Chapter 1 Preliminary

1 Name of Act

This Act may be cited as the Local Government Act 1993.

2 Commencement

This Act commences on a day or days to be appointed by proclamation.

3 Definitions

Expressions used in this Act (or in a particular provision of this Act) which are defined in the dictionary at the end of this Act have the meanings set out in the dictionary.

4 Does this Act bind the Crown?

This Act binds the Crown in right of New South Wales and, in so far as the legislative power of Parliament permits, the Crown in all its other capacities, except to the extent to which this Act otherwise provides.

Note. Particular provisions relating to the Crown are found in the following sections—

• sections 72–74—concerning determination of Crown applications for approvals
• section 111—concerning revocation or modification of approvals given to the Crown
• section 126—concerning the giving of orders affecting Crown land (including Crown managed land) and commons
• sections 555 and 561—concerning rates and charges on land owned by the Crown
• section 560—concerning the liability to pay rates in respect of land owned by the Crown
• section 611—concerning the imposition of an annual charge for certain things on, under or over public places
• section 708—service of notices on the Crown
• section 714—prohibition on sale of Crown lands for unpaid rates and charges

5 To what parts of the State does this Act apply?

This Act applies to those parts of the State that are constituted as areas for the purposes of this Act, except as provided by or under this Act.

Note. This Act does not apply to the whole of New South Wales. Some parts of the State do not come within a local government area. For example, parts of the Western Division of the State (to which the Crown Land...
Management Act 2016 applies) and Lord Howe Island (to which the Lord Howe Island Act 1953 applies) are not subject to this Act.

Some local government areas or parts may not be subject to this Act (or to all of its provisions) because of special statutory exceptions. Other exceptions may be provided by regulations made under this Act.

6 Notes in the text

Notes, charts and diagrams are explanatory notes and do not form part of this Act. They are provided to assist understanding.

Chapter 4 How can the community influence what a council does?

Part 1 Open meetings

9 Public notice of meetings

(1) A council must give notice to the public of the times and places of its meetings and meetings of those of its committees of which all the members are councillors.
(2) A council and each such committee must have available for the public at its offices and at each meeting copies (for inspection or taking away by any person) of the agenda and the associated business papers (such as correspondence and reports) for the meeting.

(2A) In the case of a meeting whose agenda includes the receipt of information or discussion of other matters that, in the opinion of the general manager, is likely to take place when the meeting is closed to the public—

(a) the agenda for the meeting must indicate that the relevant item of business is of such a nature (but must not give details of that item), and

(b) the requirements of subsection (2) with respect to the availability of business papers do not apply to the business papers for that item of business.

(3) The copies are to be available to the public as nearly as possible to the time they are available to councillors.

(4) The copies are to be available free of charge.

(5) A notice given under this section or a copy of an agenda or of a business paper made available under this section may in addition be given or made available in electronic form.

10 Who is entitled to attend meetings?

(1) Except as provided by this Part—

(a) everyone is entitled to attend a meeting of the council and those of its committees of which all the members are councillors, and

(b) a council must ensure that all meetings of the council and of such committees are open to the public.

(2) However, a person (whether a councillor or another person) is not entitled to be present at a meeting of the council or of such a committee if expelled from the meeting—

(a) by a resolution of the meeting, or

(b) by the person presiding at the meeting if the council has, by resolution, authorised the person presiding to exercise the power of expulsion.

(3) A person may be expelled from a meeting only on the grounds specified in, or in the circumstances prescribed by, the regulations.

10A Which parts of a meeting can be closed to the public?

(1) A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises—

(a) the discussion of any of the matters listed in subclause (2), or

(b) the receipt or discussion of any of the information so listed.

(2) The matters and information are the following—
(a) personnel matters concerning particular individuals (other than councillors),
(b) the personal hardship of any resident or ratepayer,
(c) information that would, if disclosed, confer a commercial advantage on a person with whom
the council is conducting (or proposes to conduct) business,
(d) commercial information of a confidential nature that would, if disclosed—
   (i) prejudice the commercial position of the person who supplied it, or
   (ii) confer a commercial advantage on a competitor of the council, or
   (iii) reveal a trade secret,
(e) information that would, if disclosed, prejudice the maintenance of law,
(f) matters affecting the security of the council, councillors, council staff or council property,
(g) advice concerning litigation, or advice that would otherwise be privileged from production
in legal proceedings on the ground of legal professional privilege,
(h) information concerning the nature and location of a place or an item of Aboriginal
significance on community land,
(i) alleged contraventions of any code of conduct requirements applicable under section 440.

(3) A council, or a committee of the council of which all the members are councillors, may also
close to the public so much of its meeting as comprises a motion to close another part of the
meeting to the public.

(4) A council, or a committee of a council, may allow members of the public to make
representations to or at a meeting, before any part of the meeting is closed to the public, as to
whether that part of the meeting should be closed.

(5), (6) (Repealed)

10B Further limitations relating to closure of parts of meetings to public

(1) A meeting is not to remain closed during the discussion of anything referred to in section
10A(2)—
   (a) except for so much of the discussion as is necessary to preserve the relevant confidentiality,
   privilege or security, and
   (b) if the matter concerned is a matter other than a personnel matter concerning particular
   individuals, the personal hardship of a resident or ratepayer or a trade secret—unless the
   council or committee concerned is satisfied that discussion of the matter in an open meeting
   would, on balance, be contrary to the public interest.

(2) A meeting is not to be closed during the receipt and consideration of information or advice
referred to in section 10A(2)(g) unless the advice concerns legal matters that—
   (a) are substantial issues relating to a matter in which the council or committee is involved, and
(b) are clearly identified in the advice, and
(c) are fully discussed in that advice.

(3) If a meeting is closed during the discussion of a motion to close another part of the meeting to the public (as referred to in section 10A(3)), the consideration of the motion must not include any consideration of the matter or information to be discussed in that other part of the meeting (other than consideration of whether the matter concerned is a matter referred to in section 10A(2)).

(4) For the purpose of determining whether the discussion of a matter in an open meeting would be contrary to the public interest, it is irrelevant that—
(a) a person may misinterpret or misunderstand the discussion, or
(b) the discussion of the matter may—
   (i) cause embarrassment to the council or committee concerned, or to councillors or to employees of the council, or
   (ii) cause a loss of confidence in the council or committee.

(5) In deciding whether part of a meeting is to be closed to the public, the council or committee concerned must have regard to any relevant guidelines issued by the Departmental Chief Executive.

10C Notice of likelihood of closure not required in urgent cases

Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if—
(a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A(2), and
(b) the council or committee, after considering any representations made under section 10A(4), resolves that further discussion of the matter—
   (i) should not be deferred (because of the urgency of the matter), and
   (ii) should take place in a part of the meeting that is closed to the public.

10D Grounds for closing part of meeting to be specified

(1) The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.

(2) The grounds must specify the following—
(a) the relevant provision of section 10A(2),
(b) the matter that is to be discussed during the closed part of the meeting,
(c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

10E (Repealed)

11 Public access to correspondence and reports

(1) A council and a committee of which all the members are councillors must, during or at the close of a meeting, or during the business day following the meeting, give reasonable access to any person to inspect correspondence and reports laid on the table at, or submitted to, the meeting.

(2) This section does not apply if the correspondence or reports—

(a) relate to a matter that was received or discussed, or

(b) were laid on the table at, or submitted to, the meeting, when the meeting was closed to the public.

(3) This section does not apply if the council or committee resolves at the meeting, when open to the public, that the correspondence or reports, because they relate to a matter specified in section 10A(2), are to be treated as confidential.

Part 2

12–13 (Repealed)

Part 3 Expressions of community opinion

Division 1 Council polls

14 Council polls

A council may take a poll of electors for its information and guidance on any matter.

Division 2 Constitutional referendums

15 What is a constitutional referendum?

A constitutional referendum is a poll initiated by a council in order to give effect to a matter referred to in section 16.

16 What matters must be dealt with at a constitutional referendum?

A council may not do any of the following unless approval to do so has been given at a constitutional referendum—

(a) divide its area into wards or abolish all wards in its area,

(b) change the basis on which the mayor attains office (that is, by election by the councillors or by election by the electors),
(c) increase or decrease the number of councillors in accordance with the limits under section 224,

(d) change the method of ordinary election of councillors for an area divided into wards.

(e) (Repealed)

17 What is the effect of a constitutional referendum?

(1) The decision made at a constitutional referendum binds the council until changed by a subsequent constitutional referendum.

(2) However, such a decision does not apply to a by-election held after the constitutional referendum and before the next ordinary election.

Division 3 General provisions concerning a council poll or constitutional referendum

18 What provisions apply to the conduct of a council poll or constitutional referendum?

Part 1 and Part 6 (except Divisions 3, 4 and 5) of Chapter 10 (How are people elected to civic office?) apply to a council poll, and Part 1 and Part 6 (except Divisions 3 and 5) of that Chapter apply to a constitutional referendum, with such modifications as may be necessary, in the same way as they apply to an election.

Note. Part 1 of Chapter 10 identifies the people who are entitled to vote in council elections, and Part 6 governs the conduct of those elections.

Division 3 of Part 6 of that Chapter deals with nominations for election, Division 4 with failure to vote and Division 5 with miscellaneous matters such as irregularities of form or procedure in elections, overdue elections and those declared void.

19 Day for taking council poll or constitutional referendum

A council poll or constitutional referendum may be taken on any Saturday, including the Saturday of an ordinary election.

20 When is a question at a council poll or constitutional referendum carried?

(1) The question at a council poll or constitutional referendum is carried if it is supported by a majority of the votes cast.

(2) The reference to votes in subsection (1) does not include a reference to any vote that, pursuant to the regulations, is found to be informal.

Chapter 5 What are a council’s functions?

21 Functions under this Act

A council has the functions conferred or imposed on it by or under this Act.

Note. This Act classifies certain of a council's functions as service, that is, non-regulatory (Chapter 6), regulatory (Chapter 7) or ancillary (Chapter 8). Ancillary functions are those functions that assist the carrying out of a council’s service and regulatory functions.

A council also has revenue functions (Chapter 15), administrative functions (Chapters 11, 12 and 13) and functions relating to the enforcement of this Act (Chapters 16 and 17).

22 Other functions

A council has the functions conferred or imposed on it by or under any other Act or law.

Note. While the main functions of councils are provided for under this Act, councils also have functions under other Acts. An important general provision is contained in section 50 of the Interpretation Act 1987 which provides, in part—

(1) A statutory corporation—
   (a) has perpetual succession,
   (b) shall have a seal,
   (c) may take proceedings and be proceeded against in its corporate name,
   (d) may, for the purpose of enabling it to exercise its functions, purchase, exchange, take on lease, hold, dispose of and otherwise deal with property, and
   (e) may do and suffer all other things that bodies corporate may, by law, do and suffer and that are necessary for, or incidental to, the exercise of its functions …

(4) This section applies to a statutory corporation in addition to, and without limiting the effect of, any provision of the Act by or under which the corporation is constituted.

Some other Acts and some of the functions they confer include—

- Community Land Development Act 1989 planning functions as consent authority
- Companion Animals Act 1998 companion animal registration and control

### 23 Supplementary, incidental and consequential functions

A council may do all such things as are supplemental or incidental to, or consequential on, the exercise of its functions.
23A Departmental Chief Executive’s guidelines

(1) For the purposes of this Act, the Departmental Chief Executive may from time to time prepare, adopt or vary guidelines relating to the exercise by a council of any of its functions.

(2) The Departmental Chief Executive may only prepare, adopt or vary guidelines relating to the exercise by a council of functions conferred or imposed on the council by or under any Act or law that is not administered by or the responsibility of the Department of Local Government if the Departmental Chief Executive has first obtained the concurrence of the Minister administering or responsible for the administration of the other Act or law.

(3) A council must take any relevant guidelines issued under this section into consideration before exercising any of its functions.

(4) The guidelines for the time being in force are to be made available to councils on request and, on payment of such fee (if any) as the Departmental Chief Executive may determine, to any interested person.

Chapter 6 What are the service functions of councils?

Part 1 General

24 Provision of goods, services and facilities and carrying out of activities

A council may provide goods, services and facilities, and carry out activities, appropriate to the
current and future needs within its local community and of the wider public, subject to this Act, the regulations and any other law.

**Part 2 Public land**

**Note.** This Part requires all land vested in a council (except a road or land to which the Crown Land Management Act 2016 applies) to be classified as either “community” or “operational”.

The classification will generally be achieved by a local environmental plan but may, in some circumstances, be achieved by resolution of the council (see sections 31, 32 and 33).

The purpose of classification is to identify clearly that land which should be kept for use by the general public (community) and that land which need not (operational). The major consequence of classification is that it determines the ease or difficulty with which land may be alienated by sale, leasing or some other means.

Community land must not be sold (except in the limited circumstances referred to in section 45(4)). Community land must not be leased or licensed for more than 21 years and may only be leased or licensed for more than 5 years if public notice of the proposed lease or licence is given and, in the event that an objection is made to the proposed lease or licence, the Minister’s consent is obtained. No such restrictions apply to operational land.

Classification or reclassification of land does not affect any estate or interest a council has in the land.

Community land would ordinarily comprise land such as a public park. Operational land would ordinarily comprise land held as a temporary asset or as an investment, land which facilitates the carrying out by a council of its functions or land which may not be open to the general public, such as a works depot or a council garage.

The use and management of community land is to be regulated by a plan of management. Until a plan of management is adopted, the nature and use of the land must not change.

**Division 1 Classification and reclassification of public land**

**25 All public land must be classified**

All public land must be classified in accordance with this Part.

**26 What are the classifications?**

There are 2 classifications for public land—“community” and “operational”.

**Note.** On the commencement of this Part, certain land that is vested in or under the control of a council is taken to have been classified as community land by the operation of clause 6 of Schedule 7.

**27 How are the classifications made?**

(1) The classification or reclassification of public land may be made by a local environmental plan.

(2) The classification or reclassification of public land may also be made by a resolution of the council under section 31, 32 or 33.

**28 Forwarding of planning proposals to Minister for Planning**

(1) A council may not forward a planning proposal to the Minister for Planning under section 56 of the Environmental Planning and Assessment Act 1979 which includes a proposal to classify or reclassify public land that is not owned by the council unless the council has obtained the consent of the owner to the proposed classification or reclassification of public land.

(2) A local environmental plan that classifies or reclassifies public land may apply to one or more areas of public land.
29 Public hearing into reclassification

(1) A council must arrange a public hearing under section 57 of the Environmental Planning and Assessment Act 1979 in respect of a planning proposal under Part 3 of that Act to reclassify community land as operational land, unless a public hearing has already been held in respect of the same matter as a result of a determination under section 56(2)(e) of that Act.

(2) A council must, before making any resolution under section 32, arrange a public hearing in respect of any proposal to reclassify land as operational land by such a resolution.

30 Reclassification of community land as operational

(3) A council may grant any other estate in community land to the extent permitted by this Division or under the provisions of another Act.

   Note. The word estate has a wide meaning. See the Interpretation Act 1987, section 21(1).

(4) This section does not prevent a council from selling, exchanging or otherwise disposing of community land for the purpose of enabling that land to become, or be added to, Crown managed land or to become, or be added to, land that is reserved or dedicated under the National Parks and Wildlife Act 1974.

46 Leases, licences and other estates in respect of community land—generally

(1) A lease, licence or other estate in respect of community land—
   (a) may be granted for the provision of public utilities and works associated with or ancillary to public utilities, or
   (a1) may be granted for the purpose of providing pipes, conduits or other connections under the surface of the ground for the connection of premises adjoining the community land to a facility of the council or other public utility provider, or
   (b) may be granted, in accordance with an express authorisation in the plan of management and such provisions of the plan of management as apply to the granting of the lease, licence or other estate—
      (i) for a purpose prescribed by subsection (4), or for a purpose prescribed by any of
sections 36E to 36N as a core objective of the categorisation of the land concerned, or

(ii) for a purpose prescribed by the regulations, if the plan of management applies to several areas of community land, or

(iii) for a short-term, casual purpose prescribed by the regulations, or

(iv) for a residential purpose in relation to housing owned by the council, or

(v) (Repealed)

(c) may be granted in order to allow a filming project to be carried out, whether or not the project is in accordance with the plan of management or is consistent with the core objectives of the categorisation of the land concerned,

but may not otherwise be granted.

(2) Despite subsection (1), a lease, licence or other estate in respect of community land may be granted for a purpose mentioned in subsection (1)(b) only if the purpose for which it is granted is consistent with the core objectives, as prescribed in this Part, of its categorisation.

(3) A council must not grant a lease or licence for a period (including any period for which the lease or licence could be renewed by the exercise of an option) exceeding 30 years.

(4) The following purposes are prescribed for the purposes of subsection (1)(b)(i)—

(a) the provision of goods, services and facilities, and the carrying out of activities, appropriate to the current and future needs within the local community and of the wider public in relation to any of the following—

(i) public recreation,

(ii) the physical, cultural, social and intellectual welfare or development of persons,

(b) the provision of public roads.

(5) Purposes prescribed by subsection (4) in relation to the matters mentioned in subsection (4)(a)(ii) include, but are not limited to, maternity welfare centres, infant welfare centres, kindergartens, nurseries, child care centres, family day-care centres, surf life saving clubs, restaurants or refreshment kiosks.

(5A) A council must grant an application under subsection (1)(c) for a lease, licence or other estate in respect of community land in order to allow a filming project to be carried out on the land unless—

(a) the community land is land referred to in section 47AA(1), or

(b) the plan of management for the land expressly prohibits use of the land for the purposes of filming projects, or

(c) the council is satisfied that there are exceptional circumstances that warrant refusal of the application.

(5B) Before refusing an application on a ground referred to in subsection (5A)(c), the council must
consider whether any concerns it has could be addressed by imposing conditions on the grant.

(5C) If the council refuses an application, it must—

(a) inform the applicant in writing of its decision as soon as practicable after it is made, and

(b) give the applicant reasons in writing for its decision within 3 business days after it is made.

(6) A plan of management is void to the extent that it purports to authorise the grant of a lease, licence or other estate in contravention of this section.

46A Means of granting leases, licences and other estates

(1) A plan of management is to specify, in relation to the community land to which it applies, any purposes for which a lease, licence or other estate may be granted only by tender in accordance with Division 1 of Part 3.

(2) Nothing in this section precludes a council from applying a tender process in respect of the grant of any particular lease, licence or estate.

(3) A lease or licence for a term exceeding 5 years may be granted only by tender in accordance with Division 1 of Part 3, unless it is granted to a non-profit organisation.

47 Leases, licences and other estates in respect of community land—terms greater than 5 years

(1) If a council proposes to grant a lease, licence or other estate in respect of community land for a period (including any period for which the lease, licence or other estate could be renewed by the exercise of an option) exceeding 5 years, it must—

(a) give public notice of the proposal (including on the council’s website), and

(b) exhibit notice of the proposal on the land to which the proposal relates, and

(c) give notice of the proposal to such persons as appear to it to own or occupy the land adjoining the community land, and

(d) give notice of the proposal to any other person, appearing to the council to be the owner or occupier of land in the vicinity of the community land, if in the opinion of the council the land the subject of the proposal is likely to form the primary focus of the person’s enjoyment of community land.

(2) A notice of the proposal must include—

• information sufficient to identify the community land concerned

• the purpose for which the land will be used under the proposed lease, licence or other estate

• the term of the proposed lease, licence or other estate (including particulars of any options for renewal)

• the name of the person to whom it is proposed to grant the lease, licence or other estate (if known)

• a statement that submissions in writing may be made to the council concerning the proposal
within a period, not less than 28 days, specified in the notice.

(3) Any person may make a submission in writing to the council during the period specified for the purpose in the notice.

(4) Before granting the lease, licence or other estate, the council must consider all submissions duly made to it.

(5) The council must not grant the lease, licence or other estate except with the Minister’s consent, if—

(a) a person makes a submission by way of objection to the proposal, or

(b) in the case of a lease or licence, the period (including any period for which the lease or licence could be renewed by the exercise of an option) of the lease or licence exceeds 21 years.

(6) If the council applies for the Minister’s consent, it must forward with its application—

• a copy of the plan of management for the land

• details of all objections received and a statement setting out, for each objection, the council’s decision and the reasons for its decision

• a statement setting out all the facts concerning the proposal to grant the lease, licence or other estate

• a copy of the public notice of the proposal

• a statement setting out the terms, conditions, restrictions and covenants proposed to be included in the lease, licence or other estate

• if the application relates to a lease or licence for a period (including any period for which the lease or licence could be renewed by the exercise of an option) exceeding 21 years, a statement outlining the special circumstances that justify the period of the lease or licence exceeding 21 years

• a statement setting out the manner in which and the extent to which the public interest would, in the council’s opinion, be affected by the granting of the proposed lease, licence or other estate, including the manner in which and the extent to which the needs of the area with respect to community land would, in the council’s opinion, be adversely affected by the granting of the proposed lease, licence or other estate.

(7) On receipt of the application, the Minister must request the Director of Planning to furnish a report concerning the application within such period as the Minister specifies.

(8) After considering the application and any report of the Director of Planning, the Minister, if satisfied that—

(a) subsections (1), (2) and (6) have been complied with, and

(b) such consent would not contravene section 46, and
(c) in all the circumstances, it is desirable to grant consent,

may consent to the granting of a lease, licence or other estate in respect of the whole or part of the land to which the application relates, subject to such terms and conditions as the Minister specifies.

(8AA) The Minister may consent to a lease or licence referred to in subsection (5)(b) only if the Minister is satisfied that there are special circumstances that justify the period of the lease or licence exceeding 21 years.

(8A) On request by any person, the Minister must provide that person, within 14 days of that request, with a written statement of reasons for consenting to, or refusing to consent to, the granting of a lease, licence or other estate in accordance with subsection (8).

(9) The Minister’s consent is conclusive evidence that the council has complied with subsections (1), (2) and (6).

(10) For the purposes of this section, any provision made by a lease or licence, or by an instrument granting any other estate, in respect of community land, according to which the council—

(a) would suffer a disadvantage or penalty if the same or a similar lease, licence or estate were not to be granted, for a further term, after the expiry of the current lease, licence or other estate, or

(b) would enjoy an advantage or benefit if the same or a similar lease, licence or estate were to be so granted,

is taken to confer an option for renewal for a term equal to the further term.

47A Leases, licences and other estates in respect of community land—terms of 5 years or less

(1) This section applies to a lease, licence or other estate in respect of community land granted for a period that (including any period for which the lease, licence or other estate could be renewed by the exercise of an option) does not exceed 5 years, other than a lease, licence or other estate exempted by the regulations.

(2) If a council proposes to grant a lease, licence or other estate to which this section applies—

(a) the proposal must be notified and exhibited in the manner prescribed by section 47, and

(b) the provisions of section 47(3) and (4) apply to the proposal, and

(c) on receipt by the council of a written request from the Minister, the proposal is to be referred to the Minister, who is to determine whether or not the provisions of section 47(5)–(9) are to apply to the proposal.

(3) If the Minister, under subsection (2)(c), determines that the provisions of section 47(5)–(9) are to apply to the proposal—

(a) the council, the Minister and the Director of Planning are to deal with the proposal in accordance with the provisions of section 47(1)–(8), and

(b) section 47(9) has effect with respect to the Minister’s consent.
**47AA Special provisions for leases, licences and other estates granted for filming projects**

(1) A council that proposes to grant a lease, licence or other estate in respect of community land under section 47A in order to allow a filming project to be carried out on community land—

(a) that is critical habitat (as defined in section 36A(1)), or

(b) that is directly affected by a recovery plan or threat abatement plan, as referred to in section 36B(2), or

(c) that is declared to be an area of cultural significance under section 36D(1) because of the presence on the land of any item that the council considers to be of Aboriginal significance, must, in addition to complying with section 47A, notify or advertise the proposal in the manner prescribed by the regulations for the purposes of this section.

(2) Despite section 47A(2), a council that is of the opinion that a filming project proposed to be carried out under a lease, licence or other estate granted under section 47A will have a minor impact on the environment and on public amenity may state in the notice of the proposal required by section 47A(2) that submissions in writing may be made to the council concerning the proposal within a period, not less than 7 days, specified in the notice.

(3) Regulations may be made for or with respect to guidelines that must be taken into consideration by councils in determining whether to grant a lease, licence or other estate in respect of community land in order to allow a filming project to be carried out on the land.

**47B Lease or licence in respect of natural area**

(1) A lease, licence or other estate must not be granted, in respect of community land categorised as a natural area—

(a) to authorise the erection or use of a building or structure that is not a building or structure of a kind prescribed by this section or the regulations, or

(b) to authorise the erection or use of a building or structure that is not for a purpose prescribed by this section or the regulations.

(2) A lease, licence or instrument granting any other estate is void to the extent that its provisions are inconsistent with this section.

(3) In this section, *erection* of a building or structure includes rebuilding or replacement of a building or structure.

(4) The following buildings and structures are prescribed for the purposes of subsection (1)(a)—

(a) walkways,

(b) pathways,

(c) bridges,

(d) causeways,

(e) observation platforms,
(f) signs.

(5) The following purposes are prescribed for the purposes of subsection (1)(b)—

(a) information kiosks,

(b) refreshment kiosks (but not restaurants),

(c) work sheds or storage sheds required in connection with the maintenance of the land,

(d) toilets or rest rooms.

(6) Despite subsection (1), a lease, licence or other estate may be granted, in respect of community land categorised as a natural area, to authorise the erection or use of any building or structure necessary to enable a filming project to be carried out, subject to the conditions prescribed by subsection (7) and the regulations.

(7) It is a condition of any lease, licence or other estate referred to in subsection (6)—

(a) that any building or structure so erected must be temporary in nature, and

(b) that as soon as practicable after the termination of the lease, licence or other estate—

(i) any building or structure erected must be removed, and

(ii) any damage to the land caused by the erection or use of a building or structure must be made good, and

(iii) the land must be restored as nearly as possible to the condition that it was in at the time the lease, licence or other estate was granted, at the expense of the person to whom the lease, licence or other estate was granted.

47C Sublease of community land

(1) In addition to any restrictions created by the lease, community land that is the subject of a lease cannot be sublet for a purpose other than—

(a) the purpose for which, as notified under section 47(2), the land was to be used under the lease, or

(b) a purpose prescribed by the regulations.

(2) A lease is void to the extent that its provisions are inconsistent with this section.

47D Occupation of community land otherwise than by lease or licence

(1) The exclusive occupation or exclusive use by any person of community land otherwise than in accordance with—

(a) a lease, licence or estate to which section 47 or 47A applies, or

(b) a sublease or other title directly or indirectly derived from the holder of such a lease, licence or estate,
is prohibited.

(2) This section does not apply to—

(a) the occupation or use of part of the site of a senior citizens’ centre or home or community care facility by a duly appointed manager of the centre, or

(b) the occupation or use of community land by persons, and in circumstances, prescribed by the regulations.

47E Development of community land

(1) No power of a council under an environmental planning instrument to consent to the carrying out of development on community land may be delegated by the council, if—

(a) the development involves the erection, rebuilding or replacement of a building (other than a building exempted by or under subsection (2) from the operation of this paragraph), or

(b) the development involves extensions to an existing building that would occupy more than 10 per cent of its existing area, or

(c) the development involves intensification, by more than 10 per cent, of the use of the land or any building on the land, or

(d) the location of the development has not been specified in the plan of management applying to the land and the development is likely, in the opinion of the council, to be unduly intrusive to nearby residents.

(2) The following buildings are exempt from the operation of subsection (1)(a)—

(a) toilet facilities,

(b) small refreshment kiosks,

(c) shelters for persons from the sun and weather,

(d) picnic facilities,

(e) structures (other than accommodations for spectators) required for the playing of games or sports,

(f) playground structures,

(g) work sheds or storage sheds,

(h) buildings of a kind prescribed by the regulations.

(3) An existing area referred to in subsection (1)(b) does not include the area of any awning, balcony, verandah or other thing that extends beyond the main structural outline of the building.

(4) A delegation granted before the commencement of this section, to the extent that the delegation could not have been granted if this section had been in force at the time it was granted, is void.
47F  Dedication of community land as public road

(1) Community land may not be dedicated as a public road under section 10 of the *Roads Act 1993* unless—

(a) the road is necessary to facilitate enjoyment of the area of community land on which the road is to be constructed or of any facility on that land, and

(b) the council has considered means of access other than public road access to facilitate that enjoyment, and

(c) there is a plan of management applying only to the land concerned and provision of the public road is expressly authorised in the plan of management.

(2) Subsection (1) does not apply to—

(a) a dedication of land for the purpose of widening an existing public road, or

(b) a dedication of land for the purpose of other roadworks of a minor character, authorised by the plan of management applying to the land, in respect of existing roads, or

(c) a dedication of land for the purpose of a road that is the subject of an order under Division 1 of Part 5 of the *Roads Act 1993*.

**Division 3 Miscellaneous**

47G  Public hearings

(1) In this section, *public hearing* means any public hearing required to be arranged under this Part.

(2) The person presiding at a public hearing must not be—

(a) a councillor or employee of the council holding the public hearing, or

(b) a person who has been a councillor or employee of that council at any time during the 5 years before the date of his or her appointment.

(3) Not later than 4 days after it has received a report from the person presiding at the public hearing as to the result of the hearing, the council must make a copy of the report available for inspection by the public at a location within the area of the council.

48  Responsibility for certain public reserves

(1) Except as provided by section 2.22 of the *Crown Land Management Act 2016*, a council has the control of—

(a) public reserves that are not under the control of or vested in any other body or persons and are not held by a person under lease from the Crown, and

(b) public reserves that the Governor, by proclamation, places under the control of the council.

(2) If any doubt arises as to whether any land comes within the operation of this section, or as to the boundaries of a public reserve, the Governor may, by proclamation, determine the matter.
Public reserves and drainage reserves dedicated on subdivision, transfer or conveyance

(1) On the registration by the Registrar-General of a plan on which land is marked with the words “public reserve”, or of a transfer or conveyance to a council of land identified in the transfer or conveyance as being for use as a public reserve, the land is dedicated as a public reserve and vests in the council for an estate in fee simple.

(2) If the land so dedicated is under the *Real Property Act 1900*, the Registrar-General, on registration of the plan or transfer, must create a folio of the Register under that Act for the estate of the council in the land and record in the folio, by reference to this section or otherwise, that the land is dedicated as a public reserve.

(3) On the registration by the Registrar-General of a plan on which land is marked with the words “drainage reserve”, or of a transfer or conveyance to a council of land identified in the transfer or conveyance as being for use as a drainage reserve, the land vests in the council for an estate in fee simple and is held by the council for drainage purposes.

(4) This section does not apply to a subdivision of land the plan of which was approved by the council before 15 June 1964.

Public garden and recreation space and drainage reserves provided for in subdivisions approved before 15.6.1964

(1) This section applies to a subdivision of land the plan of which was approved by the council—

- in the case of public garden and recreation space—before 15 June 1964
- in the case of drainage reserves—after 24 November 1922 and before 15 June 1964.

*Note.* 15 June 1964 is the date of commencement of the *Local Government and Conveyancing (Amendment) Act 1964*. 24 November 1922 is the date of commencement of the *Local Government (Validation and Amendment) Act 1922*.

(2) If a subdivision made provision for public garden and recreation space, the council may direct—

(a) that the space be conveyed or transferred to the council, or

(b) because the space is adjacent to land reserved or dedicated for the purpose of public recreation under the *Crown Land Management Act 2016* or to a public park that is not vested in the council, that the space be surrendered to the Crown.

Public garden and recreation space surrendered to the Crown is taken to be Crown land.

(3) If a subdivision made provision for a drainage reserve, the council may direct that the reserve be conveyed or transferred to the council.

(4) Instead of directing that land be conveyed or transferred to it, the council may publish a notice in the Gazette notifying that the land is vested in it.

(5) On publication of the notice, the land vests in the council for an estate in fee simple and is taken—

- in the case of public garden and recreation space—to be dedicated as a public reserve
in the case of drainage reserves—to be held by the council for drainage purposes.

(6) When creating a folio of the Register under the *Real Property Act 1900* for public garden and recreation space vested in the council under this section, the Registrar-General must record in the folio, by reference to this section or otherwise, that the land is dedicated as a public reserve.

51 **Use of land held for drainage purposes**

Land that is held by council for drainage purposes may be used for any other purpose that is not inconsistent with its use for drainage purposes, subject to the *Environmental Planning and Assessment Act 1979* and any environmental planning instrument applying to the land.

52 **Effect of sec 28 of the *Environmental Planning and Assessment Act 1979***

This Part is not a regulatory instrument for the purposes of section 28 of the *Environmental Planning and Assessment Act 1979*.

**Note.** Section 28 of the *Environmental Planning and Assessment Act 1979* empowers an environmental planning instrument to provide that, to the extent necessary to enable development to be carried out in accordance with such an instrument or with a consent granted under that Act, a regulatory instrument (an Act, rule, regulation, by-law, ordinance, proclamation, agreement, covenant or instrument by or under whatever authority made) is not to apply to the development. Section 52 prevents section 28 of that Act from removing any of the controls imposed by this Part.

53 **The council’s land register**

(1) A council is required to keep a register of all land vested in it or under its control.

(2) The register must include the following—

• the name (if any) by which the land is known
• the address or location of the land
• the reference to title of the land
• the name of the owner of the land
• whether or not the land is Crown land
• the classification under this Part of the land
• whether or not there is a plan of management for the land
• the zoning (if any) of the land under an environmental planning instrument
• particulars of any agreement (including any lease or licence) entered into by the council with respect to the land.

54 **Certificate as to classification of land**

(1) A person may apply to the council for a certificate as to the classification of any public land.

(2) The application must be in the approved form and be accompanied by the approved fee.

(3) The council is to issue a certificate to the applicant stating the classification of the public land as
at the date of the certificate.

(4) The production of the certificate is taken for all purposes to be conclusive proof of the matter certified.

54A Community land to be described in common terms

Any public notice given by a council with respect to a parcel of community land must describe the land by reference to its common description (such as its address, or the name by which it is generally known) whether or not the notice also describes the land by reference to a more formal legal description.

54B Transfer of certain institutional private trust land

(1) In this section—

assets means any legal or equitable estate or interest (whether present or future and whether vested or contingent) in real or personal property of any description (including money), and includes securities, choses in action and documents.

institution has the same meaning as in Division 6 of Part 2 of Schedule 7 to the Crown Land Management Act 2016.

liabilities means any liabilities, debts or obligations (whether present or future and whether vested or contingent).

private trust land means any land reserved, dedicated or granted under any Act or instrument, or otherwise held, for the purposes of an institution, but does not include any such land if it is Crown land (or land otherwise vested in the Crown) before being reserved, dedicated, granted or held for the purposes of an institution.

rights means any rights, powers, privileges or immunities (whether present or future and whether vested or contingent).

trustees of private trust land means the majority of the trustees for the time being of that land.

(2) A council and the trustees of private trust land may enter into an agreement for the land to be transferred to the council.

(3) Any such agreement may contain provisions relating to the purposes for which the land is to be used after it is transferred.

(4) The trustees may enter into any such agreement to transfer private trust land, and the agreement has effect, despite the terms and provisions of any Act, deed, reservation, dedication, grant or other instrument relating to the land.

(5) Land that is transferred to a council under such an agreement is—

(a) freed and discharged from any trusts, estates, interests, reservations dedications, conditions, restrictions and provisions affecting the land, and

(b) to be used and managed by the council as community land.
(6) Subsection (5)(a) is subject to any agreement entered into by the council under this section for the transfer of the land.

(7) In preparing a draft plan of management in relation to any land transferred to it under this section, the council must, in addition to the other requirements under Division 2—

(a) advise the Minister that it is preparing the draft plan, and

(b) take into account the purposes for which the land was reserved, dedicated, granted or held as an institution, and

(c) comply as far as practicable with the agreement entered into between the trustees of the private trust land concerned and the council, and

(d) before giving public notice of the draft plan in accordance with section 38, consult with such persons or bodies as the council considers appropriate or as the Minister directs.

(8) On the transfer of any private trust land to a council under this section, the following provisions have effect—

(a) any assets, rights or liabilities in relation to the land, or in relation to the trustees of the land in their capacity as trustees, become the assets, rights or liabilities of the council,

(b) all proceedings relating to those assets, rights and liabilities that were commenced by or against the trustees before the transfer are taken to be proceedings pending by or against the council,

(c) any act, matter or thing done or omitted to be done in relation to those assets, rights and liabilities by, to or in respect of the trustees before the transfer is (to the extent to which that act, matter or thing has any force or effect) taken to have been done or omitted to be done by, to or in respect of the council.

(3) A building owner is a person who is the owner of the land on which the building is erected.

(4) For a building erected on land that is the subject of a strata scheme, the owners corporation for the strata scheme is taken to be the building owner.

(5) The function of entering into an environmental upgrade agreement can be delegated by a council only to the general manager of the council. The delegation must specify the building or buildings to which the delegation relates.

(6) Other persons may also be party to an environmental upgrade agreement.

54E What are environmental upgrade works?

(1) For the purposes of this Part, *environmental upgrade works* are works to improve the energy, water or environmental efficiency or sustainability of the building to which the agreement relates.

(2) Environmental upgrade works include any works declared by the regulations to be environmental upgrade works.

(3) Environmental upgrade works do not include any works declared by the regulations to be excluded works.

(4) More than one environmental upgrade agreement may be entered into in relation to the same environmental upgrade works.

54F Buildings that can be subject of environmental upgrade agreement

(1) An environmental upgrade agreement must relate to an existing building (that is, a building that is complete and ready for lawful use and occupation at the time the agreement is entered into).

(2) The building must be a non-residential building or a strata building that is the subject of a multi-residence scheme.

(3) A non-residential building is a building used wholly or predominantly for commercial, industrial or other non-residential purposes.

(4) A multi-residence scheme is a strata scheme comprising more than 20 lots (disregarding utility lots and lots used for parking).

(5) The building must be located in the council’s area at the time that the agreement is entered into.

54G Contents of environmental upgrade agreement

(1) An environmental upgrade agreement must specify the following—

(a) the environmental upgrade works to be carried out by or on behalf of the building owner under the agreement,

(b) the amount of the advance or advances to be made by the finance provider under the agreement,
(c) the arrangements for repayment of the advance or advances (the agreed repayment arrangements).

(2) The agreed repayment arrangements may require the council to levy a charge (an environmental upgrade charge) for the purpose of discharging the building owner’s obligation to repay the advance or advances made by the finance provider under the agreement (including any interest or other charges payable under the agreement).

(3) The agreed repayment arrangements must specify—
   
   (a) the amount of the environmental upgrade charge or charges to be levied by the council under the agreement (or a method for calculating the amount of the charge or charges), and
   
   (b) the date or dates on which the charge or charges are to be levied by the council, and
   
   (c) any adjustments to be made to the charge or charges in the event of late payment.

(4) Money paid to a council in respect of an environmental upgrade charge is to be paid by the council to the finance provider in accordance with the environmental upgrade agreement.

(5) An environmental upgrade agreement may permit the early repayment of any amount payable under the agreement.

(6) An environmental upgrade agreement must be in writing.

(7) An environmental upgrade agreement may include any other provisions agreed to by the parties.

(8) An environmental upgrade agreement may be varied or terminated by further agreement between the council, the finance provider and the building owner for the time being.

54H Council fees under agreement

(1) An environmental upgrade agreement may authorise a council to deduct from any money paid in respect of an environmental upgrade charge, and retain, as a council fee—

   (a) a service fee, being a fee to cover any costs incurred by the council in entering into, or administering, the agreement, and

   (b) a late payment fee, being the amount, or a part of the amount, charged under the agreement for late payment of an environmental upgrade charge.

(2) The environmental upgrade agreement must specify the amount of, or a method for calculating, any such council fee.

(3) Part 10 of Chapter 15 does not apply in respect of a council fee charged under an environmental upgrade agreement.

(4) However, section 610D applies to the service fee component of the council fee.

54I Power to levy environmental upgrade charge

(1) A council may levy an environmental upgrade charge in accordance with an environmental upgrade agreement.
(2) An environmental upgrade charge may be levied only on the land on which the building to which the environmental upgrade agreement relates is erected or, in the case of a strata building, the land that is the subject of the relevant strata scheme.

54J Application of other charge provisions to environmental upgrade charge

(1) The relevant provisions apply in respect of an environmental upgrade charge in the same way as they apply in respect of a charge levied under Chapter 15.

(2) The relevant provisions are the following provisions—

(a) Chapter 15—sections 543, 544, 545, 546(1), (3), (4) and (5), 550, 561, 569, 571, 573, 602 and 603,

(b) Chapter 17—sections 695, 696 and 712 and Division 5 of Part 2.

(3) The relevant provisions apply with the following modifications—

(a) in section 545, a reference to a provision of Part 4 of Chapter 15 is taken to include a reference to a provision of this Part,

(b) in section 550, a reference to a rate or charge levied under this Act is taken to include a reference to any amount charged under an environmental upgrade agreement for late payment of an environmental upgrade charge.

(4) The regulations may further apply, disapply or modify the operation of any provision of this Act that relates to charges levied by a council in respect of an environmental upgrade charge.

54K Special provisions relating to strata buildings

(1) An environmental upgrade charge that is levied in respect of land that is the subject of a strata scheme is payable by the owners corporation for that strata scheme.

(2) This section has effect despite section 561, as applied by this Part.

(3) An owners corporation may determine whether environmental upgrade charges are to be paid from its sinking fund or its administrative fund.

(4) An owners corporation for a strata scheme must, on the request of an owner of a lot that forms part of the strata scheme, provide to the owner a copy of any environmental upgrade agreement that relates to premises the subject of the strata scheme.

(5) The regulations may disapply or modify the operation of any provision of the Strata Schemes Management Act 2015 in relation to environmental upgrade charges.

54L Payment of environmental upgrade charge

(1) An environmental upgrade charge is to be paid within 28 days after notice of the charge is served on the person liable to pay it.

(2) When an environmental upgrade charge is paid to a council, the council may deduct from the payment, and retain, any amount that the council is authorised to deduct and retain as a council fee under the agreement.
(3) Money paid to a council in respect of an environmental upgrade charge, other than any council fee retained by the council, may be held, pending its payment to the finance provider to which it is to be paid, in the council’s trust fund in trust for the finance provider.

(4) A separate account is to be established in the council’s trust fund for money paid in respect of environmental upgrade charges.

(5) Money paid to a council in respect of an environmental upgrade charge does not form part of the council’s general income under Part 2 of Chapter 15.

54M Liability of council to recover charge

(1) A council must use its best endeavours to recover an environmental upgrade charge in accordance with any requirements imposed on it by an environmental upgrade agreement.

(2) However, a council is not liable for any failure by a person to pay an environmental upgrade charge or part of an environmental upgrade charge.

(3) Accordingly, any such failure does not make the council liable to pay the outstanding amount to the finance provider.

54N Recovery of contributions from lessees

(1) A provision of a lease may require a lessee to pay to the lessor a contribution towards an environmental upgrade charge payable under an environmental upgrade agreement that relates to premises that are the subject of the lease.

(2) The amount recoverable by the lessor as a contribution must not exceed a reasonable estimate of the cost savings to be made by the lessee, as a consequence of the environmental upgrade works provided for by the environmental upgrade agreement, during the period to which the contribution relates.

(3) An environmental upgrade agreement may make provision for the recovery of contributions by a lessor (including by providing for the methodology by which the cost savings to be made by a lessee are to be estimated), in which case a contribution is recoverable only in accordance with that agreement.

(4) The methodology may permit both savings made directly by the lessee and a proportion of savings made by all occupants of the relevant building to be counted towards the cost savings made by the lessee.

(5) The parties to a lease may agree that subsections (2)–(4) do not apply in respect of the lease. In such a case, the lease may make alternative provision for the payment by the lessee of a contribution towards an environmental upgrade charge payable under an environmental upgrade agreement.

(6) A lessor is not entitled to recover a contribution from a lessee towards the payment of an environmental upgrade charge unless the lessor provides to the lessee, on request by the lessee, a copy of the environmental upgrade agreement to which the contribution relates.

(7) This section applies despite section 23 of the Retail Leases Act 1994 and section 40 of the Residential Tenancies Act 2010.
(8) To avoid doubt, a contribution referred to in this section is an outgoing for the purposes of the Retail Leases Act 1994.

Note. See, in particular, section 27 of the Retail Leases Act 1994.

(9) The regulations may make further provision for or with respect to the making of contributions towards environmental upgrade charges by lessees.

(10) In particular, the regulations may disapply or modify the operation of any provision of the Retail Leases Act 1994 or the Residential Tenancies Act 2010 in relation to any such contribution.

(11) In this section—

lease means an agreement under which a person grants to another person for value a right of occupation of premises.

54O Agreements to be made on a voluntary basis

(1) Entry into an environmental upgrade agreement is voluntary.

(2) A council must not require a person to enter into an environmental upgrade agreement, whether as a condition of a development consent or a requirement of an order under the Environmental Planning and Assessment Act 1979 or by any other means.

(3) This section does not prevent a planning agreement under the Environmental Planning and Assessment Act 1979 making provision for entry into an environmental upgrade agreement.

54P Reporting requirements

(1) A council must include particulars of any environmental upgrade agreement entered into by the council in its annual report, in accordance with any requirements imposed under section 406.

(2) The Departmental Chief Executive is to consult with the Chief Executive of the Office of Environment and Heritage regarding the requirements that are to apply under that section in respect of environmental upgrade agreements.

(3) A council is authorised to disclose information about any environmental upgrade agreement to which it is a party to the Chief Executive of the Office of Environment and Heritage.

(4) A council is required to disclose any information about an environmental upgrade agreement to which it is a party that is requested by the Chief Executive of the Office of Environment and Heritage.

54Q Guidelines

(1) The Minister for Climate Change and the Environment may, with the concurrence of the Minister administering this Act, from time to time prepare, adopt or vary guidelines relating to environmental upgrade agreements and the functions of councils under this Part.

(2) In particular, the guidelines may specify provisions that may be included in an environmental upgrade agreement with respect to—

(a) the making of contributions by lessees towards environmental upgrade charges payable
under an agreement (including by providing for the methodology by which the cost savings
to be made by a lessee as a consequence of environmental upgrade works are to be estimated), and

(b) progress or implementation reports to be made by a building owner under an environmental
upgrade agreement.

(3) The methodology may permit both savings made directly by the lessee and a proportion of
savings made by all occupants of the relevant building to be counted towards the cost savings
made by the lessee.

(4) A council must take the guidelines into consideration before exercising any of its functions under
this Part.

(5) The regulations may adopt the guidelines, or any part of the guidelines, as mandatory
requirements.

(6) A council must comply with any mandatory requirements of the guidelines in exercising its
functions under this Part.

(7) Guidelines made under this section are to be published in the Gazette.

54R Changes to council area

The functions of a council under an environmental upgrade agreement may be exercised by any
council to which the assets, rights and liabilities of the council with respect to the agreement are
transferred by proclamation referred to in section 213.

(3) This section does not apply to the following contracts—

(a) subject to the regulations, a contract for the purchase of goods, materials or services specified by a person prescribed by the regulations made with another person so specified, during a period so specified and, if a rate is so specified, at a rate not exceeding the rate so specified,

(j) contract for which, because of provisions made by or under another Act, a council is exempt from the requirement to invite a tender,

(k) a contract made in a case of emergency,

(l) a contract to enter into a public-private partnership,

(4) A council that invites tenders from selected persons only is taken to comply with the requirements of this section if those persons are selected—
   (a) from persons who have responded to a public advertisement for expressions of interest in the particular contract for which tenders are being invited, or
   (b) from persons who have responded to a public advertisement for recognition as recognised contractors with respect to contracts of the same kind as that for which tenders are being invited.

(5)–(7) (Repealed)

55A Extended operation of section 55 to council-related entities

(1) A council must comply with the requirements of section 55 (including any regulations made under that section) even though the contract to which that section applies involves something being done to or by an entity that the council has formed or participated in forming.

(2) However, if the entity concerned is formed under a public-private partnership, subsection (1) has effect only to the extent that the contract is not part of a project that has been assessed or reviewed in accordance with Part 6 of Chapter 12.

(3) In this section—

entity means any partnership, trust, corporation, joint venture, syndicate or other body (whether or not incorporated), but does not include any such entity that is of a class prescribed by the regulations as not being within this definition.

(d) any relevant reports of another public authority.

(4) The applicant may refer the application to the Minister whether or not the council complies with subsection (3).

(5) After receiving the application from the council or the applicant, the Minister must notify the council and the applicant of—

(a) the Minister’s consent to the refusal of approval, or

(b) the Minister’s consent to the imposition of the council’s proposed conditions, or

(c) the Minister’s intention not to agree with the council’s proposed refusal and the period within which the council may submit any conditions it wishes to impose as conditions of approval, or

(d) the Minister’s refusal to agree with the council’s proposed conditions and any conditions to which the Minister’s consent may be assumed.

(6) At the end of the period specified in subsection (5)(c), the Minister must notify the council and the applicant—

(a) whether the Minister consents to the imposition of any of the conditions submitted by the council during that period and, if so, which conditions, or

(b) of the conditions to which the Minister’s consent may be assumed.

(7) The Minister must notify the council and the applicant of the reasons for a decision under subsection (5) or (6).

(8) If the council does not determine the application within the period notified by the Minister for the purpose, the council is taken, on the expiration of that period, to have determined the application in accordance with the Minister’s consent.

73 Effect of council’s failure to determine Crown application

(1) If the council does not determine an application to which section 72 applies within the relevant period specified in section 105, the council is taken, on the expiration of that period, to have refused the application.

(2) If the application is taken to have been refused, the applicant may refer the application to the Minister for determination.

(3) The Minister may determine an application so referred to the Minister.

(4) The Minister’s determination has effect as if it were a determination of the council.

74 Prohibition on appeals concerning Crown applications

No review or appeal lies against a determination that the council is taken to have made under section 72(8) or a decision or determination of the Minister under section 72 or 73.

• more than one activity.

77 Relevant regulations and local policies to be brought to notice of intending applicants

A council must take such steps as are reasonably practicable to bring the existence of any relevant regulations and any relevant local policy adopted under Part 3 to the notice of any person it knows to be an intending applicant for an approval.

78 Who may make an application?

(1) An application may be made by the person seeking to carry out the activity for which the council’s approval is required.

(2) If the application applies to particular land, the applicant must be the owner of the land or a person who has the consent of the owner.

(3) If the Crown is the owner of the land, the application may be made by or with the consent of a Minister or a person authorised for the purpose by a Minister.

79 What is the form of application?

An application must be made in the approved form.

80 Is there an application fee?

(1) An application must be accompanied by the approved fee.

(2) A council may require payment of a further approved fee if the application is subsequently amended.

81 What matters must accompany an application?

An application must be accompanied by such matters as may be prescribed by the regulations and such matters specified by the council as may be necessary to provide sufficient information to enable the council to determine the application.

82 Objections to application of regulations and local policies

(1) An applicant for an approval may lodge with the council an objection—

(a) that the regulations or a local policy adopted under Part 3 by the council relating to the
activity for which approval is sought do not make appropriate provision with respect to that activity, or

(b) that compliance with any provision of those regulations or such a policy is unreasonable or unnecessary in the particular circumstances of the case.

(2) The applicant must specify the grounds of the objection.

(3) If the objection relates to the regulations and the council is satisfied that the objection is well founded, it may, with the concurrence of the Departmental Chief Executive, in determining the application, direct that—

(a) such provisions of any regulation relating to that activity as are specified in the direction—

(i) are not to apply, or

(ii) are to apply with such modifications as are specified in the direction,

in respect of the carrying out of that activity, or

(b) such requirements as are specified in the direction are to apply to the carrying out of that activity,

or give directions under both paragraphs (a) and (b).

(3A) If the objection relates to a local policy adopted under Part 3 by the council and the council is satisfied that the objection is well founded, it may, in determining the application, direct that—

(a) such provisions of any local policy relating to that activity as are specified in the direction—

(i) are not to apply, or

(ii) are to apply with such modifications as are specified in the direction,

in respect of the carrying out of that activity, or

(b) such requirements as are specified in the direction are to apply to the carrying out of that activity,

or give directions under both paragraphs (a) and (b) and the council must give the reasons for its direction or directions.

(3B) An objection is well founded for the purposes of subsection (3A) only if the council is satisfied that no person or the public interest will be adversely affected by the variation and that any variation is consistent with the principles of ecologically sustainable development.

(4) Any direction given by the council under subsection (3) or (3A), if the council’s approval to the application concerned is granted, has effect according to its tenor and, in the case of a direction referred to in subsection (3)(a)(ii) or (b) or subsection (3A)(a)(ii) or (b), is a condition of that approval.

83 Ownership and use of plans and specifications

One copy of any plans and specifications accompanying an application becomes the property of the
council, but must not be used for any purpose other than giving effect to the provisions of this Act or any other Act.

**Note.** This section does not prevent the use of the plans and specifications for other purposes with the consent of the applicant and with any other necessary consent.

### 84 Acknowledgment of application

The council, on receiving an application, must give written acknowledgment to the applicant of its receipt, unless the council rejects the application under section 85.

### 85 Rejection of unclear or illegible applications

1. The council may reject an application within 7 days after its receipt if it is not clear as to the approval sought or if it is not easily legible.

2. An application so rejected is taken not to have been made and the application fee is to be refunded.

### 86 Request for more information

1. The council may, before it determines or is taken to have determined an application, request an applicant to provide it with more information that is reasonably necessary to enable the proper determination of the application.

2. The request must be made within 21 days after the council receives the application.

3. The information must be provided within a reasonable period specified by the council for the purpose, subject to subsection (4).

4. The period of time that elapses between the date of the council’s request and the date on which—
   
   (a) the information is provided, or
   
   (b) the applicant notifies the council that the information will not be provided, or
   
   (c) the period specified by the council ends,

   whichever is the sooner, is not to be taken into consideration in calculating the period referred to in section 105.

5. A second or subsequent request for information may be made by the council, but such a request has no effect for the purposes of section 105.

### 87 Amendment of applications

1. An applicant, at any time before the application is determined, may make a minor amendment to the application and may amend any matter accompanying the application.

2. The making of a minor amendment does not require the application to be further notified to anyone.

3. For the purposes of section 105, the application is taken not to have been made until the amendment is made.
88 Withdrawal of applications

(1) An applicant may withdraw an application at any time before its determination by the council by giving the council notice to that effect signed by the applicant.

(2) An application withdrawn under this section is taken for the purposes of this Act never to have been made.

(3) However, the question whether the application fee should be refunded is at the absolute discretion of the council.

89 Matters for consideration

(1) In determining an application, the council—
   (a) must not approve the application if the activity or the carrying out of the activity for which approval is sought would not comply with the requirements of any relevant regulation, and
   (b) must take into consideration any criteria in a local policy adopted under Part 3 by the council which are relevant to the subject-matter of the application, and
   (c) must take into consideration the principles of ecologically sustainable development.

(2) If no requirements are prescribed for the purposes of subsection (1)(a), and no criteria are adopted for the purposes of subsection (1)(b), the council in determining an application—
   (a) is to take into consideration, in addition to the principles of ecologically sustainable development, all matters relevant to the application, and
   (b) is to seek to give effect to the applicant’s objectives to the extent to which they are compatible with the public interest.

(3) Without limiting subsection (2), in considering the public interest the matters the council is to consider include—
   (a) protection of the environment, and
   (b) protection of public health, safety and convenience, and
   (c) any items of cultural and heritage significance which might be affected.

90 Concurrence

(1) The council must not grant an approval in relation to a matter for which this Act or a regulation requires the council to obtain the concurrence of some other person or authority unless the council has obtained the concurrence of the person or authority.

(2) The person or authority may give the council notice that the concurrence may be assumed with such qualifications or conditions as are specified in the notice.

(3) The person or authority may amend its notice by a further notice.

(4) An approval given in accordance with a notice in force under this section is as valid as it would be if the council had obtained the concurrence of the person or authority concerned.
(5) Concurrence is to be assumed if at least 40 days have passed since concurrence was sought and the person or authority has not, within that period, expressly refused concurrence.

91 Giving effect to concurrence

(1) In granting an approval for which the concurrence of a person or authority has been given or may be assumed, the council must grant the approval subject to any conditions of the concurrence (whether the concurrence is given under section 90(1) or (2)).

(2) This section does not affect the council’s right to impose conditions under this Division not inconsistent with the conditions referred to in subsection (1) or to refuse approval.

92 Approval where an accreditation is in force

A council must not refuse to give its approval to an activity on the ground that any component, process or design relating to the activity is unsatisfactory if the component, process or design is accredited under Division 5 or under the regulations under the *Environmental Planning and Assessment Act 1979*.

93 Certification by qualified persons

(1) A council or the Minister may be satisfied that—

(a) a particular design, material, process or product complies with a criterion for approval, or

(b) an activity has been carried out in compliance with an approval,

by relying on a certificate to that effect from an appropriately qualified person.

(2) A certificate relating to a particular design, material, process or product must specify the particular criterion with which the design, material, process or product complies.

(3) The council or the Minister must rely on such a certificate if it is from an appropriately qualified person and is furnished by a public authority.

Note. Sections 92 and 93 specify circumstances in which a council does not have to form an independent judgment about some aspect of an activity for which approval is being sought, but may rely on an accreditation or certification of a competent person.

A component, process or design relating to an activity may be accredited in accordance with the procedure set out in Division 5 of this Part.

Section 732 exempts a council, councillor or employee of a council from liability that would otherwise be incurred as a consequence of relying on an accreditation or certification.

94 Determination of application

(1) The council may determine an application—

(a) by granting approval to the application, either unconditionally or subject to conditions, or

(b) by refusing approval.

(2) This section does not affect section 72.
95  “Deferred commencement” approval

(1) An approval may be granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition. Nothing in this Act prevents a person from doing such things as may be necessary to comply with the condition.

(2) Such an approval must be clearly identified as a “deferred commencement” approval (whether by the use of that expression or by reference to this section or otherwise).

(3) A “deferred commencement” approval must clearly distinguish conditions concerning matters as to which the council must be satisfied before the approval can operate from any other conditions.

(4) A council may specify the period in which the applicant must produce evidence to the council sufficient to enable it to be satisfied as to those matters.

(5) The applicant may produce evidence to the council sufficient to enable it to be satisfied as to those matters and, if the council has specified a period for the purpose, the evidence must be produced within that period.

(6) If the applicant produces evidence in accordance with this section, the council must notify the applicant whether or not it is satisfied as to the relevant matters. If the council has not notified the applicant within the period of 28 days after the applicant’s evidence is produced to it, the council is, for the purposes only of section 177, taken to have notified the applicant that it is not satisfied as to those matters on the date on which that period expires.

96  Staged approval

(1) An approval may be granted—

(a) for the activity or one or more of the activities for which the approval is sought, or

(b) for such an activity, except for a specified part or aspect of the activity, or

(c) for a specified part or aspect of such an activity.

(2) Such an approval may be granted subject to a condition that the activity or the specified part or aspect of the activity, or any thing associated with the activity or the carrying out of the activity, must be the subject of—

(a) a further approval, or

(b) a consent, approval or permission under another Act, or both.

97  Conditions concerning security

(1) An approval may be granted subject to a condition that the applicant provides to the council security for the payment of the cost of either or both of the following—

(a) making good any damage that may be caused to any council property as a consequence of doing or not doing any thing to which the approval relates,
(b) completing any works (other than works prescribed by the regulations) that may be required in connection with the approval.

**Note.** Works the completion of which may be required in connection with an approval could include footpaths, kerbing and guttering, road works, trunk drainage and environmental controls.

(2) The security is to be for such reasonable amount as is determined by the council and specified in the condition.

(3) The security may be provided, at the applicant’s choice, by—

   (a) a deposit with the council, or

   (b) a guarantee satisfactory to the council.

(4) Security provided by way of deposit may be paid out to meet any cost referred to in subsection (1).

(5) A security deposit (or part) if repaid to the person who provided it is to be repaid with any interest accrued on the deposit (or part) as a consequence of its investment.

### 98 Other conditions

(1) An approval may be granted subject to a condition that a specified aspect of the activity that is ancillary to the core purpose of the activity is to be carried out to the satisfaction of the council or a person specified by the council.

(2) An approval is subject to any condition prescribed by the regulations as a condition of the approval.

### 99 Notice to applicant of determination of application

(1) The council (or the Minister in the case of a determination by the Minister under section 72) must give notice of the determination of an application to the applicant as soon as practicable after the determination.

(2) The date of the determination and the date from which the approval operates (if approval is granted) must be endorsed on the notice.

(3) In the case of an approval granted subject to a condition that the approval is not to operate until the applicant satisfies the council as to any matter specified in the condition (a “deferred commencement” approval)—

   (a) the date from which the approval operates must not be endorsed on the notice, and

   (b) if the applicant satisfies the council as to the matter, the council must, as soon as practicable after being satisfied, give notice to the applicant of the date from which the approval operates.

(4) If the determination is made by the granting of approval subject to conditions or by refusing approval, the notice must notify the applicant—

   (a) of the council’s (or the Minister’s) reasons for the imposition of each condition or for refusing approval, and
of the provisions of this Act conferring a right of review of the determination (if relevant) and, in the case of a determination by the council, a right of appeal against the determination.

100 Review of determination

(1) An applicant may request the council to review a determination of the applicant’s application.

(2) The request for a review must be made within 28 days after the date of the determination.

(3) An approved fee must, if required by the council, be paid in connection with a request for a review.

(4) The council may review the determination and, as a consequence of its review, may confirm or change the determination.

(4A) The decision whether or not to review the determination must not be made by the person who made the determination, unless that person was the council, but is to be made by a person who is qualified under subsection (5) to make the review.

(5) If the council reviews the determination, the review must be made by—

(a) if the determination was made by a delegate of the council—the council or another delegate of the council who is not subordinate to the delegate who made the determination, or

(b) if the determination was made by the council—the council.

(6) The council must give notice of the result of the review to the applicant as soon as practicable after the review.

(7) The date of review must be endorsed on the notice.

(8) If, as a consequence of a review, the council changes a determination, the changed determination replaces the earlier determination as from the date of the review.

(9) A determination on a review may not be further reviewed under this section.

101 Date from which approval operates

(1) An approval operates from the date specified for the purpose in the notice under section 99 or 100, subject to this section and section 102.

(2) If an appeal is made (and not withdrawn) against an approval granted on the determination of an application, the approval does not operate until the date of the decision on that appeal, except where that decision is to refuse approval.

(3) An approval is void and (except for the purposes of section 176) is taken never to have been granted if an appeal under section 176 is dismissed and approval is refused.

(4) If a determination is made by refusing approval or if an application is taken by section 105 to have been so determined, and the decision on the appeal made under section 176 in respect of that determination has the effect of granting approval, the decision is taken to be an approval granted under this Part and the approval operates from the date of that decision.
(5) An approval in respect of an application that is taken to have been approved under section 72 operates from the date on which it is taken to have been approved.

102 Insurance for residential building work

(1) This section applies if the council approves (whether or not subject to conditions) of the doing of any residential building work (within the meaning of the Home Building Act 1989) other than work by an owner-builder.

(2) The council must not forward or deliver to the applicant or any other person a copy of the plans and specifications submitted to it with the application unless—

(a) it is satisfied that the builder or other person who is to do the residential building work has complied with the applicable requirements of Part 6 of the Home Building Act 1989, and

(b) it has endorsed on the copy that it is so satisfied.

(3) Even though the council has approved of the doing of any such work, the approval has no effect unless the council has so endorsed a copy of the plans and specifications and forwarded or delivered the copy to the applicant after that approval was given.

(4) If the builder or person who is to do the residential building work is not known when the work is approved by the council, subsections (2) and (3) do not apply and subsection (5) applies instead.

(5) The council must grant the approval subject to a condition that the builder or person who does the residential building work complies with the applicable requirements of Part 6 of the Home Building Act 1989.

102A Evidence of insurance-related matters

(1) A statement purporting to be signed by an owner of land and declaring that—

(a) the owner intends to do residential building work (within the meaning of the Home Building Act 1989) on the land, and

(b) the reasonable market cost of the labour and materials involved in the work is not high enough for the owner to need an owner-builder permit to do the work,

is, for the purpose of the council’s making an endorsement, sufficient evidence of the matter referred to in subsection (1)(b).

(2) A certificate purporting to be issued by an approved insurer under Part 6 of the Home Building Act 1989 to the effect that a person is the holder of an insurance policy issued for the purposes of that Part is, for the purpose of the council’s making an endorsement, sufficient evidence that the person has complied with the requirements of that Part.

103 When does an approval lapse?

(1) An approval lapses—

(a) 5 years after the date from which it operates, except as provided by paragraph (b), or

(b) in the case of an approval that is subject to a condition under section 96(2), 2 years after the date on which the last approval, consent or permission required to be obtained in
accordance with the condition operates.

(2) A council, in granting an approval, may vary either or both of the periods referred to in subsection (1).

(3) Such a variation may not be made so as to cause—
   (a) (Repealed)
   (b) an approval of a kind prescribed by the regulations to lapse within the period prescribed by the regulations in relation to the approval.

(4) This section does not prevent the extension or renewal of an approval under section 107.

(5) In this section, vary means increase or reduce.

104 (Repealed)

105 Circumstances in which approval is taken to have been refused

(1) If the council has not determined an application—
   (a) within the period of 40 days after the application is lodged with it, except as provided by paragraph (b), or
   (b) within the period of 80 days after the application is lodged with it in the case of an application for which the concurrence of a person or authority is required by or under this Act,

       the council is, for the purposes only of section 176, taken to have determined the application by refusing approval on the date on which that period expires.

(2) Nothing in subsection (1) prevents the council from determining an application after the expiration of the 40-day or 80-day period, whether on a review under section 100 or otherwise.

(3) A determination under subsection (2) does not prejudice or affect the continuance or determination of an appeal made under section 176 in respect of a determination that is taken under subsection (1) to have been made, subject to subsection (4).

(4) Where a determination under subsection (2) is made by granting approval, the council is entitled, with the consent of the applicant and without prejudice to costs, to have an appeal made under section 176 in respect of a determination that is taken by subsection (1) to have been made, withdrawn at any time before the appeal is determined.

106 Can approvals be amended?

(1) A person to whom an approval is granted or any other person entitled to act on an approval may apply to the council to amend the approval.

(2) Sections 78–86, 89, 97–99 and 105 apply to an application to amend an approval in the same way as they apply to an application for approval.

(3) The council may amend an approval if—
(a) it is satisfied that the approval as amended will be substantially the same as the original approval, and

(b) it is satisfied that no prejudice will be caused to any person who made a submission concerning the application for the original approval, and

(c) it has consulted with any person or authority whose concurrence to the original approval was required to be obtained and the person or authority has not, within 21 days after being consulted, objected to the amendment of the original approval.

(4) (Repealed)

(5) If the council amends an approval under this section, the amended approval replaces the original approval as from the date endorsed on the notice of determination of the application.

(6) In the case of an approval granted by the Land and Environment Court, a reference in this section to the council is taken to be a reference to the Court, but no appeal lies from the Court’s determination of the application.

107 Can approvals be extended or renewed?

(1) The council may determine to extend or renew an approval (but without changing the terms of the approval) if satisfied there is good cause for doing so.

(2) The renewal of an approval operates as if it were an approval granted on the date of renewal.

(3) The extension or renewal may be granted before the approval lapses or at any time within 3 months after the approval lapses.

(4) The relevant provisions of—

(a) sections 72, 73, 74, 78, 79, 80, 84, 85, 87, 88, 99 and 105, and

(b) Division 1 of Part 5,

apply to an application made by the Crown or a person prescribed by the regulations referred to in section 72(1) to extend or renew an approval in the same way as they apply to an application for an approval.

(5) The relevant provisions of—

(a) sections 78, 79, 80, 84, 85, 87, 88, 99 and 105, and

(b) Division 1 of Part 5,

apply to an application made by any other person to extend or renew an approval in the same way as they apply to an application for an approval.

107A Special provision—renewal of approvals relating to operation of sewage management systems

(1) This section applies to an approval to operate a system of sewage management.

(2) The council may by notice in writing (in any form determined by the council) invite any person to make a submission concerning the application for the approval to operate a system of sewage management.
to whom an approval to which this section applies has been granted to apply to renew the approval.

Note. For example, an invitation in writing to a person to renew an approval could be made in the form of an account or invoice.

(3) A person to whom such an invitation is made is taken to have made an application under section 107 to renew the approval on the same terms as the original approval if the person pays any required application fee (being an approved fee under section 80).

108 Can approvals be revoked or modified?

(1) A council may revoke or modify an approval in the circumstances set out in section 109.

(2) A modification may take the form of the imposition of an additional condition or the variation or rescission of a condition to which the approval is subject.

(3) Notice of a revocation of an approval or a modification of an approval that restricts or reduces the authority conferred by the approval may be served on any person who appears to the council to be acting under that authority or to be entitled to act under that authority.

(4) A revocation or modification takes effect on the date of service of the notice of the revocation or modification or a later date specified in the notice.

(5) At the same time as or as soon as practicable after the notice of the revocation or modification is served, the council is required to send—

(a) a copy of the notice to each person who, in its opinion, is likely to be disadvantaged by the revocation or modification, and

(b) a copy of the notice and the reasons for the revocation or modification to the Building Services Corporation, if the approval is for—

• the transfer, alteration, repair or extension of water service pipes, or

• the carrying out of sanitary plumbing work, sanitary drainage work or stormwater drainage work.

(6) This section does not apply to an approval granted by the Land and Environment Court.

109 In what circumstances can an approval be revoked or modified?

An approval may be revoked or modified in any of the following circumstances—

(a) if the approval was obtained by fraud, misrepresentation or concealment of facts,

(b) for any cause arising after the granting of the approval which, had it arisen before the approval was granted, would have caused the council not to have granted the approval (or not to have granted it in the same terms),

(c) for any failure to comply with a requirement made by or under this Act relating to the subject of the approval,

(d) for any failure to comply with a condition of the approval.
110 Notice to be given of proposed revocation or modification

(1) Before revoking or modifying an approval, the council must inform, by notice—

   (a) each person who, in its opinion, will be disadvantaged by the revocation or modification of the approval, and

   (b) each person and authority whose concurrence was required to the granting of the approval.

(2) The notice must include the council’s reasons for revoking or modifying the approval.

(3) The council must give those persons and authorities the opportunity of appearing before the council (or a person appointed by it) to show cause why the approval should not be revoked or modified.

111 Application of secs 108, 109 and 110 to the Crown

(1) A council that proposes to revoke or modify an approval given to the Crown or a person prescribed by the regulations for the purposes of section 72 must also give notice of its proposal to the Minister.

(2) A council must not revoke or modify such an approval except with the written consent of the Minister.

112 Entitlement to compensation

A person aggrieved by the revocation or modification of an approval in the circumstances set out in section 109(b) may recover compensation from the council for expenditure which is rendered abortive by the revocation or modification and which was incurred pursuant to the approval during the period between the date on which the approval commenced to operate and the date specified in the relevant notice served under section 108(4).

113 Record of approvals

(1) A council must keep a record of approvals granted under this Part and of decisions on appeal from any determination made by it under this Part.

(2) The record is to include the following—

   • the serial number that identifies the application for the approval
   • the date on which the application for the approval was made to the council
   • the amount of any fee payable in connection with the application
   • the date or dates on which any such fee, or any part of it, was paid to the council
   • the date from which the approval operates
   • the name and address of the person to whom the approval is granted
   • the name or address of any place in relation to which the approval is granted

• in the case of approvals concerning residential building work (within the meaning of the 
  Building Services Corporation Act 1989), the names of licensees and owner-builders and
  the numbers endorsed on contractor licences and permits of which it is informed by owners
  of affected land.

(3) The council may include any other information in the record.

(4) The council must make such amendments to the record as are necessary as a consequence of any
decision made by the Land and Environment Court on an appeal.

(5) The information in the record is to be available for public inspection, without charge, at the
office of the council during ordinary office hours.

Division 4 Approvals for filming

114 What is the purpose of this Division?

(1) The purpose of this Division is to establish a streamlined procedure for obtaining any council
approvals that are necessary in order to carry out filming.

(2) In this Division—
  approval means—
  (a) any approval, authorisation, consent, permit, determination or other decision that may be
      granted by a council (acting in any capacity) under this or any other Act or law (including
      the granting of a lease, licence or other estate in land, other than community land)
      prescribed by the regulations for the purposes of this paragraph, or
  (b) if no regulations are made for the purposes of paragraph (a), any approval, authorisation,

any capacity) under this or any other Act or law.

(2) A filming proposal may contain applications relating to the whole or part of a filming project.

(3) A filming proposal cannot be lodged for more than one filming project.
116 Form of, and security deposits, bonds, fees and charges for, filming proposal

(1) A filming proposal must be made in the approved form.

(2) A filming proposal is to be accompanied by the fee (if any) payable for each application made in the proposal, if at the time of lodging the proposal the amount of that fee can be determined.

(3) Except as provided by subsection (4), the security deposit, bond, fee or charge (however expressed) for each application is to be determined in accordance with the Act, statutory instrument or law under which the application is made.

(4) If under any Act, statutory instrument or law the council has a discretion to determine the security deposit, bond, fee or charge (however expressed) in respect of an application, it must determine it in accordance with the applicable filming protocol and the amount determined must not exceed the maximum amount (if any) prescribed by the regulations for such an application.

(5) If the person who lodged the filming proposal does not pay the fee payable for making an application within 14 days after the day on which the proposal is lodged, the council may refuse to consider the application until the fee payable with respect to the application is paid.

Note. See section 119F(2).

117 Acknowledgment of application and notification of fees

(1) The council must within 7 days after the day on which a filming proposal is lodged with it—

(a) give written acknowledgment of its receipt to the person who lodged the proposal, unless the council rejects the application under subsection (2), and

(b) if a fee payable for any application made in the proposal has not been determined or paid, advise the person what that fee is.

(2) The council may reject an application made in a filming proposal within 7 days after the day on which the filming proposal is lodged if the application is not clear as to the approval sought or if it is not easily legible.

(3) An application so rejected is taken not to have been made and any application fee is to be refunded.

118 What matters must accompany a filming proposal?

A filming proposal must be accompanied by—

(a) such matters as are required to accompany each application made in the proposal (whether required by or under this Act or any another Act, statutory instrument or law), and

(b) such matters specified by the council as may be necessary to provide sufficient information to enable the council to determine the applications made in the proposal.

119 Filming protocol to be brought to attention of intending applicants

A council must take such steps as are reasonably practicable to bring the filming protocol, the existence of any relevant regulations and any relevant local policy adopted under Part 3 to the notice of any person who lodges or whom the council knows to be intending to lodge a filming proposal.
119A Amendment and withdrawal of applications

(1) A person who lodges a filming proposal may amend or withdraw an application made in the proposal in accordance with the Act, statutory instrument or law under which the application is made.

(2) However, the making of a minor amendment to an application does not stop the running of a period of time specified in section 116 or 117.

119B Application for approvals under Division 3

(1) An application for an approval under Division 3 made in a filming proposal is to be dealt with under Division 3, except as provided by this section.

(2) In determining the application, the council must comply with the applicable filming protocol in addition to taking into consideration the matters specified in section 89.

(2A) In the event of an inconsistency between any criteria in a local policy required to be taken into consideration under section 89 and the applicable filming protocol, the applicable filming protocol prevails.

(3) For the purposes of Division 3—

(a) a council is taken to have received an application made in a filming proposal on the day on which the approved fee for the application was paid, and

(b) a reference to an applicant, in relation to an application, is taken to be a reference to the person who lodged the filming proposal making the application concerned.

(4) An application for an approval under this Part made in a filming proposal that complies with sections 115, 116 and 118 is not subject to section 79, 80(1), 81 or 85.

(5) A council that complies with sections 117 and 119 is not subject to section 77 or 84.

(6) If the council refuses an application, it must notify the applicant of the matters specified in section 99 within 3 business days after the refusal.

119C Application for approval other than under Division 3

(1) An application for an approval other than under Division 3 made in a filming proposal is to be dealt with as an application made under the relevant provision of the relevant Act, statutory instrument or law, except as provided by this Division.

(2) In determining the application, the council must comply with the applicable filming protocol in addition to any other requirements relating to determination of the application

(2A) In the event of an inconsistency between any requirements relating to determination of the application and the applicable filming protocol, the applicable filming protocol prevails.

(3) In relation to such an application, a reference to—

(a) a fee for making the application (however expressed) is taken to be a reference to the fee paid in relation to that application accompanying the filming proposal, and
(b) an applicant (however expressed) is taken to be a reference to the person who lodged the filming proposal with the council.

(4) An application referred to in subsection (1) made in a filming proposal that complies with sections 115, 116 and 118 is taken to have complied with any requirements (however expressed) under the relevant Act or statutory instrument as to—

(a) the form of the application, and

(b) any fee for making the application, and

(c) any matters required to accompany the application.

(5) A council that complies with sections 116 and 117 is taken to have complied with any requirements (however expressed) under the relevant Act or statutory instrument as to acknowledgement of an application and determination of a fee for making the application.

(6) An application referred to in subsection (1) is to be determined under the relevant provisions of the relevant Act or statutory instrument.

(7) A determination of such an application is (subject to subsection (8)) to be notified in accordance with the relevant provisions of the relevant Act or statutory instrument (if any).

(8) If the council refuses an application, it must—

(a) inform the applicant in writing of its determination as soon as practicable after it is made, and

(b) give the applicant reasons in writing for its determination within 3 business days after it is made, and

(c) if the relevant Act, statutory instrument or law confers a right of review of the determination or right of appeal against the determination—notify the applicant of that right within 3 business days after it is made.

119CA Presumption in favour of grant of approval

(1) The council must grant an application referred to in section 119B or 119C made to it in accordance with the Act, statutory instrument or law under which it is made unless the council—

(a) is satisfied that there are exceptional circumstances that warrant refusal of the application, or

(b) is required by the Act under which the application is made to refuse the application.

(2) Before refusing an application, the council must consider whether any concerns it has could be addressed by imposing conditions on the approval.

119D Applicable filming protocol

(1) For the purposes of this Division, the applicable filming protocol in relation to a council is—

(a) the filming protocol, issued by the Departmental Chief Executive under this section, as in force from time to time, or
(b) if the council has adopted a filming protocol and it has been approved by order in writing by the Departmental Chief Executive—that filming protocol.

(2) The Departmental Chief Executive may, by order in writing, issue a filming protocol that includes any of the following—

(a) information about procedures for obtaining approvals for carrying out filming,

(b) guidelines or heads of consideration to be taken into account by councils in determining applications for approvals made in a filming proposal,

(c) codes of conduct for the carrying out of filming,

(d) provisions for determining fees for an application, and fees and charges for services related to an application, made in a filming proposal,

(e) any other matter related to filming.

(3) The Departmental Chief Executive must not approve a filming protocol adopted by a council unless the Departmental Chief Executive is satisfied that it is comparable to the filming protocol issued by the Departmental Chief Executive.

(4) Before issuing a filming protocol, or approving a filming protocol adopted by a council, the Departmental Chief Executive must consult with such persons or bodies as he or she considers appropriate for such period as he or she considers appropriate.

(5) Except as provided by sections 119B(2A) and 119C(2A), a filming protocol has no effect to the extent that it is inconsistent with an express provision of an Act or statutory instrument.

119E Advertising or notification of applications made in filming proposal

(1) An application made in a filming proposal must comply with all the advertising or notification requirements for that application under any relevant Act or statutory instrument.

(2) However, two or more applications made in a filming proposal that are required or permitted to be advertised or notified by particular means may be advertised or notified by those means in one advertisement or notice if that advertisement or notice satisfies all the advertising or notification requirements for the applications concerned under the relevant Act or statutory instrument.

119F Application of this Division

(1) The provisions of this Division prevail to the extent of any inconsistency between the provisions of this Division and the provisions of any other Act, statutory instrument or law.

(2) Except as provided by section 116(3) and (4), nothing in section 116 affects the operation of section 97 or any provision of any other Act, statutory instrument or law that allows a council to require payment of a security deposit, bond, fee or charge (however expressed) in relation to an application made in a filming proposal.

(3) Nothing in this Division affects any right of appeal under this or any other Act, statutory instrument or law.

(1) Any person may apply to the Departmental Chief Executive for the accreditation of any component, process or design relating to an activity which is subject to the approval under this Part of a council.

(2) An application must be made in the approved form and be accompanied by the approved fee.

(3) Before deciding whether or not to grant an accreditation, the Departmental Chief Executive may require the applicant to submit such information relating to the component, process or design (including information describing any relevant method of installation, attachment or construction) as the Departmental Chief Executive considers appropriate.

(4) The Departmental Chief Executive may refuse to consider an application but in that event must refund the fee paid.

121 Determination of application

(1) The Departmental Chief Executive has a discretion to accredit a component, process or design.

(2) An accreditation may be granted subject to such conditions and qualifications, and for such period, as the Departmental Chief Executive thinks fit.

(3) In determining an application for accreditation, the Departmental Chief Executive may have regard to sources of information published or otherwise made available by such persons or bodies as the Departmental Chief Executive considers appropriate.

(4) In granting an accreditation, the Departmental Chief Executive must state the provisions of any regulation which the accredited component, process or design satisfies or with which the accredited component, process or design complies.

122 Revocation of accreditation

(1) The Departmental Chief Executive may at any time revoke an accreditation if the Departmental Chief Executive finds that—

(a) the accreditation has been obtained by fraud, misrepresentation or concealment of facts, or

(b) the standard of the component, process or design which is the subject of the accreditation—

(i) is unsatisfactory, or

(ii) differs from or fails to comply with the standard of that component, process or design as at the time the accreditation was granted, or

(c) an accreditation granted in any place outside New South Wales in respect of the component, process or design has been revoked or cancelled.

(2) If the Departmental Chief Executive determines to revoke an accreditation, the Departmental Chief Executive must notify the applicant for accreditation of the Departmental Chief Executive’s determination.

(a) to an application under this section in the same way as it applies to an application for accreditation, and

(b) to the extension or renewal of an accreditation in the same way as it applies to an accreditation.

123B Acceptance of accreditation by others

The regulations—

(a) may provide for the submission with an application under this Division of an accreditation granted, or an assessment or appraisal made or given by a person or body other than the Departmental Chief Executive, and

(b) may provide that an accreditation granted by a person or body other than the Departmental Chief Executive is to be taken to be an accreditation granted and notified under, and subject to the revocation provisions of, this Division.

125 Abatement of public nuisances

A council may abate a public nuisance or order a person responsible for a public nuisance to abate it.

Note. Abatement means the summary removal or remedying of a nuisance (the physical removal or suppression of a nuisance) by an injured party without having recourse to legal proceedings.

Nuisance consists of interference with the enjoyment of public or private rights in a variety of ways. A nuisance is “public” if it materially affects the reasonable comfort and convenience of a sufficient class of people to constitute the public or a section of the public. For example, any wrongful or negligent act or omission in a public road that interferes with the full, safe and convenient use by the public of their right of passage is a public nuisance.
126 Giving orders to public authorities

(1) An order under this Division may not be given in respect of the following land without the prior written consent of the Minister—

• vacant Crown land
• Crown managed land
• a common.

(2) The Minister must not give consent in respect of vacant Crown land or Crown managed land until after the Minister has consulted the Minister administering the Crown Land Management Act 2016.

127 Making of regulations for the purposes of this Division

The regulations may prescribe acts or circumstances that are taken to be included in or excluded from any of the acts or circumstances specified in Column 1 or 2 of the Table to section 124.

128 Catchment districts

(1) The Governor may proclaim a district to be a catchment district for the purposes of this Act.

(2) An owner of a building who complies with order No 1 in the Table to section 124 in the circumstances specified in paragraph (d) for that order, or order No 3 in that Table in the circumstances specified in paragraph (c) for that order, under section 124 is entitled to compensation from the council for the expenses incurred by the owner in complying with the order.

128A Orders about removal or keeping of waste

(1) An order in terms of order No 22A in the Table to section 124 ceases to have effect, unless earlier revoked under section 153, at the end of the period of 5 years after it is given.

(2) The protection of public health is the paramount consideration in giving any such order.

Division 2 Procedures to be observed before giving orders

129 Circumstances in which compliance with this Division is required

(1) Before giving an order, a council must comply with this Division.

(2) This section does not apply to—

(a) an order in terms of order No 15 in the Table to section 124, or
(a1) an order in terms of order No 22A in the Table to section 124 (except to the extent that this section would otherwise require compliance with section 131A), or
(b) an order given, and expressed to be given, in an emergency.

130 Effect of compliance with this Division

A council that complies with this Division is taken to have observed the rules of natural justice (the
rules of procedural fairness).

131 Criteria to be considered before order is given

If the council has adopted criteria in a local policy under Part 3 on which it is to give an order, the council is required to take the criteria into consideration before giving the order.

131A Orders that make or are likely to make residents homeless

(1) If an order will or is likely to have the effect of making a resident homeless, the council must consider whether the resident is able to arrange satisfactory alternative accommodation in the locality.

(2) If the person is not able to arrange satisfactory alternative accommodation in the locality, the council must provide the person with—

(a) information as to the availability of satisfactory alternative accommodation in the locality, and

(b) any other assistance that the council considers appropriate.

132 Notice to be given of proposed order

(1) Before giving an order, a council must give notice to the person to whom the order is proposed to be given of its intention to give the order, the terms of the proposed order and the period proposed to be specified as the period within which the order is to be complied with.

(2) The council’s notice must also indicate that the person to whom the order is proposed to be given may make representations to the council as to why the order should not be given or as to the terms of or period for compliance with the order.

(3) The notice may provide that the representations are to be made to the council or a specified committee of the council on a specified meeting date or to a specified councillor or employee of the council on or before a specified date being, in either case, a date that is reasonable in the circumstances of the case.

133 Making of representations

(1) A person may, in accordance with a notice under section 132, make representations concerning the proposed order.

(2) For the purpose of making the representations, the person may be represented by an Australian legal practitioner or agent.

134 Hearing and consideration of representations

The council or a specified committee, or the specified councillor or employee of the council, is required to hear and to consider any representations made under section 133.

135 Procedure after hearing and consideration of representations

(1) After hearing and considering any representations made concerning the proposed order, the council, the committee, or the councillor or employee concerned, may determine—
(a) to give an order in accordance with the proposed order, or
(b) to give an order in accordance with modifications made to the proposed order, or
(c) not to give an order.

(2) If the determination is to give an order in accordance with modifications made to the proposed order, the council is not required to give notice under this Division of the proposed order as so modified.

Division 3 Orders generally

136 Reasons for orders to be given

(1) A council must give the person to whom an order is directed the reasons for the order.

(2) The reasons may be given in the order or in a separate instrument.

(3) The reasons must be given when the order is given, except in a case of urgency. In a case of urgency, the reasons may be given the next working day.

137 Period for compliance with order

(1) An order must specify a reasonable period within which the terms of the order are to be complied with, subject to this section.

(2) An order may require immediate compliance with its terms in circumstances which the council believes constitute a serious risk to health or safety or an emergency.

138 Notice of right to appeal against order

(1) A council must, in giving a person notice of an order—

(a) state that the person may appeal to the Land and Environment Court against the order or a specified part of the order, and

(b) specify the period within which an appeal may be made.

(2) This section does not apply in relation to order No 22A in the Table to section 124.

138A Approval or consent not required to comply with order

A person who carries out work in compliance with a requirement of an order does not have to make an application under Division 1, 2 or 3 of Part 1 for approval of the work or an application under Part 4 of the Environmental Planning and Assessment Act 1979 for consent to carry out the work.

139 Order may specify standards and work that will satisfy those standards

(1) Instead of specifying the things the person to whom the order is given must do or refrain from doing, an order—

(a) may specify the standard that the premises are required to meet, and

(b) may indicate the nature of the work that, if carried out, would satisfy that standard.
(2) Such an order may require the owner or occupier to prepare and submit to the council, within the period (not exceeding 3 months) specified in the order, particulars of the work the owner or occupier considers necessary to make provision for such matters as may be so specified.

140 Compliance with order referred to in sec 139(2)

(1) A person complies with a requirement of an order referred to in section 139(2) by submitting to the council such matters as the person would be required to submit under section 81 if applying to the council for approval of the work.

(2) (Repealed)

141 Council’s response to submission of particulars of work by owner

(1) The council must, within 28 days after particulars of work are submitted to it in accordance with section 139(2)—

(a) accept the particulars without modification or with such modifications as it thinks fit, or

(b) reject the particulars.

(2) If a council accepts the particulars of work without modification, the council must forthwith order the owner to carry out that work.

(3) If a council accepts the particulars of work with modifications or rejects the particulars, or if an owner fails to submit particulars of work in accordance with section 139(2), the council must—

(a) prepare, within 3 months after the acceptance, rejection or failure, particulars of the work that it considers necessary to make provision for the matters specified in the order referred to in section 139 given to the owner, and

(b) order the owner to carry out that work.

(4) An order under this section is not invalid merely because of the failure of the council to accept or reject any particulars of work or prepare particulars of any work, as the case may be, within the period it is required to do so by this section.

(4A) An order under this section forms part of the order under section 124 to which it relates.

(5) A council may recover from an owner as a debt its expenses of preparing particulars of work under this section.

142 Orders affecting heritage items

(1) This section applies to an item of the environmental heritage—

(a) which is listed in the Register of the National Estate kept in pursuance of the Australian Heritage Commission Act 1975 of the Commonwealth, or

(b) to which an interim heritage order or listing on the State Heritage Register under the Heritage Act 1977 applies or to which an order under section 136 of that Act applies, or

(c) which is identified as such an item in an environmental planning instrument.
(2) A council must not give an order under this Part in respect of an item of the environmental heritage to which this section applies until after it has considered the impact of the order on the heritage significance of the item.

(3) A council must not give an order under this Part in respect of an item of the environmental heritage to which subsection (1)(a) or (b) applies until after it has given notice of the order to the Heritage Council and has considered any submissions duly made to it by the Heritage Council.

(3A) The Heritage Council may, by instrument in writing served on a council, exempt the council from the requirements of subsection (3).

(3B) An exemption under subsection (3A) may be given unconditionally or subject to such conditions as the Heritage Council determines, and may be varied or revoked by a subsequent instrument in writing made by the Heritage Council and served on the council.

(4) The Heritage Council may make a submission—

(a) within 28 days after it is given notice by the council, or

(b) if, within 28 days after it is given notice by the council, the Heritage Council requests that a joint inspection of the item be made, within 28 days after the joint inspection is made.

(5) If the Heritage Council notifies a council that it wishes to be consulted in connection with an order under section 141, the council must include a statement to that effect in any order under section 139.

(6) This section does not apply to order No 15, 16, 17 or 22A in the Table to section 124 if given by a council in an emergency.

143 Combined orders

(1) A council may include two or more orders in the same instrument.

(2) However, an order in terms of order No 22A in the Table to section 124 cannot be included with another order in the same instrument.

144 Giving and taking effect of orders

An order is given by serving a copy of the order on the person to whom it is addressed and takes effect from the time of service or a later time specified in the order.

145 Orders may be given to two or more persons jointly

If appropriate in the circumstances of the case, an order may direct two or more people to do the thing specified in the order jointly.

146 Notice in respect of land or building owned or occupied by more than one person

(1) If land, including land on which a building is erected, is owned or occupied by more than one person—

(a) an order in respect of the land or building is not invalid merely because it was not given to all of those owners or occupiers, and
(b) any of those owners or occupiers may comply with such an order without affecting the liability of the other owners or occupiers to pay for or contribute towards the cost of complying with the order.

(2) Nothing in this Division affects the right of an owner or occupier to recover from any other person all or any of the expenses incurred by the owner or occupier in complying with such an order.

147 Compliance with orders by occupiers or managers

If an occupier or manager complies with an order, the occupier or manager may (unless the occupier or manager has otherwise agreed) deduct the cost of so complying (together with interest at the rate currently prescribed by the Supreme Court rules in respect of unpaid judgment debts) from any rent payable to the owner or may recover the cost (and that interest) from the owner as a debt in any court of competent jurisdiction.

148 Occupier of land may be required to permit owner to carry out work

(1) The council may order the occupier of any land to permit the owner of the land to carry out such work on the land as is specified in the order (being work that is, in the council’s opinion, necessary to enable the requirements of this Act or the regulations, or of any order under Division 1, to be complied with).

(2) An occupier of land on whom such an order is served must, within 2 days after the order is served, permit the owner to carry out the work specified in the order.

(3) The owner of the land is not guilty of an offence arising from his or her failure to comply with the requirements of this Act or the regulations, or of any order under Division 1, if, while an order under this section is in force, the occupier of the land refuses to permit the owner to carry out the work specified in the order.

(4) Subsection (3) applies only if the owner of the land satisfies the Court that the owner has, in good faith, tried to comply with the requirements concerned.

149–151 (Repealed)

152 Modification of orders

A council may, at any time, modify an order it has given to a person (including a modification of the period specified for compliance with the order) if the person agrees to that modification.

153 Revocation of orders

(1) An order given by the council may be revoked by the council at any time.

(2) An order given by the Minister may be revoked by the Minister at any time.

(3) (Repealed)

154 The Minister may exercise any function concerning an order that a council may exercise

(1) The Minister may exercise any function under this Part that the council may exercise.

(2) This Part (except Division 2) applies to the Minister in the same way as it applies to a council for
the purpose of exercising any such function.

(3) The Minister must not give an order to protect public health until after the Minister has consulted the Minister administering the Public Health Act 2010.

(3A) The Minister must not give an order that relates to an activity that is the subject of a development consent granted under the Environmental Planning and Assessment Act 1979 by the Minister administering that Act until after the Minister has consulted that other Minister. However, the Minister is not required to consult, but must notify, the other Minister in the case of—

(a) an order in terms of order No 15 in the Table to section 124, or

(b) an order given, and expressed to be given, in an emergency.

(4) If the Minister’s functions under this section are delegated, a person to whom an order by the Minister’s delegate is given may apply to the Minister for a review of the order within 28 days after service of the order.

(5) The Minister’s decision on the review is final.

(6) Part 5 (Appeals) does not apply to an order given under this section.

(7) The Minister must forward a copy of an order given under this section to the relevant council.

155 Effect of inconsistency between council’s order and Minister’s order

An order given by a council under Division 1, to the extent to which it is inconsistent with an order given by the Minister under section 154, is void.

156 Minister may revoke or modify a council’s order

(1) The Minister may revoke or modify an order given by a council.

(1A) The Minister administering the Environmental Planning and Assessment Act 1979 may revoke or modify an order given by a council that relates to an activity that is the subject of a development consent granted under that Act. A reference in this section to the Minister includes a reference to the Minister administering that Act.

(2) Notice of the revocation or modification must be given to the council and the person to whom the order was given.

(3) The revocation or modification takes effect from the date specified in the Minister’s notice. The date may be the date on which the order was given by the council or a later date.

(4) The Minister may prohibit a council from re-making an order that is revoked or modified under this section, totally or within such period or except in accordance with such terms and conditions (if any) as the Minister may specify.

(5) Notice of a prohibition may be given in the same notice as notice of the revocation or modification of an order or in a separate notice.
157 Limitation on Minister's orders

The Minister must not give an order under this Part that is inconsistent with, or has the effect of revoking or modifying, an order given by the council unless the Minister is of the opinion that—

(a) it is necessary because of an emergency, or

(b) it is necessary because of the existence or reasonable likelihood of a serious risk to health or safety, or

(c) the order relates to a matter of State or regional significance, or

(d) the order relates to a matter in which the intervention of the Minister is necessary in the public interest.
Part 3 Adoption of local policies concerning approvals and orders

158 Preparation of draft local policy for approvals

(1) A council may prepare a draft local approvals policy.

(2) A draft local approvals policy is to consist of three parts.

(3) Part 1 is to specify the circumstances (if any) in which (if the policy were to be adopted) a
person would be exempt from the necessity to obtain a particular approval of the council.

(4) Part 2 is to specify the criteria (if any) which (if the policy were to be adopted) the council must take into consideration in determining whether to give or refuse an approval of a particular kind.

(5) Part 3 is to specify other matters relating to approvals.

159 Preparation of draft local policy for orders

(1) A council may prepare a draft local orders policy.

(2) A draft local orders policy is to specify the criteria which (if the policy were to be adopted) the council must take into consideration in determining whether or not to give an order under section 124.

(3) This section does not apply in relation to order No 22A in the Table to section 124.

160 Public notice and exhibition of draft local policy

(1) The council must give public notice of a draft local policy after it is prepared.

(2) The period of public exhibition must be not less than 28 days.

(3) The public notice must also specify a period of not less than 42 days after the date on which the draft local policy is placed on public exhibition during which submissions may be made to the council.

(4) The council must, in accordance with its notice, publicly exhibit the draft local policy together with any other matter which it considers appropriate or necessary to better enable the draft local policy and its implications to be understood.

161 Adoption of draft local policy

(1) After considering all submissions received by it concerning the draft local policy, the council may decide—

(a) to amend its draft local policy, or

(b) to adopt it without amendment, or

(c) not to adopt it, except where the adoption of criteria is mandatory.

(2) If the council decides to amend its draft local policy, it may publicly exhibit the amended draft local policy in accordance with this Part or, if the council is of the opinion that the amendments are not substantial, it may adopt the amended draft local policy without public exhibition.

162 Departmental Chief Executive’s consent required to exemption from necessity for approval

A council has no power to adopt that part of a draft local approvals policy that specifies circumstances in which (if the policy were to be adopted) a person would be exempt from the necessity to obtain a particular approval of the council, unless the council has received the Departmental Chief Executive’s consent to the adoption of that part.
163 Effect of inconsistency between council’s local policy and this Act or the regulations

A local policy adopted under this Part by a council, to the extent to which it is inconsistent with this Act or the regulations, is void.

164 Local policy not to be more onerous than this Act or the regulations

(1) If a criterion is prescribed by this Act or the regulations in relation to—

(a) a specified aspect of an activity that may be carried out only with the prior approval of the council, or

(b) a specified aspect of anything for which an order may be given under Part 2,

a local policy adopted under this Part by a council, to the extent to which its provisions impose a more onerous criterion in relation to the specified aspect, is void.

(2) However, for the purposes of this section, the imposition of a criterion in a local policy in relation to a specified aspect, does not, in the absence of the prescription by this Act or the regulations of a criterion in relation to that aspect, constitute a more onerous criterion.

165 Amendment and revocation of local policy

(1) A council may amend a local policy adopted under this Part by means only of a local policy so adopted.

(2) An amending local policy may deal with the whole or part of the local policy amended.

(3) A council may at any time revoke a local policy adopted under this Part.

(4) A local policy (other than a local policy adopted since the last general election) is automatically revoked at the expiration of 12 months after the declaration of the poll for that election.

166 Public notice of adoption of local policy

The council must give public notice, in a form and manner prescribed by the regulations (or, if no form and manner are so prescribed, in a form and manner determined by the council), of the adoption or revocation (other than by section 165(4)) of a local policy.

167 Public availability of local policy

(1) A local policy adopted under this Part by a council must be available for public inspection free of charge at the office of the council during ordinary office hours.

(2) Copies of the local policy must also be available free of charge or, if the council determines, on payment of the approved fee.

Part 4

168–175 (Repealed)
Part 5 Appeals

Division 1 Approvals and orders

176 Appeal by an applicant concerning an approval

(1) An applicant who is dissatisfied with the determination of a council with respect to the applicant’s application for an approval may appeal to the Land and Environment Court.

(2) The appeal must be made within 12 months after—

(a) the date endorsed on the notice under section 99 or 100 in respect of the application, or

(b) the date on which the application is taken to have been determined under section 105, or

(c) the date endorsed on the notice of extension or renewal of the approval if the approval has been extended or renewed under section 107 or the date endorsed on the refusal to extend or renew the approval if extension or renewal of the approval is refused under section 107, as the case requires.

177 Appeal by an applicant as to whether a “deferred commencement” approval operates

(1) An applicant who is dissatisfied with a decision that a council is not satisfied as to a matter, being a matter as to which it must be satisfied before a “deferred commencement” approval under section 95 can operate, may appeal to the Land and Environment Court.

(2) The appeal must be made within 12 months after the council notifies the applicant of its decision.

178 Appeal against the revocation or modification of an approval

(1) If an approval is revoked or modified under section 108, the applicant for the approval may appeal to the Land and Environment Court.

(2) The appeal must be made within 3 months after the date on which the revocation or modification takes effect.

(3) The Court may determine the appeal by affirming, varying or cancelling the instrument of revocation or modification.

179 Awarding of compensation concerning approvals

(1) The Land and Environment Court, on the hearing of an appeal or otherwise, has a discretion to award compensation to an applicant for an approval for any expense incurred by the person as a consequence of—

(a) a council’s refusal to grant the approval, or

(b) a council’s delay in granting the approval,

if the Court considers that the council would not have acted in the way it did but for the fact that it was unduly influenced by vexatious or unmeritorious submissions made by members of the public or that the council has acted vexatiously.
An application for compensation may be made on the hearing of an appeal or by proceedings brought for the purpose of claiming compensation.

A claim for compensation may not be made more than 28 days after the date on which the Court gives its decision on an appeal concerning the application for approval or more than 3 months after the date of the council’s determination of the application if an appeal is not made against the determination.

Compensation under this section is to be awarded against the council.

Note. The Land and Environment Court has other powers to award compensation under section 677.

180 Appeals concerning orders

A person on whom an order is served may appeal against the order to the Land and Environment Court.

The appeal must be made within 28 days after the service of the order on the person or, if an order is given under section 141, within 28 days after the service of the order given under section 141 on the person. The person may make an appeal within the later period whether or not the person has made an appeal within the earlier period.

On hearing an appeal, the Court may—

(a) revoke the order, or
(b) modify the order, or
(c) substitute for the order any other order that the council could have made, or
(d) find that the order is sufficiently complied with, or
(e) make such order with respect to compliance with the order as the Court thinks fit, or
(f) make any other order with respect to the order as the Court thinks fit.

This section does not apply in relation to order No 22A in the Table to section 124.

181 Awarding of compensation concerning orders

The Land and Environment Court, on the hearing of an appeal or otherwise, has a discretion to award compensation to a person on whom an order is served for any expense incurred by the person as a consequence of the order, including the cost of any investigative work or reinstatement carried out by the person as a consequence of the order, but only if the person satisfies the Court that the giving of the order was unsubstantiated or the terms of the order were unreasonable.

A claim for compensation may not be made more than 28 days after the date on which the Court gives its decision on the appeal or more than 3 months after the date of the order if an appeal is not made against the order.

Compensation under this section is to be awarded against the council.
182 Appeals concerning particulars of work submitted to councils

(1) A person may appeal to the Land and Environment Court against the failure of the council—

(a) to accept or reject, under section 141(1), particulars of work submitted to it in accordance with section 139(2), or

(b) to prepare, under section 141(3)(a), particulars of the work that it considers necessary to make provision for the matters specified in an order given to an owner under section 139.

(2) The appeal must be made within 28 days after the period limited under section 141(1) or (3)(a) for compliance by the council.

(3) On hearing an appeal, the Court may—

(a) make any order that the council could have made, or

(b) order the council to perform its functions under section 141(1) or (3)(a) within such time as is specified in the order.

(4) This section does not apply in relation to order No 22A in the Table to section 124.

183 Effect of appeal on order

If an appeal is duly made to the Land and Environment Court against an order, the appeal does not effect a stay of the order.

184 Court’s powers not limited by this Division

This Division does not limit a power of the Land and Environment Court under the Land and Environment Court Act 1979.

Division 2

185 (Repealed)

Chapter 8 What ancillary functions does a council have?

Part 1 Acquisition of land

186 For what purposes may a council acquire land?

(1) A council may acquire land (including an interest in land) for the purpose of exercising any of its functions.

(2) Without limiting subsection (1), a council may acquire—

(a) land that is to be made available for any public purpose for which it is reserved or zoned under an environmental planning instrument, or

(b) land which forms part of, or adjoins or lies in the vicinity of, other land proposed to be acquired under this Part.

(3) However, if the land acquired is, before its acquisition, community land vested in a council, the
acquisition does not discharge the land from any trusts, estates, interests, dedications, conditions, restrictions or covenants that affected the land or any part of the land immediately before that acquisition.

187 How does a council acquire land?

(1) Land that a council is authorised to acquire under this Part may be acquired by agreement or by compulsory process in accordance with the Land Acquisition (Just Terms Compensation) Act 1991.

(2) A council may not give a proposed acquisition notice under the Land Acquisition (Just Terms Compensation) Act 1991 without the approval of the Minister.

188 Restriction on compulsory acquisition of land for re-sale

(1) A council may not acquire land under this Part by compulsory process without the approval of the owner of the land if it is being acquired for the purpose of re-sale.

(2) However, the owner’s approval is not required if—

   (a) the land forms part of, or adjoins or lies in the vicinity of, other land acquired at the same time under this Part for a purpose other than the purpose of re-sale, or

   (b) the owner of the land cannot be identified after diligent inquiry has been made and at least 6 months has elapsed since that inquiry was made.

(3) For the purposes of subsection (2)(b), diligent inquiry has the meaning given by the regulations, and includes the giving of notice of the proposed acquisition to the New South Wales Aboriginal Land Council and to the relevant Local Aboriginal Land Council.

189 No restriction as to area

Land may be acquired by a council under this Part even if it lies wholly or partly outside the council’s area.

190 Special provisions relating to land containing minerals

Division 4 of Part 8 of the Public Works Act 1912 applies to a council and land acquired by a council in the same way as that Division applies to a Constructing Authority and land acquired by a Constructing Authority.

Part 2 Entry on to land and other powers

191 Power of entry

(1) For the purpose of enabling a council to exercise its functions, a council employee (or other person) authorised by a council may enter any premises.

(2) Entry may only be made at any reasonable hour in the daytime or at any hour during which business is in progress or is usually carried on at the premises.
191A Power of entry—construction and maintenance of water supply, sewerage and stormwater drainage works

(1) Without limiting section 191, a council employee (or other person) authorised by a council may enter any premises to carry out water supply work, sewerage work or stormwater drainage work on or under the premises (being work that the council is authorised by this or any other Act to carry out).

(2) Subsection (1) does not apply to premises that comprise a National Parks and Wildlife reserve.

192 Inspections and investigations

For the purpose of enabling a council to exercise its functions, a person authorised to enter premises under this Part may—

(a) inspect the premises and any food, vehicle, article, matter or thing on the premises, and

(b) for the purpose of an inspection—

(i) open any ground and remove any flooring and take such measures as may be necessary to ascertain the character and condition of the premises and of any pipe, sewer, drain, wire or fitting, and

(ii) require the opening, cutting into or pulling down of any work if the person authorised has reason to believe or suspect that anything on the premises has been done in contravention of this Act or the regulations, and

(c) take measurements, make surveys and take levels and, for those purposes, dig trenches, break up the soil and set up any posts, stakes or marks, and

(d) require any person at those premises to answer questions or otherwise furnish information in relation to the matter the subject of the inspection or investigation, and

(e) examine and test any meter, and

(f) measure a supply of water, and

(g) take samples or photographs in connection with any inspection.

193 Notice of entry

(1) Before a person authorised to enter premises under this Part does so, the council must give the owner or occupier of the premises written notice of the intention to enter the premises.

(2) The notice must specify the day on which the person intends to enter the premises and must be given before that day.

(3) This section does not require notice to be given—

(a) if entry to the premises is made with the consent of the owner or occupier of the premises, or

(b) if entry to the premises is required because of the existence or reasonable likelihood of a serious risk to health or safety, or
(c) if entry is required urgently and the case is one in which the general manager has authorised in writing (either generally or in the particular case) entry without notice, or

(d) if entry is made solely for the purpose of reading a meter or other device for measuring—

   (i) the supply of water to the premises from the council’s water mains, or

   (ii) the discharge of sewage or other waste matter from the premises into the council’s sewer mains.

194 Use of force

(1) Reasonable force may be used for the purpose of gaining entry to any premises (other than residential premises) under a power conferred by this Part, but only if authorised by the council in accordance with this section.

(2) The authority of the council—

   (a) must be in writing, and

   (b) must be given in respect of the particular entry concerned, and

   (c) must specify the circumstances which are required to exist before force may be used.

195 Notification of use of force or urgent entry

(1) A person authorised to enter premises under this Part who—

   (a) uses force for the purpose of gaining entry to the premises, or

   (b) enters the premises in an emergency without giving written notice to the owner or occupier,

must promptly advise the council.

(2) The council must give notice of the entry to such persons or authorities as appear to the council to be appropriate in the circumstances.

196 Care to be taken

(1) In the exercise of a function under this Part, a person authorised to enter premises must do as little damage as possible. The council must provide, if necessary, other means of access in place of any taken away or interrupted by a person authorised by it.

(2) As far as practicable, entry on to fenced land is to be made through an existing opening in the enclosing fence. If entry by that means is not practicable, a new opening may be made in the enclosing fence, but the fence is to be fully restored when the need for entry ceases.

(3) If, in the exercise of a function under this Part, any pit, trench, hole or bore is made, the council must, if the owner or occupier of the premises so requires—

   (a) fence it and keep it securely fenced so long as it remains open or not sufficiently sloped down, and

   (b) without unnecessary delay, fill it up or level it or sufficiently slope it down.
**197 Recovery of cost of entry and inspection**

If a person authorised by a council enters any premises under this Part for the purpose of making an inspection and as a result of that inspection, under a power conferred on the council, the council requires any work to be carried out on or in the premises, the council may recover the reasonable costs of the entry and inspection from the owner or occupier of the premises.

**198 Compensation**

A council must pay compensation for any damage caused by any person authorised by the council under this Part to enter premises, other than damage arising from work done for the purpose of an inspection which reveals that there has been a contravention of this or any other Act.

Note. Section 730 provides for the resolution of claims for compensation under this section in cases of dispute between the person claiming the compensation and the council.

**199 Authority to enter premises**

(1) A power conferred by this Part to enter premises, or to make an inspection or take other action on premises, may not be exercised unless the person proposing to exercise the power is in possession of an authority and produces the authority if required to do so by the owner or occupier of the premises.

(2) The authority must be a written authority which is issued by the council and which—

   (a) states that it is issued under this Act, and

   (b) gives the name of the person to whom it is issued, and

   (c) describes the nature of the powers conferred and the source of the powers, and

   (d) states the date (if any) on which it expires, and

   (e) describes the kind of premises to which the power extends, and

   (f) bears the signature of the general manager.

(3) This section does not apply to a power conferred by a search warrant.

**200 In what circumstances can entry be made to a residence?**

The powers of entry and inspection conferred by this Part are not exercisable in relation to that part of any premises being used for residential purposes except—

   (a) with the permission of the occupier of that part of the premises, or

   (b) if entry is necessary for the purpose of inspecting work being carried out under an approval, or

   (c) under the authority conferred by a search warrant.

**201 Search warrants**

(1) An authorised person may apply to an authorised officer if the authorised person has reasonable grounds for believing that the provisions of this Act or the regulations or the terms of an approval or order under this Act have been or are being contravened in or on any premises.
An authorised officer to whom such an application is made may, if satisfied that there are reasonable grounds for doing so, issue a search warrant authorising an authorised person named in the warrant—

(a) to enter the premises, and

(b) to search the premises for evidence of a contravention of this Act or the regulations or the terms of an approval or order.

Division 4 of Part 5 of the *Law Enforcement (Powers and Responsibilities) Act 2002* applies to a search warrant issued under this section.

Without limiting the generality of section 71 of the *Law Enforcement (Powers and Responsibilities) Act 2002*, a police officer—

(a) may accompany an authorised person executing a search warrant issued under this section, and

(b) may take all reasonable steps to assist the authorised person in the exercise of the person’s functions under this section.

In this section—

*authorised officer* has the same meaning as it has in the *Law Enforcement (Powers and Responsibilities) Act 2002*.

(202, 203 (Repealed))

Chapter 9 How are councils established?

Part 1 Areas

Division 1 How are areas constituted and dissolved?

204 Constitution of areas

(1) The Governor may, by proclamation, constitute any part of New South Wales as an area.

(2) The area is to have the boundaries determined by the Governor by proclamation.

(1) The land and water between high-water mark and low-water mark on the foreshores of an area is taken to be in the area.

(2) The land and water enclosed by—

(a) a straight line drawn between the low-water marks of consecutive headlands to any body of water on the foreshores of an area, and

(b) those foreshores,
is taken to be in the area.

(3) Land on the boundary of an area is taken to be in the area if—

(a) it is reclaimed from tidal waters, or

(4) This section is subject to any proclamation made under this Division.

206 Constitution of cities

The Governor may, by proclamation, constitute an area as a city.

207 Names of areas

The Governor may, by proclamation, name or rename an area.

208 Effect of changing name

209 (Repealed)

210 Division of areas into wards

(1) The council may divide its area into divisions, called “wards”.

(2) The council may abolish all wards.

(3) The council may alter ward boundaries.

(4) The council may name or rename a ward.

**241 Determination of fees**

The Remuneration Tribunal must, not later than 1 May in each year, determine, in each of the categories determined under section 239, the maximum and minimum amounts of fees to be paid during the following year to councillors (other than mayors) and mayors.

**242 Special determinations**

(1) The Minister may direct the Remuneration Tribunal to make a determination as to whether, and (if so) how, a determination already made should be altered in relation to such councillors or mayors as are specified in the direction.

(2) Such a determination must be made before the date specified for the purpose in the Minister’s direction.

(3) In making the determination, the Remuneration Tribunal is to take into consideration such matters as are specified in the Minister’s direction and such other matters as the Remuneration Tribunal thinks fit.

**242A Tribunal to give effect to declared government policy on remuneration for public sector staff**

(1) In making a determination, the Remuneration Tribunal is to give effect to the same policies on increases in remuneration as those that the Industrial Relations Commission is required to give effect to under section 146C of the *Industrial Relations Act 1996* when making or varying awards or orders relating to the conditions of employment of public sector employees.

(2) The policies referred to in subsection (1) do not include any policy that provides for increases in remuneration based on employee-related savings.

(3) This section does not apply to a determination by the Remuneration Tribunal that changes the category of a council or mayoral office (whether or not the effect of the change is to increase the range of amounts payable to the councillors and mayor of a council).

(4) To avoid doubt, this section extends to a determination of the minimum and maximum amounts payable for a category in existence when the determination is made.

**243 Inquiries**

(1) Before making a determination, the Remuneration Tribunal may make such inquiry as the Remuneration Tribunal thinks necessary.

(2) In exercising a function, the Remuneration Tribunal—

   (a) may obtain and assess information in such manner as the Remuneration Tribunal thinks fit, and

   (b) may receive written or oral submissions, and

   (c) is not required to conduct any proceedings in a formal manner, and

   (d) is not bound by the rules of evidence.
244 Reports of the Remuneration Tribunal

(1) The Remuneration Tribunal must, within 7 days after making a determination under section 239, make a report to the Minister of the determination.

(2) The Remuneration Tribunal must, not later than 1 May in each year, make a report to the Minister of the determination made under section 241.

(3) The Remuneration Tribunal must, within 7 days after making a determination under section 242, make a report to the Minister of the determination.

245 Publication and tabling of reports

(1) The report of a determination of the Remuneration Tribunal must—

(a) be published in the Gazette as soon as practicable after the report is received by the Minister, and

(b) be laid before each House of Parliament within 14 sitting days of that House after the day on which it is so published.

(2) Failure to lay a report before each House of Parliament in accordance with this section does not affect the validity of a determination, but the report must nevertheless be laid before each House.

246 Effect of determination

A determination of the Remuneration Tribunal may not be challenged, reviewed, quashed or called into question before any court in any legal proceedings, or restrained, removed or otherwise affected by proceedings in the nature of prohibition, mandamus, certiorari or otherwise.

247 Assistance for the Remuneration Tribunal

The Minister is to make available to the Remuneration Tribunal such Public Service employees as may be necessary to assist the Remuneration Tribunal in the exercise of the Remuneration Tribunal’s functions.

Division 5 What fees, expenses and facilities may be paid or provided to councillors?

248 Fixing and payment of annual fees for councillors

(1) A council must pay each councillor an annual fee.

(2) A council may fix the annual fee and, if it does so, it must fix the annual fee in accordance with the appropriate determination of the Remuneration Tribunal.

(3) The annual fee so fixed must be the same for each councillor.

(4) A council that does not fix the annual fee must pay the appropriate minimum fee determined by the Remuneration Tribunal.

248A Annual fees or other remuneration not to be paid during period of suspension

A council must not at any time pay any fee or other remuneration, or any expenses, to which a
councillor would otherwise be entitled as the holder of a civic office, in respect of any period during which—

(a) the councillor is suspended from civic office under this Act, or

(b) the councillor’s right to be paid any such fee or other remuneration, or expense, is suspended under this Act,

unless another provision of this Act specifically authorises payment to be made, or specifically permits a person to authorise payment to be made, when the suspension is terminated.

249 Fixing and payment of annual fees for the mayor

(1) A council must pay the mayor an annual fee.

(2) The annual fee must be paid in addition to the fee paid to the mayor as a councillor.

(3) A council may fix the annual fee and, if it does so, it must fix the annual fee in accordance with the appropriate determination of the Remuneration Tribunal.

(4) A council that does not fix the annual fee must pay the appropriate minimum fee determined by the Remuneration Tribunal.

(5) A council may pay the deputy mayor (if there is one) a fee determined by the council for such time as the deputy mayor acts in the office of the mayor. The amount of the fee so paid must be deducted from the mayor’s annual fee.

250 At what intervals are fees to be paid?

Fees payable under this Division by a council are payable monthly in arrears for each month (or part of a month) for which the councillor holds office.

251 What is the consequence of paying fees?

(1) A person is not, for the purposes of any Act, taken to be an employee of a council and is not disqualified from holding civic office merely because the person is paid a fee under this Division.

(2) A fee paid under this Division does not constitute salary for the purposes of any Act.

252 Payment of expenses and provision of facilities

(1) Within the first 12 months of each term of a council, the council must adopt a policy concerning the payment of expenses incurred or to be incurred by, and the provision of facilities to, the mayor, the deputy mayor (if there is one) and the other councillors in relation to discharging the functions of civic office.

(2) The policy may provide for fees payable under this Division to be reduced by an amount representing the private benefit to the mayor or a councillor of a facility provided by the council to the mayor or councillor.

(3) A council must not pay any expenses incurred or to be incurred by, or provide any facilities to, the mayor, the deputy mayor (if there is one) or a councillor otherwise than in accordance with a policy under this section.
(4) A council may from time to time amend a policy under this section.

(5) A policy under this section must comply with the provisions of this Act, the regulations and any relevant guidelines issued under section 23A.

253 Requirements before policy concerning expenses and facilities can be adopted or amended

(1) A council must give public notice of its intention to adopt or amend a policy for the payment of expenses or provision of facilities allowing at least 28 days for the making of public submissions.

(2) Before adopting or amending the policy, the council must consider any submissions made within the time allowed for submissions and make any appropriate changes to the draft policy or amendment.

(3) Despite subsections (1) and (2), a council need not give public notice of a proposed amendment to its policy for the payment of expenses or provision of facilities if the council is of the opinion that the proposed amendment is not substantial.

(4) (Repealed)

(5) A council must comply with this section when proposing to adopt a policy in accordance with section 252(1) even if the council proposes to adopt a policy that is the same as its existing policy.

254 Decision to be made in open meeting

The council or a council committee all the members of which are councillors must not close to the public that part of its meeting at which a policy for the payment of expenses or provision of facilities is adopted or amended, or at which any proposal concerning those matters is discussed or considered.

254A Circumstances in which annual fees may be withheld

(1) Despite this Division, a council may resolve that an annual fee will not be paid to a councillor or that a councillor will be paid a reduced annual fee determined by the council—

(a) for any period of not more than 3 months for which the councillor is absent, with or without leave, from an ordinary meeting or ordinary meetings of the council, or

(b) in any other circumstances prescribed by the regulations.

(2) Despite this Division, if a councillor is absent, with or without leave of the council, from ordinary meetings of the council for any period of more than 3 months, the council must not pay any annual fee, or part of an annual fee, to that councillor that relates to the period of absence that is in excess of 3 months.

Division 6 Appointment of administrator

255 Governor may dismiss mayor and councillors

(1) The Governor may, by proclamation, declare all civic offices in relation to a council to be vacant if—

(a) a public inquiry concerning the council has been held, and
(b) the Minister has recommended that the Governor make such a declaration.

(1A) The Minister may recommend that the Governor make such a declaration only—

(a) after considering the results of the public inquiry, or

(b) if the Minister decides to issue a performance improvement order to the council in response to the results of the public inquiry—after issuing the order and considering whether the council has complied with the order.

(2) The Governor may, by proclamation, declare all civic offices in relation to a council to be vacant if the Independent Commission Against Corruption, in a report referred to in section 74C of the Independent Commission Against Corruption Act 1988, recommends that consideration be given to the making of such a declaration because of systemic corruption within the council.

(3) If the Independent Commission Against Corruption makes such a recommendation, all civic offices in relation to the council may be declared vacant under subsection (2) without the holding of a public or other inquiry concerning the council. However, the making of such a recommendation does not preclude the holding of a public or other inquiry.

(4) For the purposes of this Act, a council is declared to be non-functioning if the Governor declares all civic offices in relation to the council to be vacant.

256 Governor may appoint administrator or order fresh election

(1) By the same proclamation under section 255 or by one or more subsequent proclamations, the Governor is—

(a) to appoint an administrator of the council for a specified term, or

(b) to order the holding of a fresh council election,

or both.

(1A) More than one administrator may be appointed (with the same or different functions).

(2) The Governor may, by those or other proclamations, make such further orders as the Minister recommends are necessary in the circumstances.

257 Declaration of council as non-functioning

(1) An administrator may be appointed for an area by the Governor without the necessity for a public inquiry if the Governor declares the council to be non-functioning because—

(a) the requirements of this Act as to the making and levying of an ordinary rate have not been followed, or

(b) the council has not exercised its functions for 6 months or more, or

(c) there are not enough councillors for there to be a quorum at council meetings.

(2) The Governor may, as an alternative to the appointment of an administrator on the ground referred to in subsection (1)(c), appoint (or authorise a special election to elect) councillors to fill all the vacancies on the council or such number of those vacancies as will provide a quorum.
at meetings.

258 Administrator

(1) When an administrator of a council appointed under this Division takes office—

(a) any persons holding civic office in relation to the council cease to hold office, and

(b) the administrator has all the functions of the council (including all the functions of a councillor and the mayor) until immediately before the first meeting of the council held after the fresh election.

(1A) If more than one administrator is appointed, each administrator has the functions of the council specified in the instrument of appointment.

(1B) If more than one administrator is appointed, one of the administrators is to be specified in the instrument of appointment as the person who is to exercise the functions of the mayor of the council.

(2) An administrator must be paid a salary from the council’s funds determined by the Governor.

(2A) If more than one administrator is appointed for a council, the Minister may give directions for the purpose of resolving any issues that arise as a result of there being more than one administrator.

(3) The Governor may terminate an administrator’s appointment at any time.

(4) An administrator ceases to hold office—

(a) immediately before the first meeting of the council held after the fresh election, or

(b) if the administrator’s appointment is earlier terminated by the Governor.

259 Temporary exercise of the council’s functions

(1) In this section, the transitional period means the period between—

(a) the appointment of an administrator of a council and the time at which the administrator takes office, or

(b) the declaration of a council to be non-functioning and the time at which the appointed or elected councillors for the area take office, if the declaration provides for their appointment or election instead of the appointment of an administrator.

(2) During the transitional period, the mayor, or the general manager if there is no mayor, may temporarily exercise the following functions of the council—

(a) the continuation of works and services already commenced,

(b) the payment of council employees,

(c) the payment of accounts due,

(d) the administration of the area without expenditure other than those payments and payments approved by the Minister.
Part 3 Local Government Boundaries Commission

260 Constitution of the Boundaries Commission

There is constituted by this Act a body corporate with the name of Local Government Boundaries Commission.

261 Membership of Boundaries Commission

(1) The Boundaries Commission is to consist of 4 commissioners appointed by the Governor.

(2) Of the commissioners—

(a) one is to be a person nominated by the Minister, and

(b) one is to be a person employed in the Department nominated by the Departmental Chief Executive, and

(c) 2 are to be persons appointed from the panel constituted under section 262(1).

(3) Despite subsection (2), the Boundaries Commission is taken to be properly constituted when the commissioners referred to in paragraphs (a) and (b) of that subsection have been appointed.

(4) The commissioner referred to in subsection (2)(a) is the chairperson of the Boundaries Commission.

(5) Schedule 2 has effect with respect to the commissioners and the procedure of the Boundaries Commission.

262 How is a panel to be constituted for the purposes of making an appointment as a commissioner?

(1) There is to be a panel consisting of 8 persons who are councillors nominated by the executive of the Local Government and Shires Association of New South Wales.

(2) The nomination of members of the panel must be made in the manner determined by the Minister. A person must not be nominated as a member of the panel unless he or she has consented in writing to be nominated.

(3) If an insufficient number of nominations have been made to the panel to enable the Governor to appoint a commissioner or commissioners in accordance with this Part, the Governor may appoint a person to be a commissioner on the recommendation of the Minister.

263 Functions of the Boundaries Commission

(1) The Boundaries Commission is required to examine and report on any matter with respect to the boundaries of areas and the areas of operation of county councils which may be referred to it by the Minister.

(2) For the purpose of exercising its functions, the Boundaries Commission—

(a) may hold an inquiry if the Minister so approves, and

(b) must hold an inquiry if the Minister so directs,
but may not hold an inquiry otherwise than as referred to in paragraph (a) or (b).

(2A) Despite subsection (2), the Boundaries Commission must hold an inquiry for the purpose of exercising its functions in relation to a proposal for the amalgamation of two or more areas that has been referred to it in accordance with section 218F.

(2B) Reasonable public notice must be given of the holding of an inquiry under this section.

(3) When considering any matter referred to it that relates to the boundaries of areas or the areas of operations of county councils, the Boundaries Commission is required to have regard to the following factors—

(a) the financial advantages or disadvantages (including the economies or diseconomies of scale) of any relevant proposal to the residents and ratepayers of the areas concerned,

(b) the community of interest and geographic cohesion in the existing areas and in any proposed new area,

(c) the existing historical and traditional values in the existing areas and the impact of change on them,

(d) the attitude of the residents and ratepayers of the areas concerned,

(e) the requirements of the area concerned in relation to elected representation for residents and ratepayers at the local level, the desirable and appropriate relationship between elected representatives and ratepayers and residents and such other matters as it considers relevant in relation to the past and future patterns of elected representation for that area,

(e1) the impact of any relevant proposal on the ability of the councils of the areas concerned to provide adequate, equitable and appropriate services and facilities,

(e2) the impact of any relevant proposal on the employment of the staff by the councils of the areas concerned,

(e3) the impact of any relevant proposal on rural communities in the areas concerned,

(e4) in the case of a proposal for the amalgamation of two or more areas, the desirability (or otherwise) of dividing the resulting area or areas into wards,

(e5) in the case of a proposal for the amalgamation of two or more areas, the need to ensure that the opinions of each of the diverse communities of the resulting area or areas are effectively represented,

(f) such other factors as it considers relevant to the provision of efficient and effective local government in the existing and proposed new areas.

(4) The Boundaries Commission is not entitled to examine or report on any matter relating to the area of operations of a county council constituted or proposed to be constituted for the supply of electricity.

(5) The Boundaries Commission must allow members of the public to attend any inquiry held by the Commission under this section.
(6) The Boundaries Commission may continue with an examination or inquiry even though a commissioner or acting commissioner replaces another commissioner during the course of the examination or inquiry.

(7) The Supreme Court may not make an order in the nature of prohibition in respect of, or an order for removing to the Court or quashing, any decision or proceeding made or conducted by the Boundaries Commission in connection with the exercise of its functions.

264 Can a person be represented in proceedings before the Boundaries Commission?

(1) In proceedings before the Boundaries Commission, a person is not entitled to be represented—
   (a) by an Australian lawyer or by a person qualified for admission as an Australian lawyer, or
   (b) by any person acting for a fee or reward.

(2) However, this section does not prevent—
   (a) an employee of a person from representing the person before the Boundaries Commission if the employee is not a person referred to in subsection (1)(a), or
   (b) a person who is the mayor of an area or the chairperson of a county council from appearing in that capacity in proceedings before that Commission, or
   (c) a person referred to in subsection (1)(a) from preparing any documents or submissions or tendering any legal advice in connection with any proceedings before that Commission.

265 Boundaries Commission may conduct survey or poll

(1) To assist it in determining the attitude of the residents and ratepayers of an area or areas for the purposes of section 263(3)(d), the Boundaries Commission may conduct (in such manner as it thinks appropriate) an opinion survey or poll of the residents and ratepayers.

(2) The residents and ratepayers of the area or areas concerned may participate in any such opinion survey or poll but are not required to do so.

(3) The Boundaries Commission may request the Electoral Commissioner, a council or any other person or organisation to conduct any such opinion survey or poll.

Chapter 10 How are people elected to civic office?

Part 1 Who may vote?

266 Who has the right to be enrolled as an elector?

(1) A person who is entitled to vote at an election of members of the Legislative Assembly or an election of members of the Commonwealth House of Representatives is entitled to be enrolled as an elector for a ward if—
   (a) he or she is a resident of the ward, or
   (b) he or she is not a resident of the ward but is an owner of rateable land in the ward, or
   (c) he or she is an occupier, or ratepaying lessee, of rateable land in a ward.
(2) Despite subsection (1), a person who has been convicted of an offence, whether in New South Wales or elsewhere, and has been sentenced in respect of that offence to imprisonment for 12 months or more and is in prison serving that sentence is not entitled to be enrolled as an elector for a ward.

Note. See section 30(4) of the Electoral Act 2017 for the equivalent disqualification in relation to enrolment for State elections.

267 Who has the right to vote?

(1) A person whose name is on the roll kept under Division 2 of Part 6 for a ward is entitled to vote—

(a) at an election of councillors for the ward, and

(b) at an election of the mayor by all the electors of the area.

(2) A person who changes his or her name from that on the roll may, until the roll is corrected, vote under the enrolled name.

(3) The right of an enrolled person to vote at an election is not affected by—

(a) a change of residence within a ward or within an area that is not divided into wards, or

(b) a change in the qualification that entitles an enrolled person to vote.

(4) A person who—

(a) is qualified in respect of more than one parcel of land to be enrolled for a ward, and

(b) is enrolled in respect of only one of the parcels, and

(c) ceases to be qualified in respect of that parcel,

is not disqualified from voting at an election held while the person is enrolled in respect of that parcel if the returning officer is satisfied that the person is then qualified in respect of another of the parcels.

(5) This section does not confer a right to vote at an election on a person who by or under this Act is disqualified from voting, or is not qualified to vote, at the election.

268 One vote per elector

Nothing in this Chapter entitles a person to more than one vote in one area in an election.

Note. A person may not exercise more than one vote in any one area even if—

• the person is entitled to be enrolled as an elector for more than one ward in the area; or the person’s entitlement is based on more than one of the criteria in section 266(1)(a), (b) and (c), or

• the person’s entitlement is based on the ownership or occupation of more than one parcel of land in the area.

269 Who is a “resident” for the purposes of this Part?

(1) For the purposes of this Part, a person is a resident of a ward if the person is enrolled (within the meaning of the Electoral Act 2017) in respect of an address that is within the ward.
In this section, place of living includes the place of residence to which a person temporarily residing elsewhere intends to return in order to continue living there.

270 Who is an “owner of rateable land” for the purposes of this Part?

(1) For the purposes of this Part, a person is the owner of rateable land if—

(a) the person is not a corporation, is the sole owner of the rateable land and does not own it as trustee, or

(b) the person is not a corporation, is a joint or several owner of the rateable land and is nominated in writing as an elector by the only other owner of the land, or by a majority of all the owners of the land, or

(c) the person is not a corporation, is not a nominee under paragraph (b) and is nominated in writing as an elector by a corporation which is the owner, or by trustees who are the owners, of the land, or

(d) the person is a lessee of the land from the Crown and the land is rateable Crown land.

(2) Land is not rateable land for the purposes of this Part if it is a lot in a strata plan that is registered under the *Strata Schemes Development Act 2015* and is provided only for the purpose of parking a motor vehicle.

(3) If there is more than one person who (by virtue of subsection (1)) is the owner of the same parcel of rateable land, only one of the persons is entitled to be enrolled as an elector for a ward.

(4) If a corporation or trustees own more than one parcel of land in an area, or if joint or several owners of one parcel of land in an area are also joint or several owners of any other parcel of land in the area, it or they can nominate a person as the owner of rateable land only in respect of one of those parcels.

(5) A nomination under this section is to be lodged with the general manager.

271 Who is an “occupier” or “ratepaying lessee” for the purposes of this Part?

(1) For the purposes of this Part, a person is an occupier of rateable land if the person has a legally enforceable right to continuous occupation of rateable land (jointly or severally, but not as owner or ratepaying lessee) for not less than 3 years following the relevant date.

(2) If there is more than one such occupier of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.

(2A) If a corporation or trustees is or are occupiers of more than one parcel of land in an area, or if joint or several occupiers of one parcel of land in an area are also joint or several occupiers of any other parcel of land in the area, it or they can nominate a person as the occupier of rateable land only in respect of one of those parcels.

(3) For the purposes of this Part, a person is a ratepaying lessee of rateable land if the person is jointly or severally liable, under a lease in writing or other document of title relating to the land, to pay to any person the whole or any part of any rates that may, during the 3 years following the
relevant date, be made or levied in respect of the land.

(4) If there is more than one such ratepaying lessee of the same parcel of rateable land, only one of them is entitled to be enrolled as an elector for a ward.

(4A) If a corporation or trustees is or are ratepaying lessees of more than one parcel of land in an area, or if joint or several ratepaying lessees of one parcel of land in an area are also joint or several ratepaying lessees of any other parcel of land in the area, it or they can nominate a person as the ratepaying lessee of rateable land only in respect of one of those parcels.

(5) The *relevant date* for the purposes of this section is—

(a) the date on which the claim for enrolment is made, if the claim is for inclusion in the roll of occupiers and ratepaying lessees, or

(b) the closing date for the election referred to in Part 4, if the claim is for the purpose of voting in the election.

272 Competing claimants

(1) If two or more persons apply to be enrolled as an elector for a ward as owners of the same parcel of rateable land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.

(2) Likewise, if two or more persons apply to be enrolled as an elector for a ward as occupiers, or as ratepaying lessees, or as occupier and ratepaying lessee, of the same parcel of land, and those persons do not nominate one of their number to be so enrolled, the general manager may do so instead.

273 Application of Part to area not divided into wards

If an area is not divided into wards, this Part applies to the area in the same way as it applies to a ward.

Part 2 Who may be elected?

274 What are the qualifications for civic office?

A person is qualified to hold civic office if—

(a) the person is entitled to be enrolled as an elector, and

(b) the person is not disqualified from holding civic office by this Act, and

(c) the person is not prevented from being elected to civic office by section 276(2).

275 Who is disqualified from holding civic office?

(1) A person is disqualified from holding civic office—

(a) while disqualified from being an elector, or

(a1) while a member of the Parliament of New South Wales, except as provided by subsections (5) and (7), or
(b) while a judge of any court of the State or the Commonwealth, or

(c) while serving a sentence (including a sentence the subject of an intensive correction order) for a serious indictable offence or any other offence, except a sentence imposed for a failure to pay a fine, or

(d) if he or she is while holding that office, or has been within 2 years before nomination for election, election or appointment to the office, convicted of an offence under the regulations made for the purposes of section 748(3), or

(e) if he or she is while holding that office, or has been within 7 years before nomination for election, election or appointment to the office, convicted in New South Wales of an offence that is punishable by imprisonment for 5 years or more, or convicted in another State or Territory, or under a law of the Commonwealth, of an offence that, if committed in New South Wales, would be an offence so punishable, or

(e1) if he or she is while holding that office, or has been within 2 years before nomination for election, election or appointment to the office, convicted of an offence under the Election Funding, Expenditure and Disclosures Act 1981 that is punishable by imprisonment for 2 years or more, or

(f) while a surcharge, payable by the person under Part 5 of Chapter 13 and not paid within 6 months after it became payable, remains unpaid, or

(g) while disqualified from holding a civic office under a provision of this Act or Part 4A of the Crimes Act 1900 (Corruptly receiving commissions and other corrupt practices), or

(h) while disqualified from managing a corporation under Part 2D.6 of the Corporations Act 2001 of the Commonwealth.

(1A) If—

(a) an order for suspension from civic office for misconduct is made (after the commencement of this subsection) against a person under this Act by the Departmental Chief Executive or the Civil and Administrative Tribunal on a referral from the Departmental Chief Executive, and

(b) it is the third or subsequent such order that has been made against the person (including orders made before the commencement of this subsection),

the person is disqualified from holding civic office for 5 years after the date the order takes effect.

(2) A person is disqualified from holding civic office on a council if he or she is an employee of the council or holds an office or place of profit under the council.

(3) A person is not disqualified from holding a civic office only because, while holding the civic office, the person ceases to be a resident in the area, to own property in the area or to be an occupier or ratepaying lessee of rateable land in the area.

(4) A person is taken not to be disqualified from holding civic office if the former Administrative Decisions Tribunal or the Civil and Administrative Tribunal, in proceedings under section 329,
has refused to order the dismissal of the person in circumstances to which subsection (4) of that section applies.

(5) If—

(a) on the commencement of this subsection, a member of the Parliament of New South Wales is a councillor or mayor, or

(b) after the commencement of this subsection, a councillor or mayor becomes a member of the Parliament of New South Wales,

the person is not disqualified from holding civic office because of subsection (1)(a1) for the balance of the person’s term of office as a councillor or for the period of 2 years (whichever is the shorter period).

(6) Subsection (5) does not apply where a councillor or mayor becomes a member of the Parliament of New South Wales after the commencement of that subsection and within 12 months after last ceasing to be a member of that Parliament.

(7) Despite anything to the contrary in this Chapter, a member of the Parliament of New South Wales is not disqualified because of subsection (1)(a1) from being nominated for election or being elected to a civic office. If elected, the person is disqualified from holding that civic office unless—

(a) the person has ceased to be a member of that Parliament before the first meeting of the council concerned after the election, or

(b) it is an election as mayor by the councillors during the period that the person is not disqualified by the operation of subsection (5).

Note. If a person while holding civic office becomes subject to disqualification under this section, the office becomes vacant under section 234.

276 What is the effect of disqualification?

(1) A person who is disqualified from holding civic office may not be elected or appointed to a civic office and may not hold, or act in, a civic office.

(2) A person who vacates the office of councillor by resignation or disqualification may not be elected to a civic office in the same area (and may not hold, or act in, a civic office in the same area) until—

(a) if the person is not disqualified—the first anniversary of the vacation of office, or the next ordinary election for the area (whichever occurs first), or

(b) if the person is disqualified—the first ordinary election after the person ceases to be disqualified.

(3) A person convicted of an offence under Part 6 of Chapter 16 for acting in a civic office while disqualified under section 275—

(a) is disqualified from holding civic office for 7 years from the time of conviction, unless the court determines a shorter period, and
(b) is not entitled to receive or recover from the council any money relating to the civic office in respect of the period in which the person is disqualified.

(4) The council may, within 2 years after the person so convicted receives money from the council relating to the civic office in respect of the period in which the person is disqualified, recover the money from the person as a debt.

277 May the holder of a civic office be re-elected?

(1) The holder of a civic office is eligible for re-election, subject to this Act.

(2) The holder of a civic office is not disqualified from being re-elected merely because the holder, or the council, is suspended under this Act.

Part 3 What is the system of election?

278 Election of councillors for an area not divided into wards

The councillors for an area that is not divided into wards are to be elected by an electorate comprising all the electors for the area.

279 Alternative methods for election of councillors for an area divided into wards

(1) The councillors for an area that is divided into wards are to be elected in accordance with either section 280 or 281.

(2) The method of election under section 280 (method 1) is to apply unless a decision made at a constitutional referendum is in force which—

(a) requires the method of election under section 281 (method 2) to apply, and

(b) specifies the number of councillors each of whom is to be elected by an electorate comprising all the electors for a ward and the number of councillors (if any) each of whom is to be elected by an electorate comprising all the electors for the area.

280 Ward election of councillors—method 1

(1) Each councillor for an area that is divided into wards may be elected by an electorate comprising all the electors for a ward.

(2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.

(3) The same person is not to be a candidate for election as a councillor by the electors for more than one ward, unless the election is for the mayor as such.

281 Election of councillors partly by wards, partly by area—method 2

(1) The councillors for an area that is divided into wards may be elected—

(a) as to some of them—each by an electorate comprising all the electors for a ward, and

(b) as to the others—by an electorate comprising all the electors for the area.
(2) The same number of councillors is to be elected for each ward. The mayor is to be excluded when determining that number if the mayor is to be elected by all the electors for the area.

(3) If a person is a candidate for election as a councillor by the electors for a ward, the person must not at the same time be a candidate for election as a councillor by the electors for another ward or a candidate for election as a councillor by all the electors for the area, unless the election is for the mayor as such.

282 Election of mayor

(1) The mayor of an area who is to be elected by the electors is to be elected by an electorate comprising all the electors for the area, even if the area is divided into wards.

(2) The mayor of an area who is to be elected by the councillors for the area is to be elected by the councillors from among their number.

(3) A mayor elected for an area is one of the councillors of the council for the area.

283 Double candidature

(1) A person may be a candidate for election as mayor and a candidate for election as a councillor at the same time.

(2) If a person is elected by the electors as mayor and the person is also a candidate for election as a councillor, the votes cast for the person as a councillor are not to be counted for that person but are to be distributed as prescribed by the regulations.

(3) (Repealed)

284 Voting system for election of the mayor by all the electors of the area

The voting system in a contested election of the mayor by all the electors of the area is to be optional preferential.

285 Voting system for election of councillors

The voting system in a contested election of a councillor or councillors is to be—

(a) optional preferential, if only one councillor is to be elected, or

(b) proportional, if 2 or more councillors are to be elected.

286 Is voting compulsory?

Whichever voting system applies, electors on the residential roll must vote at a contested election unless exempt from voting under this Act. Electors on the non-residential roll or the roll of occupiers and ratepaying lessees may vote, but are not required to vote.

Part 4 When are elections held?

287 When is an ordinary election of councillors held?

(1) An ordinary election of the councillors for an area is to be held on the second Saturday of September 2008 and on the second Saturday of September in every fourth year after 2008.
(2) An election of the councillors for an area is to be held on a Saturday proclaimed for the purpose if—

(a) the area is constituted after the commencement of this Part, or

(b) the council for the area is dismissed, or

(c) the council is declared to be non-functioning under section 257.

288  Delayed elections of councillors

(1) If the Minister is of the opinion that it would be impracticable or inconvenient to hold an election as provided by section 287, the Minister may, by order published in the Gazette, appoint a subsequent Saturday for the election.

(2) The subsequent Saturday must not be more than 28 days later than the day when the election should have been held.

(3) If a day is appointed under this section for an election, the retiring councillors continue in office until the election is held and, if a retiring councillor resigns in the meantime, his or her office is vacant until the election is held.

289  When is an election of a mayor by the electors to be held?

(1) The election of a mayor by the electors for an area is to be held (unless its purpose is the filling of a casual vacancy)—

(a) on the day on which the election of the councillors for the area is held, or

(b) if the election of the councillors is uncontested, on the day on which the election of the councillors would have been held if it had been contested.

(2) If a mayor of an area is to be elected by the electors on the day on which a contested election of councillors for the area is to be held and the election of the councillors is delayed for any reason, the election of the mayor is also delayed but must be held on the same day as the delayed election of the councillors.

290  When is an election of a mayor by the councillors to be held?

(1) The election of the mayor by the councillors is to be held—

(a) if it is the first election after an ordinary election of councillors—within 3 weeks after the ordinary election, or

(b) if it is not that first election or an election to fill a casual vacancy—during the month of September, or

(c) if it is the first election after the constitution of an area—within 14 days after the appointment of a provisional council or the first election of the council if a provisional council is not appointed, or

(d) if the relevant council is a non-functioning council, or a council of which all civic offices have been declared vacant, and the election is the first to be held after the appointment or election of the councillors—within 14 days after the appointment or election of the
(2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.

(3) For the purposes of this section, an election of councillors does not conclude until the declaration of election of all the councillors of the council concerned.

Note. The filling of a casual vacancy in the office of a mayor elected by the councillors is dealt with in section 295.

Note. Elections are not held while a council is suspended under Part 7 or 8 of Chapter 13.

Part 5 How are casual vacancies filled?

291 By-elections

If a casual vacancy occurs in a civic office, the office is to be filled by a by-election, subject to this Part.

Note. The circumstances in which casual vacancies occur are specified in Chapter 9.

291A Countback to be held instead of by-election in certain circumstances

(1) This section applies to a casual vacancy in the office of a councillor if—

(a) the casual vacancy occurs within 18 months after the date of the last ordinary election of the councillors for the area, and

(b) the council has at its first meeting following that ordinary election of councillors, by resolution, declared that any such casual vacancy is to be filled by a countback of votes cast at the last election for that office.

(2) This section does not apply to a casual vacancy in the office of a councillor if the councillor who vacated office was elected—

(a) in an election using the optional preferential voting system (including the election of a mayor elected by the electors of an area), or

Note. See section 285 (Voting system for election of councillors).

(b) in an election without a poll being required to be held.

Note. See section 311 (Uncontested elections).

(3) A casual vacancy to which this section applies is to be filled by a countback election conducted in accordance with the regulations.

(4) A countback election to fill a casual vacancy to which this section applies must be conducted—

(a) by the returning officer who conducted the election at which the person whose departure created the casual vacancy was elected, or

(b) if that is not possible, by the substitute returning officer at that election, or

(c) if that is not possible, by a returning officer appointed in accordance with this Act.
(5) If a countback election fails or the returning officer is otherwise unable to fill the casual vacancy by a countback election—

(a) the returning officer must notify the general manager of the council concerned, and

(b) a by-election in accordance with this Part must be held to fill the casual vacancy.

(6) This section does not apply to a casual vacancy in the office of a councillor if the vacancy occurs before the day prescribed for the purposes of this section by the regulations.

292 When is a by-election to be held?

A by-election to fill a casual vacancy in the office of a councillor or a mayor elected by the electors of an area is to be held on a Saturday that—

(a) falls not later than 3 months after the vacancy occurs, and

(b) is fixed by the general manager (in relation to an election administered by the general manager) or the Electoral Commissioner (in relation to an election administered by the Electoral Commissioner).

293 Delayed by-elections

(1) If the Minister is of the opinion that it would be impractical or inconvenient to hold a by-election as provided by section 292, the Minister may, by order published in the Gazette, appoint a subsequent Saturday for the by-election.

(2) The subsequent Saturday must not be more than 28 days later than the day when the by-election should have been held.

294 Dispensing with by-elections

(1) This section applies if a casual vacancy occurs in the office of a councillor, including a mayor elected by the electors of an area, within 18 months before the date specified for the next ordinary election of the councillors for the area.

(2) If such a casual vacancy occurs in the office of a councillor (but not the office of a mayor elected by the electors), the Minister may, on the application of the council—

(a) order that the vacancy not be filled, or

(b) order the holding on a stated day of a by-election to fill the vacancy and revoke any earlier order made under paragraph (a).

(3) If such a casual vacancy occurs in the office of a mayor elected by the electors, the casual vacancy is to be filled by the Governor appointing to the vacant office a councillor nominated by the council.

(4) If the council does not nominate a councillor for the purposes of subsection (3), the Governor may appoint one of the councillors to the vacant office.

294A Casual vacancy not to be filled where councillor numbers reduced

(1) A casual vacancy in the office of a councillor (but not a mayor elected by the electors) is not to
be filled if the Minister has approved an application under section 224A to reduce the number of councillors but the reduction has not yet taken effect.

(2) However, subsection (1) does not authorise a vacancy to remain unfilled if the vacancy will result in the council having less councillors than the reduced number approved by the Minister under section 224A.

(3) Subsection (1) applies to a casual vacancy whether occurring before or after the commencement of this section or before or after the approval of the relevant application under section 224A.

294B Casual vacancy not to be filled where councillor numbers reduced—approved by constitutional referendum

(1) Despite section 17(2), a casual vacancy in the office of a councillor (but not a mayor elected by the electors) is not to be filled if a constitutional referendum has approved a reduction in the number of councillors but the reduction has not yet taken effect.

(2) However, subsection (1) does not authorise a vacancy to remain unfilled if the vacancy will result in the council having less councillors than the reduced number approved by the constitutional referendum.

(3) Subsection (1) applies to a casual vacancy whether occurring before or after the commencement of this section or before or after the constitutional referendum.

295 Casual vacancy in office of mayor elected by the councillors

(1) If a casual vacancy occurs in the office of a mayor elected by the councillors, the vacancy is to be filled at a meeting of the council to be held within 14 days after the occurrence of the vacancy.

(2) If the councillors fail to elect a mayor as required by this section, the Governor may appoint one of the councillors as the mayor.

Part 6 How are elections conducted?

Division 1 Administration of elections

296AA Councils to plan for administration of elections

(1) At least 18 months before the next ordinary election of councillors for a council, the council must resolve—

(a) to enter into an arrangement with the Electoral Commissioner, by contract or otherwise, for the Electoral Commissioner to administer elections of the council (as provided by section 296), or

(b) that the elections of the council are to be administered by an electoral services provider engaged by the council.

(2) A resolution referred to in subsection (1)(b) must include the following information—

(a) whether the general manager has identified an electoral services provider to be engaged for the next ordinary election of councillors and, if so, the name of that provider,
(b) any other information required by the regulations.

(3) As soon as practicable after the making of a resolution referred to in subsection (1)(b), the general manager of the council must publish a copy of the resolution on the council’s website.

(4) If a council fails to comply with subsection (1), the general manager of the council must publish a notice of that failure on the council’s website.

(5) Despite the other provisions of this section, a council may make a resolution under subsection (1) on or before 1 October 2019 for the purposes of an arrangement that includes the ordinary election of councillors in 2020.

296 How elections are to be administered

(1) Elections for the purposes of this Chapter are to be administered by an electoral services provider engaged by the council concerned, except as provided by this section.

Note. Section 18 provides that certain provisions of this Act (relating to the conduct of elections) apply to council polls and constitutional referendums, with such modifications as may be necessary, in the same way as they apply to elections.

(2) A council can enter into an arrangement (an election arrangement) with the Electoral Commissioner, by contract or otherwise, for the Electoral Commissioner to administer elections of the council as provided by this section. If such an arrangement is entered into, the Electoral Commissioner is to administer elections of the council in accordance with the arrangement.

(3) An election arrangement for the Electoral Commissioner to administer all elections of a council can be entered into if—

(a) the council resolves at least 18 months before the next ordinary election of councillors that such an arrangement is to be entered into, and

(5) An election arrangement for the Electoral Commissioner to administer an ordinary election of councillors can be entered into less than 15 months before the election if—

(a) the council has resolved that an election arrangement for the election is to be entered into, and

(b) the Electoral Commissioner is satisfied that there are exceptional circumstances that make it necessary or desirable for the election to be administered by the Electoral Commissioner.

(5A) Without limiting subsection (5), an election arrangement for the Electoral Commissioner to administer all elections of a council that is to include the ordinary election of councillors in 2020, or to administer that particular election, may be entered into if—

(a) the council resolves on or before 1 October 2019 that an arrangement is to be entered into, and
(b) the arrangement is entered into on or before 1 January 2020.

(6) An election arrangement for the Electoral Commissioner to administer all elections of a council can be terminated by the council or the Electoral Commissioner at any time after the next ordinary election of councillors (by giving written notice of termination). If the arrangement is not terminated by either party after an ordinary election of councillors, the arrangement is automatically terminated 18 months before the next ordinary election of councillors.

(7) The Electoral Commissioner is to administer the first election for an area after its constitution. Expenses incurred by the Electoral Commissioner (including the remuneration of election officials) in connection with such an election are to be met by the council and are recoverable from the council as a debt owed to the Electoral Commissioner.

(8) This section does not apply to an election of the mayor or a deputy mayor by councillors.

296A Elections administered by an electoral services provider

(1) This section applies to an election administered by an electoral services provider engaged by a council.

(2) The electoral services provider is to appoint a returning officer and a substitute returning officer for the election. In the absence of the returning officer, the substitute returning officer is to exercise the functions of the returning officer.

(a) appoint the polling places, and

(b) determine the fees payable to the returning officer, substitute returning officer and electoral officials.

(8) For the purpose of conducting an election, the returning officer is to determine any matter not provided for by this Act or the regulations.

(9) Expenses incurred by the returning officer, substitute returning officer and electoral officials in connection with an election are to be met by the council.

(10) The returning officer and the substitute returning officer must not vote at any election that they are conducting.
296B Elections administered by the Electoral Commissioner

(1) This section applies to an election administered by the Electoral Commissioner.

(2) The Electoral Commissioner is to appoint a returning officer and a substitute returning officer for each area. The returning officer is to conduct elections on behalf of, and under the direction of, the Electoral Commissioner. In the absence of the returning officer, the substitute returning officer is to exercise the functions of the returning officer.

(3) The returning officer is to appoint one or more electoral officials.

The Electoral Commissioner may delegate to a person any of the Electoral Commissioner’s functions under this Act, other than this power of delegation.

Division 2 Electoral rolls

(1) The Electoral Commissioner is to keep a roll for each area of persons who, in the opinion of the Electoral Commissioner, are entitled, in accordance with Part 1, to be enrolled as electors because they are residents of the area.

(2) The Electoral Commissioner may use information kept on the Electoral Information Register (within the meaning of the Electoral Act 2017) or on any roll used for Commonwealth elections as sources of information for compiling the residential roll.

(3) As soon as practicable after the closing date for an election that is to be administered by an electoral services provider engaged by the council concerned, the Electoral Commissioner is to provide the general manager with a printed and an electronic copy of the residential roll for the area and, if the area is divided into wards, a separate printed and electronic copy of the roll for each ward.

(4) The electronic copy of the residential roll is to be provided in the format specified by the
regulations (if any).

(5) An electoral services provider engaged by a council or any other person must not use or disclose any information provided in a residential roll under this section other than for the purpose of administering an election under this Act.

299 Non-residential roll

(1A) As soon as is practicable after a roll of non-resident owners of rateable land for an election lapses under this section, the general manager is to prepare a new roll of non-resident owners of rateable land within the area for the next election and keep it updated.

(1) Not later than the closing date for an election, the general manager is to finalise that roll of non-resident owners of rateable land for confirmation as the roll of non-resident owners of rateable land within the area for that election.

(2) The roll of non-resident owners of rateable land lapses after the election for which it is prepared.

(2A) The roll of non-resident owners of rateable land prepared by the general manager is to include the names of the persons who—

(a) have applied, at any time, for the inclusion of their names in any such roll, and

(b) on the closing date are, in the opinion of the general manager, qualified for inclusion in that roll.

(3) The general manager (in relation to an election administered by an electoral services provider) is to confirm as the roll of non-resident owners of rateable land for the election the roll referred to in subsection (1) if, in the general manager’s opinion, the roll contains the names of the persons who on the closing date are qualified for inclusion in the roll of non-resident owners of rateable land.

(4) The Electoral Commissioner (in relation to an election administered by the Electoral Commissioner) is to confirm as the roll of non-resident owners of rateable land for the election a roll certified by the general manager as being, in the general manager’s opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of non-resident owners of rateable land.

300 Roll of occupiers and ratepaying lessees

(1A) As soon as is practicable after a roll of occupiers and ratepaying lessees for an election lapses under this section, the general manager is to prepare a new roll of occupiers and ratepaying
lessees (of land within the area) for the next election and keep it updated.

(1) Not later than the closing date for an election, the general manager is to finalise that roll of occupiers and ratepaying lessees for confirmation as the roll of occupiers and ratepaying lessees (of land within the area) for the election.

(2) The roll of occupiers and ratepaying lessees lapses after the election for which it is prepared.

(2A) The roll of occupiers and ratepaying lessees prepared by the general manager is to include the names of the persons who—

(a) have applied, at any time, for the inclusion of their names in any such roll, and

(b) on the closing date are, in the opinion of the general manager, qualified for inclusion in that roll.

(3) The general manager (in relation to an election administered by an electoral services provider) is to confirm as the roll of occupiers and ratepaying lessees for the election the roll referred to in subsection (1) if, in the general manager’s opinion, the roll contains the names of the persons who on the closing date are qualified for inclusion in the roll of occupiers and ratepaying lessees.

(4) The Electoral Commissioner (in relation to an election administered by the Electoral Commissioner) is to confirm as the roll of occupiers and ratepaying lessees for the election a roll certified by the general manager as being, in the general manager’s opinion, a roll of the persons who on the closing date are qualified for inclusion in the roll of occupiers and ratepaying lessees.

301 Roll of electors

(1) The roll of electors for an area is a composite roll, consisting of the residential roll kept by the Electoral Commissioner under section 298 for the area, the non-residential roll prepared and confirmed under section 299 for the area, and the roll of occupiers and ratepaying lessees prepared and confirmed under section 300 for the area.

(2) For each election, an authorised copy of the roll of electors is to be compiled in accordance with this Division.

(3) If an area is divided into wards, the authorised copy of the roll of electors is to be prepared separately for each ward or, if the authorised copy of the roll is for a by-election to fill a casual vacancy, only for the ward in which the by-election is to be held.

(4) An **authorised copy of the roll** referred to in subsections (2) and (3) is a printed or electronic copy of the roll of the electors for the area or ward concerned as at the closing date for the election.

302 Public inspection of roll of electors

(1) The Electoral Commissioner is to make the latest copy of the residential roll available for public inspection at any reasonable time during office hours at the office of the Electoral Commissioner and at any other place determined by the Electoral Commissioner.

(2) The general manager is to make the latest copy of the non-residential roll and of the roll of
occupiers and ratepaying lessees (once it is prepared) available for public inspection at any reasonable time during office hours at the office of the council.

303 Making of claims for inclusion in the roll

(1) A person may lodge with the Electoral Commissioner (in the case of the residential roll) or the general manager (in the case of another roll)—

(a) a claim for the inclusion of his or her name in the roll or for the amendment of any particulars entered in the roll against the name, or

(b) an objection to the inclusion in the roll of his or her name or the name of another person, or

(c) an objection to the inclusion in the roll of specified particulars entered against his or her name or the name of another person.

(2) Within 7 days after the lodging of a claim for inclusion in, or of an objection to an entry in, a roll, the Electoral Commissioner or general manager—

(a) is to decide whether the claim or objection is to be allowed or disallowed, and

(b) as soon as practicable, is to make such entries in, or alterations to, the roll as give effect to the decision, and

(c) is to serve notice of the decision on the claimant or objector and, in the case of an objection, on any other person to whom the objection relates.

(3) A person dissatisfied with the decision of the Electoral Commissioner or general manager may apply to the Civil and Administrative Tribunal for an administrative review under the Administrative Decisions Review Act 1997 of the decision.

(4) The Electoral Commissioner or general manager is to make as soon as practicable such entries in the appropriate roll as are necessary to give effect to the decision on an application to the Civil and Administrative Tribunal.

(5) Despite this section, the non-residential roll and the roll of occupiers and ratepaying lessees are not to be altered between the closing date for an election and the end of polling day.

304 Enrolment if qualified in more than one respect

(1) A person may not, in respect of the same ward, be enrolled more than once in a roll of electors.

(2) A person who is qualified for enrolment in respect of more than one ward of an area may be enrolled only in respect of the ward for which the person is qualified as a resident or, if the person is not so qualified—

(a) the ward specified in a notice given by the person to the general manager before the closing date for the election, or

(b) if no such notice is given, a ward chosen by the general manager.

305 Provisional voting

The regulations may prescribe circumstances in which a person is to be permitted to vote at an
election under this Act where—

(a) the person is not enrolled for the area or ward concerned, but claims to be entitled to be enrolled on the residential roll for that area, or

(b) the person claims that the person’s name has been omitted from the roll for the area (for any reason), but claims he or she is entitled to vote at an election, or

(c) there is other uncertainty as to a person’s entitlement to vote at an election (for example, the person claims the person’s name has been incorrectly marked off a roll at an election).

Division 3 Nominations and election

306 Nominations

(1) A person who is not duly nominated is not eligible for election as a councillor, or for election by the electors of an area as mayor.

(2) To be duly nominated for election as a councillor for an area, or for election as mayor of an area by the electors of an area, a person must be enrolled as an elector for the area, and must be qualified to hold that civic office, at the closing date for the election.

(3) A person may not be nominated for election as a councillor for more than one ward.

(4) A nomination is to be proposed to and made by the returning officer as prescribed by the regulations and may be withdrawn by the nominee as prescribed by the regulations.

(5) A nomination is to be rejected if the returning officer has not been paid the deposit prescribed by the regulations for the nomination or (if none is prescribed) a deposit of 50 per cent of the deposit required to be deposited for the nomination of a candidate for election to the Legislative Assembly.

(5A) However, if a group that comprises more than 5 candidates—

(a) proposes the nomination of all members of the group, and pays the deposit for the nomination of all members of the group, at the same time, and

(b) has lodged a claim under section 308A(2),

the amount of the deposit for each candidate included in the group is 5 times the deposit for one candidate divided by the number of candidates in that group.

(6) If a returning officer rejects a proposed nomination and the nominated person applies in writing for an explanation of the rejection, the returning officer must provide the nominated person with a written explanation within 7 days.

(7) A deposit may be refunded in accordance with the regulations.

307 Nomination where name omitted from roll

Despite section 306, a person whose nomination for election to a civic office would, but for this section, be rejected on the ground only that he or she is not enrolled as an elector for the area may be nominated if—
the name of the person has been omitted from the roll of electors mistakenly or accidentally, and
(b) but for that omission the nomination would not have been rejected.

308 Candidate information sheets

(1) A nomination of a candidate for election to a civic office is to be accompanied by a candidate information sheet in the form of a statutory declaration made by the candidate.

(2) The regulations may make provision for the matters that are to be included in, or that may or may not be included in, a candidate information sheet. The regulations may not prohibit the inclusion in a candidate information sheet of matter relating to a candidate’s policies.

(3) The returning officer is to make each candidate information sheet available for public inspection at any reasonable time during office hours at the office of the returning officer and at any other place determined by the returning officer.

(4) An electoral official at each polling place is to ensure that a copy of each candidate information sheet is displayed at the polling place.

308A Grouping of candidates

(1) This section applies to an election in which there are 2 or more councillors to be elected.

(2) Two or more candidates duly proposed for nomination for election may, before noon on the nomination day prescribed by the regulations, claim to have their names included in a group on the ballot-papers and in the order specified in the claim. The claim is to be lodged with the returning officer.

(3) A claim under subsection (2) may also include a request for a group voting square for the group to appear on the ballot-papers to be used in the election concerned, but only if—

(a) in the case of an area not divided into wards—the number of candidates in the group on the nomination day prescribed by the regulations is at least half the number of candidates to be elected, or

(b) in the case of an area divided into wards—there are at least as many candidates in the group on the nomination day prescribed by the regulations as there are candidates to be elected.

(4) A group voting square is to be printed on the ballot-papers above the names of the candidates in each group that has duly requested a group voting square under subsection (3), but only if more than one group has duly requested a group voting square.

(5) An application under Part 7 for the name of a political party to be printed adjacent to the name of a candidate on the ballot-papers may include a further request for that name or a composite name to be printed on the ballot-papers adjacent to the candidates’ group voting square.

308B Group voting—recording of votes

(1) This section applies if a ballot-paper has group voting squares.

(2) Instead of marking the separate voting squares for the candidates, the voter may record a vote—

(a) by placing the number “1” in any one of the group voting squares, and
(b) (if he or she wishes) by placing consecutive numbers (beginning with the number “2”) in any other of those group voting squares, in the order of his or her preference for the various groups of candidates.

(3) The number “1” appearing in a group voting square for a group indicates—

(a) that the voter’s first preference vote is for the first candidate in the group, and

(b) that the voter’s subsequent preference votes are for the other candidates in the group in the order in which their names appear on the ballot-paper.

(4) Subsequent numbers appearing in group voting squares for other groups indicate that the voter’s preferences (subsequent to those referred to in subsection (3)) are for the candidates in those groups—

(a) in the order in which those groups are numbered by the voter, and

(b) within each group, in the order in which the names of the candidates in that group appear on the ballot-paper.

308C Group voting—marking of ballot-papers

(1) If a voter records a vote on a ballot-paper by placing a mark in a group voting square but also indicates preferences for individual candidates, the following provisions apply—

(a) if the indication of preferences for individual candidates would, if it stood alone, constitute a formal vote, that indication of preferences is taken to be the vote of the voter and the mark in the group voting square is to be disregarded,

(b) if the indication of preferences for individual candidates would not, if it stood alone, constitute a formal vote, it is to be disregarded and the vote of the voter is to be taken to have been expressed by the mark in the group voting square.

(2) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing a cross or a tick in a group voting square and not placing any mark or writing in any other group voting square, but the ballot-paper is to be treated as if the cross or tick were the number “1”.

(3) A ballot-paper is not informal by reason only that the voter has recorded a vote by placing the number “1” or a tick in a group voting square and placing a cross in (or a line through) all or some of the other group voting squares on the ballot-paper, but the ballot-paper is to be treated as if the marks in those other squares did not appear on the ballot-paper and any such tick were the number “1”.

(4) A ballot-paper on which the voter has recorded a vote by placing in one group voting square the number “1” is not informal by reason only that—

(a) the same preference (other than the first preference) is recorded on the ballot-paper for more than one group, but in that event the ballot-paper is to be treated as if those and any subsequent preferences had not been recorded, or

(b) there is a break in the order of preferences for groups, but in that event the ballot-paper is to be treated as if any preference after the break had not been recorded, or
fewer preferences are recorded than there are candidates to be elected.

(5) The ballot-papers for an election are not informal by reason only that they contain the name of a candidate whom a court has declared to be incapable of being elected at that election, but a preference for such a candidate (whether individually or as a member of a group) is to be disregarded, and (if necessary) subsequent preferences are to be renumbered accordingly.

Note. The regulations make further provision regarding the formality of ballot-papers.

308D Group voting—regulations

The regulations may make provision for or with respect to the grouping of candidates, group voting squares and the matter to be printed on ballot-papers.

309 Contested elections

(1) If the number of candidates nominated for election as councillors for a ward or an area is greater than the number required to be elected for the ward or area, the election is to be a contested election.

(2) If there are two or more candidates for election by the electors of an area as mayor of the area, there is to be a contested election for the office.

(3) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day when the poll at a contested election closes, the election fails in respect of that civic office for the ward or area.

310 Conduct of contested elections

A contested election for a civic office is to be conducted as prescribed by the regulations.

310A Postal votes

At any election, any postal vote must be accepted for further scrutiny if—

(a) the postal vote is received by the returning officer before 6 pm on the first business day immediately following the close of the poll, and

(b) the returning officer is satisfied that the voter has indicated, in accordance with the regulations, that the postal vote was completed before the close of the poll.

310B Elections may be conducted exclusively by postal voting

(1) This section applies to—

(a) the City of Sydney local government area, and

(b) any other local government area prescribed by the regulations for the purposes of this section.

(2) A council may by a resolution made at least 18 months before the next ordinary election of councillors determine that voting at that election is to be conducted—

(a) by means of attendance and postal voting, or
(b) exclusively by means of postal voting.

(3) Voting at an ordinary election of councillors must be conducted by the same means, whether by means of attendance and postal voting or exclusively by means of postal voting, as the previous ordinary election of councillors was conducted unless the council has determined by a resolution that complies with subsection (2) to change the means of conducting the voting.

(4) Voting at a by-election must be conducted by the same means, whether by means of attendance and postal voting or exclusively by means of postal voting, as the previous ordinary election of councillors was conducted unless the council determines by a resolution made not later than 14 days after the casual vacancy occurred to change the means of conducting the voting.

(5) Voting at a constitutional referendum or council poll must be conducted by the same means, whether by means of attendance and postal voting or exclusively by means of postal voting, as the previous ordinary election of councillors was conducted unless the council determines by a resolution made at the same meeting that the council determined to hold the referendum or take the poll to change the means of conducting the voting.

(6) An election, constitutional referendum or council poll to be conducted exclusively by means of postal voting is to be conducted in accordance with the regulations.

311 Uncontested elections

(1) A candidate nominated for election as a councillor for a ward or area is, without a poll being held, taken to have been elected if the number of candidates nominated for election as councillors for the ward or area is no greater than the number of councillors required to be elected for the ward or area.

(2) A candidate nominated for election by the electors of the area as the mayor of the area is, without a poll being held, taken to have been elected if he or she is the only nominee for election as the mayor.

(3) A person holding civic office under this section without a poll being held is taken to have been elected—

(a) on the day on which the poll would have been held, if the election were an ordinary election, or

(b) on the day of nomination, if paragraph (a) does not apply.

(4) If a candidate who is nominated for election to a civic office in respect of a ward or area dies before the day referred to in subsection (3), the election in respect of that civic office for that ward or area is taken to have failed and no candidate in that election can be taken to have been elected in respect of that civic office for that ward or area.

Division 4 Where residents fail to vote

312 Offence

A person whose name is on the residential roll in respect of a ward or area must vote at any contested election in the ward or area (other than an election of the mayor by the councillors) unless the person has a sufficient reason not to vote.
Maximum penalty—1 penalty unit.

313 Check on double-voting and failure to vote

(1) After the close of the poll at a contested election, the copies of the roll of electors used at the election are to be checked by the Electoral Commissioner in accordance with this section to determine—

(a) which electors’ names (if any) have been marked more than once, and

(b) which electors (if any) appear to have failed to vote.

(2) In the case of an election administered by an electoral services provider engaged by a council, the general manager must (within the period specified by the Electoral Commissioner) forward the copies of the roll of electors used at that election to the Electoral Commissioner for checking.

(3) The Electoral Commissioner is, for each contested election, to prepare a list of the names of the persons on the residential roll who, although entitled to vote at the election, appear to have failed to vote and do not appear to have a sufficient reason for the failure.

314 Penalty notice to be issued for failure to vote

(1) The Electoral Commissioner is to serve a penalty notice on each resident who is indicated on the list prepared under section 313 as appearing not to have a sufficient reason for failing to vote at an election.

(2) A penalty notice is to be served within 3 months after the close of the poll at the election to which it relates and, if not served personally, is to be served by post at the address of the resident last known to the Electoral Commissioner.

(3) A penalty notice is a notice in the form prescribed by the regulations to the effect that, if the resident does not desire to have the failure to vote dealt with by a court—

(a) the Electoral Commissioner must be given, within a time stated in the notice, a sufficient reason for the failure to vote, or

(b) a penalty of 0.5 penalty unit must be paid to the Electoral Commissioner.

(4) If, within 28 days after service of the penalty notice, the Electoral Commissioner is given a sufficient reason for the failure to vote or the penalty is paid, the resident is not liable to any further proceedings for the offence to which the penalty notice relates.

(5) If an insufficient reason for a failure to vote is given in response to a penalty notice, the Electoral Commissioner is to include a statement to that effect in any penalty reminder notice served under the Fines Act 1996 in relation to the penalty notice.

(6) For the purposes of this section, it is a sufficient reason for a failure by a resident to vote if the Electoral Commissioner is satisfied that the resident—

(a) is dead, or

(b) was absent from the area on polling day, or
(c) was ineligible to vote, or

(d) had an honest belief that he or she had a religious duty to abstain from voting, or

(e) (Repealed)

(f) was unable to vote for any other reason acceptable to the Electoral Commissioner.

(7) If a penalty notice is served, the Electoral Commissioner is to note on the list prepared under section 313, or on a separate list of the residents on whom penalty notices have been served, whether or not there has been a response to the penalty notice and, if there has been a response, whether a sufficient reason has been given, or a penalty paid, for the failure to vote.

315 Evidence in list of non-voters

(1) It is evidence—

(a) of service of a penalty notice on a resident, or

(b) of a lack of response to a penalty notice served on a resident, or

(c) that a reason was given for a failure by a resident to vote at an election, but the reason was insufficient,

if there is on a certified list a notation to that effect in relation to the resident.

(2) For the purposes of this section, a certified list is a list that is certified by the Electoral Commissioner as (or as a copy of or extract from) the list prepared under section 313 or the separate list prepared under section 314(7).

Division 5 Miscellaneous

316 Position on ballot-paper

The order of candidates’ names on ballot-papers is to be determined by a method of random selection (including by electronic means) in accordance with the regulations.

317 Validity of elections

(1) An election is not invalid just because—

(a) there was a formal defect or error in or relating to the election, if the election was held substantially in accordance with this Act, or

(b) there was a defect in the appointment of the returning officer, or

(c) the time for closing the poll for postal voting was extended with the approval of the Electoral Commissioner or returning officer (in relation to an election administered by the Electoral Commissioner) or an electoral services provider or returning officer (in relation to an election administered by an electoral services provider) conducting the election, or

(d) on polling day the name of a political party, or the abbreviation of that name, as registered in the Local Government Register of Political Parties appears printed adjacent to the name of a candidate on the ballot-papers for the election, but between the time the candidate was
endorsed by the party and the polling day the candidate has ceased to be so endorsed.

(2) A proclamation of the Governor to the effect that a specified irregularity does not invalidate an election is conclusive as to the matter stated in the proclamation.

318 Lapsed or void election

(1) If an election for a civic office is not held when it is due, fails or is later declared void—

(a) the holder of the civic office at the time when the election should have been held or when the election failed (or, in the case of a void election, if there is no such holder, the candidate purporting to have been elected at the void election), holds the office as if duly elected until an election is held under paragraph (b), and

(b) the returning officer is to hold another election as if a casual vacancy had occurred in the civic office.

(2) An election held for the purposes of this section is as valid as it would have been if it had been held at the time originally appointed for the purpose.

Part 6A Postponement of elections

318A Definition

In this Part—

election requirements of this Act means the requirements of Parts 4 and 5 with respect to the holding of an ordinary election referred to in section 287 or a by-election referred to in section 292.

318B Postponement of elections

(1) The Minister may, by order published in the Gazette, postpone the election requirements of this Act in relation to a specified council if—

(i) an investigation under section 430 or any other provision of this Act, or

(ii) a public inquiry, or

(iii) an investigation by an authority (as defined in the Dictionary at the end of this Act) under any Act, or

(b) if the postponement is extended by a further order under this section, 31 December in the

in operation with respect to an election for the council.

(4) On the making of an order under this section—

(a) the election requirements of this Act are suspended in relation to the council for the period
specified in the order, including with respect to an election for which the election
requirements of this Act were in operation when the order was made, but not with respect to
an election held on or before the day on which the order is published, and

(b) the retiring councillors continue in office (subject to this Act) until an election is held, and

(c) anything already done, under or for the purposes of those requirements in relation to the
council for an election that would (but for the making of the order) have been held during
the suspension period, has no effect or operation, and

(d) a person who is taken to have been elected under section 311 at an election that would (but
for the making of the order) be held during the suspension period is taken not to have been
elected.

(5) The suspension ceases to have effect if the order is revoked under section 318C.

(6) If the suspension ceases to have effect through the passage of time and not through revocation of
the order, the provisions of section 318C (other than subsections (1)(a) and (3)(a)) apply as if the
order had been revoked.

(7) If while an order under this section is in force a casual vacancy occurs in the office of mayor
elected by the electors, the casual vacancy is to be filled in accordance with the provisions of
section 295 as if it were a casual vacancy in the office of mayor elected by the councillors.

(8) Subsection (1)(a1) and this subsection are repealed on the date that is 12 months after the
commencement of subsection (1)(a1). For the avoidance of doubt, the repeal of subsection
(1)(a1) does not affect the validity of any order made under that paragraph.

(a) revoke a former order that has been made in relation to a council, and

(b) if—

338 Nature of contracts for senior staff

(1) The general manager and other senior staff of a council are to be employed under contracts that are performance-based.

(2) The term of a contract must not be less than 12 months or more than 5 years (including any option for renewal). A term that is less than 12 months is taken to be for 12 months and a term for more than 5 years is taken to be limited to 5 years.

(3) Contracts may be renewed from time to time.

(4) The Departmental Chief Executive may, by order in writing, approve one or more standard forms of contract for the employment of the general manager or other senior staff of a council.

(5) A standard form of contract approved by the Departmental Chief Executive is not to include provisions relating to the level of remuneration or salary (including employment benefits) of the general manager or other senior staff of a council, performance-based requirements or the duration of the contract.

(6) A council is not to employ a person to a position to which one or more standard forms of contract approved for the time being under this section applies or apply except under such a standard form of contract.

(7) The council may include in an employment contract for the general manager or another member of the senior staff additional provisions to those contained in the standard form of contract but only if those provisions relate to any of the following—

(a) the level of remuneration or salary (including employment benefits) of the person employed under the contract,

(b) subject to subsections (1) and (2), performance-based requirements or the duration of the contract.

(8) Despite subsection (6), the approval, amendment or substitution of a standard form of contract under this section does not affect any employment contract between a council and the general manager of the council or another member of the senior staff of the council if the employment contract was entered into before the approval, amendment or substitution of the standard form of contract.

(9) However, subsection (6) does apply to the renewal of any such employment contract occurring after the standard form of contract is approved, amended or substituted and to all new contracts entered into after the standard form of contract is approved, amended or substituted.

339 (Repealed)

340 Industrial arbitration excluded

(1) In this section, a reference to the employment of the general manager or another senior staff member is a reference to—

(a) the appointment of, or failure to appoint, a person to the vacant position of general manager or to another vacant senior staff position, or
(b) the removal, retirement, termination of employment or other cessation of office of the
general manager or another senior staff member, or

(c) the remuneration or conditions of employment of the general manager or another senior staff
member.

(2) The employment of the general manager or another senior staff member, or any matter, question
or dispute relating to any such employment, is not an industrial matter for the purposes of the
Industrial Relations Act 1996.

(3) Subsection (2) applies whether or not any person has been appointed to the vacant position of
general manager or another vacant senior staff position.

(4) No award, agreement, contract determination or order made or taken to have been made or
continued in force under the Industrial Relations Act 1996, whether made before or after the
commencement of this section, has effect in relation to the employment of senior staff members.

(5) No proceedings for an order in the nature of prohibition, certiorari or mandamus or for a
declaration or injunction or for any other relief, lie in respect of the appointment of or failure to
appoint a person to the position of general manager or to another senior staff position, the
entitlement or non-entitlement of a person to be so appointed or the validity or invalidity of any
such appointment.

341 Duty to report bankruptcy

(1) If a person who is a senior staff member becomes bankrupt or makes a composition, arrangement
or assignment for the benefit of the person’s creditors, the person must—

(a) immediately give notice of the bankruptcy, composition, arrangement or assignment to the
general manager, and

(b) provide the general manager, within the time specified by the general manager, with any
further information concerning the cause of the bankruptcy or of the making of the
composition, arrangement or assignment required by the general manager.

(2) If the person is the general manager, subsection (1) applies as if references to the general
manager were references to the council.

Part 3 The public officer

342 Appointment of the public officer

(1) The general manager is to designate a member of staff as the public officer of the council.

(2) The position of public officer may, but need not be, a senior staff position.

343 Functions of the public officer

(1) The public officer—

• may deal with requests from the public concerning the council’s affairs

• has the responsibility of assisting people to gain access to public documents of the council
may receive submissions made to the council
may accept service of documents on behalf of the council
may represent the council in any legal or other proceedings
has such other functions as may be conferred or imposed on the public officer by the general manager or by or under this Act.

(2) The public officer is subject to the direction of the general manager.

Part 4 Equal employment opportunity

344 Objects

(1) The objects of this Part are—

(a) to eliminate and ensure the absence of discrimination in employment on the grounds of race, sex, marital or domestic status and disability in councils, and

(b) to promote equal employment opportunity for women, members of racial minorities and persons with disabilities in councils.

(2) In this section, *disability* has the same meaning as in the *Disability Discrimination Act 1992* of the Commonwealth.

*Note.* The *Disability Discrimination Act 1992* of the Commonwealth defines disability to include such things as loss of bodily or mental function, loss of a part of the body, malfunction, malformation or disfigurement of a part of the body and certain other conditions, disorders, illnesses and diseases. That Act makes it unlawful for an employer to discriminate against a person on the ground of the other person’s disability in certain contexts. These include in determining who should be offered employment (section 15 of that Act). Such discrimination is unlawful unless the person, because of his or her disability, would be unable to carry out the inherent requirements of the particular employment or would, in order to carry out those requirements, require services or facilities that are not required by persons without the disability and the provision of which would impose an unjustifiable hardship on the employer.

345 Preparation and implementation of EEO management plans

(1) A council must prepare and implement an equal employment opportunity management plan in order to achieve the objects of this Part.

(2) The plan is to include provisions relating to—

(a) the devising of policies and programs by which the objects of this Part are to be achieved, and

(b) the communication of those policies and programs to persons within the staff of the council, and

(c) the collection and recording of appropriate information, and

(d) the review of personnel practices within the council (including recruitment techniques, selection criteria, training and staff development programs, promotion and transfer policies and patterns, and conditions of service) with a view to the identification of any discriminatory practices, and
(e) the setting of goals or targets, where these may reasonably be determined, against which the success of the plan in achieving the objects of this Part may be assessed, and

(f) the means, other than those referred to in paragraph (e), of evaluating the policies and programs referred to in paragraph (a), and

(g) the revision and amendment of the plan, and

(h) the appointment of persons within the council to implement the provisions referred to in paragraphs (a)–(g).

(3) An equal employment opportunity management plan may include provisions, other than those referred to in subsection (2), that are not inconsistent with the objects of this Part.

(4) A council may, from time to time, amend its equal employment opportunity management plan.

346 Inconsistencies with the Anti-Discrimination Act 1977

(1) The provisions of an equal employment opportunity management plan, to the extent of any inconsistency between those provisions and the provisions of the Anti-Discrimination Act 1977, prevail.

(2) This section does not apply to or in respect of the provisions of a plan which are the subject of a reference under section 347 to the Anti-Discrimination Board or the Public Service Commissioner.

Note. This section adopts the principles in section 122K of the Anti-Discrimination Act 1977. Those principles are designed to ensure that full effect can be given to the objects of this Part.

347 References

(1) Where the Minister is dissatisfied with any matter relating to the preparation, amendment or implementation of an equal employment opportunity management plan by a council or any failure or omission of a council with respect to the preparation, amendment or implementation of any such plan, the Minister may refer the matter to the Anti-Discrimination Board or the Public Service Commissioner.

(2) The provisions of section 122N of the Anti-Discrimination Act 1977, and the succeeding provisions of Part 9A of that Act, apply to and in respect of a reference under this section to the Anti-Discrimination Board as if it were a reference under section 122M of that Act and as if the council were an authority within the meaning of that Part.

(3) A reference in this section to a provision of Part 9A of the Anti-Discrimination Act 1977 is a reference to that provision as in force immediately before the repeal of that Part of that Act by the Government Sector Employment Act 2013.

Part 5 Other provisions concerning staff

(1) When it is proposed to make an appointment to a position within the organisation structure of the council, the position must be advertised in a manner sufficient to enable suitably qualified persons to apply for the position.

(b) from among the applicants eligible for appointment, the applicant who has the greatest merit is to be selected.

(2) The merit of the persons eligible for appointment to a position is to be determined according to—

(a) the nature of the duties of the position, and

(b) the abilities, qualifications, experience and standard of work performance of those persons relevant to those duties.

(3) In determining the merit of a person eligible for appointment to a position, regard is to be had to the objects of Part 4 of this Chapter (see section 344).

350 Appointments to which secs 348 and 349 do not apply

Sections 348 and 349 do not apply to—

(a) an appointment by way of demotion, or

(b) an appointment by way of lateral transfer, unless the council decides that those sections are to apply to the appointment.

351 Temporary appointments

(1) If a position (including a senior staff position) within the organisation structure of the council is vacant or the holder of such a position is suspended from duty, sick or absent—

(a) the council, in the case of the general manager’s position, or

(b) the general manager, in the case of any other position,

may appoint a person to the position temporarily.

(2) A person who is appointed to a position temporarily may not continue in that position—

(a) if the holder of the position is on parental leave—for a period of more than 24 months, or
(b) in any other case—for a period of more than 12 months.

352 Independence of staff for certain purposes

(1) A member of staff of a council is not subject to direction by the council or by a councillor as to the content of any advice or recommendation made by the member.

(2) This section does not prevent the council or the mayor from directing the general manager of the council to provide advice or a recommendation.

353 Other work

(1) The general manager must not engage, for remuneration, in private employment or contract work outside the service of the council without the approval of the council.

(2) A member of staff must not engage, for remuneration, in private employment or contract work outside the service of the council that relates to the business of the council or that might conflict with the member’s council duties unless he or she has notified the general manager in writing of the employment or work.

(3) The general manager may prohibit a member of staff from engaging, for remuneration, in private employment or contract work outside the service of the council that relates to the business of the council or that might conflict with the member’s council duties.

(4) A member of staff must not engage, for remuneration, in private employment or contract work outside the service of the council if prohibited from doing so under subsection (3).

354 Restriction on appointment of a former mayor or councillor

(1) A person who has held civic office in relation to a council must not be appointed to any paid position on the staff of the council within 6 months after ceasing to hold the office.

(2) A purported appointment in contravention of this section is void.

354A Ministerial approval for certain termination payments to senior staff

(1) A council must not make a payment to the general manager or other senior staff member of the council in relation to his or her termination of employment (including termination on the ground of redundancy) without first obtaining the Minister’s approval to the payment.

(2) The Minister may refuse to approve a payment under subsection (1) if the Minister is not satisfied the payment is appropriate.

(3) A payment referred to in subsection (1) that is made without the Minister’s approval—

(a) is to be repaid to the council, and

(b) is a debt due to the council recoverable by the council or the Minister in any court of competent jurisdiction.

(4) Subsection (1) does not apply to payments of a kind exempted from this section by the regulations.

(5) To remove doubt, this section extends to—
(a) a termination payment made under a contract and to an ex gratia termination payment, and

(b) a termination payment made under a contract entered into before the commencement of this section.

**Part 6 Arrangements for council staff affected by the constitution, amalgamation or alteration of council areas**

**354B Definitions**

(1) In this Part—

*boundary alteration* means an alteration of the boundaries of one or more areas by or under a proclamation under Chapter 9.

*existing staff member* of a transferee council means, in relation to a staff transfer occurring in connection with a boundary alteration, a person who was a member of the staff of the transferee council immediately before the transfer day and who has not ceased to be a member of that staff.

*Note.* In the case of a staff transfer effected in connection with the amalgamation of areas under Chapter 9, no members of staff continue in the employment of the councils of the areas being amalgamated because all those areas are dissolved. The members of staff would become employees of the newly constituted council.

*former council*, in relation to a transferred staff member, means the council that employed the staff member immediately before the transfer day.

*proposal* means—

(a) a proposal made under section 215 to constitute one or more areas, or

(b) a proposal made under section 218E to amalgamate one or more areas, or

(c) a proposal made under section 218E to alter the boundaries of one or more areas.

*proposal period* means (subject to subsection (2)) the period—

(a) starting on the day the proposal is made, and

(b) ending on the following day—

(i) if the Minister decides not to proceed with the proposal—the day that decision is made under section 215 or 218E,

(ii) if the Minister refers the proposal to the Boundaries Commission or the Departmental Chief Executive but decides to decline to recommend to the Governor that the proposal be implemented—the day that decision is made,

(iii) if the Minister recommends to the Governor that the proposal be implemented—immediately before the date specified in the proclamation implementing the proposal.

*remaining staff member* of a transferor council means, in relation to a staff transfer occurring in connection with a boundary alteration, a person who was a member of the staff of the transferor council immediately before the transfer day and who has not ceased to be a member of that staff.
Note. In the case of a staff transfer effected in connection with the amalgamation of areas under Chapter 9, no members of staff continue in the employment of the councils of the areas being amalgamated because all those areas are dissolved. The members of staff would become employees of the newly constituted council.

**rural centre** means a centre of population of 5,000 people or fewer, and includes a geographical area that is prescribed, or is of a kind prescribed, by regulations in force for the purposes of this definition as being a rural centre.

**staff transfer** means a transfer of staff from the employment of one council to the employment of another council by or under a proclamation under Chapter 9.

**transfer day**, in relation to a staff transfer, means the day on which the staff concerned were transferred from the employment of one council to the employment of another council.

**transferee council**, in relation to a staff transfer, means the council into whose employment the staff concerned were transferred on the transfer day.

**transferor council**, in relation to a staff transfer, means the council from whose employment the staff concerned were transferred on the transfer day.

**transferred staff member** means a member of the staff of a council who is transferred to the employment of another council by or under a proclamation under Chapter 9.

**work base** means the office, depot or other place of work at or from which any staff work.

(2) The Minister may, by notice in writing to a council, extend the proposal period in relation to that council by determining an earlier date for the start of the period than the date the proposal is made under section 215 or 218E.

### 354C No forced redundancy of affected staff members during proposal period

The employment of a member of staff of a council that is affected by a proposal (other than of a senior staff member) must not be terminated, without the staff member’s agreement, during the proposal period on the ground of redundancy.

### 354D Preservation of entitlements of staff members

(1) If a staff transfer occurs, the employment of—

(a) a transferred staff member, and

(b) in the case of a boundary alteration—

(i) a remaining staff member of the transferor council, and

(ii) an existing staff member of the transferee council,

other than a senior staff member, continues on the same terms and conditions that applied to the staff member immediately before the transfer day, subject to section 354E.

(2) Subsection (1) applies until other provision is duly made under any Act or law.

(3) Neither the contract of employment nor the period of employment of a transferred staff member is taken to have been broken by the transfer for the purposes of any law, award or agreement.
relating to the employment of that staff member.

(4) A transferred staff member is not entitled to receive any payment or other benefit merely because the staff member ceases to be a staff member of the former council.

(5) The transfer of a transferred staff member does not affect any accrued rights the staff member had immediately before the transfer, including in relation to recreation leave, sick leave, long service leave and superannuation, but does not entitle the staff member to claim dual benefits of the same kind for the same period of service.

354E Certain increases or decreases in staff entitlements during proposal period not binding on transferee council without approval

(1) This section applies to a determination of the terms and conditions of employment of staff members of a council that is made during the proposal period, and extends to any such determination made in an industrial agreement with or on behalf of the staff members, in an employment contract with a staff member or in an employment policy of the council.

(2) After the transfer day—

(a) the transferee council is not bound by any such determination, and

(b) any such determination is to be disregarded for the purposes of section 354D(1),

unless the determination has been approved by the Minister under this section or the approval of the Minister is not required under this section.

(3) If an application is made to the Minister for approval of a determination to which this section applies, the Minister may refuse to approve the determination only if the Minister is satisfied that the determination arises from or is in anticipation of the proposal and would result in an unjustifiable increase or decrease in the obligations of the transferee council in relation to transferred staff members.

(4) A determination to which this section applies is not required to be approved by the Minister if—

(a) it complies with the requirements of regulations made for the purposes of this section, or

(b) the Minister determines in writing that approval is not required.

354F No forced redundancy of non-senior staff members for 3 years after transfer

If a staff transfer occurs, the employment of—

(a) a transferred staff member, and

(b) in the case of a boundary alteration—

(i) a remaining staff member of the transferor council, and

(ii) an existing staff member of the transferee council,

other than a senior staff member, must not be terminated, without the staff member’s agreement, within 3 years after the transfer day on the ground of redundancy arising from the staff transfer.
Lateral transfer of non-senior staff members

(1) This section applies if either—

(a) the following subparagraphs apply—

(i) a staff transfer occurs in connection with the constitution of a new area, whether as a result of the amalgamation of two or more areas or otherwise, and

(ii) within 3 years after the transfer day, the general manager proposes to make an appointment to a position within the organisational structure of the council (the council), other than a senior staff position, and

(iii) a transferred staff member (other than a senior staff member) was, immediately before the transfer day, performing substantially the same duties for the staff member’s former council as are required to be performed in the position to be filled, or

(b) the following subparagraphs apply—

(i) a staff transfer occurs in connection with a boundary alteration, and

(ii) within 3 years after the transfer day, the general manager of a council (the council) affected by the boundary alteration proposes to make an appointment to a position within the organisational structure of the council, other than a senior staff position, and

(iii) a staff member (other than a senior staff member) of the council was, immediately before the transfer day, performing substantially the same duties for either or any of the affected councils as are required to be performed in the position to be filled.

(2) The council—

(a) must notify its staff members of the position and give its staff members a reasonable opportunity to apply for the position, and

(b) must not externally advertise the position.

(3) A person who—

(a) applies for appointment to a position referred to in this section, and

(b) is employed by the council at the time of making the application, and

(c) is a person referred to in subsection (1)(a)(iii) or (b)(iii), as the case requires,

must be considered for appointment to the position in preference to any other applicant for the position who is not such a person.

(4) If there is more than one person referred to in subsection (3) who is eligible for appointment to a position, the applicant who has the greatest merit, determined in accordance with section 349(2) and (3), is to be selected.

(5) Subject to subsection (4), sections 348 and 349 do not apply to an appointment to a position referred to in this section and the Council may not decide, under section 350(b), that those sections apply to the appointment.
354H  External advertising not required in certain circumstances

(1) This section applies if either—

(a) the following subparagraphs apply—

(i) a staff transfer occurs in connection with the constitution of a new area, whether as a result of the amalgamation of two or more areas or otherwise, and

(ii) within 3 years after the transfer day, the general manager proposes to make an appointment to a position within the organisational structure of the council (the council), other than a senior staff position, and

(iii) the general manager is satisfied that one or more of the transferred staff members (other than a senior staff member) are suitably qualified for the position, and

(iv) section 354G does not apply with respect to the position, or

(b) the following subparagraphs apply—

(i) a staff transfer occurs in connection with a boundary alteration, and

(ii) within 3 years after the transfer day, the general manager of a council (the council) affected by the boundary alteration proposes to make an appointment to a position within the organisational structure of the council, other than a senior staff position, and

(iii) the general manager is satisfied that one or more of the staff members (other than a senior staff member) of the council who were, immediately before the transfer day, members of the staff of either or any of the affected councils are suitably qualified for the position, and

(iv) section 354G does not apply with respect to the position.

(2) The council—

(a) must notify its staff members of the position and give its staff members a reasonable opportunity to apply for the position, and

(b) must not externally advertise the position.

(3) Section 348 does not apply to an appointment to a position referred to in this section.

354I  Limitations on transfer of work base of non-senior staff

(1) This section applies, where a staff transfer occurs, to—

(a) a transferred staff member, and

(b) in the case of a boundary alteration—

(i) a remaining staff member of the transferor council, and

(ii) an existing staff member of the transferee council, other than a senior staff member.
(2) The staff member must not be required by the council employing the staff member to be based within 3 years after the transfer day at a work base located—

(a) in a case where the staff member is a transferred staff member—outside the boundaries of the area of his or her former council as they existed immediately before the transfer day, or

(b) in a case where the staff member is a remaining staff member of the transferor council—outside the boundaries of the area of the transferor council as they existed immediately before the transfer day, or

(c) in a case where the staff member is an existing staff member of the transferee council—outside the boundaries of the area of the transferee council as they existed immediately before the transfer day,

unless the staff member gives his or her written consent to the change of work base or such a requirement would not cause the staff member to suffer unreasonable hardship because of the distance required to travel to the proposed work base.

Chapter 12 How do councils operate?

Part 1 General

355 How a council may exercise functions

A function of a council may, subject to this Chapter, be exercised—

(a) by the council by means of the councillors or employees, by its agents or contractors, by financial provision, by the provision of goods, equipment, services, amenities or facilities or by any other means, or

(b) by a committee of the council, or

(c) partly or jointly by the council and another person or persons, or

(d) jointly by the council and another council or councils (including by means of a joint organisation or a Voluntary Regional Organisation of Councils of which the councils concerned are members), or

(e) by a delegate of the council (which may, for example, be a joint organisation or a Voluntary Regional Organisation of Councils of which the council is a member).

356 Can a council financially assist others?

(1) A council may, in accordance with a resolution of the council, contribute money or otherwise grant financial assistance to persons for the purpose of exercising its functions.

(2) A proposed recipient who acts for private gain is not ineligible to be granted financial assistance but must not receive any benefit under this section until at least 28 days’ public notice of the council’s proposal to pass the necessary resolution has been given.

(3) However, public notice is not required if—

(a) the financial assistance is part of a specific program, and
(b) the program’s details have been included in the council’s draft operational plan for the year in which the financial assistance is proposed to be given, and

(c) the program’s proposed budget for that year does not exceed 5 per cent of the council’s proposed income from the ordinary rates levied for that year, and

(d) the program applies uniformly to all persons within the council’s area or to a significant group of persons within the area.

(4) Public notice is also not required if the financial assistance is part of a program of graffiti removal work.

Note. Part 4 of the Graffiti Control Act 2008 deals with graffiti removal work.

357 Can a council exercise its functions only within its area?

A council may exercise its functions within its area or outside its area, but may exercise its regulatory functions under Chapter 7 only within its area.

358 Restrictions on formation of corporations and other entities

(1) A council must not form or participate in the formation of a corporation or other entity, or acquire a controlling interest in a corporation or other entity, except—

(a) with the consent of the Minister and subject to such conditions, if any, as the Minister may specify, or

(b) as provided by this Act.

(2) This section does not prevent a council from being a member of a co-operative society or a company limited by guarantee and licensed not to use the word “Limited” in its name.

(3) In applying for the Minister’s consent under subsection (1)(a), the council is required to demonstrate, to the Minister’s satisfaction, that the formation of, or the acquisition of the controlling interest in, the corporation or entity is in the public interest.

(3A) The regulations may make provision for or with respect to the matters to be taken into account by the Minister in deciding whether to grant consent under this section and the conditions that may or must be specified by the Minister under this section.

(4) In this section, entity means any partnership, trust, joint venture, syndicate or other body (whether or not incorporated), but does not include any such entity that is of a class prescribed by the regulations as not being within this definition.

359 Can a council act as an agent?

A council may act as the agent of another person or of the Crown, subject to the regulations.

How can a council exercise its functions?
Part 2 How are decisions made?

360 Conduct of meetings of councils and committees

(1) The regulations may prescribe a model code of meeting practice for the conduct of meetings of councils and committees of councils of which all the members are councillors.
(2) The model code may contain both mandatory and non-mandatory provisions.

(3) A council must, not later than 12 months after an ordinary election of councillors, adopt a code of meeting practice that incorporates the mandatory provisions of the model code prescribed by the regulations. The adopted code may also incorporate the non-mandatory provisions and other provisions.

(4) A code adopted or amended by the council must not contain provisions that are inconsistent with the mandatory provisions.

(5) A council and a committee of the council of which all the members are councillors must conduct its meetings in accordance with the code of meeting practice adopted by it.

361 Preparation, public notice and exhibition of draft code

(1) Before adopting a code of meeting practice, a council must prepare a draft code.

(2) The council must give public notice of the draft code after it is prepared.

(3) The period of public exhibition must not be less than 28 days.

(4) The public notice must also specify a period of not less than 42 days after the date on which the draft code is placed on public exhibition during which submissions may be made to the council.

(5) The council must publicly exhibit the draft code in accordance with its notice.

362 Adoption of draft code

(1) After considering all submissions received by it concerning the draft code, the council may decide—
   (a) to amend those provisions of its draft mandatory code that are non-mandatory provisions, or
   (b) to adopt the draft code as its code of meeting practice.

(2) If the council decides to amend its draft code, it may publicly exhibit the amended draft in accordance with this Division or, if the council is of the opinion that the amendments are not substantial, it may adopt the amended draft code without public exhibition as its code of meeting practice.

363 Amendment of the code

A council may amend a code adopted under this Part by means only of a code so adopted.

364 Public availability of the code

(1) The code of meeting practice adopted under this Division by a council must be available for public inspection free of charge at the office of the council during ordinary office hours.

(2) Copies of the code must be available free of charge or, if the council determines, on payment of the approved fee.

367 Notice of meetings

(1) The general manager of a council must send to each councillor, at least 3 days before each meeting of the council, a notice specifying the time and place at which and the date on which the meeting is to be held and the business proposed to be transacted at the meeting.

(2) Notice of less than 3 days may be given of an extraordinary meeting called in an emergency.

(3) A notice under this section and the agenda for, and the business papers relating to, the meeting may be given to a councillor in electronic form but only if all councillors have facilities to access the notice, agenda and business papers in that form.

368 What is the quorum for a meeting?

(1) The quorum for a meeting of the council is a majority of the councillors of the council who hold office for the time being and are not suspended from office.

(3) A compliance order—

(a) must identify the action that the councillor is required to take by a performance improvement order but has failed to take, and

(b) must, if the councillor is to be allowed to use council facilities, or be paid any amount, for
the purposes of the councillor taking that action, specify the extent to which the councillor may use council facilities or the amount that may be paid (as the case requires), and

(c) must specify the period (not exceeding 3 months) for which it is to remain in force.

(4) The Minister may, by written notice to the councillor, extend the period for which a compliance order remains in force, but not so that the order remains in force for a total period of more than 6 months.

(5) Before issuing a compliance order to a councillor, the Minister is to—

(a) give the councillor written notice—

(i) specifying the action that the councillor has failed to take as required by a performance improvement order, and

(iii) inviting the councillor to make submissions within a specified period (of not less than 7 days) about why the order should not be made, and

(b) consider any submissions made by the councillor in accordance with the notice.

(6) The Minister is to withdraw a compliance order if satisfied that the councillor has taken the action specified in the compliance order.

(7) While a compliance order is in force against a councillor, the councillor—

(a) is not entitled to exercise any of the functions of the councillor other than as necessary to take the action specified in the compliance order, and

(b) is not entitled to any fee or other remuneration, or to the payment of expenses or to the use of council facilities, to which he or she would otherwise be entitled as a councillor, except as specified in the compliance order.

(8) The Minister may—

(a) instead of taking action under this section against a councillor, or

(b) after taking action under this section against a councillor, or

(c) while a compliance order is in force against a councillor,

request the Departmental Chief Executive to refer the matter to the Civil and Administrative Tribunal for consideration.

(9) A matter is referred to the Tribunal under this section by means of a report presented to the Tribunal by the Departmental Chief Executive and containing or accompanied by such material and observations as the Departmental Chief Executive thinks fit.

(10) The Departmental Chief Executive is to notify the councillor concerned of any request to refer the matter to the Tribunal.

(11) For the purposes of this section and Part 3 of Chapter 14, failure by a councillor to take action
as required by a performance improvement order is to be taken to be misconduct.

(12) The regulations may make provision for or with respect to the reference of matters to the Tribunal under this section.

(10) A person may be appointed as both a financial controller and a temporary adviser.

### 438HC Operations of financial controller

(1) If a financial controller is appointed to a council, a payment may not be made from any funds of the council unless payment is authorised by the financial controller.

(2) A financial controller may refuse to authorise a payment from the funds of the council if the financial controller reasonably believes that the payment—

(a) may cause the council to become insolvent, or
(b) is unlawful, or

(c) is related to activities not identified in the council’s integrated planning and reporting framework, or

(d) is from grant moneys and is not for a purpose for which the grant was given.

(3) If a financial controller is appointed to a council, the council, councillors and members of the staff of the council are required to co-operate with the financial controller and to provide any information or assistance the financial controller reasonably requires to exercise his or her functions.

(b) the temporary suspension of a council under Part 7.

(4) The Departmental Chief Executive may make a determination of the amount of the expenses referred to in subsection (1) and serve a notice on the council requiring the amount so determined be paid in recovery of the expenses.

(5) An amount equal to the expenses as so determined, unless the Departmental Chief Executive otherwise decides, is payable to the Departmental Chief Executive as a debt by the council concerned.

(6) The council may apply to the Civil and Administrative Tribunal for an administrative review under the Administrative Decisions Review Act 1997 of whether any part of the expenses so

2. The Minister is to terminate the suspension of a council under this Part no later than 30 days after the inquiry report date, unless the council is dismissed on or before that date.

3. However, a failure to terminate the suspension within that 30-day period does not affect the validity of an order terminating the suspension that is made after that 30-day period.

4. For the purposes of this section, the *inquiry report date* is the date the report of the person or persons who held the public inquiry is provided to the Governor or the Minister, as the case requires.

### 438ZA  Ordinary election during suspension period

If an ordinary election of councillors of a council is held during the period in which the council is suspended under this Part, a suspension under this Part—

code of conduct means a code of conduct adopted under section 440.

model code means the model code of conduct prescribed by the regulations under this Part.

pecuniary interest means an interest that a person has in a matter because of a reasonable likelihood or expectation of appreciable financial gain or loss to the person.
**pecuniary interests duty** means an obligation imposed on a person by the provisions of a code of conduct that relate to the disclosure of pecuniary interests.

(2) **Other persons’ pecuniary interests included as pecuniary interests** For the purposes of this Chapter, a person has a pecuniary interest in a matter if the pecuniary interest is the interest of—

(a) the person, or

(b) the person’s spouse or de facto partner or a relative of the person, or a partner or employer of the person, or

(c) a company or other body of which the person, or a nominee, partner or employer of the person, is a shareholder or member.

**Note.** “De facto partner” is defined in section 21C of the *Interpretation Act 1987*.

(3) However, a person is not taken to have a pecuniary interest in a matter as referred to in subsection (2)(b) or (c)—

(a) if the person is unaware of the relevant pecuniary interest of the spouse, de facto partner, relative, partner, employer or company or other body, or

(b) just because the person is a member of, or is employed by, a council or a statutory body or is employed by the Crown, or

(c) just because the person is a member of, or a delegate of a council to, a company or other body that has a pecuniary interest in the matter, so long as the person has no beneficial interest in any shares of the company or body.

(4) **Other exclusions** A person does not have a pecuniary interest in a matter if the interest is so remote or insignificant that it could not reasonably be regarded as likely to influence any decision the person might make in relation to the matter or if the interest is of a kind specified in a code of conduct as not being required to be disclosed.

### 439 Conduct of councillors, staff, delegates and administrators

(ii) the adopted code is inconsistent with the model code, or

       (i) the council has not adopted the model procedure, or
       (ii) the adopted procedure is inconsistent with the model procedure, or
       (iii) the model procedure contains provisions or requirements not included in the adopted procedure.

(e) an act or omission of the councillor intended by the councillor to prevent the proper or effective functioning of the council or a committee of the council.

(2) For the purposes of determining whether a person has engaged in misconduct, the person does not breach a provision of a code of conduct that requires the disclosure of a pecuniary interest if the person did not know and could not reasonably be expected to have known that the matter under consideration at a meeting was a matter in which the person had a pecuniary interest.

(3) A reference in this Division to misconduct includes a reference to misconduct that consists of an omission or failure to do something.

440G Formal censure of councillor for misconduct

(1) A council may by resolution at a meeting formally censure a councillor for misconduct.

(2) (Repealed)

engaged in misconduct on one or more occasions.

(4) The council must specify in the formal censure resolution the grounds on which it is satisfied that the councillor should be censured.

(5) A motion for a formal censure resolution may, without limitation, be moved on the report of a committee of the council and any such report must be recorded in the minutes of the meeting of the council.

440H Departmental Chief Executive may investigate or seek report on misconduct of councillor

(1) The Departmental Chief Executive may conduct an investigation for the purpose of determining whether a councillor has engaged in misconduct.

(2) The Departmental Chief Executive may conduct such an investigation—

(a) on his or her own initiative, or

(b) if the general manager of a council refers an allegation of misconduct by a councillor to the Departmental Chief Executive, or

(c) if a council, by resolution, refers an allegation of misconduct by a councillor to the Departmental Chief Executive, or

(d) if the Ombudsman states in a report that the Ombudsman is satisfied that a councillor has or may have engaged in misconduct, or

(e) if the Independent Commission Against Corruption states in a report that the Commission is satisfied that a councillor has or may have engaged in misconduct.

(a) provide written information, by the date specified in the order, and to verify the information by statutory declaration,

(b) produce, at a time and place specified in the order, any document specified in the order that is in the person’s custody or control.

Note. Failure to comply with the direction is an offence under section 661.

(b) the person would not, in court proceedings, be required to comply with a similar direction on grounds of privilege against self-incrimination or legal professional privilege, and

(5) The Departmental Chief Executive may arrange for a departmental report to be prepared in relation to an investigation conducted under this section.

(5A) The Departmental Chief Executive may arrange for a departmental report to be prepared about whether a councillor has engaged in misconduct without an investigation being carried out under this section if—

(b) the Departmental Chief Executive is of the opinion that the alleged misconduct, if proven, would be minor in nature and, were it to warrant disciplinary action, the disciplinary action would be comprised only of counselling or reprimanding the councillor, or

(c) the Departmental Chief Executive otherwise considers it appropriate to do so.

(6) The preparation of a departmental report is a prerequisite to a decision by the Departmental Chief Executive to take disciplinary action against a councillor, unless the disciplinary action is taken on the basis of a report by the Ombudsman or Independent Commission Against Corruption.

(7) This section authorises reports relating to misconduct to be made by the Ombudsman or Independent Commission Against Corruption and a reference to a report of the Ombudsman or Independent Commission Against Corruption is a reference to a report made to the Departmental Chief Executive under the authority of this subsection or under any other provision of this or any other Act.

(8) The powers conferred on the Departmental Chief Executive by this section may also be exercised for the purposes of determining if an administrator has engaged in conduct that would be misconduct if the administrator were a councillor.

administrator means an administrator of a council (other than an administrator appointed by the Minister for Primary Industries under section 66).

440I Departmental Chief Executive may take disciplinary action for misconduct

(1) The Departmental Chief Executive may take disciplinary action against a councillor if the Departmental Chief Executive is satisfied that—

(3) In determining which disciplinary action, if any, to take against a councillor who has engaged in misconduct, the Departmental Chief Executive may take into account any previous incidents of misconduct by the councillor, any disciplinary action previously taken against the councillor and any other relevant matters.

(3A) Before taking disciplinary action against a councillor, the Departmental Chief Executive is to—

(a) give the councillor written notice—

(i) specifying the grounds on which it is proposed to take disciplinary action against the councillor, and

(ii) specifying the disciplinary action that the Departmental Chief Executive proposes to take against the councillor, and

(iii) inviting the councillor to make submissions within a specified period (of not less than 14 days) about the proposal, and

(b) consider any submissions made by the councillor in accordance with the notice.

(5) A copy of the decision and the statement of reasons for the decision are to be provided to the council.

(6) The Departmental Chief Executive is to make any decision to suspend a councillor from civic office or to suspend a councillor’s right to be paid any fee or other remuneration under this section, and the statement of reasons for the decision, publicly available.

(7) The Departmental Chief Executive may make any other decision to take disciplinary action against a councillor, and the statement of reasons for the decision, publicly available.
(8) No liability (including liability in defamation) is incurred for making a decision publicly available as permitted or required by this section or for publishing in good faith a fair report or summary of such a decision.

440J Alternatives to disciplinary action by the Departmental Chief Executive

(1) The Departmental Chief Executive may before, during or after an investigation into an allegation of misconduct by a councillor decide to take no further action against the councillor, if satisfied that no further action is warranted.

(2) The Departmental Chief Executive may, instead of taking disciplinary action against a councillor—

(a) refer the matter to the council concerned with recommendations as to how the council might resolve the matter, by alternative dispute resolution or otherwise, or

(b) refer the matter to the Civil and Administrative Tribunal for consideration.

(3) A matter is referred to the Tribunal under this section by means of a report presented to the Tribunal by the Departmental Chief Executive. A report may contain or be accompanied by such material and observations as the Departmental Chief Executive thinks fit.

(4) The Departmental Chief Executive is to notify the councillor concerned of any decision to refer the matter to the Tribunal.

(2) The period of suspension under an order made by the Departmental Chief Executive commences on the date 7 days after the service of the order on the councillor or the date specified in the order for the commencement of the period of suspension, whichever is the later.

440L Appeals against disciplinary action

(1) A councillor against whom disciplinary action (other than disciplinary action comprised only of counselling or reprimanding) is taken by the Departmental Chief Executive may appeal to the Civil and Administrative Tribunal against the decision of the Departmental Chief Executive to take disciplinary action.

Note. An appeal under this section is an external appeal to the Tribunal for the purposes of the Civil and Administrative Tribunal Act 2013.

(2) An appeal must be made within 28 days after the day on which the councillor is notified of the Departmental Chief Executive’s decision to take disciplinary action against the councillor.
(3) The Tribunal may stay any decision made by the Departmental Chief Executive until such time as the Tribunal determines the appeal.

(3A) If the Tribunal stays a decision for suspension of a councillor for misconduct that has resulted or will result in disqualification from civic office under section 275(1A), the disqualification ceases to have effect or does not take effect (as the case requires) until such time as the appeal is finally determined or withdrawn.

(4) On hearing the appeal, the Tribunal may—

(a) confirm the decision, or

(b) amend the decision, or

(c) set aside the decision and substitute a new decision.

(5) If a decision is amended or substituted, the decision as amended or substituted has effect as if it had been made in that form by the Departmental Chief Executive.

(6) If the Tribunal sets aside a decision to suspend a councillor, any fee or other remuneration, or expenses, withheld under the suspension is payable to the councillor and any disqualification that resulted from the suspension ceases to have effect.

440N Investigation of former councillors

(1) The Departmental Chief Executive may conduct an investigation for the purpose of determining whether a former councillor engaged in misconduct during the period in which the former councillor was a councillor.
(2) For that purpose, sections 440H and 440M apply as if a reference in those sections to a councillor includes a reference to a former councillor.

(3) The Departmental Chief Executive may before, during or after an investigation into an allegation of misconduct by a former councillor decide to refer the matter to the Civil and Administrative Tribunal for consideration.

(4) Section 440J applies to the referral of the matter to the Tribunal in the same way as it applies to a referral of a matter relating to a councillor to the Tribunal.

440O Self-incrimination

(1) This section applies where, under section 440H, the Departmental Chief Executive directs a natural person to provide any information or produce any document for the purposes of an investigation.

(2) A person is not excused from complying with the direction on the ground that the information or document might incriminate the person or make the person liable to a penalty.

(3) If the information or document tends to incriminate the person and the person objects to providing the information or producing the document at the time, the fact of the direction or the information or document itself (if produced) may not be used in any criminal proceedings against the person (except in proceedings for an offence relating to the failure to produce a document or information or the production of a document or information that is false or misleading).

(4) Despite any such objection, the information or document may be used in connection with an investigation and the taking of disciplinary action against the person under this Division and is admissible in proceedings under this Act relating to misconduct.

• special rates.

493 Categories of ordinary rates and categories of land

(1) There are 4 categories of an ordinary rate and 4 categories of rateable land—

• farmland
• residential
• mining
• business.
These categories may, at a council’s discretion, be divided into sub-categories in accordance with section 529.

494 Ordinary rates must be made and levied annually

(1) A council must make and levy an ordinary rate for each year on all rateable land in its area.

(2) Each category or subcategory of ordinary rate is to apply only to land of the same category or subcategory.

495 Making and levying of special rates

(1) A council may make a special rate for or towards meeting the cost of any works, services, facilities or activities provided or undertaken, or proposed to be provided or undertaken, by the council within the whole or any part of the council’s area, other than domestic waste management services.

(2) The special rate is to be levied on such rateable land in the council’s area as, in the council’s opinion—

(a) benefits or will benefit from the works, services, facilities or activities, or

(b) contributes or will contribute to the need for the works, services, facilities or activities, or

(c) has or will have access to the works, services, facilities or activities.

Note. Under section 495, a council could, for example make and levy—

• different special rates for different kinds of works, services, facilities or activities

• different special rates for the same kind of work, service, facility or activity in different parts of its area

• different special rates for the same work in different parts of its area.

The amount of special rate will be determined according to the council’s assessment of the relationship between the cost or estimated cost of the work, service, facility or activity and the degree of benefit afforded to the ratepayer by providing or undertaking the work, service, facility or activity.

495A Strata lots and company titles taken to be separate parcels of land for annual charges

For the purposes of making or levying an annual charge under section 496, 496A or 501—

(a) each lot in a strata plan that is registered under the Strata Schemes Development Act 2015, and

(b) each dwelling or portion of the kind referred to in section 547(1),

is taken to be a separate parcel of rateable land.

496 Making and levying of annual charges for domestic waste management services

(1) A council must make and levy an annual charge for the provision of domestic waste management services for each parcel of rateable land for which the service is available.

(2) A council may make an annual charge for the provision of a domestic waste management service for a parcel of land that is exempt from rating if—

(a) the service is available for that land, and
(b) the owner of that land requests or agrees to the provision of the service to that land, and
(c) the amount of the annual charge is limited to recovering the cost of providing the service to that land.

496A Making and levying of annual charges for stormwater management services

(1) A council may, in accordance with the regulations, make and levy an annual charge for the provision of stormwater management services for each parcel of rateable land for which the service is available.

(2) Subsection (1) does not authorise or permit a council to make or levy an annual charge for the provision of stormwater management services for rateable land that is—
(a) owned by the Crown, and
(b) held under a lease for private purposes granted under the *Housing Act 2001* or the *Aboriginal Housing Act 1998*.

Note. Section 555(1)(a) provides that land owned by the Crown is not rateable land unless it is held under a lease for a private purpose.

496B Making and levying of annual charges for coastal protection services

(1) A council may, in accordance with this Act and the regulations, make and levy an annual charge for the provision by the council of coastal protection services for a parcel of rateable land that benefits from the services, being services that relate to coastal protection works constructed—
(a) by or on behalf of the owner or occupier (or a previous owner or occupier) of the parcel of land, or
(b) jointly by or on behalf of—
   (i) the owner or occupier (or a previous owner or occupier) of the parcel of land, and
   (ii) a public authority or a council.

(2) An annual charge for the provision of coastal protection services must be calculated so as to not exceed the reasonable cost to the council of providing those services (including any legal, insurance, engineering, surveying, project management, financing and similar costs associated with providing those services).

Note. The coastal protection services for which an annual charge may be made and levied are services—
(a) to maintain and repair coastal protection works, or
(b) to manage the impacts of such works (such as changed or increased beach erosion elsewhere).

See the definition of *coastal protection service* in the Dictionary.

(3) If a person is aggrieved by the amount of the annual charge, the person may appeal to the Land and Environment Court and that Court may determine the amount.

(4) The fact that an appeal is pending does not in the meantime affect the levying of the annual charge to which the appeal relates and the charge may be recovered as if no appeal were pending.
(5) If a person’s appeal is, in whole or in part, successful, the council must refund any amount paid in excess of a requirement for payment under this Act.

(6) If the Land and Environment Court, in the course of determining an appeal under subsection (3), determines the reasonable cost to the council of providing coastal protection services in relation to particular coastal protection works, that determination is binding in relation to the calculation of the annual charge for all other parcels of land that benefit from those same services.

(7) For the avoidance of doubt, a parcel of land benefits from the provision of coastal protection services even if—

(a) the services relate to private coastal protection works (such as a seawall) wholly on the parcel or on a neighbouring parcel of private land, or

(b) the services are carried out on land that is outside the council’s area.

(8) Subsection (1) does not authorise or permit a council to make or levy an annual charge for the provision of coastal protection services for rateable land that is held under a lease for private purposes granted under the *Aboriginal Housing Act 1998* or the *Housing Act 2001*.

(9) The Minister administering the *Coastal Management Act 2016* is to issue guidelines relating to the making and levying of charges under this section. A council is to have regard to any such guidelines when making and levying such charges.

497 What is the structure of a rate?

A rate, whether an ordinary rate or a special rate, may, at a council’s discretion, consist of—

(a) an ad valorem amount (which may, in accordance with section 548, be subject to a minimum amount of the rate), or

(b) a base amount to which an ad valorem amount is added.

498 The ad valorem amount

(1) The ad valorem amount of a rate is an amount in the dollar determined for a specified year by the council and expressed to apply—

(a) in the case of an ordinary rate—to the land value of all rateable land in the council’s area within the category or sub-category of the ordinary rate, or

(b) in the case of a special rate—to the land value of all rateable land in the council’s area or such of that rateable land as is specified by the council in accordance with section 538.

(2) The ad valorem amount of a rate is to be levied on the land value of rateable land, except as provided by this or any other Act.

(3) An ad valorem amount specified for a parcel of land may not differ from an ad valorem amount specified for any other parcel of land within the same category or subcategory unless—

(a) the land values of the parcels were last determined by reference to different base dates, and

(b) the Minister approves the different ad valorem amounts.
Note. **Land value** is defined in the Dictionary for this Act. Generally, it is a value determined specially for rating purposes by the Valuer-General under the *Valuation of Land Act 1916*.

A value other than land value may be used, for example, under section 127 of the *Heritage Act 1977*.

### 499 The base amount

1. A council may, in a resolution making a rate, specify a base amount of the rate, or a base amount for a category or sub-category of an ordinary rate.

2. The base amounts so specified may be the same or different amounts.

3. The appropriate base amount so specified is to form part of the rate levied on each separate parcel of rateable land subject to the rate.

4. A base amount specified for a parcel of land may not differ from a base amount specified for any other parcel of land within the same category or subcategory unless—
   - (a) the land values of the parcels were last determined by reference to different base dates, and
   - (b) the Minister approves the different base amounts.

### 500 Limit on revenue that can be raised from base amount

The amount specified as the base amount of a rate (or the base amount of the rate for a category or sub-category of an ordinary rate) must not be such as to produce more than 50 per cent of the total amount payable by the levying of the rate (or of the rate for the category or sub-category concerned) on all rateable land subject to the rate (or the rate for the category or sub-category concerned).

### 501 For what services can a council impose an annual charge?

1. A council may make an annual charge for any of the following services provided, or proposed to be provided, on an annual basis by the council—
   - water supply services
   - sewerage services
   - drainage services
   - waste management services (other than domestic waste management services)
   - any services prescribed by the regulations.

2. A council may make a single charge for two or more such services.

3. An annual charge may be levied on each parcel of rateable land for which the service is provided or proposed to be provided.

### 502 Charges for actual use

A council may make a charge for a service referred to in section 496 or 501 according to the actual use of the service.
503 What is the relationship between rates and charges?

(1) A charge may be made—

(a) in addition to an ordinary rate, and

(b) in addition to or instead of a special rate.

(2) If land is not rateable to a special rate for a particular service, a council may not levy a charge in respect of that land relating to the same service, unless the charge is limited to recovering the cost of providing the service to that land.

504 Domestic waste management services

(1) A council must not apply income from an ordinary rate towards the cost of providing domestic waste management services.

(1A) Subsection (1) does not prevent income from an ordinary rate from being lent (by way of internal loan) for use by the council in meeting the cost of providing domestic waste management services.

(2) Income to be applied by a council towards the cost of providing domestic waste management services must be obtained from the making and levying of annual charges or the imposition of charges for the actual use of the service, or both.

(3) Income obtained from charges for domestic waste management must be calculated so as to not exceed the reasonable cost to the council of providing those services.

Part 2 Limit of annual income from rates and charges

505 Application of Part

This Part applies to—

(a) general income, that is, income from ordinary rates, special rates and annual charges, other than—

(i) water supply special rates and sewerage special rates, and

(ii) charges for water supply services and sewerage services, and

(iii) annual charges for waste management services, including annual charges for domestic waste management services, and

(iv) annual charges referred to in section 611, and

(v) annual charges for stormwater management services, and

(vi) annual charges for coastal protection services, and

(b) annual charges made and levied towards the cost of providing domestic waste management services, and

(c) annual charges made and levied towards the cost of providing stormwater management services.
506 Variation of general income

The Minister may, by order published in the Gazette specify the percentage by which councils’
general income for a specified year may be varied.

507 Variation of annual charges for domestic waste management services

The Minister may, by order published in the Gazette—

(a) specify the percentage by which the amounts of annual charges made by councils for domestic
waste management services for a specified year may be varied, and

(b) impose conditions with respect to the variation of those charges.

508 Orders under secs 506 and 507

(1) The year specified in an order under section 506 or 507 may be the year in which the order is
published in the Gazette or a later year.

(2) The Minister may, by instrument in writing given to a council—

(a) specify the percentage by which the council’s general income or the amount of an annual
charge for domestic waste management services, or both, for a specified year (being the
year in which the instrument is given or a later year) may be varied, and

(b) impose conditions with respect to the variation of that percentage.

(3) An instrument made under subsection (2) takes effect on the day it is signed by the Minister.

(4) Subject to subsection (5), a percentage specified in an order under section 506 or 507 applies to
all councils uniformly, but does not apply to a council specified (in the order by which the
percentage is specified) as being a council to which the percentage does not apply.

(5) A percentage specified in an order under section 506 or 507 for a year does not apply, and (if
relevant) is taken never to have applied, to a council to which a percentage specified under
subsection (2) for that year applies, whether the order specifying the percentage was made
before, on or after the day on which the instrument specifying the percentage under subsection
(2) was made.

(5A) Subject to section 508A(6), a percentage specified in an order under section 506 or 507 for a
year does not apply, and (if relevant) is taken never to have applied, to a council to which a
determination under section 508A applies for that year, whether the order specifying the
percentage was made before, on or after the day on which the determination was made.

(6) The Minister may specify a percentage by way of increase or decrease or a nil percentage for the
purposes of section 506 or 507 or this section.

(7) The Minister may, by order published in the Gazette, specify that no limitation is to apply for the
purposes of section 506 or 507 or this section for a specified year.

508A Special variation over a period of years

(1) The Minister may, by instrument in writing given to a council, determine that the council’s
general income, or the amount of an annual charge for domestic waste management services
provided by the council, or both, for a specified period consisting of two or more years, may be varied by a specified percentage over the whole period.

(2) The specified period must not exceed 7 years, but this subsection does not prevent a further determination being made that takes effect after that period.

(3) The determination may be made only on the application of the council made in accordance with any applicable guidelines issued by the Departmental Chief Executive under this Act.

(4) The determination may include conditions with respect to the variation.

(5) Without limiting subsection (4), the conditions of the determination may specify the percentage by which the council’s general income, or the amount of the annual charge for domestic waste management services provided by the council, may be varied for a specified year to which the determination applies.

(6) If, for a year to which the determination applies in respect of—

(a) the council’s general income—the percentage specified under section 506 for that year is greater than the percentage specified in the conditions of the determination, the percentage specified under that section in respect of the council’s general income is taken to be substituted for that specified in the conditions, or

(b) the amount of the annual charge for domestic waste management services provided by the council—the percentage specified under section 507 for that year is greater than the percentage specified in the conditions of the determination, the percentage specified under that section in respect of the annual charge is taken to be substituted for that specified in the conditions.

(7) Subject to any later variations made to the determination, if the percentage (the general percentage) specified under section 506 or 507 is substituted under subsection (6) for a year—

(a) the percentage specified under this section for the whole period is taken to be increased by the amount necessary to take into account the increase due to the substitution of the general percentage for that year, and

(b) the appropriate percentage for the remaining years is to be applied to the amount of the council’s general income, or of the annual charge for domestic waste management services provided by the council, taking into account the increase due to that substitution.

(8) The Minister may, by instrument in writing served on the council—

(a) vary the determination, including, for example, by varying or revoking any conditions of the determination or by including new conditions, or

(b) revoke the determination.

(9) The determination may be varied or revoked only—

(a) on the application of the council made in accordance with any applicable guidelines issued by the Departmental Chief Executive under this Act, or

(b) on the Minister’s own initiative if the Minister is satisfied that the council has contravened
any conditions of the determination or any applicable guidelines issued by the Departmental
Chief Executive under this Act.

509 Maximum general income for a year

(1) A council must not make rates and charges for a year so as to produce general income of an
amount that exceeds the notional general income of the council for the previous year as varied
by the percentage (if any) applicable to the council under section 506, 508(2) or 508A for the
year for which the rates and charges are made, except as provided by section 511 or 511A.

(2) The notional general income of a council for the previous year

is the amount that would have
been derived if the same rates and charges as were made to produce the general income for that
previous year had been so made but, in the case of rates, had been made in respect of—

(a) the valuations of rateable land in the council’s valuation record applicable as at 1 July in that
previous year and required under this Act to be used in that previous year for the making
and levying of rates (not including valuations of those parcels of rateable land for which
supplementary valuations referred to in paragraph (b) have been furnished), and

(b) supplementary valuations of rateable land having the same base date as those valuations and
furnished to the council under the Valuation of Land Act 1916 during that previous year, and

(c) any estimates of increase in value of rateable land that are provided to the council under
section 513 in respect of that previous year.

510 Maximum annual charge for domestic waste management services

(1) A council must not make an annual charge for domestic waste management services for a parcel
of rateable land that exceeds the annual charge for the parcel for the previous year as varied by
the percentage (if any) applicable to the council under section 507, 508(2) or 508A for the year
for which the charge is made.

(2) The annual charge for a parcel of land for a previous year—

(a) in the case of a parcel for which a charge has been made for part of the year only, is taken to
be the charge that was actually made, multiplied by 365 and divided by the number of days
in respect of which the charge was made, and

(b) in the case of a parcel for which no charge was actually made for the previous year, is taken
to be the charge that was actually made for that year in relation to a comparable parcel of
land (that is, a parcel of land of the same classification, of a similar size and in the same
general locality).

510A Maximum annual charge for stormwater management services

(1) The regulations are to prescribe the maximum annual charge that a council may levy for the
 provision of stormwater management services for parcels of land in respect of which such a
charge may be levied.

(2) The annual charge for the provision of stormwater management services for a parcel of land in
respect of which such a charge may be levied must not exceed the maximum annual charge
prescribed by the regulations under subsection (1).
511 Catching up of shortfall in general income

(1) If the rates and charges made by a council for a year that produce its general income produce an amount of general income that is less than the maximum amount permissible under section 509 for that year because the council did not apply a full percentage increase applicable to it under section 506, 508(2) or 508A for the year for which the rates and charges were made, the council may make rates and charges for any 1 or more of the next 10 years after the year for which the shortfall occurred so as to produce the maximum amount so permissible of the general income plus the whole or any part of the shortfall.

Note. For example, a council that had a shortfall referred to in subsection (1) of $100,000 in a particular year could recover that amount by increasing the amount of rates and charges—

(a) in 1 of the next 10 years to recover an additional $100,000 in that year, or
(b) in 4 of the next 10 years to recover an additional $25,000 in each of those years, or
(c) in each of the next 10 years to recover an additional $10,000 in each of those years.

(2) An amount of a shortfall caught up in accordance with this section may be caught up once only.

511A Catching up of income lost due to reductions in valuation

(1) This section applies to a council that cannot recover or retain a part of the maximum permissible general income determined under this Part for a year because, after the determination is made, a valuation used in making a rate is reduced (whether because of an objection under the Valuation of Land Act 1916, an appeal under that Act or for any other reason). The part of the maximum permissible general income that cannot be recovered or retained is referred to in this section as the unrecovered amount.

(2) The council may increase the maximum permissible general income determined under this Part for a year by any unrecovered amount for a previous year.

512 Effect of contravening section 509, 510, 510A, 511 or 511A

(1) If a council contravenes section 509, 510, 510A, 511 or 511A in making a rate or charge for a year—

(a) the contravention does not affect the validity of the rate or charge, but

(b) rates and charges made for the following year by the council are invalid for all purposes unless—

(i) before the rates and charges were made the council submitted to the Minister such information respecting the rates and charges proposed to be made for that following year as the Minister may require and the Minister, by order published in the Gazette, approved of their being made, and

(ii) the rates and charges conform with the Minister’s approval.

(iii) (Repealed)

(2) The Minister may, by order published in the Gazette, exempt a specified council from the operation of subsection (1)(b) for a specified year.
(3) Section 712 does not prevent a person’s liability for a rate or charge that is invalid because of subsection (1)(b) from being disputed at any time on the ground of that invalidity.

513 Estimates of increases and decreases in value for purposes of notional rate income

(1) A council may, at any time after 31 January in any year but before 31 May in that year, request the Valuer-General to provide—

(a) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations are required to be furnished under the Valuation of Land Act 1916 but which, before the date of the request, have not been so furnished, and

(b) estimates of increases and decreases in values for parcels of rateable land for which supplementary valuations have been or are required to be furnished under the Valuation of Land Act 1916 but which have or will have a different base date from those used for rating purposes for that year because of a general valuation furnished in that year for the council’s area.

(2) The Valuer-General must provide the estimates within 1 month after the date of the request.

(3) An estimate must be made with respect to the same base date as the valuations used for rating purposes for the year in which the request is made.

(4) An estimate may relate to all parcels of rateable land of the class for which a kind of ordinary rate was made for the relevant year by the council.

**Part 3 Ordinary rates**

**514 Categorisation of land for purposes of ordinary rates**

Before making an ordinary rate, the council must have declared each parcel of rateable land in its area to be within one or other of the following categories—

- farmland
- residential
- mining
- business.

**Note.** Land falls within the “business” category if it cannot be categorised as farmland, residential or mining. The main land uses that will fall within the “business” category are commercial and industrial.

**515 Categorisation as farmland**

(1) Land is to be categorised as farmland if it is a parcel of rateable land valued as one assessment and its dominant use is for farming (that is, the business or industry of grazing, animal feedlots, dairying, pig-farming, poultry farming, viticulture, orcharding, bee-keeping, horticulture, vegetable growing, the growing of crops of any kind, forestry or aquaculture within the meaning of the *Fisheries Management Act 1994*, or any combination of those businesses or industries) which—

(a) has a significant and substantial commercial purpose or character, and

(b) is engaged in for the purpose of profit on a continuous or repetitive basis (whether or not a profit is actually made).

(2) Land is not to be categorised as farmland if it is rural residential land.

(3) The regulations may prescribe circumstances in which land is or is not to be categorised as farmland.

**516 Categorisation as residential**

(1) Land is to be categorised as residential if it is a parcel of rateable land valued as one assessment and—

(a) its dominant use is for residential accommodation (otherwise than as a hotel, motel, guest-house, backpacker hostel or nursing home or any other form of residential accommodation (not being a boarding house or a lodging house) prescribed by the regulations), or

(b) in the case of vacant land, it is zoned or otherwise designated for use under an environmental planning instrument (with or without development consent) for residential purposes, or
(c) it is rural residential land.

(1A) For the purposes of this section, a boarding house or a lodging house means a building wholly or partly let as lodging in which each letting provides the tariff-paying occupant with a principal place of residence and in which—

(a) each tariff charged does not exceed the maximum tariff for boarding houses or lodging houses for the time being determined by the Minister by order published in the Gazette for the purposes of this subsection, and

(b) there are at least 3 tariff-paying occupants who have resided there for the last 3 consecutive months, or any period totalling 3 months during the last year,

and includes a vacant building that was so let immediately before becoming vacant, but does not include a residential flat building, licensed premises, a private hotel, a building containing serviced apartments or a backpacker hostel or other tourist establishment.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as residential.

517 Categorisation as mining

(1) Land is to be categorised as mining if it is a parcel of rateable land valued as one assessment and its dominant use is for a coal mine or metalliferous mine.

(2) The regulations may prescribe circumstances in which land is or is not to be categorised as mining.

518 Categorisation as business

Land is to be categorised as business if it cannot be categorised as farmland, residential or mining.

518A Strata lots and company titles taken to be separate parcels of land for categorisation

For the purposes of this Part—

(a) each lot in a strata plan that is registered under the Strata Schemes Development Act 2015, and

(b) each dwelling or portion of the kind referred to in section 547(1),

is taken to be a separate parcel for the purposes of categorisation.

518B Mixed development land

(1) Definitions In this section, mixed development land and non-residential land have the same meanings as in section 14BB of the Valuation of Land Act 1916.

(2) Categorisation of parts of mixed development land If a valuation is furnished under the Valuation of Land Act 1916 for mixed development land—

(a) the part of the land that is non-residential land is taken to have been categorised as business, and

(b) the part of the land that is not non-residential land is taken to have been categorised as
residential,
despite sections 515–518.

(3) **Sub-categories** The council may determine a sub-category for a part of land to which subsection (2) applies according to the category determined by that subsection for the part.

(4) **Apportionment of rates and charges** A rate, the base amount of a rate, or the minimum amount of a rate or of a charge, that is made and levied according to categories or sub-categories of land is to apply to a parcel of mixed development land according to the percentages represented by the apportionment factor for the parcel ascertained under section 14X of the *Valuation of Land Act 1916*.

### 519 How is vacant land to be categorised?

If vacant land is unable to be categorised under section 515, 516 or 517, the land is to be categorised—

(a) if the land is zoned or otherwise designated for use under an environmental planning instrument—according to any purpose for which the land may be used after taking into account the nature of any improvements on the land and the nature of surrounding development, or

(b) if the land is not so zoned or designated—according to the predominant categorisation of surrounding land.

### 520 Notice of declaration of category

(1) A council must give notice to each rateable person of the category declared for each parcel of land for which the person is rateable.

(2) The notice must be in the approved form and must—

(a) state that the person has the right to apply to the council for a review of the declaration that the land is within the category stated in the notice, and

(b) state that the person has the right to appeal to the Land and Environment Court if dissatisfied with the council’s review, and

(c) refer to sections 525 and 526.

### 521 When does the declaration of a category take effect?

A declaration that a parcel of land is within a particular category takes effect from the date specified for the purpose in the declaration.

### 522 When does the declaration of a category cease?

A declaration that a parcel of land is within a particular category ceases when a subsequent declaration concerning the land takes effect.

### 523 When are the declarations of categories reviewed?

(1) A council need not annually review a declaration that a parcel of land is within a particular category, but may review a declaration—
(a) as part of a general review of the categorisation of all or a number of parcels of land, or
(b) because it has reason to believe that a parcel of land should be differently categorised.

(2) A council must review a declaration if required to do so in accordance with section 525 by a
person who is rateable in respect of a parcel of land to which the declaration applies.

524 Notice of change of category

A rateable person (or the person’s agent) must notify the council within 30 days after the person’s
rateable land changes from one category to another.

525 Application for change of category

(1) A rateable person (or the person’s agent) may apply to the council at any time—
(a) for a review of a declaration that the person’s rateable land is within a particular category for
the purposes of section 514, or
(b) to have the person’s rateable land declared to be within a particular category for the
purposes of that section.

(2) An application must be in the approved form, must include a description of the land concerned
and must nominate the category the applicant considers the land should be within.

(3) The council must declare the land to be within the category nominated in the application unless it
has reasonable grounds for believing that the land is not within that category.

(4) If the council has reasonable grounds for believing that the land is not within the nominated
category, it may notify the applicant of any further information it requires in order to be satisfied
that the land is within that category. After considering any such information, the council must
declare the category for the land.

(5) The council must notify the applicant of its decision. The council must include the reasons for its
decision if it declares that the land is not within the category nominated in the application.

(6) If the council has not notified the applicant of its decision within 40 days after the application is
made to it, the council is taken, at the end of the 40-day period, to have declared the land to be
within its existing category.

526 Appeal against declaration of category

(1) A rateable person who is dissatisfied with—
(a) the date on which a declaration is specified, under section 521, to take effect, or
(b) a declaration of a council under section 525,
may appeal to the Land and Environment Court.

(2) An appeal must be made within 30 days after the declaration is made.

(3) The Court, on an appeal, may declare the date on which a declaration is to take effect or the
category for the land, or both, as the case requires.
527 Adjustment of rates following change in category

A council must make an appropriate adjustment of rates paid or payable by a rateable person following a change in category of land.

528 Rate may be the same or different for different categories

(1) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all categories of land or it may be different for different categories.

(2) The regulations may provide that the ad valorem amount of the ordinary rate for land categorised as mining is to be not more or less than a specified percentage of the ad valorem amount of the ordinary rate for land categorised as business. The regulations may apply to all councils or one or more councils specified in the regulations.

529 Rate may be the same or different within a category

(1) Before making an ordinary rate, a council may determine a sub-category or sub-categories for one or more categories of rateable land in its area.

(2) A sub-category may be determined—

(a) for the category “farmland”—according to the intensity of land use, the irrigability of the land or economic factors affecting the land, or

(b) for the category “residential”—according to whether the land is rural residential land or is within a centre of population, or

(c) for the category “mining”—according to the kind of mining involved, or

(d) for the category “business”—according to a centre of activity.

Note. In relation to the category “business”, a centre of activity might comprise a business centre, an industrial estate or some other concentration of like activities.

(3) The ad valorem amount (the amount in the dollar) of the ordinary rate may be the same for all land within a category or it may be different for different sub-categories.

(4) Land may be taken to be irrigable for the purposes of subsection (2)(a) if, and only if, it is the subject of a water right within the meaning of the Valuation of Land Act 1916.

530 (Repealed)

531 What provisions of this Part apply to the determination of sub-categories?

(1) Sections 519–527 apply to the determination of sub-categories for a category of rateable land in the same way as those sections apply to the declaration of a category.

(2) Notice of determination of a sub-category may be given in the same notice as the notice of declaration of a category.
Part 3A Charges

531A Adjustment of charges following change in category

If the amount of a charge paid or payable by a person is determined by reference (or partly by reference) to a category or sub-category of land declared by the council under Part 3, the council must make an appropriate adjustment of the charge following a change in category or sub-category of the land.

531B Aggregation of certain parcels subject to a charge

(1) If the council is of the opinion that the levying of a charge—

(a) would apply unfairly, and

(b) could cause hardship to a person who is liable to the charge in respect of two or more separate parcels of land,

it may treat the parcels as being a single parcel and levy the charge accordingly.

(2) Separate parcels may be treated as being a single parcel under this section only if each separate parcel is subject to the same category or sub-category declared by the council under Part 3.

(3) A council must not treat separate parcels as being a single parcel under this section—

(a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or

(b) if the parcels are a combination of parcels referred to in paragraph (a).

Part 4 Making of rates and charges

532 Publication of draft operational plan

A council must not make a rate or charge until it has given public notice (in accordance with section 405) of its draft operational plan for the year for which the rate or charge is to be made and has considered any matters concerning the draft operational plan (in accordance with that section).

533 Date by which a rate or charge must be made

A rate or charge must be made before 1 August in the year for which the rate or charge is made or before such later date in that year as the Minister may, if the Minister is of the opinion that there are special circumstances, allow.

534 Rate or charge to be made for a specified year

Each rate or charge is to be made for a specified year, being the year in which the rate or charge is made or the next year.

535 Rate or charge to be made by resolution

A rate or charge is made by resolution of the council.
536 What criteria are relevant in determining the base amount?

(1) In determining a base amount of a rate, the council must have regard to (but is not limited to) the following—
   • its general administration and overhead costs
   • the extent to which projected ad valorem rates on individual properties do not reflect the cost of providing necessary services and facilities
   • the level of grant or similar income available to provide necessary services and facilities
   • the degree of congruity and homogeneity between the values of properties subject to the rate and their spread throughout the area
   • whether a rate that is wholly an ad valorem rate would result in an uneven distribution of the rate burden because a comparatively high proportion of assessments would bear a comparatively low share of the total rate burden
   • in the case of a special rate—the cost of providing the works, services, facilities or activities to the parcels of land subject to the rate (ignoring the rateable value of those parcels).

(2) The council, in having regard to its general administration and overhead costs, must use net costs, with income being included in the calculation of standard costs for all community service functions, library services, recreational and cultural facilities and amenities and the like.

537 Form of resolution specifying base amounts of rates

In the resolution that specifies a base amount of a rate, or the base amount of a rate for a category or sub-category of an ordinary rate, the council must state—

(a) the amount in dollars of the base amount, and

(b) the percentage, in conformity with section 500, of the total amount payable by the levying of the rate, or the rate for the category or sub-category concerned of the ordinary rate, that the levying of the base amount will produce.

538 Form of resolution for special rate

(1) In the resolution that makes a special rate, the council must state whether the special rate is to be levied on all rateable land in the council’s area or on only a part of that land.

(2) If the special rate is to be levied on only a part of that land, the council must specify in the resolution the part on which it is to be levied.

539 What criteria are relevant in determining the amount of a charge?

(1) In determining the amount of a charge for a service, the council may have regard to (but is not limited to) the following—
   • the purpose for which the service is provided
   • the nature, extent and frequency of the service
(2) The amount of a charge need not be limited to recovering the cost of providing the service for which the charge is made, except as provided by sections 503(2) and 504(3).

540 Form of charge

The amount of a charge may be expressed as a single amount or as a rate per unit or as any combination of them.

Note. For example, the amount of a charge for a water supply service could be a fixed amount, a rate per kilolitre, or a combination of them.

541 Differing amounts of a charge

A council may determine differing amounts for the same charge.

542 Minimum amounts of charges

A council may, in a resolution making a charge, specify a minimum amount of the charge or, if the council has determined differing amounts for the same charge, minimum amounts for each such differing amount.

543 Each form of rate and each charge to have its own name

(1) A council must, when making an ordinary rate, give a short separate name for each amount of the ordinary rate.

(2) A council must, when making a special rate, give the special rate a short name.

(3) A council must, when making a charge, give a short separate name for each amount of the charge.

Note. The names given to the ordinary rate could include names like—

- Farmland—Ordinary
- Farmland—Poultry farms
- Residential—A
- Residential—B

The names given to special rates could include names like—
Upper Smithtown water rate
Lower Smithtown water rate
Leisure centre—primary rate
Leisure centre—secondary rate

The names given to charges could include names like—

Waste management services—domestic
Waste management services—commercial

544 Inclusion of names in rates and charges notices

A council must include the name of each rate and charge, in full or in an abbreviated form, in the rates and charges notice by which the rate or charge is levied.

545 Curing of irregularities

(1) The Minister may authorise a council to do such things as may be necessary to cure an irregularity in the making or levying of a rate or charge.

(2) The Minister may declare, by order published in the Gazette, that a rate or charge that would otherwise be invalid because of a provision of this Part is taken to have been validly made from the time it purported to have been made. Such an order has effect according to its tenor.

(3) The Minister may not make such an order unless, in the Minister’s opinion, the rate or charge concerned is invalid only because of a minor and technical breach of one or more of the provisions of this Part.

(4) The Minister may make such an order even though proceedings in relation to the validity have commenced.

### Part 5 Levying of rates and charges

#### Division 1 General

**546 How is a rate or charge levied?**

1. A rate or charge is levied on the land specified in a rates and charges notice by the service of the notice.
2. The notice may be served at any time after 1 July in the year for which the rate or charge is made or in a subsequent year.
3. A notice that is required to effect an adjustment of rates or charges may be served in the year for which the rate or charge is made or a subsequent year.
4. The notice may include more than one rate, more than one charge and more than one parcel of land.
5. It is not necessary to specify the name of the rateable person or the person liable to pay the charge in the notice if the council does not know the person’s name.

**547 Method of rating dwellings under company title**

1. For the purposes of this Act—
   
   (a) a person who, because of the ownership of shares in a company, is entitled to occupy a dwelling in, or a portion of, a building containing two or more such dwellings or portions is taken to be the owner of land (or two or more persons who, because of the ownership of the shares in a company, are entitled to occupy the same dwelling in or portion of, such a building are taken together to be the owners of land), and

   (b) the land value of the land of which the person is (or the persons are) taken to be the owner (or owners) is that proportion of the land value of the land on which the building is erected as the number of shares in the company owned by the person (or persons) bears to the total...
number of shares issued by the company.

(2) The secretary of such a company must notify the council of—

(a) the names and addresses of owners of shares in the company and of the number of shares issued to each owner, and

(b) changes in ownership of any shares in the company.

(3) A rate or charge, to the extent to which it is payable by the owners of shares in accordance with this section, is not also payable by the company in which those shares are held.

Note. The rating of land under strata title is provided for under the *Strata Schemes Development Act 2015*.

548 Minimum amounts

(1) A council, in a resolution making a rate consisting of an ad valorem amount—

(a) may specify a minimum amount of the rate which must be levied in respect of each separate parcel, or

(b) may specify—

(i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and

(ii) a minimum amount of the rate, being less than the minimum amount of rate specified under subparagraph (i), which must be levied in respect of each separate parcel consisting of vacant land, or

(c) may specify—

(i) a minimum amount of the rate which must be levied in respect of each separate parcel, other than a separate parcel consisting of vacant land, and

(ii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (i), which must be levied in respect of each separate parcel consisting of vacant flood liable land or vacant coastal hazard liable land, and

(iii) a minimum amount of the rate, being less than the minimum amount of the rate specified under subparagraph (ii), which must be levied in respect of each separate parcel of vacant flood liable land or vacant coastal hazard liable land.

(2) If a council makes an ordinary rate for different categories or sub-categories of land, it may specify a different minimum amount for each category or sub-category of land.

(3) Except as provided by subsection (4), the minimum amount of a rate is to be—

(a) in respect of an ordinary rate, such amount as is determined by the council, not exceeding $259 or such greater amount as may be prescribed by the regulations or, in the case of a rate for which a particular council may, under subsection (1) or (2), specify a minimum amount, such greater amount as the Minister may determine by instrument in writing, or
(b) in respect of any other rate (not being a water supply special rate or a sewerage special rate), such amount as is determined by the council, not exceeding $2 or such greater amount as the Minister may determine by instrument in writing given to the council.

(4) If the minimum amount of an ordinary rate for the previous year exceeded the amount prescribed or determined in respect of such a rate under subsection (3)(a), the council may determine the minimum amount of the ordinary rate in accordance with subsection (5).

(5) The minimum amount of the ordinary rate must be of such amount as is determined by the council, not exceeding the amount of the minimum ordinary rate for the previous year increased by the percentage (if any) specified in respect of the council under this Act.

(6) A minimum amount of a rate is not invalid because—
   (a) the minimum amount is levied on the whole or any part of the land subject to the rate, or
   (b) of the size of the minimum amount.

(7) A council may not specify a minimum amount of a rate consisting of a base amount to which an ad valorem amount is added.

(8) A minimum amount of a rate specified for a parcel of land may not differ from a minimum amount specified for any other parcel of land within the same category or sub-category unless—
   (a) the land values of the parcels were last determined by reference to different base dates, and
   (b) the Minister approves the different minimum amounts.

548A **Aggregation of values of certain parcels subject to rates containing base amounts**

(1) If the council is of the opinion that the levying of a minimum rate or of a rate containing a base amount—
   (a) would apply unfairly, and
   (b) could cause hardship to a rateable person who is rateable in respect of two or more separate parcels of land subject to the rate,

   it may aggregate the land values of such of the parcels as it determines and levy the rate on the aggregated land values.

(2) Land values may be aggregated under this section for separate parcels of land only if each separate parcel is subject to—
   (a) the same category or subcategory of the same ordinary rate, or
   (b) the same special rate.

(3) A council must not aggregate the land values of two or more separate parcels of land—
   (a) if each parcel is a parcel on which a dwelling is erected or a parcel that comprises (or substantially comprises) a dwelling in a residential flat building, or
   (b) if the parcels are a combination of parcels referred to in paragraph (a).
Reduction of rates containing base amounts if levied on vacant land

1 A council may determine that a rate (whether an ordinary rate or a special rate) consisting of a base amount to which an ad valorem amount is added is to be levied on—

(a) vacant land, or

(b) vacant land that has suffered physical damage (such as flood liable or coastal hazard affected land), or

(c) land prescribed by the regulations for the purposes of this section,

in accordance with this section.

2 If—

(a) the rate were to be levied on land on the basis that the rate consisted of only the ad valorem amount, and

(b) the amount payable as a consequence of levying the ad valorem amount on the land would be less than $250 (or such other amount as may be prescribed by the regulations),

the rate payable in respect of the land is $250 (or such other amount as may be prescribed by the regulations) or the base amount of the rate, whichever is the lesser.

Charge of rates and charges on land

1 A rate or charge levied under this Act on land (including any interest accrued on the rate or charge as referred to in section 566) and any costs awarded to the council by a court in proceedings to recover the rate or charge are a charge on the land.

2 The charge ranks on an equal footing with a charge on the land under any other Act but takes priority over any other charge or encumbrance.

3 The charge does not affect—

(a) the estate of the Crown in land owned by the Crown, or

(b) the estate of a Crown lessee if the lease is granted after the rate or charge was levied (whether or not the land was previously held under a lease from the Crown).

4 The charge does not affect a bona fide purchaser for value who made due inquiry at the time of purchase but had no notice of the liability. A purchaser who has obtained a certificate under section 603 is taken to have made due inquiry.

5 The provisions of this section have effect despite anything contained in section 42 of the Real Property Act 1900.

Special rates and charges relating to water supply, sewerage and drainage

Application of Division 2

This Division applies to a special rate or charge that is made in connection with water supply,
sewerage or drainage services that are actually being provided by the council.

552 What land may be subject to a water supply special rate or charge?

(1) A special rate or charge relating to water supply may be levied on—

(a) land that is supplied with water from a water pipe of the council, and

(b) land that is situated within 225 metres of a water pipe of the council whether the land has a frontage or not to the public road (if any) in which the water pipe is laid, and although the land is not actually supplied with water from any water pipe of the council.

(2) A special rate or charge relating to water supply may not be levied on land unless water could be supplied to some part of the land from a standpipe at least 1 metre in height from the ground level, if such a pipe were laid and connected to the council’s mains.

(3) A special rate or charge relating to sewerage may be levied on all land except—

(a) land which is more than 75 metres from a sewer of the council and is not connected to the sewer, and

(b) land from which sewage could not be discharged into any sewer of the council.

(4) A special rate or charge relating to drainage may be levied on rateable land that is within the basin served by the drainage works.

553 Time at which land becomes subject to special rate or charge

Land does not become subject to a special rate or charge to which this Division applies by virtue of the extension by a council of a water pipe, sewer or drain—

(a) in the case of a special rate or charge relating to water supply—until 21 days after notice is given by the council in the Gazette of the extension of the water pipe or until the date on which the land is connected to the council’s mains, whichever is the earlier, or

(b) in the case of a special rate or charge relating to sewerage—until 60 days after notice is given by the council in the Gazette of the extension of the sewer or until the date on which the land is connected to the sewer, whichever is the earlier, or

(c) in the case of a special rate or charge relating to drainage—until notice is given by the council in the Gazette of the extension of the drain.

553A Special rates and charges not payable in relation to land provided with private water supply or sewerage

(1) A special rate or charge is not payable in relation to any land in respect of the supply of water, or the provision of a sewerage service, during the term of any contract in that regard entered into between the owner of the land and a licensed retail supplier within the meaning of the Water Industry Competition Act 2006.

(2) If—

(a) the council is a retailer of last resort within the meaning of the Water Industry Competition Act 2006 in relation to any water supply or sewerage service, and
(b) a direction in relation to that service is given to the council under section 56 of that Act,
the council and the owner are taken to have entered into a special circumstances contract in such
terms as are prescribed by the regulations for the purposes of this subsection.

Division 3 Coastal protection service charges

553B Restriction on levying coastal protection service charges

(1) An annual charge for coastal protection services may not be levied on a parcel of rateable land in
relation to existing coastal protection works unless the owner (or any previous owner) of that
land has consented in writing to the land being subject to such charges.

(2) Despite subsection (1), the council may make and levy an annual charge on a parcel of rateable
land for coastal protection services that relate to existing coastal protection works if the owner
or occupier (or any previous owner or occupier) of the parcel of rateable land contributed, after
the commencement of this section, to the upgrade or expansion of the existing coastal protection
works. However, any such annual charge must be calculated so as to enable the council only to
recover that portion of the reasonable cost to the council of providing those services that exceeds
the reasonable cost to the council of providing such services had the existing coastal protection
works not been upgraded or expanded.

(3) An annual charge for coastal protection services may not be levied on a parcel of rateable land in
relation to any coastal protection works if—

(a) the maintenance of the works or the management of the impacts of the works (as
appropriate) is a condition of an approval or consent under the Environmental Planning and
Assessment Act 1979 relating to the works, and

(b) that maintenance or management work is not being carried out by or on behalf of the
council.

(4) In this section, existing coastal protection works means coastal protection works that existed
before the commencement of this section.

Part 6 What land is rateable?

554 What land is rateable?

All land in an area is rateable unless it is exempt from rating.

555 What land is exempt from all rates?

(1) The following land is exempt from all rates—

(a) land owned by the Crown, not being land held under a lease for private purposes,

(b) land within a national park, historic site, nature reserve, state game reserve or karst
conservation reserve (within the meaning of the National Parks and Wildlife Act 1974),
whether or not the land is affected by a lease, licence, occupancy or use,

(b1) subject to subsection (3), land that is the subject of a conservation agreement (within the
meaning of the National Parks and Wildlife Act 1974),
(b2) land that is vested in, owned by, held on trust by or leased by the Nature Conservation Trust of New South Wales constituted by the Nature Conservation Trust Act 2001,

(c) land that is within a special area or controlled area (within the meaning of the Water Board (Corporatisation) Act 1994) for Sydney Water Corporation referred to in that Act and is Crown land or land vested in the Corporation,

(c1) land that is within a special area (within the meaning of the Hunter Water Board (Corporatisation) Act 1991) for the Hunter Water Corporation and is Crown land or land vested in that company,

(c2) land that is vested in or owned by Water NSW and in, on or over which water supply works (within the meaning of the Water Management Act 2000) are installed,

(d) land that is within a special area (as declared by an order under section 302 of the Water Management Act 2000) for a water supply authority and is Crown land or land vested in the authority,

(e) land that belongs to a religious body and is occupied and used in connection with—

(i) a church or other building used or occupied for public worship, or

(ii) a building used or occupied solely as the residence of a minister of religion in connection with any such church or building, or

(iii) a building used or occupied for the purpose of religious teaching or training, or

(iv) a building used or occupied solely as the residence of the official head or the assistant official head (or both) of any religious body in the State or in any diocese within the State,

(f) land that belongs to and is occupied and used in connection with a school (being a government school or non-government school within the meaning of the Education Act 1990 or a school in respect of which a certificate of exemption under section 78 of that Act is in force), including—

(i) a playground that belongs to and is used in connection with the school, and

(ii) a building occupied as a residence by a teacher, employee or caretaker of the school that belongs to and is used in connection with the school,

(g) land that is vested in the New South Wales Aboriginal Land Council or a Local Aboriginal Land Council and is declared under Division 5 of Part 2 of the Aboriginal Land Rights Act 1983 to be exempt from payment of rates,

(g1) land that is vested in or owned by Residual Transport Corporation of New South Wales or a public transport agency (within the meaning of the Transport Administration Act 1988) and in, on or over which rail infrastructure facilities (within the meaning of that Act) are installed,

(g2) land that is vested in or owned by Transport Asset Holding Entity of New South Wales and in, on or over which rail infrastructure facilities (within the meaning of the Transport Administration Act 1988) are installed,
(g3) land that is vested in or owned by Sydney Metro and in, on or over which rail
infrastructure facilities (within the meaning of the Transport Administration Act 1988) are
installed,

(h) land that is below high water mark and is used for any aquaculture (within the meaning of
the Fisheries Management Act 1994) relating to the cultivation of oysters.

(2) Land is not rateable under subsection (1)(a) only because the land is leased by the Crown to a
caretaker at a nominal rent.

(3) If part of a single parcel of land is the subject of a conservation agreement within the meaning of
the National Parks and Wildlife Act 1974 (as referred to in subsection (1)(b1)), any rate levied
on that whole parcel (for any period on or after 1 July 2008) is to be reduced by the following
percentage—

\[
\frac{A_{ca}}{A_{whole}} \times 100
\]

where—

\(A_{ca}\) is the area of that part of the parcel that is the subject of the conservation agreement, and
\(A_{whole}\) is the area of the whole parcel.

Note. For example, if a parcel of land would normally be subject to a rate of $1,000, but 40% of the area of
the land is subject to a conservation agreement, that rate is to be reduced by 40% to $600.

(4) Land that is a lot in a strata plan registered under the Strata Schemes Development Act 2015 for a
leasehold strata scheme is taken, for the purposes of subsection (1)(e), (f), (g) and (g1), to
belong to or be vested in the owner (within the meaning of that Act) of the lot and not the lessor
(within the meaning of that Act), unless the lessor is the owner for the purposes of that Act.

(5) A parcel of rateable land belonging to a religious body that is partly occupied and used in a
manner described in subsection (1)(e), and partly in a manner that would result in part of the
parcel not being exempt from rates under this section, is to be valued in accordance with section
28A of the Valuation of Land Act 1916 to enable those rates to be levied on the part that is not
exempt.

(6) Any such valuation is to be made at the request of the council that proposes to levy rates on the
parcel concerned.

(7) For the avoidance of doubt, sections 7B and 28A of the Valuation of Land Act 1916 extend to a
stratum for the purpose of carrying out a valuation in accordance with subsection (5) and so
extend whether or not the stratum is a lot in a strata plan that is registered under the Strata
Schemes Development Act 2015.

556 What land is exempt from all rates, other than water supply special rates and sewerage
special rates?

(1) The following land is exempt from all rates, other than water supply special rates and sewerage
special rates—

(b) land used for a public reserve and vested in the Crown, a public body or trustees,

c) land used for a common and vested in the Crown, a public body or trustees,

(d) land used for a public cemetery and vested in the Crown, a public body or trustees,

(e) land used solely for a free public library and vested in the Crown, a public body or trustees,

(f) land acquired under an environmental planning instrument for the public purpose specified in the instrument and not leased for private purposes,

(h) land that belongs to a public benevolent institution or public charity and is used or occupied by the institution or charity for the purposes of the institution or charity,

(i) land that belongs to a public hospital,

(n) land that is vested in the Crown or the Zoological Parks Board and is used or occupied by the Board for its purposes,

(o) land that—

   (i) is vested in the mines rescue company, within the meaning of the Coal Industry Act 2001, and

   (ii) is used for the purposes of a mine rescue station controlled by that company,

(p) land that is managed by the Teacher Housing Authority and on which a house is erected,

(q) land that is leased to the Crown for the purpose of cattle dipping,

(r) land that is specified or described in the regulations as being exempt from all rates, other than water supply special rates and sewerage special rates,

(s) land that is vested in an Aboriginal Land Council and that is reserved under Part 4A of the National Parks and Wildlife Act 1974.

(2) Land that is a lot in a strata plan registered under the Strata Schemes Development Act 2015 for a leasehold strata scheme is taken, for the purposes of subsection (1)(h)–(o), to belong to or be
vested in the owner (within the meaning of that Act) of the lot and not the lessor (within the meaning of that Act), unless the lessor is the owner for the purposes of that Act.

(3) A parcel of rateable land belonging to a public benevolent institution or public charity that is partly used or occupied by the institution or charity for its own purposes, and partly for a purpose that would result in part of the parcel not being exempt from rates under this section, is to be valued in accordance with section 28A of the *Valuation of Land Act 1916* to enable those rates to be levied on the part that is not exempt.

(4) Any such valuation is to be made at the request of the council that proposes to levy rates on the parcel concerned.

(5) For the avoidance of doubt, sections 7B and 28A of the *Valuation of Land Act 1916* extend to a stratum for the purpose of carrying out a valuation in accordance with subsection (3) and so extend whether or not the stratum is a lot in a strata plan that is registered under the *Strata Schemes Development Act 2015*.

### 557 What land is exempt from water supply special rates and sewerage special rates?

(1) In addition to the land specified in section 555, water supply special rates may not be levied on land to which the council has resolved not to supply water.

(2) In addition to the land specified in section 555, sewerage special rates may not be levied on land which the council has resolved not to connect to the council’s sewers.

### 558 What land and bodies may be exempted from water supply special rates and sewerage special rates?

(1) A council may exempt the following from payment of water supply special rates and sewerage special rates—

(a) a public reserve,

(b) a public hospital,

(c) a public charity,

(d) land—

(i) that is unoccupied, and

(ii) that is not supplied with water from a council water pipe and is not connected to a council sewer, and

(iii) that the council has determined is unsuitable for the erection of a building because it is liable to flooding or tidal inundation or liable to be affected by a coastal hazard,

(e) land that, in the opinion of the council, it is impracticable, having regard to the physical features of the land or any unusual cost that may be incurred, to supply with water or connect to the sewer.

(2) A council may exempt from payment of water supply special rates land that is within 225 metres of a gravitation or rising water main and that is not connected to the main.
(3) A council may exempt from payment of sewerage special rates land that for the time being is not rateable in respect of the water supply special rate.

(4) A public hospital that is exempt from payment of water supply special rates is to be supplied with water, and a public charity that is so exempt may be supplied with water, on the following conditions—

(a) there is to be supplied free of charge—

(i) in the case of a public hospital—300 litres per day (or such greater quantity as the council may determine) for each person resident in the hospital, and

(ii) in the case of a public charity—140 litres per day (or such greater quantity as the council may determine) for each person resident in an institution conducted by the public charity,

(b) for the purposes of this provision—

(i) an inmate is taken to be resident, and

(ii) the number of persons resident is the average number of persons resident during the year preceding the period in respect of which charges would be payable, and

(iii) the general manager may, at any reasonable time, require the production of the records of the public hospital or public charity to verify the average number,

(c) the supply is to be through a meter,

(d) any quantity of water in excess of that which may be supplied free of charge is to be paid for at the charge fixed by the council for excess water.

(5) The council may revoke or alter an exemption.

559 Determination as to whether a body is a public benevolent institution or public charity

The provisions of the Charitable Fundraising Act 1991 are irrelevant in determining whether a body is a public benevolent institution or public charity for the purposes of section 556 or 558.

Part 7 Payment of rates and charges

560 Who is liable to pay rates?

(1) The owner for the time being of land on which a rate is levied is liable to pay the rate to the council, except as provided by this section.

(2) If land owned by the Crown is leased, the lessee is liable to pay the rate, except as provided by subsection (4).

(3) If there are two or more owners, or two or more lessees from the Crown, of the land, they are jointly and severally liable to pay the rate.

(4) The Crown is liable to pay the rate for land owned by the Crown which is subject to the Housing Act 2001 or the Aboriginal Housing Act 1998.
561 Who is liable to pay charges?

The person liable to pay a charge is—

(a) the person who, if the charge were a rate and if the land on which the charge is levied were rateable in respect of that rate, would be liable under section 560 to pay the rate, or

(b) the Crown in respect of land owned by the Crown, not being land held under a lease for private purposes.

562 Payment of rates and annual charges

(1) Annual rates and charges may be paid in a single instalment or by quarterly instalments.

(2) If payment is made by quarterly instalments, each instalment is to be a quarter of the rates or charges, disregarding any remainder, together, in the case of the first instalment, with the remainder. However, if the amount of an instalment, other than the first instalment, is not a multiple of 10 cents, the amount of each instalment in excess of a multiple of 10 cents is to be subtracted from that instalment and added to the first instalment.

(3) Except as provided by subsection (4)—

(a) if payment is made in a single instalment, the instalment is payable by 31 August, and

(b) if payment is made by quarterly instalments, the instalments are payable by 31 August, 30 November, 28 February and 31 May.

(4) If the rates and charges notice is not served by 1 August—

(a) the single instalment (if payment is made in a single instalment), or

(b) the first 2 instalments (if payment is made by quarterly instalments),

is or are payable by 30 November, or by the day that is 30 days after service of the notice, whichever is the later.

(5) On or before 31 October, 31 January and 30 April, a council must send reminder notices (to be sent separately from the rates and charges notice) to each person whose rates and charges are being paid by quarterly instalments.

563 Discount for prompt payment in full

A council may discount the amount of a rate or charge to such extent as it determines if the whole of the discounted amount of the rate or charge is paid by a date nominated by the council.

564 Agreement as to periodical payment of rates and charges

(1) A council may accept payment of rates and charges due and payable by a person in accordance with an agreement made with the person.

(2) The council may write off or reduce interest accrued on rates or charges if the person complies with the agreement.
565  **Capital contributions instead of payment of special rates or charges**

A council may waive payment by a rateable person of the whole or part of a special rate or charge for one or more years as specified by the council if the person pays, or enters into a written agreement to pay, a lump sum towards the capital cost of any works, services or facilities for which the special rate or charge is made.

566  **Accrual of interest on overdue rates and charges**

(1) Interest accrues on rates and charges that remain unpaid after they become due and payable.

(2) Interest accrues on a daily basis.

(3) The rate of interest is that set by the council but must not exceed the rate specified for the time being by the Minister by notice published in the Gazette.

(4) Accrued interest is, for the purpose of its recovery, taken to be a rate or charge which is due and payable.

(5) Interest continues to accrue on unpaid rates or charges even though judgment for payment of the rates or charges may have been obtained in a court. Interest is not payable on the judgment debt, despite any other Act.

(6) If an unpaid rate or charge is referred to the Chief Commissioner of State Revenue for debt recovery action in accordance with the *State Debt Recovery Act 2018*, interest ceases to accrue on the unpaid amount under this section on and from the referral date. However, interest may be charged under that Act.

(7) If the council revokes the referral of the amount under the *State Debt Recovery Act 2018*—

   (a) interest starts to accrue again under this section on and from the date the referral is revoked, unless the council otherwise directs, and

   (b) any interest or debt recovery costs charged by the Chief Commissioner under that Act are not recoverable by the council.

(8) In this section—

   *referral date* means the date on which the unpaid amount is referred by the council to the Chief Commissioner of State Revenue for the making of a debt recovery order under the *State Debt Recovery Act 2018*.

567  **Writing off of accrued interest**

The council may write off accrued interest on rates or charges payable by a person if, in its opinion—

(a) the person was unable to pay the rates or charges when they became due and payable for reasons beyond the person’s control, or

(b) the person is unable to pay the accrued interest for reasons beyond the person’s control, or

(c) payment of the accrued interest would cause the person hardship.
Money paid to a council in respect of rates or charges levied on land is to be applied towards payment of those rates or charges in the order in which they became due.

A council may serve on an occupier of land a notice of the amount of any rate or charge unpaid in respect of the land or of the amount of any judgment given against a person for any rate or charge unpaid in respect of the land, if the person liable to pay the rate or charge—

(a) is resident outside New South Wales, or

(b) is unknown to the council, or

(c) has not been served in any legal proceedings for the recovery of the rate or charge after reasonable efforts have been made by or on behalf of the council to effect service, or

(d) becomes bankrupt, applies to take the benefit of any law for the relief of bankrupt or insolvent debtors, compounds with his or her creditors or makes an assignment of his or her remuneration for their benefit, or

(e) dies, or

(f) has had judgment given against him or her for the amount of the rate or charge.

The notice may demand that any rent in respect of the land is to be paid by the occupier to the council as it falls due in satisfaction of the rate, charge or judgment.

The council may recover the amount of the rate, charge or judgment outstanding as a debt from the occupier if rent is not paid to the council in accordance with the demand.

A payment under this section to the council discharges the payer from any liability to any person to pay the rent.

A council may accept a transfer of the land in respect of which rates or charges are or accrued interest is due and payable in full satisfaction of the rates, charges or accrued interest.

A person who disposes of an estate in land continues to be liable to pay a rate or charge levied in respect of the land if the rate or charge was levied—

(a) before the estate was disposed of, or

(b) after the estate was disposed of but before notice of the transfer was given as required by this Act.

A person who, as the holder of a licence, permit, permissive occupancy or authority under the Crown Land Management Act 2016, was liable for rates or charges continues to be liable to pay a rate or charge levied in respect of the land subject to the licence, permit, permissive occupancy or authority if the rate or charge was levied before the licence, permit, permissive occupancy or
authority was terminated or expired.

(3) A person who becomes liable for rates and charges levied on land is liable to the council for a rate or charge owing in respect of the land even though the person was not so liable when the rate or charge was levied.

572 What happens if the rateability of land changes?

(1) A rate is proportionate to the portion of the year for which land is rateable and to the portion of the land which is rateable.

(2) A charge, other than a charge limited under section 503(2) to the cost of providing a particular service to land, is proportionate to the portion of the year for which land is rateable.

573 What happens if land is subdivided?

If land is subdivided, and a part is sold or let, any unpaid rates or charges may be apportioned by the council on the recommendation of the Valuer-General.

574 Appeal on question of whether land is rateable or subject to a charge

(1) A person who has an estate in land, or who is the holder of a licence or permit for land under the Crown Land Management Act 2016, in respect of which a rates and charges notice is served may appeal to the Land and Environment Court—

(a) in the case of a rate—against the levying of the rate on the ground that the land or part of it is not rateable or is not rateable to a particular ordinary rate or a particular special rate, or

(b) in the case of a charge—against the levying of the charge on the ground that the land is not subject to any charge (excluding a charge limited under section 503(2)) or is not subject to the particular charge.

(2) An appeal may not be made under this section on the ground that land has been wrongly categorised under Part 3.

(3) An appeal must be made within 30 days after service of the rates and charges notice.

(4) If the Land and Environment Court determines that only a part of land is rateable, it is required to determine the value of that part.

Note. While the grounds of appeal concerning rates are limited to those specified in section 574, opportunity is given at different points in the rate-making process for objections, submissions (including submissions by way of objection) and applications to be made to a council concerning rates. These include—

• public notice of the draft operational plan

• application for change of category for purposes of ordinary rate

• deferral and reduction of rates.
Part 8 Concessions

Division 1 Concessions for pensioners

575 Reductions for eligible pensioners

(1) If an eligible pensioner is the person solely liable, or a person jointly liable with one or more other persons, for a rate or charge levied on land on which a dwelling is situated, the rate or charge is, on application to the council and on production to the council of evidence sufficient to enable it to calculate the amount of the reduction, to be reduced in accordance with this section.

(2) Subject to subsection (3), the amount by which a rate or charge is required to be reduced is—

(a) if the person making the application is, on the date on which the rate or charge is levied, an eligible pensioner who is solely liable or jointly liable with one or more jointly eligible occupiers but with no other person for the rate or charge—one-half of the rate or charge, or

(b) if the person making the application is, on the date on which the rate or charge is levied, an eligible pensioner who is jointly liable with one other person who is not a jointly eligible occupier, or with two or more other persons, any of whom is not a jointly eligible occupier for the rate or charge—an amount that bears to one-half of the rate or charge the same proportion as the part of that rate or charge for which, as between all persons liable to pay the rate or charge, the applicant and any jointly eligible occupier are liable bears to the whole of that rate or charge.

(3) The total amount by which—

(a) all ordinary rates and charges for domestic waste management services levied on any land for the same year are reduced is not to exceed $250, and

(b) all water supply special rates or charges so levied are reduced is not to exceed $87.50, and

(c) all sewerage special rates or charges so levied are reduced is not to exceed $87.50.

However, if subsection (2)(b) applies, the maximum amounts specified in this subsection are to be proportionately reduced in line with the proportion applicable under subsection (2)(b).

(4) If a person becomes an eligible pensioner after the day on which a rate or charge is made and levied, the person is entitled to a reduction under this section of the rate or charge proportionate to the number of full quarters remaining after the day on which the person becomes an eligible pensioner in the year for which the rate or charge is made.

(5) A person who is an eligible pensioner or a jointly eligible occupier is, to the extent to which any rate or charge that, but for this section, would be payable by the person is reduced under this section, discharged from liability as between that person and any other person jointly liable to pay the rate or charge.

576 Application of this Division to postponed rates

If the payment of part of a rate which is required to be reduced by section 575 is postponed under Division 2, the amount of the rate for the purposes of this Division is taken to be the amount of that part of the rate that is not postponed under Division 2.
577  Extension of concession to avoid hardship

(1) If a council considers it proper to do so to avoid hardship, the council may, by order, direct that—

(a) a person specified in the order—

(i) who occupies a dwelling as his or her sole or principal place of living, which dwelling is the sole or principal place of living of an eligible pensioner, and

(ii) who is jointly liable with that eligible pensioner or with that eligible pensioner and one or more other persons in respect of the land on which that dwelling is situated, and

(iii) in respect of whom a reduction of rates or charges would not, if that person were solely liable in respect of that land, be required to be made under this Division, or

(b) any person belonging to a class of persons specified in the order, being persons referred to in paragraph (a),

is, on and from the effective date of the order, taken, for the purposes of this Division, to be or to have been an eligible pensioner.

(2) If a council considers it proper to do so to avoid hardship, the council may, by order, direct that—

(a) an eligible pensioner specified in the order who, although not liable, or although liable jointly with one or more other persons, to do so, has, for such period as, in the opinion of the council, warrants the making of an order under this section in respect of that person, paid the whole of the rates or charges for the land on which that dwelling is situated or is, in the opinion of the council, likely to pay the whole of the rates or charges in circumstances that in the opinion of the council warrant the making of an order under this subsection, or

(b) any person belonging to a class of persons specified in the order being persons referred to in paragraph (a),

is, on and from the effective date of the order, taken, for the purposes of this Division, to be or to have been the person solely liable in respect of the land on which the dwelling is situated.

(3) An order under this section has effect according to its tenor.

578  When does an order under sec 577 take effect?

(1) An order under section 577 takes effect (or is taken to take effect) on such date as is specified in the order (the effective date), being a date in the year commencing on 1 July during which the order is made, whether or not that date is before or after the date on which the order is made.

(2) If a council makes an order under section 577 that is taken to take effect on a date that is before the date of the making of the order, the council may, in that order or in a subsequent order, give such directions as to refunding any rates or charges that have been paid and the charging of interest on overdue rates or charges and as to such other matters as the council thinks fit.

(3) An order under subsection (2) has effect according to its tenor.
579 When and how is an application made for the purposes of this Division?

(1) An application under this Division is to be made within the time and in the manner prescribed by the regulations.

(2) If no such regulations are in force, the application is to be made within the time and in the manner fixed by resolution of the council and, if an application is made for an order referred to in section 577, as the council may require.

(3) If, pursuant to an application made under this Division, a reduced rate or charge applies, the council may, if the eligibility of the applicant for a reduction in a subsequent rate or charge is verified by the council as prescribed by the regulations, reduce the subsequent rate or charge without requiring a further application under this Division.

580 Variation by regulation of amounts of reductions

The amount by which a rate or charge is to be reduced in accordance with this Division may be varied from time to time by the regulations.

581 Reimbursement of councils by Parliament

The Minister is required, out of money provided by Parliament, to pay to the council an amount equal to half that written off by the council under this Division because of section 575.

582 Abandonment of pensioners rates and charges

A council may waive or reduce rates, charges and interest due by any person prescribed by the regulations who is in receipt of a pension, benefit or allowance under the Social Security Act 1991 of the Commonwealth.

583 Writing off of pensioners rates and charges

(1) A council is to write off amounts of rates, charges and interest which are reduced or waived under this Division.

(2) A council may not take proceedings to recover an amount so written off unless the amount has been written off because of a wilfully false statement in an application under this Division or except as provided by section 584.

584 Ending of concession

(1) If circumstances occur that cause a person’s entitlement to a reduction, under this Division, of rates or charges to cease, the entitlement is taken to cease on the last day of the quarterly instalment period during which those circumstances occur.

(2) If, at the time the entitlement is taken to cease, the rates or charges for the whole year, reduced under this Division, have been paid in full, the portion of the payment that is proportionate to the quarterly instalment periods remaining after that time is to be credited to the rates or charges payable in respect of that part of the year remaining after that time.

Division 2 Other concessions

Note. This Division enables a ratepayer to apply for a postponement of part of rates on land which is used only as the site of a house or rural land but, because of its zoning or permitted use, is valued for rating purposes in a way that reflects its permitted use
rather than its actual use.

This Division also entitles the Maritime Services Board, the State Rail Authority Residual Holding Corporation and the State Transit Authority to a 25% rebate for ordinary rates payable for certain land.

Other rating concessions may be provided under other Acts. For example, section 127 of the Heritage Act 1977 provides for rates to be levied on heritage valuations determined in accordance with that Act instead of on other valuations.

585 Who may apply for postponement of rates?

The rateable person for land described in any of the following paragraphs may apply to the council for a postponement of rates payable for the land in the current or following rating year (or in both years)—

(a) a parcel of land on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated for use under an environmental planning instrument for the purposes of industry, commerce or the erection of residential flat buildings, not being land referred to in paragraph (b) or (c),

(b) a parcel of land (which may comprise one or more lots or portions in a current plan) on which there is a single dwelling-house used or occupied as such and which is zoned or otherwise designated under an environmental planning instrument so as to permit its subdivision for residential purposes, not being land referred to in paragraph (c),

(c) a parcel of rural land (which may comprise one or more lots or portions in a current plan) which is zoned or otherwise designated under an environmental planning instrument so as to permit its use otherwise than as rural land, or its subdivision into two or more lots or portions, one or more of which has an area of less than 40 hectares.

586 Applications to be referred to Valuer-General

(1) The council must refer the application to the Valuer-General to determine the attributable part of the land value of the land if the council is satisfied that the land is described in section 585(a), (b) or (c).

(2) The Valuer-General must determine the attributable part of the land value and notify the council of the determination.

587 Attributable part of land value of land

(1) The attributable part of the land value of land described in section 585(a) or (b) is determined by deducting from the land value the value that the land would have if the land could be used only as the site of a single dwelling-house.

(2) The attributable part of the land value of land described in section 585(c) that may be used otherwise than as rural land is determined by deducting from the land value the value that the land would have if the land could be used only as rural land.

(3) The attributable part of the land value of land described in section 585(c) that may be subdivided into one or more lots having an area of less than 40 hectares is determined by deducting from the land value the value that the land would have if the land could only be subdivided into lots having an area of 40 hectares or more.
588 Determination of attributable part of land value by Valuer-General

The Valuer-General must not, in determining the attributable part of the land value of land described in section 585(a) or (b), take into account any portion of the land which the Valuer-General considers to be in excess of that which is reasonably necessary to be occupied or used in conjunction with the single dwelling-house.

589 Redetermination of attributable part of land value

(1) If a valuation for which the attributable part of the land value of land was determined is altered on objection or for the correction of a clerical error or misdescription, the council must require the Valuer-General to redetermine the attributable part of the land value of the land.

(2) The Valuer-General must, on redetermination of the attributable part of the land value of land, notify the council of the redetermination.

590 Use of determination of attributable part of land value

The attributable part of the land value of land determined, or redetermined, by the Valuer-General may be used by a council for the purpose of postponing rates only while the circumstances that made the land eligible for a postponement of rates under this Division continue to exist and the valuation of the land value for which the determination was made remains in use for rating purposes.

591 Postponement of rates

(1) A council must, in accordance with this section, postpone the payment of rates for land in any rating year for which a determination or redetermination of the attributable part of the land value is in force.

(2) For land for which no base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the rate as the attributable part of the land value bears to the land value.

(3) For land for which a base amount of a rate is specified, the amount of the rate postponed is to be the same proportion of the ad valorem amount of the rate as the attributable part of the land value bears to the land value.

592 Interest on postponed rates

Interest accrues on parts of rates postponed under this Division as if the rates were overdue rates and, for this purpose, the due dates for payment are taken to be the respective dates on which the parts of the rates which were payable became due.

593 Paid rates to be refunded

The council must refund to a rateable person any amount of rates paid by the person which exceeds the amount of the rates remaining after part of the rates is postponed.

594 Adjustment of rates

On a redetermination of the attributable part of the land value of land, a council must adjust amounts payable for rates or to be postponed as appropriate. Any amounts paid in excess are to be refunded and amounts short-paid are recoverable as arrears of rates.
595 Rates to be written off after 5 years

(1) If 5 years have elapsed since the commencement of a rating year for which part of the rates
levied on land have been postponed under this Division, the part postponed and any interest
accrued on that part must be written off by the council.

(2) Nothing in this section affects the right of the council to recover rates and interest, even though
they have been written off under this section, if it subsequently appears to the council that they
should not have been written off.

596 Change of circumstances

A rateable person for land for which an application has been made under this Division but not
determined, or for which a determination or redetermination of the attributable part of the land value
is in force, must inform the council (within 1 month) if land used or occupied solely as a site for a
single dwelling-house, or as rural land, ceases to be so used or occupied.

597 Entitlement to postponement ceases

A person ceases to be entitled to a postponement of rates under this Division if the whole of a parcel
of land used or occupied solely as a site for a single dwelling-house, or as rural land, ceases to be so
used or occupied.

598 Redetermination on partial change of circumstances

(1) If part only of a parcel of land used or occupied solely as the site of a single dwelling-house or as
rural land ceases to be so used or occupied, the council must require the Valuer-General to
determine the amount of the attributable part of the land value of the land (if any) in relation to
that part of the land and each other part of the land.

(2) The council must, in accordance with the Valuer-General’s redetermination, make a due
adjustment to the rates payable, or apply the provisions postponing rates, as it considers
equitable in the circumstances.

599 When and how is an application made for the purposes of this Division?

(1) An application under this Division is to be made within the time and in the manner prescribed by
the regulations.

(2) If no such regulations are in force, the application is to be made within the time and in the
manner fixed by resolution of the council.

(3) If, pursuant to an application made under this Division, a reduced rate applies, the council may,
if the eligibility of the rateable person for a reduction in a subsequent rate is verified by the
council as prescribed by the regulations, reduce the subsequent rate without requiring a further
application under this Division.

600 Rebates in respect of certain land vested in public bodies

(1) The rateable person in respect of a parcel of land vested in a public body is entitled to a rebate of
25 per cent of the ordinary rate made and leviable on the land or, if on objection by the council
the Minister determines a lesser rebate, the lesser rebate.
(2) The amount of the rebate is to be written off and abandoned by the council.

(3) The rebate is to be allowed only if—

(a) access to the parcel is wholly or substantially over other lands for which the public body provides at its own cost such services as materially benefit the parcel, and

(b) the parcel is included in the then current list referred to in subsection (5), and

(c) the council has not objected to the inclusion of the parcel in the list or its objection has been dismissed.

(4) The rate notice must state the amount of the rebate, and, if an objection has been lodged under this section, must not be served unless and until the objection has been determined.

(5) A public body in which is vested any parcel of land in respect of which the rateable person is entitled to a rebate under this section must furnish to the council not later than 30 April before the commencement of the year for which the rate is made a list setting out the parcels of land of the nature referred to in subsection (3)(a), giving particulars of each parcel, the means of access to them and the material services provided by the public body in respect of those parcels as at 31 March in the year in which the list is furnished.

(6) If the council objects to the inclusion of any parcel in the list, it must serve notice of objection on the public body and on the Minister within 2 months after the list is furnished.

(7) The Minister may allow or dismiss an objection, but, before determining an objection, the Minister must, if either the public body or the council so desires, afford them an opportunity of appearing before and being heard by a person appointed by the Minister for that purpose.

(8) The decision of the Minister on an objection is final.

(9) In this section—

access and means of access include lifts, stairways, escalators and passageways in or on a building, structure, work or excavation.

public body means the Maritime Authority of NSW, a Port Corporation within the meaning of the Ports and Maritime Administration Act 1995, the State Rail Authority Residual Holding Corporation, Transport Asset Holding Entity of New South Wales, Sydney Trains, NSW Trains, Residual Transport Corporation of New South Wales, Transport Infrastructure Development Corporation, Rail Infrastructure Corporation, Sydney Metro, Sydney Ferries and the State Transit Authority.

services means cleaning, lighting, repairs and maintenance of any access and means of access.

601 Hardship resulting from certain valuation changes

(1) A ratepayer who, as a consequence of the making and levying of a rate on a valuation having a later base date than any valuation previously used by a council for the making and levying of a rate, suffers substantial hardship, may apply to the council for relief under this section.

(2) The council has a discretion to waive, reduce or defer the payment of the whole or any part of the increase in the amount of the rate payable by the ratepayer in such circumstances, for such
period and subject to such conditions as it thinks fit.

(1) Any person may bring proceedings in the Land and Environment Court for an order to remedy or restrain a breach of this Act.

(2) The proceedings may be brought by a person on the person’s own behalf or on behalf of the person and on behalf of other persons (with their consent), or a body corporate or unincorporated (with the consent of its committee or other controlling or governing body), having like or common interests in those proceedings.

(2) The relevant provisions do not give rise to, and cannot be taken into account in, any civil cause of action and do not affect any rights or liabilities arising apart from the relevant provisions.

(3) Without limiting subsection (2), a contravention of the relevant provisions is not a breach of this Act for which a remedy may be sought (whether under this Act or otherwise).

675 Time limit on proceedings questioning the validity of approvals

Proceedings questioning the validity of an approval under Part 1 of Chapter 7 may not, if the council has given public notice of the granting of the approval in the manner and form prescribed by the regulations, be commenced more than 3 months after the date on which the notice was given.

677 Compensation may be awarded against vexatious litigants

(1) The Land and Environment Court, on the hearing of proceedings brought under section 674, has a discretion to award compensation to the person against whom such proceedings are taken if the Court considers that—

(7) Nothing in subsection (3), (4) or (6) affects the owner’s right to recover any amount from any lessee or other person liable for the expenses of repairs.

(8) A reference in subsection (4) or (6) to costs is a reference to costs incurred by the council in seeking to recover the deficiency or expenses otherwise than by proceedings in a court, but nothing in this section prevents the council from receiving costs as between party and party in respect of those proceedings.

(9) A council may exercise its functions under this section irrespective of whether the person concerned has been prosecuted for an offence under section 628.

(10) In any proceedings before the Land and Environment Court that are brought by a council against a person as a result of the person’s failure to comply with an order under Part 2 of Chapter 7, the Court may, at any stage of the proceedings, order the council to exercise the council’s functions under this section. (4) If the amount of penalty prescribed for an alleged offence is paid under this section, no person is liable to any further proceedings for the alleged offence.

(5) Payment under this section is not regarded as an admission of liability for the purpose of, and does not in any way affect or prejudice, any civil claim, action or proceeding arising out of the same occurrence.

(6) The regulations may—
   (a) prescribe an offence for the purposes of this section by specifying the offence or by referring to the provision creating the offence, and
   (b) prescribe the amount of penalty payable for the offence if dealt with under this section, and

(7) The amount of a penalty prescribed under this section for an offence must not exceed the maximum amount of penalty which could be imposed for the offence by a court.

the Electoral Commissioner is not entitled to cancel the registration of the party before 28 March 2004.
