to the Tribunal against the decision.

(2) An appeal must be made within 28 days (or such longer period as the Chairperson may allow in
a particular case) after notice of the decision is given to the person. The appeal is to be lodged
with the Registrar who is to refer it to the Tribunal.

(3) If the decision in respect of which an appeal is made was made as a consequence of an inquiry
held by the Board, the appeal is to be dealt with by way of rehearing and fresh evidence or
evidence in addition to or in substitution for the evidence received at the inquiry may be given.

(4) An appeal does not affect any determination with respect to which it is made until the appeal is
determined.

(5) When it determines an appeal, the Tribunal may dismiss the appeal or order that the decision of
the Board be revoked and replaced by a different decision made by the Tribunal and specified in
the order. The Tribunal may also make such ancillary orders as it thinks proper.

(6) The Tribunal’s decision is taken to be a decision of the Board (but this does not confer a right of
appeal under this section in respect of the Tribunal’s decision).

(7) No appeal lies under this Act against a decision of the Board under the Mutual Recognition laws
in relation to its functions under that Act.

Note. The Mutual Recognition laws provide that a person may, subject to the Administrative Appeals Tribunal Act
1975 of the Commonwealth, apply to the Administrative Appeals Tribunal for a review of a decision of a local
registration authority in relation to its functions under the Mutual Recognition laws. Those functions include
registration, the imposition or waiver of conditions on registration and the postponement, refusal or reinstatement
of registration.

33 Annual practising fee

(1) A nurse or midwife must, on or before the commencement of each practice period for the nurse
or midwife, pay to the Board the fee prescribed by the regulations as the annual practising fee
payable for that practice period.

(1A) The same annual practising fee must be prescribed in respect of both nurses and midwives. A
person who is to be registered as both a nurse and a midwife for a practice period is only
required to pay one annual practising fee for the practice period.

(2) The Board must forward by post to a nurse or midwife (at the address of the nurse or midwife
appearing in the Board’s record of addresses) not earlier than 2 months before the
 commencement of each practice period for the nurse or midwife a notice informing the nurse or
midwife that:

(a) an annual practising fee of a specified amount is payable by the nurse or midwife for the
practice period, and

(b) if the fee is not paid to the Board before the commencement of the practice period the Board may cancel the nurse’s or midwife’s registration or enrolment.

(3) The Board may cancel the registration or enrolment of a nurse or midwife if the annual practising fee payable by the nurse or midwife for a practice period is not paid before the commencement of the practice period.

(4) If the registration or enrolment of any person is cancelled under subsection (3), the Board may, on application in writing by that person and on payment to the Board of such fees as are prescribed, restore that person’s registration or enrolment.

(5) When determining an application under subsection (4), the Board may waive such part of the fees referred to in that subsection as the Board in any particular case considers appropriate.

(6) If the Board determines not to grant an application for restoration of registration or enrolment, the Board may treat the application as an application by the person for registration or enrolment (and proceed to deal with the application accordingly) or may instead require the person to make the appropriate application for registration or enrolment.

(7) A person who is eligible to be registered as a nurse cannot remain registered as a midwife unless the person also remains registered as a nurse. Accordingly, the Board must cancel a person’s registration as a midwife if the person’s registration as a nurse is cancelled while the person remains eligible to be registered as a nurse.

(8) The practice period for a nurse or midwife is the period of 12 months commencing on the first day of the month next following the first anniversary of the day of the nurse’s or midwife’s registration or enrolment, and each subsequent period of 12 months.

34 Cancellation of registration and enrolment

(1) The Board is required to cancel the registration or enrolment of a nurse or midwife if:

(a) the nurse or midwife dies, or

(b) the nurse or midwife ceases to possess or does not possess the qualifications in respect of which the nurse or midwife was registered or enrolled, or

(c) the nurse or midwife becomes a mentally incapacitated person.

(2) The Board is required to cancel the authorisation of a nurse to practise as a nurse practitioner or the authorisation of a midwife to practise as a midwife practitioner if the nurse or midwife ceases to possess or does not possess the qualification or qualifications by virtue of which the nurse or midwife became so authorised.

35 Notice of incapacity

If a nurse or midwife becomes a mentally incapacitated person, the person prescribed by the regulations is required to cause notice of that fact to be forwarded to the Board in accordance with the regulations.
36 Effect of cancellation or suspension of registration

(1) Whenever the registration of a person as a nurse or midwife is cancelled under this Act, any authorisation held by that person to practise as a nurse practitioner or as a midwife practitioner is also cancelled.

(2) Where the registration of a person as a nurse or midwife is suspended for a specified period under Part 5, any authorisation held by that person to practise as a nurse practitioner or as a midwife practitioner is suspended for the same period.

37 Badges

A nurse or midwife is entitled to wear a badge which is of a design prescribed by the regulations and which is issued by the Board.

Division 6 Offences

38 (Repealed)

39 Misrepresentation concerning enrolment

A nurse who is enrolled in a list of the Roll must not:

(a) claim to be, or

(b) represent himself or herself to be, enrolled in a different list of the Roll.

Maximum penalty: 50 penalty units or imprisonment for 12 months, or both.

40 (Repealed)

41 False or misleading entries and statements

A person:

(a) who makes or causes to be made in a Register or the Roll an entry which that person knows to be false or misleading or alters an entry in a Register or the Roll with intent to render the entry false or misleading, or

(b) who, for the purposes of obtaining registration as a nurse or midwife, authorisation to practise as a nurse practitioner or midwife practitioner, or enrolment as an enrolled nurse or enrolled nurse (mothercraft), either for that person or for anyone else, makes a statement, whether orally or in writing, which that person knows to be false or misleading,

is guilty of an offence.

Maximum penalty: 50 penalty units or imprisonment for 12 months, or both.

42 Return of certificate on cancellation of registration, enrolment or authorisation

A nurse or midwife whose registration, enrolment, authorisation to practise as a nurse practitioner or authorisation to practise as a midwife practitioner is cancelled must immediately return his or her certificate of registration, authorisation or enrolment to the Registrar.
Maximum penalty: 5 penalty units.

Division 7 Returns and information

42A Annual return to be submitted

(1) A nurse or midwife must, on or before the return date for the nurse or midwife in each year, furnish in writing to the Board in a form approved by the Board a return for the return period specifying the following information:

(a) details of any conviction of the nurse or midwife for an offence in this State or elsewhere during the return period (together with details of any penalty imposed for the offence),

(b) details of the making of a sex/violence criminal finding against the nurse or midwife for an offence, in this State or elsewhere, during the return period (together with details of any penalty imposed for the offence),

(c) details of the making of a criminal finding against the nurse or midwife for an offence committed in the course of the practice or purported practice of nursing or midwifery, in this State or elsewhere, during the return period (together with details of any penalty imposed for the offence),

(d) details of any criminal proceedings pending against the nurse or midwife at the end of the return period, in this State or elsewhere, for a sex/violence offence alleged to have been committed in the course of the practice or purported practice of nursing or midwifery,

(e) details of any criminal proceedings pending against the nurse or midwife at the end of the return period, in this State or elsewhere, for a sex/violence offence alleged to have been committed against a minor or to involve child pornography (whether or not alleged to have been committed in the course of the practice or purported practice of nursing or midwifery),

(f) details of any significant illness (physical or mental) from which the nurse or midwife suffered at any time during the return period and that may reasonably be thought likely to detrimentally affect the nurse’s or midwife’s physical or mental capacity to practise nursing or midwifery,

(g) details of any suspension of, cancellation of, or imposition of conditions on, the registration of the nurse or midwife as a nurse or midwife in another jurisdiction (either within Australia or elsewhere) during the return period,

(h) details of any suspension of, cancellation of, or imposition of conditions on, any registration of the nurse or midwife under a health registration Act during the return period,

(i) a statement as to whether the nurse or midwife is registered under a health registration Act as at the date of the return,

(j) a statement as to whether the nurse or midwife has been refused registration as a nurse or midwife in another jurisdiction (either within Australia or elsewhere) during the return period,

(k) such other information as may be prescribed by the regulations.
(2) The Board may require a return under this section to be verified by statutory declaration.

(3) The regulations may provide that subsection (1) (a) does not apply in respect of particular offences.

(4) In this section:

return date for a nurse or midwife means the date notified to the nurse or midwife by the Board in writing at least 1 month in advance.

return period means the period of 12 months ending 2 months before the return date.

42B Notification of convictions, criminal findings and charges

(1) A nurse or midwife must notify the Board in writing within 7 days after:

(a) the nurse or midwife is convicted of an offence or made the subject of a sex/violence criminal finding for an offence, in this State or elsewhere, giving details of the conviction or criminal finding and any penalty imposed for the offence, or

(b) criminal proceedings are commenced against the nurse or midwife, in this State or elsewhere, in respect of a sex/violence offence alleged to have been committed in the course of the practice or purported practice of nursing or midwifery, or

(c) criminal proceedings are commenced against the nurse or midwife, in this State or elsewhere, in respect of a sex/violence offence alleged to have been committed against a minor or to involve child pornography (whether or not alleged to have been committed in the course of the practice or purported practice of nursing or midwifery).

(2) The regulations may provide that subsection (1) (a) does not apply in respect of particular offences.

42C Courts to provide information on convictions

(1) As soon as practicable after a nurse or midwife is convicted of an offence or a sex/violence criminal finding is made against a nurse or midwife, the Clerk or other proper officer of the court must (if the court is aware that the person is a nurse or midwife) notify the Board of the conviction or criminal finding together with details of any penalty imposed for the offence.

(2) The regulations may provide that this section does not apply in respect of particular offences.

42D Application of Criminal Records Act

For the purposes of the application of this Division in respect of a criminal finding, the Criminal Records Act 1991 applies in respect of a criminal finding as if section 8 (2) and (4) of that Act were omitted.

Note. Section 8 (2) and (4) of the Criminal Records Act 1991 make special provision for when criminal findings become “spent” under that Act. The omission of those subsections will mean that in determining when a criminal finding becomes spent for the purposes of this Division, criminal findings will be treated as ordinary convictions and the relevant crime-free period will be as provided by section 9 of that Act.
Part 4A Performance assessment

Division 1 Preliminary

42E Meaning of “professional performance”

For the purposes of this Part, a reference to the professional performance of a nurse or midwife is a reference to the knowledge, skill or care possessed and applied by the nurse or midwife in the practice of nursing or midwifery.

42F Meaning of “unsatisfactory” in relation to professional performance

For the purposes of this Part, the professional performance of a nurse or midwife is unsatisfactory if it is below the standard reasonably expected of a nurse or midwife of an equivalent level of training or experience.

Division 2 Board may obtain performance assessment

42G Power to obtain assessment

The Board may have the professional performance of a nurse or midwife assessed under this Part if any matter comes to its attention that indicates that the professional performance of the nurse or midwife, or any aspect of the nurse’s or midwife’s professional performance, is unsatisfactory. This is not limited to matters that are the subject of a complaint or notification to the Board.

42H Serious matters not to be referred for assessment

(1) The Board must not have the professional performance of a nurse or midwife assessed under this Part if a matter giving rise to the proposed assessment:

(a) raises a significant issue of public health or safety, or

(b) raises a prima facie case of professional misconduct by the nurse or midwife, or unsatisfactory professional conduct by the nurse or midwife.

(2) Any such matter is to be dealt with as a complaint.

42I Persons may notify the Board of professional performance matters

(1) A person may notify the Board of any matter that the person thinks indicates that the professional performance of a nurse or midwife is unsatisfactory.

(2) The Board is not to have the professional performance of the nurse or midwife concerned assessed on the basis of that notification if it is made anonymously.

Note. A complaint can be made by any person (see section 44). The complaint must be in writing and contain particulars of the allegations on which it is founded (see section 44). A complaint can be treated by the Board as a performance assessment matter (see section 45), but the Board must consult with the Commission before taking any action with respect to the complaint (see section 46).

42J Commission may refer professional performance matters to Board

(1) If the Commission becomes aware of any matter that the Commission considers indicates that the professional performance of a nurse or midwife is unsatisfactory, the Commission may refer
the matter to the Board.

(2) This section does not affect the functions of the Board in relation to a complaint made to the Commission or a matter referred to the Commission for investigation.

**Division 3 Assessment of professional performance by assessor**

**42K How Board obtains an assessment**

The Board has the professional performance of a nurse or midwife assessed by having one or more assessors conduct an assessment of the nurse’s or midwife’s professional performance, or of any particular aspect or aspects of the nurse’s or midwife’s professional performance.

**42L Information to be given to nurse or midwife**

(1) As soon as practicable after deciding to have the professional performance of a nurse or midwife assessed, the Board is to inform the nurse or midwife in writing of that decision.

(2) The information given to the nurse or midwife is to include the following:

   (a) details of the matter or matters that gave rise to the assessment,
   
   (b) information about how the performance assessment process under this Part works.

**42M Report and recommendations by assessor**

(1) An assessor who is required by the Board to conduct an assessment of a nurse’s or midwife’s professional performance is to:

   (a) conduct an assessment of the nurse’s or midwife’s professional performance, and
   
   (b) report in writing on that assessment to the Board.

(2) The report is to include such recommendations as the assessor considers appropriate.

(3) If more than one assessor is appointed to assess the professional performance of a nurse or midwife, the report may be made jointly or separately, but in any case is to be made in the manner directed by the Board.

**42N Action that may be taken by Board**

(1) After receiving the report of an assessor, the Board may:

   (a) determine that no further action should be taken in respect of the nurse or midwife concerned, or
   
   (b) require a Performance Review Panel to conduct a review of the professional performance of the nurse or midwife, or
   
   (c) make a complaint against the nurse or midwife in accordance with Part 5, or
   
   (d) refer the matter to an Impairment Panel, or
   
   (e) counsel the nurse or midwife concerned or direct the nurse or midwife concerned to attend counselling.
(2) The Board must make a complaint against the nurse or midwife concerned if the assessment:

(a) raises a significant issue of public health or safety, or

(b) raises a prima facie case of professional misconduct by a nurse or midwife, or unsatisfactory professional conduct by a nurse or midwife.

(3) This section does not limit the Board’s powers under section 48.

Division 4 Performance review by Performance Review Panel

42O Performance Review Panel to conduct performance review

(1) A Performance Review Panel is to conduct a review (referred to in this Part as a performance review) of the professional performance of a nurse or midwife if required to do so by the Board.

(2) The chairperson of the Performance Review Panel is to inform the nurse or midwife concerned in writing that a performance review will be conducted not less than 14 days before the time and place appointed for the performance review.

42P Performance Review Panel not to take action while Commission investigating

A Performance Review Panel is not to take any action in relation to a nurse or midwife if the Panel becomes aware that the nurse or midwife is the subject of a complaint that is being investigated by the Commission, unless the Commission agrees to the continuation of the performance review.

42Q Performance Review Panel must refer certain matters to Board

(1) A Performance Review Panel must terminate a performance review if before or during the performance review the Panel forms an opinion that:

(a) the performance review raises a significant issue of public health or safety, or

(b) the performance review raises a prima facie case of professional misconduct by a nurse or midwife, or unsatisfactory professional conduct by a nurse or midwife.

(2) When the Performance Review Panel terminates a performance review because of subsection (1), it must refer the issue or case back to the Board with a recommendation that a complaint be made against the nurse or midwife concerned.

(3) The Board is to deal with the matter accordingly.

42R Actions by Performance Review Panel

(1) At the completion of a performance review, a Performance Review Panel may make such recommendations to the Board in respect of the nurse or midwife concerned as the Panel considers appropriate.

(2) Without limiting subsection (1), if the Performance Review Panel finds that the professional performance of the nurse or midwife, or a particular aspect of the professional performance of the nurse or midwife, is unsatisfactory, the Panel may do any one or more of the following things:

(a) direct that such conditions, relating to the person’s practising nursing or midwifery, as it
considers appropriate be imposed on the person’s registration or enrolment,

(b) order that the nurse or midwife complete such educational courses as are specified by the Panel,

(c) order that the nurse or midwife report on his or her practice of nursing or midwifery at the times, in the manner and to the persons specified by the Panel,

(d) order that the nurse or midwife seek and take advice, in relation to the management of his or her practice of nursing or midwifery, from such persons as are specified by the Panel.

(3) If the Performance Review Panel finds that a matter:

(a) raises a significant issue of public health or safety, or

(b) raises a prima facie case of professional misconduct by a nurse or midwife, or unsatisfactory professional conduct by a nurse or midwife,

the Panel must recommend to the Board that a complaint be made against the nurse or midwife concerned, in which case the Board is to deal with the matter accordingly.

(4) In any other case that the Board thinks it appropriate to do so, the Board may make a complaint in respect of a matter that has been considered by a Performance Review Panel, after consulting with the Commission.

42S Re-assessment

(1) Without limiting section 42R, a Performance Review Panel may direct that a nurse’s or midwife’s professional performance be re-assessed at a future date.

(2) The Board is to have one or more assessors conduct that assessment, when it is required, and report to the Board on the assessment.

(3) The Board may take any action in respect of that assessment that is available to the Board under section 42N, including requiring a Performance Review Panel to conduct a further performance review in relation to the nurse or midwife.

42T Decision

(1) A Performance Review Panel must provide a written statement of a decision on a performance review to the nurse or midwife concerned and to the Board, and must do so within one month after the decision is made.

(2) The statement of the decision must include reasons for the decision.

(3) The Board may provide a copy of the statement of decision to such other persons as the Board thinks fit.

42U Statement need not contain confidential information

(1) A Performance Review Panel is not required to include confidential information in the statement of a decision. If a statement would be false or misleading if it did not include the confidential information, the Panel is not required to provide the statement.
When confidential information is not included in the statement of a decision provided to a person or the statement is not provided to a person because of subsection (1), the Performance Review Panel must give a confidential information notice to the person.

A confidential information notice is a notice that indicates that confidential information is not included or that the statement will not be provided (as appropriate) and gives the reasons for this. The notice must be in writing and must be given within one month after the decision is made.

This section does not affect the power of a court to make an order for the discovery of documents or to require the giving of evidence or the production of documents to a court, subject to the provisions of this Act relating to protected reports.

**Division 5 Other provisions relating to performance assessment**

**42V Monitoring by Board**

(1) Following a performance review by a Performance Review Panel, the Board is to:

(a) monitor compliance with any orders made by the Panel, and

(b) from time to time evaluate the effectiveness of those orders in improving the professional performance of the nurse or midwife concerned to a standard that is commensurate with other nurses or midwives of an equivalent level of training or experience.

(2) The Board may take any action under this Act in respect of a nurse or midwife that it considers appropriate as a result of the exercise of its functions under subsection (1).

**42W Other provisions relating to performance assessments**

Schedule 2A has effect.

**Division 6 Performance Review Panels and assessors**

**42X Performance Review Panels**

(1) There are to be Performance Review Panels for the purposes of this Act.

(2) A Performance Review Panel has and may exercise the jurisdiction and functions conferred or imposed on it by or under this or any other Act.

(3) When the Board decides to require a Performance Review Panel to conduct a performance review of the professional performance of a nurse or midwife, the Board is to appoint 3 persons to sit as the Panel for the purpose of that performance review.

(4) Of those 3 persons:

(a) 2 are to be nurses if the performance review concerns a nurse or are to be midwives if the performance review concerns a midwife, and

(b) one is to be a lay person (that is, a person who is not a nurse or midwife).

(5) One of the members of the Panel is to be appointed by the Board as chairperson of the Panel.
(6) A person may be appointed to sit on a Performance Review Panel whether or not the person is a member of the Board, but not if the person has previously dealt with the particular matter before the Panel in his or her capacity as a member of the Board.

(7) A member of a Performance Review Panel, while sitting on the Panel, is entitled to be paid by the Board at a rate determined by the Board.

(8) The rate is to be determined by the Board having regard to the rate paid to witnesses who give expert evidence in the Supreme Court.

42Y Decisions of Performance Review Panels

(1) A decision supported by a majority of members of a Performance Review Panel is the decision of the Panel.

(2) The chairperson of a Performance Review Panel may exercise the following functions of a Panel:

   (a) power to terminate a performance review,

   (b) power to hand down a decision of the Panel on a performance review.

(3) Any power of a Performance Review Panel that is exercised by the chairperson of the Panel under this Act is taken to have been exercised by the Panel.

42Z Assessors

(1) The Board may appoint suitably qualified persons to be assessors for the purposes of this Act.

(2) Assessors are to be appointed on such terms and conditions as the Board thinks fit.

(3) An assessor has such functions as are conferred on an assessor by this Act and such other functions, in connection with this Part, as may be conferred on an assessor by the Board.

Division 7 Appeal against actions of Performance Review Panel

42ZA Appeals against decisions of Panel

(1) A nurse or midwife who is the subject of a performance review by a Performance Review Panel may appeal to the Tribunal against a decision of the Panel or any order or direction made by the Panel under this Part.

(2) An appeal must be made within 28 days (or such longer period as the Registrar may allow in a particular case) after notice of the decision or the making of the order or direction is given to the nurse or midwife concerned.

(3) The appeal must be lodged with the Registrar who is to refer it to the Tribunal.

(4) The appeal is to be dealt with by way of rehearing and fresh evidence, or evidence in addition to or in substitution for the evidence received at the performance review, may be given.

(5) The Tribunal may, as it thinks appropriate:

   (a) dismiss the appeal, or
(b) make any finding or exercise any power or combination of powers that the Performance Review Panel could have made or exercised.

(6) An appeal under this section does not affect any finding or exercise of power with respect to which it has been made until the Tribunal makes an order on the appeal.

42ZB  Appeals on points of law

(1) A nurse or midwife who is the subject of a performance review by a Performance Review Panel may appeal with respect to a point of law to the Chairperson of the Tribunal or a Deputy Chairperson nominated by the Chairperson.

(2) An appeal may be made:

(a) during a performance review—within 28 days after the date of the Performance Review Panel's decision on the point of law that is the subject of the appeal, or

(b) before the commencement of a performance review by a Performance Review Panel but after the date the nurse or midwife is informed of the performance review.

(3) If a performance review has not been completed when an appeal is made, the Performance Review Panel must not continue with the performance review until the appeal has been disposed of.

(4) The Performance Review Panel must not make any decision that is inconsistent with the Chairperson’s or Deputy Chairperson’s determination with respect to the point of law.

Part 5  Complaints and disciplinary proceedings

Division 1  Complaints

43  Codes of professional conduct

(1) The Board may establish one or more codes of professional conduct setting out guidelines that should be observed by nurses and midwives in their professional practice. The Board may from time to time amend or replace a code of professional conduct.

(2) The Minister may require the Board to develop guidelines relating to any conduct of nurses or midwives that the Minister considers should be the subject of a code of professional conduct.

(3) For that purpose, the Minister may:

(a) direct the Board to establish a code of professional conduct, or

(b) direct the Board to amend or replace a code of professional conduct, so that the code includes guidelines relating to that conduct.

(4) The Board is to comply with any such direction of the Minister.

(5) The provisions of a code of professional conduct are a relevant consideration in determining for the purposes of this Act what constitutes proper and ethical conduct by a nurse or midwife.

(6) The procedure for the establishment of a code of professional conduct is as follows:
(a) the Board is to prepare a proposed code in draft form and is to prepare an impact assessment statement for the proposed code in accordance with such requirements as the Minister may from time to time determine,

(b) the draft code and impact assessment statement are to be publicly exhibited for a period of at least 21 days,

(c) the Board is to seek public comment on the draft code during the period of public exhibition and public comment may be made during the period of public exhibition and for 21 days (or such longer period as the Board may determine) after the end of that period,

(d) the Board is to submit the draft code to the Minister for approval together with a report by the Board giving details of public comment received during the period allowed for public comment and the Board’s response to it,

(e) the Board is not to establish the draft code as a code of professional conduct unless the Minister approves the draft.

(7) The procedure for the amendment or replacement of a code of professional conduct is the same as for the establishment of the code unless the Minister otherwise directs in respect of a particular amendment.

44 Complaints

(1) A complaint may be made that a nurse or midwife:

(a) has been convicted of or made the subject of a criminal finding for an offence (either in or outside New South Wales) and the circumstances of the offence render the nurse or midwife unfit in the public interest to practise nursing or midwifery, or

(b) suffers from an impairment, or

(c) has been guilty of unsatisfactory professional conduct, or

(d) has been guilty of professional misconduct, or

(e) does not have sufficient physical or mental capacity to practise nursing or midwifery, or

(f) is not of good character.

(2) Any person (including the Board) may make a complaint to the Board.

(3) A complaint must:

(a) be in writing, and

(b) contain particulars of the allegations on which it is founded, and

(c) (Repealed)

(d) be lodged with the Registrar.

(4) The Board must notify the Commission of a complaint as soon as practicable after the complaint is made.
(5) The Board may require the complainant to provide further particulars of the complaint.

(6) A complaint about a nurse or midwife may be dealt with even though the nurse or midwife has ceased to be registered or enrolled and, for that purpose, references in this Part and Schedule 2 to a nurse or midwife include references to a nurse or midwife who has ceased to be registered or enrolled.

(7) A complaint that a nurse or midwife has been guilty of unsatisfactory professional conduct or professional misconduct may be dealt with even though the unsatisfactory professional conduct or professional misconduct occurred during a period in which the nurse’s or midwife’s name had been removed from the Register or the Roll under section 64 (1) (g).

45 Referral or dismissal of complaints by Board

(1) The Board must, as soon as practicable after a complaint is lodged with the Registrar or the Board has decided to make a complaint:

(a) refer the complaint to a Panel, a Committee or the Tribunal (which is to be constituted in accordance with this Act to deal with the complaint), as the Board thinks fit, despite any previous action taken by the Board or the Commission, or

(a1) refer the professional performance of the nurse or midwife concerned for assessment under Part 4A, or

(b) direct the nurse or midwife concerned to attend for counselling, or

(c) determine that no further action should be taken, except where the Board has decided to make the complaint.

(2) The Board must refer a complaint to the Tribunal if the complaint is that the nurse or midwife has been guilty of professional misconduct or if the Board is of the opinion that the subject-matter of the complaint (not being, in the Board’s opinion, a frivolous or vexatious complaint), if substantiated, may provide grounds for the suspension or cancellation of the nurse’s or midwife’s registration or enrolment.

(3) The Board may refer a complaint to a Committee even though, if substantiated, it may provide grounds for the suspension or cancellation of the nurse’s or midwife’s registration or enrolment, if:

(a) the complaint is made, or the Board has decided to make the complaint, under section 44 (1) (b) or (e), and

(b) the Board is of the opinion that no other complaint under any other provision of section 44 relating to the nurse or midwife concerned should be referred to the Tribunal.

(4) Two or more members of the Board may be appointed by the Board for the purpose of carrying out the functions of the Board under this section, and in this Act and the regulations a reference to the referral of a complaint by the Board is taken to include a reference to a referral of a complaint by those members.

(5) The Board may, before taking any action under this section, require the nurse or midwife concerned, by notice in writing given personally or by post to the nurse or midwife, to undergo
at the Board’s expense a health examination:

(a) by a registered health practitioner, and

(b) at any reasonable time and place,

specified in the notice.

(6) A failure by a nurse or midwife, without reasonable cause, to comply with:

(a) a direction under this section to attend for counselling, or

(b) a notice given under this section to undergo a health examination,

is, for the purposes of this Part or any inquiry or appeal under this Part, evidence that the nurse or midwife does not have sufficient physical and mental capacity to practise nursing or midwifery.

(7) The Board:

(a) is not to refer a complaint about a nurse or midwife who has died, and

(b) may decide not to refer a complaint:

(i) if the complainant fails to provide further particulars requested under section 44, or

(ii) if the nurse or midwife concerned ceases to be registered or enrolled.

(8) This section is subject to section 46.

### 46 Role of Health Care Complaints Commission

(1) Before the Board takes any action under section 45, the Board and the Commission must consult in order to see if agreement can be reached between them as to the course of action to be taken concerning a complaint.

(2) Division 2 of Part 2 of the *Health Care Complaints Act 1993* applies to the consultation.

(3) A complaint must not be referred to the Tribunal or a Committee until the complaint has been investigated by the Commission under the *Health Care Complaints Act 1993*.

(4) If the Commission recommends to the Board in accordance with the *Health Care Complaints Act 1993* that a complaint (whether made under that Act or this Act) be referred to the Tribunal, the Board must comply with that recommendation. This applies only to a complaint of a kind that could be made under this Act.
