be repealed by the *Subordinate Legislation Act 1989*. However, any of the statutory rules may be repealed sooner by other legislation.

The proposed amendment is necessary as the statutory rules have each been postponed on at least 5 occasions and are due to be repealed by the *Subordinate Legislation Act 1989* on 1 September 2018.

Each of the statutory rules continues to be required and the repeal of each of the statutory rules is to be further postponed until 1 September 2019 for the following reasons:

- (a) The *Building and Construction Industry Security of Payment Act 1999* is currently under comprehensive review. It is considered that it would be premature to remake the *Building and Construction Industry Security of Payment Regulation 2008* before the outcome of that review has been determined.
- (b) A statutory review of the *Building Professionals Act 2005* has proposed new legislation to replace that Act with a new Act. It is therefore proposed to postpone the repeal of the *Building Professionals Regulation 2007* pending the enactment of that new legislation.
- (c) Schedule 8 to the *Crown Land Management Act 2016* will, on commencement, repeal the *Crown Lands (Continued Tenures) Regulation 2006*, the *Crown Lands (General Reserves) By-law 2006*, the *Crown Lands Regulation 2006*, the *Hay Irrigation Regulation 2007* and the principal Acts under which they are made. It is therefore proposed to postpone the repeal of these regulations and the by-law pending the commencement of those repeals.
- (d) The Office of Local Government has undertaken a comprehensive review of the *Local Government Act 1993* and is currently considering amendments to that Act. It is considered that it would be premature to remake the *Local Government (General) Regulation 2005* at this time.
- (e) A review is being undertaken to determine whether the *Local Government (Manufactured Home Estates, Caravan Parks, Camping Grounds and Moveable Dwellings) Regulation 2005* should be remade or replaced and whether to align it with the outcome of the current review of the *Local Government Act 1993*. It is considered that it would be premature to remake the Regulation before the conclusion of that review.
- (f) The *Electoral Act 2017* will, on commencement, repeal the *Parliamentary Electorates and Elections Act 1912* and the *Parliamentary Electorates and Elections Regulation 2008*. It is therefore proposed to postpone the repeal of the *Parliamentary Electorates and Elections Regulation 2008* pending the commencement of the *Electoral Act 2017*.
- (g) The *Poisons and Therapeutic Goods Act 1966* is currently under comprehensive review. It is considered that it would be premature to remake the *Poisons and Therapeutic Goods Regulation 2008* before the conclusion of that review.
- (h) The Department of Finance, Services and Innovation is currently in the process of implementing the recommendations of the IPART's *Review of Tow Truck Fees and Licensing in NSW*. It is considered that it would be premature to remake the *Tow Truck Industry Regulation 2008* before the completion of that implementation.
- (i) The *Water Industry Competition Amendment (Review) Act 2014* will, when fully commenced, make significant amendments to the *Water Industry Competition Act 2006*. It is considered that it would be premature to remake the *Water Industry Competition (General) Regulation 2008* pending the commencement of those amendments.

Transferred provision—records of dissolved entities in custody of NSW Treasury

- (1) This Act and other laws of New South Wales apply to the transferred records, and so apply as if they were the records of NSW Treasury.
- (2) In this clause, *transferred records* means the records of an entity dissolved by the *Occupational Licensing National Law Repeal Act 2015* (as in force immediately before its repeal) that were transferred by the operation of section 8 of that Act to the custody of NSW Treasury.
- (3) Subclause (1) re-enacts (with minor modifications) section 8 (2) of the *Occupational Licensing National Law Repeal Act 2015* and is a transferred provision to which section 30A of the *Interpretation Act 1987* applies.

Explanatory note

Clause 5 repeals the *Occupational Licensing National Law Repeal Act 2015* and transfers the substance of a provision having ongoing effect into the *State Records Act 1998*.

Schedule 7 General savings, transitional and other provisions

1 Effect of amendment of amending provisions

- (1) An amendment made by Schedule 1 or 5 to an amending provision contained in an Act or instrument is, if the amending provision has commenced before the Schedule 1 or 5 amendment concerned, taken to have effect as from the commencement of the amending provision (whether or not the amending provision has been repealed).
- (2) In this clause:
amending provision means a provision of an Act or instrument that makes a direct amendment to an Act or instrument by:
 - (a) the repeal or omission of matter contained in the amended Act or instrument without the insertion of any matter instead of the repealed or omitted matter, or
 - (b) the omission of matter contained in the amended Act or instrument and the insertion of matter instead of the omitted matter, or
 - (c) the insertion into the amended Act or instrument of matter, not being matter inserted instead of matter omitted from the Act or instrument.

Explanatory note

This clause ensures that an amendment made by the proposed Act to a repealing or amending provision of an Act or instrument will (if the repealing or amending provision commences before the amendment made by the proposed Act) be taken to have commenced on the date the repealing or amending provision commences.

2 Effect of amendment or repeal on acts done or decisions made

Except where it is expressly provided to the contrary, if this Act:

- (a) amends a provision of an Act or an instrument, or
- (b) repeals and re-enacts (with or without modification) a provision of an Act or an instrument,

any act done or decision made under the provision amended or repealed has effect after the amendment or repeal as if it had been done or made under the provision as so amended or repealed.

Explanatory note

This clause ensures that the amendment or repeal of a provision will not, unless expressly provided, vitiate any act done or decision made under the provision as in force before the amendment or repeal.

3 Effect of amendment on instruments

Except where expressly provided to the contrary, any instrument made under an Act amended by this Act, that is in force immediately before the commencement of the amendment, is taken to have been made under the Act as amended.

Explanatory note

This clause ensures that, unless expressly provided, any instrument that is in force and made under a provision of an Act that is amended or substituted by the proposed Act will be taken to have been made under the Act as amended.

4 Revocation of repeal

Section 29A of the *Interpretation Act 1987* applies to the repeal of Acts or instruments, or provisions of Acts or instruments, by this Act.

Explanatory note

The effect of this clause is to enable the Governor, by proclamation, to revoke the repeal of any Act or instrument, or any provision of any Act or instrument, by the proposed Act. The Act or provision the subject of the revocation of repeal is taken not to be, and never to have been, repealed.

5 Regulations

- (1) The Governor may make regulations containing provisions of a savings or transitional nature consequent on the enactment of this Act.
- (2) Any such provision may, if the regulations so provide, take effect from the date of assent to this Act or a later date.
- (3) To the extent to which any such provision takes effect from a date that is earlier than the date of its publication on the NSW legislation website, the provision does not operate so as:
 - (a) to affect, in a manner prejudicial to any person (other than the State or an authority of the State), the rights of that person existing before the date of its publication, or
 - (b) to impose liabilities on any person (other than the State or an authority of the State) in respect of anything done or omitted to be done before the date of its publication.

Explanatory note

This clause enables the making of regulations of a savings or transitional nature relating to incidental matters arising out of the proposed Act.
