(3B) If the owner of a vehicle gives an approved nomination notice to a prescribed officer or informant for the purposes of this section, a prescribed officer or informant may, by written notice served on the owner, require the owner to supply a statutory declaration for use in court proceedings that verifies the nomination contained in the approved nomination notice.

(2) A penalty notice that relates to an offence of which the owner of a vehicle is guilty by virtue of section 22A may be issued to the owner by being addressed to the owner (without naming the owner or stating the owner’s address) and being left on, or attached to, the vehicle. This subsection does not limit the manner in which any such penalty notice may be issued under section 21 of the Fines Act 1996.

(3) The Fines Act 1996 applies to a penalty notice issued under this section.

Note. The Fines Act 1996 provides that, if a person issued with a penalty notice does not wish to have the matter determined by a court, the person may pay the amount specified in the notice and is not liable to any further proceedings for the alleged offence.
(4) The amount payable under a penalty notice issued under this section is the amount prescribed for
the alleged offence by the regulations (not exceeding the maximum amount of penalty that could
be imposed for the offence by a court).

(5) This section does not limit the operation of any other provision of, or made under, this or any
other Act relating to proceedings that may be taken in respect of offences.
